FORWARD-LOOKING STATEMENTS

This Quarterly Report on Form 10-Q contains “forward-looking statements” within the safe harbor provisions of the Private Securities Litigation Reform Act of 1995. Forward-looking statements include all statements that do not relate solely to historical or current facts and can generally be identified by words such as “anticipate,” “believe,” “could,” “estimate,” “expect,” “forecast,” “future,” “goal,” “intend,” “may,” “outlook,” “plan,” “positioned,” “possible,” “potential,” “project,” “should,” “target,” “will,” “would,” and similar expressions or variations thereof, or the negative thereof, but these terms are not the exclusive means of identifying such statements. Forward-looking statements are based on management’s expectations and assumptions as of the date of this report and are not guarantees of future performance. You are cautioned not to place undue reliance on our forward-looking statements.

Forward-looking statements may relate to a number of matters, including expectations regarding revenue, margins, expenses, earnings, tax provisions, cash flows, pension obligations, share repurchases or other statements regarding economic conditions or our business outlook; statements regarding capital expenditures and plans, projects, strategies and objectives for our future operations, including our ability to win new projects and execute the projects in our backlog; and statements regarding our expectations with respect to pending legal claims or disputes. While forward-looking statements are made in good faith and based on assumptions, expectations and projections that management believes are reasonable based on currently available information, actual performance and financial results may differ materially from projections and estimates expressed in the forward-looking statements because of many factors, including, without limitation:

- changes in global or regional economic conditions, inflation, and supply and demand dynamics in the market segments we serve, including demand for technologies and projects to limit the impact of global climate change;
- changes in the financial markets that may affect the availability and terms on which we may obtain financing;
- the ability to implement price increases to offset cost increases;
- disruptions to our supply chain and related distribution delays and cost increases;
- risks associated with having extensive international operations, including political risks, risks associated with unanticipated government actions and risks of investing in developing markets;
- project delays, scope changes, cost escalations, contract terminations, customer cancellations, or postponement of projects and sales;
- our ability to safely develop, operate, and manage costs of large-scale and technically complex projects;
- the future financial and operating performance of major customers, joint ventures, and equity affiliates;
- our ability to develop, implement, and operate new technologies and to market products produced utilizing new technologies;
- our ability to execute the projects in our backlog and refresh our pipeline of new projects;
- tariffs, economic sanctions and regulatory activities in jurisdictions in which we and our affiliates and joint ventures operate;
- the impact of environmental, tax, safety, or other legislation, as well as regulations and other public policy initiatives affecting our business and the business of our affiliates and related compliance requirements, including legislation, regulations, or policies intended to address global climate change;
- changes in tax rates and other changes in tax law;
- safety incidents relating to our operations;
- the timing, impact, and other uncertainties relating to acquisitions and divestitures, including our ability to integrate acquisitions and separate divested businesses, respectively;
- risks relating to cybersecurity incidents, including risks from the interruption, failure or compromise of our information systems or those of our business partners or service providers;

FORWARD-LOOKING STATEMENTS (CONTINUED)

- catastrophic events, such as natural disasters and extreme weather events, pandemics and other public health crises, acts of war, including Russia's invasion of Ukraine and new and ongoing conflicts in the Middle East, or terrorism;
- the impact on our business and customers of price fluctuations in oil and natural gas and disruptions in markets and the economy due to oil and natural gas price volatility;
- costs and outcomes of legal or regulatory proceedings and investigations;
- asset impairments due to economic conditions or specific events;
- significant fluctuations in inflation, interest rates, and foreign currency exchange rates from those currently anticipated;
- damage to facilities, pipelines or delivery systems, including those we are constructing or that we own or operate for third parties;
- availability and cost of electric power, natural gas, and other raw materials; and
- the success of productivity and operational improvement programs.

In addition to the foregoing factors, forward-looking statements contained herein are qualified with respect to the risks disclosed elsewhere in this document, including in Item 2, *Management's Discussion and Analysis of Financial Condition and Results of Operations*, and Item 3, *Quantitative and Qualitative Disclosures About Market Risk*, as well as with respect to the risks described in Item 1A, *Risk Factors*, to our Annual Report on Form 10-K for the fiscal year ended 30 September 2023. Any of these factors, as well as those not currently anticipated by management, could cause our results of operations, financial condition or liquidity to differ materially from what is expressed or implied by any forward-looking statement. Except as required by law, we disclaim any obligation or undertaking to update or revise any forward-looking statements contained herein to reflect any change in assumptions, beliefs, or expectations or any change in events, conditions, or circumstances upon which any such forward-looking statements are based.

1. BASIS OF PRESENTATION AND MAJOR ACCOUNTING POLICIES

As used in this report, unless the context indicates otherwise, the terms “we”, “our”, “us”, the “Company”, “Air Products”, or “registrant” include our controlled subsidiaries and affiliates.

Basis of Presentation

The interim consolidated financial statements of Air Products and Chemicals, Inc. and its subsidiaries included herein have been prepared by us, without audit, pursuant to the rules and regulations of the Securities and Exchange Commission (the “SEC”). Certain information and footnote disclosures normally included in financial statements prepared in accordance with U.S. generally accepted accounting principles (“GAAP”) have been condensed or omitted pursuant to such rules and regulations. In our opinion, the accompanying statements reflect adjustments necessary to fairly present the financial position, results of operations, and cash flows for those periods indicated and contain adequate disclosures to make the information presented not misleading. Adjustments included herein are of a normal, recurring nature unless otherwise disclosed in the notes to the interim consolidated financial statements.

To fully understand the basis of presentation, the interim consolidated financial statements and related notes included herein should be read in conjunction with the consolidated financial statements and notes thereto included in our Annual Report on Form 10-K for the fiscal year ended 30 September 2023 (the “[2023 Form 10-K](#)”), which was filed with the SEC on 16 November 2023. Results of operations for interim periods are not necessarily indicative of the results of operations for a full year.

Major Accounting Policies

Refer to our 2023 Form 10-K for a description of major accounting policies. There have been no significant changes to these accounting policies during the first six months of fiscal year 2024.

2. NEW ACCOUNTING GUIDANCE

New Accounting Guidance to be Implemented

Climate-Related Disclosures

In March 2024, the SEC issued Release No. 33-11275, “The Enhancement and Standardization of Climate-Related Disclosures for Investors”, which includes final rules for providing qualitative and quantitative disclosures regarding certain climate-related topics on an annual basis. As a result of ongoing litigation in the U.S., the SEC issued an order in April 2024 to stay the effectiveness of the rules while judicial review is pending. If the rules are not overturned and take effect on schedule, prospective adoption will be permitted with phased-in compliance beginning with our Annual Report on Form 10-K for the fiscal year ending 30 September 2026. We are evaluating the impact these rules will have on our disclosures.

Reportable Segment Disclosures

In November 2023, the Financial Accounting Standards Board (“FASB”) issued Accounting Standard Update (“ASU”) No. 2023-07, “Segment Reporting (Topic 280): Improvements to Reportable Segment Disclosures”. The update includes enhanced disclosures about significant segment expenses and identification of the chief operating decision maker. The update will be effective in our Annual Report on Form 10-K for the fiscal year ending 30 September 2025 as well as interim periods thereafter, although early adoption is permitted. The amendments must be applied retrospectively to all prior periods presented. We are evaluating the impact this update will have on our disclosures.

Income Tax Disclosures

In December 2023, the FASB issued ASU 2023-09, “Income Taxes (Topic 740)—Improvements to Income Tax Disclosures” to expand income tax disclosures, primarily through disaggregation requirements for the rate reconciliation and income taxes paid. The update will be effective in our Annual Report on Form 10-K for the fiscal year ending 30 September 2026, although early adoption is permitted. The amendments should be applied on a prospective basis with a retrospective option. We are evaluating the impact this update will have on our disclosures.

3. VARIABLE INTEREST ENTITIES

We are the primary beneficiary of the NEOM Green Hydrogen Company joint venture ("NGHC"), which is a variable interest entity ("VIE") that is consolidated in our Middle East and India segment. We are not the primary beneficiary of any other material VIEs. We account for a VIE for which we have an equity interest and exercise significant influence but are not the primary beneficiary, such as the Jazan Integrated Gasification and Power Company joint venture ("JIGPC"), as an equity method investment. During the first quarter of fiscal year 2024, we determined that World Energy, LLC ("World Energy") is a VIE for which we have no equity interest and are not the primary beneficiary. Our variable interests in NGHC, JIGPC, and World Energy are further discussed below.

NGHC Joint Venture

The NEOM Green Hydrogen Project (the "NEOM project") is a multi-billion dollar green hydrogen-based ammonia production facility that is being constructed in NEOM City, Saudi Arabia. Owned and operated by NGHC, the facility will be powered by renewable energy to produce green ammonia for Air Products as the exclusive offtaker under a long-term take-if-tendered agreement. We intend to transport the green ammonia around the world to be dissociated to produce green hydrogen for transportation and industrial markets.

In May 2023, NGHC finalized the \$6.7 billion engineering, procurement, and construction ("EPC") agreement with Air Products named as the main contractor and system integrator for the facility. NGHC secured non-recourse project financing of approximately \$6.1 billion, which is expected to fund about 73% of the project and will be drawn over the construction period. At the same time, NGHC secured additional non-recourse credit facilities totaling approximately \$500 primarily for working capital needs. Under the financing, the assets of NGHC can only be used to settle obligations of the joint venture, and creditors of NGHC do not have recourse to the general credit of Air Products. Borrowings under the financing are reflected net of unamortized discounts and debt issuance costs primarily within "Long-term debt" on our consolidated balance sheets. Total principal borrowings were \$2,482.4 and \$1,364.8 as of 31 March 2024 and 30 September 2023, respectively. The amount borrowed as of 31 March 2024 includes additional draws from the facilities that were outstanding as of 30 September 2023 as well as approximately \$620 drawn from a 2.00% fixed-rate Saudi Riyal loan facility that matures in November 2040.

Air Products is an equal owner in NGHC with our joint venture partners, ACWA Power and NEOM Company. While we only hold one-third of the voting interests in the joint venture, substantially all the activities of the joint venture involve or are conducted on behalf of Air Products. Since we have disproportionately few voting rights relative to our economic interests in the joint venture, we determined that NGHC is a VIE. In addition, we determined that we are the primary beneficiary of NGHC since we have the power to unilaterally direct certain significant activities, including key design and construction decisions, and we share power with our joint venture partners related to other activities that are significant to the economic performance of NGHC. Therefore, we consolidate NGHC within the Middle East and India segment.

The table below summarizes balances associated with NGHC as reflected on our consolidated balance sheets:

JIGPC Joint Venture

JIGPC is a joint venture with Saudi Aramco Power Company (a subsidiary of Aramco), ACWA Power, and Air Products Qudra (“APQ”). JIGPC entered into project financing to purchase power blocks, gasifiers, air separation units, syngas cleanup assets, and utilities to supply electricity, steam, hydrogen, and utilities to Aramco’s refinery and terminal complex under a 25-year agreement, which commenced in the first quarter of fiscal year 2022. JIGPC recorded financing receivables upon acquisition of the assets and recognizes financing income over the supply term.

We determined JIGPC is a VIE for which we exercise significant influence but are not the primary beneficiary as we do not have the power to direct the activities that are most significant to its economic performance. Instead, these activities, including plant dispatch, operating and maintenance decisions, budgeting, capital expenditures, and financing, require unanimous approval of the owners or are controlled by the customer. Accordingly, we account for our 55% investment, which includes 4% that is attributable to the noncontrolling partner of APQ, under the equity method within the Middle East and India segment. The carrying value of our investment, including amounts attributable to noncontrolling interests, totaled \$2,876.2 and \$2,862.2 as of 31 March 2024 and 30 September 2023, respectively. Our loss exposure is limited to our investment in the joint venture.

Our investment primarily consists of shareholder loans that qualify as in-substance common stock in the joint venture. Certain shareholders receive a preferred cash distribution pursuant to the joint venture agreement, which specifies each shareholder’s share of income after considering the amount of cash available for distribution. As such, the earnings attributable to Air Products may not be proportionate to our ownership interest in the venture.

World Energy

In November 2023, we finalized an agreement to purchase a sustainable aviation fuel (“SAF”) facility in Paramount, California from World Energy. We determined the acquisition contains an embedded sales-type lease. As a result, we are accounting for the transaction as a financing arrangement and recorded a financing receivable of approximately \$300 as of 31 March 2024.

At the time of acquisition, we entered into a Master Project Agreement (“MPA”) containing terms for operation of the acquired facility as well as amended terms for the construction and operation of an SAF expansion project subject to construction at the same location. The MPA includes a tolling arrangement whereby we will receive feedstock from and produce renewable fuels for World Energy over a term that will conclude 15 years after onstream of the expansion project with the option to renew for two five-year terms.

During the first quarter of fiscal year 2024, we determined that World Energy is a VIE and our financing receivable represents a variable interest in World Energy. We are not the primary beneficiary as we do not have control over their key operating decisions, including feedstock supply, production of renewable fuels, and negotiating and executing supply agreements with customers. As of 31 March 2024, our maximum exposure to loss is approximately \$2.0 billion. This includes project-related spending of \$1.4 billion that is primarily capitalized within “Plant and equipment, net” and approximately \$285 for open purchase commitments, both of which relate to the SAF expansion project, as well as approximately \$300 for our investment in the financing receivables discussed above.

4. BUSINESS AND ASSET ACTIONS

Our consolidated income statements for the three and six months ended 31 March 2024 and 2023 include charges of \$57.0 (\$43.8 after tax) and \$185.6 (\$153.7 attributable to Air Products after tax), respectively, for strategic business and asset actions intended to optimize costs and focus resources on our growth projects. Charges for business and asset actions are not recorded in segment results.

Global Cost Reduction Plan

During the second quarter of fiscal year 2024, we recognized an expense of \$57.0 for severance and other postemployment benefits payable to employees identified under a global cost reduction plan. We originated this plan during the third quarter of fiscal year 2023, which resulted in an initial charge of \$27.0. In total, approximately 1,100 employees globally are eligible to receive benefits under the plan. We estimated benefits payable according to our ongoing benefit arrangements.

The table below reconciles these charges to the carrying amount of the remaining accrual for unpaid benefits as of 31 March 2024. This balance primarily relates to the additional actions identified during the second quarter of fiscal year 2024. We expect to pay the majority of the remaining benefits over the next twelve months:

Third quarter fiscal year 2023 charge	\$27.0
Cash payments	(6.8)
Currency translation adjustment	(0.4)
Amount accrued as of 30 September 2023 ^(A)	\$19.8
Second quarter fiscal year 2024 charge	57.0
Cash payments	(16.9)
Amount accrued as of 31 March 2024 ^(A)	\$59.9

^(A)Reflected within “Payables and accrued liabilities” on our consolidated balance sheets.

Asset Actions

During the second quarter of fiscal year 2023, we recorded a noncash charge of \$185.6 to write off assets associated with exited projects that were previously under construction in our Asia and Europe segments. The assets written off included those related to our withdrawal from coal gasification in Indonesia as well as a project in Ukraine that was permanently suspended due to Russia's invasion of the country.

5. REVENUE RECOGNITION

The majority of our revenue is generated from our sale of gas customers within the regional industrial gases segments. We distribute gases through either our on-site or merchant supply mode depending on various factors, including the customer's volume requirements and location. We also design and manufacture equipment for air separation, hydrocarbon recovery and purification, natural gas liquefaction, and liquid helium and liquid hydrogen transport and storage. The Corporate and other segment serves our sale of equipment customers.

Disaggregation of Revenue

The tables below present our consolidated sales disaggregated by supply mode for each of our reportable segments for the second quarter and first six months of fiscal years 2024 and 2023. We believe this presentation best depicts the nature, timing, type of customer, and contract terms for our sales.

Interest income associated with financing and lease arrangements accounted for approximately 1% of our total consolidated sales during the three and six months ended 31 March 2024.

Remaining Performance Obligations

As of 31 March 2024, the transaction price allocated to remaining performance obligations is estimated to be approximately \$27 billion. This amount includes fixed-charge contract provisions associated with our on-site and sale of equipment supply modes. We estimate that approximately half of this revenue will be recognized over the next five years and the balance thereafter.

Our remaining performance obligations do not include (1) expected revenue associated with new on-site plants that are not yet on-stream; (2) consideration associated with contracts that have an expected duration of less than one year; and (3) variable consideration for which we recognize revenue at the amount to which we have the right to invoice, including energy cost pass-through to customers.

In the future, actual amounts will differ due to events outside of our control, including, but not limited to, inflationary price escalations; currency exchange rates; and amended, terminated, or renewed contracts.

Contract Balances

The table below details balances arising from contracts with customers:

^(A)We recorded impairment charges related to the Latin America reporting unit ("LASA") in the Americas segment in fiscal years 2017 and 2014. The balance of accumulated impairment losses fluctuates over time due to currency translation.

We review goodwill for impairment annually in the fourth quarter of the fiscal year and whenever events or changes in circumstances indicate that the carrying value of goodwill might not be recoverable.

8. FINANCIAL INSTRUMENTS

Currency Price Risk Management

Our earnings, cash flows, and financial position are exposed to foreign currency risk from foreign currency-denominated transactions and net investments in foreign operations. It is our policy to seek to minimize our cash flow volatility from changes in currency exchange rates. This is accomplished by identifying and evaluating the risk that our cash flows will change in value due to changes in exchange rates and by executing strategies necessary to manage such exposures. Our objective is to maintain economically balanced currency risk management strategies that provide adequate downside protection.

Forward Exchange Contracts

We enter into forward exchange contracts to reduce the cash flow exposure to foreign currency fluctuations associated with highly anticipated cash flows and certain firm commitments, such as the purchase of plant and equipment. We also enter into forward exchange contracts to hedge the cash flow exposure on intercompany loans and third-party debt. This portfolio of forward exchange contracts consists primarily of Euros and U.S. Dollars. The maximum remaining term of any forward exchange contract currently outstanding and designated as a cash flow hedge at 31 March 2024 is 2.6 years.

Forward exchange contracts are also used to hedge the value of investments in certain foreign subsidiaries and affiliates by creating a liability in a currency in which we have a net equity position. The primary currency pair in this portfolio of forward exchange contracts is Euros and U.S. Dollars.

We also utilize forward exchange contracts that are not designated as hedges. These contracts are used to economically hedge foreign currency-denominated monetary assets and liabilities, primarily working capital. The primary objective of these forward exchange contracts is to protect the value of foreign currency-denominated monetary assets and liabilities from the effects of volatility in foreign exchange rates that might occur prior to their receipt or settlement. This portfolio of forward exchange contracts consists of multiple foreign currency pairs, with a profile that changes from time to time depending on our business activity and sourcing decisions.

The table below summarizes our outstanding currency price risk management instruments:

	31 March 2024		30 September 2023	
	US\$ Notional	Years Average Maturity	US\$ Notional	Years Average Maturity
Forward Exchange Contracts:				
Cash flow hedges	\$4,576.1	0.6	\$4,463.2	0.7
Net investment hedges	884.4	2.0	864.0	2.5
Not designated	777.9	0.3	709.4	0.3
Total Forward Exchange Contracts	\$6,238.4	0.8	\$6,036.6	0.9

We also use foreign currency-denominated debt to hedge the foreign currency exposures of our net investment in certain foreign subsidiaries. The designated foreign currency-denominated debt and related accrued interest was €1,939.5 million (\$2,092.7) at 31 March 2024 and €1,938.6 million (\$2,049.7) at 30 September 2023. The designated foreign currency-denominated debt is presented within "Long-term debt" and "Current portion of long-term debt" on the consolidated balance sheets.

Debt Portfolio Management

It is our policy to identify, on a continuing basis, the need for debt capital and to evaluate the financial risks inherent in funding the Company with debt capital. Reflecting the result of this ongoing review, we manage our debt portfolio and hedging program with the intent to (1) reduce funding risk with respect to borrowings made by us to preserve our access to debt capital and provide debt capital as required for funding and liquidity purposes, and (2) manage the aggregate interest rate risk and the debt portfolio in accordance with certain debt management parameters.

Interest Rate Management Contracts

We enter into interest rate swaps to change the fixed/variable interest rate mix of our debt portfolio in order to maintain the percentage of fixed- and variable-rate debt within the parameters set by management. In accordance with these parameters, the agreements are used to manage interest rate risks and costs inherent in our debt portfolio. Our interest rate management portfolio generally consists of fixed-to-floating interest rate swaps (which are designated as fair value hedges), pre-issuance interest rate swaps and treasury locks (which hedge the interest rate risk associated with anticipated fixed-rate debt issuances and are designated as cash flow hedges), and floating-to-fixed interest rate swaps (which are designated as cash flow hedges). As of 31 March 2024, the outstanding interest rate swaps were denominated in U.S. Dollars. The notional amount of the interest rate swap agreements is equal to or less than the designated debt being hedged. When interest rate swaps are used to hedge variable-rate debt, the indices of the swaps and the debt to which they are designated are the same. It is our policy not to enter into any interest rate management contracts which lever a move in interest rates on a greater than one-to-one basis.

Cross Currency Interest Rate Swap Contracts

We enter into cross currency interest rate swap contracts when our risk management function deems necessary. These contracts may entail both the exchange of fixed- and floating-rate interest payments periodically over the life of the agreement and the exchange of one currency for another currency at inception and at a specified future date. The contracts are used to hedge either certain net investments in foreign operations or non-functional currency cash flows related to intercompany loans. The current cross currency interest rate swap portfolio consists of fixed-to-fixed swaps primarily between the U.S. Dollar and each of the Chinese Renminbi, Indian Rupee, and Chilean Peso.

The table below summarizes our outstanding interest rate management contracts and cross currency interest rate swaps:

	31 March 2024				30 September 2023

Credit Risk-Related Contingent Features

Certain derivative instruments are executed under agreements that require us to maintain a minimum credit rating with both Standard & Poor's and Moody's. If our credit rating falls below this threshold, the counterparty to the derivative instruments has the right to request full collateralization on the derivatives' net liability position. The net liability position of derivatives with credit risk-related contingent features was \$72.2 and \$94.2 as of 31 March 2024 and 30 September 2023, respectively. Because our current credit rating is above the various pre-established thresholds, no collateral has been posted on these liability positions.

Counterparty Credit Risk Management

We execute financial derivative transactions with counterparties that are highly rated financial institutions, all of which are investment grade at this time. Some of our underlying derivative agreements give us the right to require the institution to post collateral if its credit rating falls below the pre-established thresholds with Standard & Poor's, Moody's, or Fitch. The collateral that the counterparties would be required to post was \$225.5 and \$345.0 as of 31 March 2024 and 30 September 2023, respectively. No financial institution is required to post collateral at this time, as all have credit ratings at or above threshold.

9. FAIR VALUE MEASUREMENTS

Fair value is defined as an exit price, or the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

The fair value hierarchy prioritizes the inputs to valuation techniques used to measure fair value into three broad levels as follows:

Level 1 — Quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2 — Inputs that are observable for the asset or liability, either directly or indirectly through market corroboration, for substantially the full term of the asset or liability.

Level 3 — Inputs that are unobservable for the asset or liability based on our own assumptions about the assumptions market participants would use in pricing the asset or liability.

The methods and assumptions used to measure the fair value of financial instruments are as follows:

Short-term Investments

Short-term investments primarily include time deposits with original maturities greater than three months and less than one year. We estimated the fair value of our short-term investments, which approximates carrying value as of the balance sheet date, using Level 2 inputs within the fair value hierarchy. Level 2 measurements were based on current interest rates for similar investments with comparable credit risk and time to maturity.

Derivatives

The fair value of our interest rate management contracts and forward exchange contracts are quantified using the income approach and are based on estimates using standard pricing models. These models consider the value of future cash flows as of the balance sheet date, discounted to a present value using discount factors that match both the time to maturity and currency of the underlying instruments. These standard pricing models utilize inputs that are derived from or corroborated by observable market data such as interest rate yield curves as well as currency spot and forward rates; therefore, the fair value of our derivatives is classified as a Level 2 measurement. On an ongoing basis, we randomly test a subset of our valuations against valuations received from the transaction's counterparty to validate the accuracy of our standard pricing models. Counterparties to these derivative contracts are highly rated financial institutions.

Refer to Note 8, *Financial Instruments*, for a description of derivative instruments, including details related to the balance sheet line classifications.

Long-term Debt, Including Related Party

The fair value of our debt is based on estimates using standard pricing models that consider the value of future cash flows as of the balance sheet date, discounted to a present value using discount factors that match both the time to maturity and currency of the underlying instruments. These standard valuation models utilize observable market data such as interest rate yield curves and currency spot rates; therefore, the fair value of our debt is classified as a Level 2 measurement.

The carrying values and fair values of financial instruments were as follows:

	31 March 2024		30 September 2023	
	Carrying Value	Fair Value	Carrying Value	Fair Value
Assets				
Derivatives				
Forward exchange contracts	\$72.2	\$72.2	\$76.4	\$76.4

Long-term debt, including current portion and related party	13,437.4	12,936.0	10,046.3	9,173.5

The carrying amounts reported on the consolidated balance sheets for cash and cash items, short-term investments, trade receivables, payables and accrued liabilities, accrued income taxes, and short-term borrowings approximate fair value due to the short-term nature of these instruments. Accordingly, these items have been excluded from the above table.

The table below summarizes assets and liabilities on the consolidated balance sheets that are measured at fair value on a recurring basis:

10. DEBT

Issuance of Green Senior Notes

In February 2024, we issued green senior notes with an aggregate principal amount of \$2.5 billion in a registered public offering. The proceeds from the notes were reduced by deferred financing charges and discounts of approximately \$20, which are being amortized through interest expense over the life of the underlying bonds. We intend to use the net proceeds to finance or refinance existing or future projects that are expected to have environmental benefits as defined under our Green Finance Framework.

The interest rate, maturity, and carrying amount as of 31 March 2024 for each of these notes are summarized in the table below:

	Fiscal Year Maturities	31 March 2024
Senior Note 4.600%	2029	\$750.0
Senior Note 4.750%	2031	600.0
Senior Note 4.850%	2034	1,150.0
Total		\$2,500.0

Credit Facilities

In March 2024, we entered into a five-year \$3.0 billion revolving credit agreement maturing 31 March 2029 (the "2024 Credit Agreement") as well as a 364-day \$500 revolving credit agreement maturing 27 March 2025 that we have the ability to convert into a term loan maturing 27 March 2026. Both agreements are syndicated facilities that provide a source of liquidity and support our commercial paper program through availability of senior unsecured debt to us and certain of our subsidiaries. As of 31 March 2024, no borrowings were outstanding under either agreement.

Borrowings under both agreements bear interest at quoted market rates plus varying spreads based on our public debt ratings. Each agreement also requires a commitment fee on unused commitments based on our public debt ratings. Pricing terms under the 2024 Credit Agreement are also subject to sustainability-driven adjustments. There are no financial maintenance covenants in either agreement.

The 2024 Credit Agreement replaced our previous \$2.75 billion revolving credit agreement (the "2021 Credit Agreement"), which was terminated upon execution of the 2024 Credit Agreement. No borrowings were outstanding under the 2021 Credit Agreement at the time of its termination, and no early termination penalties were incurred.

Related Party Debt

Total debt owed to related parties was \$289.8 and \$328.3 as of 31 March 2024 and 30 September 2023, respectively, of which \$134.6 and \$177.6, respectively, was reflected within "Current portion of long-term debt" on our consolidated balance sheets. Our related party debt primarily includes a loan with our joint venture partner, Lu'An Clean Energy Company.

Other	—	0.2	0.2	—	0.5	0.5
Net Periodic Cost	\$41.4	\$19.2	\$60.6	\$38.2	\$16.5	\$54.7

Our service costs are primarily included within "Cost of sales" and "Selling and administrative expense" on our consolidated income statements. The amount of service costs capitalized in the first six months of fiscal years 2024 and 2023 were not material. The non-service related impacts are presented outside operating income within "Other non-operating income (expense), net."

For the six months ended 31 March 2024 and 2023, our cash contributions to funded pension plans and benefit payments under unfunded pension plans were \$19.2 and \$15.4, respectively. Total contributions for fiscal year 2024 are expected to be approximately \$35 to \$45. During fiscal year 2023, total contributions were \$32.6.

During the three and six months ended 31 March 2024, we recognized actuarial gain amortization of \$0.2 and \$0.3, respectively, for our other postretirement benefits plan. During the three and six months ended 31 March 2023, we recognized actuarial gain amortization of \$0.4 and \$1.0, respectively, for our other postretirement benefits plan.

12. COMMITMENTS AND CONTINGENCIES

Litigation

We are involved in various legal proceedings, including commercial, competition, environmental, intellectual property, regulatory, product liability, and insurance matters. We do not currently believe there are any legal proceedings for which it is reasonably possible, individually or in the aggregate, to have a material impact on our financial condition, results of operations, or cash flows.

In September 2010, the Brazilian Administrative Council for Economic Defense ("CADE") issued a decision against our Brazilian subsidiary, Air Products Brasil Ltda., and several other Brazilian industrial gas companies for alleged anticompetitive activities. CADE imposed a civil fine of R\$179.2 million (approximately \$36 at 31 March 2024) on Air Products Brasil Ltda. This fine was based on a recommendation by a unit of the Brazilian Ministry of Justice, following an investigation beginning in 2003, which alleged violation of competition laws with respect to the sale of industrial and medical gases. The fines are based on a percentage of our total revenue in Brazil in 2003.

We have denied the allegations made by the authorities and filed an appeal in October 2010 with the Brazilian courts. On 6 May 2014, our appeal was granted and the fine against Air Products Brasil Ltda. was dismissed. CADE has appealed that ruling and the matter remains pending. We, with advice of our outside legal counsel, have assessed the status of this matter and have concluded that, although an adverse final judgment after exhausting all appeals is possible, such a judgment is not probable. As a result, no provision has been made in the consolidated financial statements. In the event of an adverse final judgment, we estimate the maximum possible loss to be the full amount of the fine of R\$179.2 million (approximately \$36 at 31 March 2024) plus interest accrued thereon until final disposition of the proceedings.

Additionally, a Texas state court entered final judgment in our favor on 27 March 2024 for litigation involving disputed energy management charges related to Winter Storm Uri, a severe winter weather storm that impacted the U.S. Gulf Coast in February 2021. The judgement is subject to appeal and had no impact on our consolidated financial statements during the second quarter and first six months of fiscal year 2024.

Environmental

In the normal course of business, we are involved in legal proceedings under the Comprehensive Environmental Response, Compensation, and Liability Act ("CERCLA," the federal Superfund law), Resource Conservation and Recovery Act ("RCRA"), and similar state environmental laws relating to the designation of certain sites for investigation or remediation. Presently, there are 27 sites on which a final settlement or remediation has not been achieved where we, usually along with others, have been designated a potentially responsible party by environmental authorities or are otherwise engaged in investigation or remediation, including cleanup activity at certain of our former manufacturing sites. We continually monitor these sites for which we have environmental exposure.

Accruals for environmental loss contingencies are recorded when it is probable that a liability has been incurred and the amount of loss can be reasonably estimated. The consolidated balance sheets at 31 March 2024 and 30 September 2023 included an accrual of \$62.2 and \$64.5, respectively, primarily as part of other noncurrent liabilities. The environmental liabilities will be paid over a period of up to 26 years. We estimate the exposure for environmental loss contingencies to range from \$62 to a reasonably possible upper exposure of \$75 as of 31 March 2024.

Actual costs to be incurred at identified sites in future periods may vary from the estimates, given inherent uncertainties in evaluating environmental exposures. Using reasonably possible alternative assumptions of the exposure level could result in an increase to the environmental accrual. Due to the inherent uncertainties related to environmental exposures, a significant increase to the reasonably possible upper exposure level could occur if a new site is designated, the scope of remediation is increased, a different remediation alternative is identified, or a significant increase in our proportionate share occurs. We do not expect that any sum we may have to pay in connection with environmental matters in excess of the amounts recorded or disclosed above would have a material adverse impact on our financial position or results of operations in any one year.

Pace

At 31 March 2024, \$36.3 of the environmental accrual was related to our facility in Pace, Florida.

In 2006, we sold our Amines business, which included operations at the Pace facility and recognized a liability for retained environmental obligations associated with remediation activities at the facility. We are required by the Florida Department of Environmental Protection ("FDEP") and the United States Environmental Protection Agency ("USEPA") to continue our remediation efforts. We recognized a before-tax expense of \$42 in fiscal year 2006 in results from discontinued operations and recorded an environmental accrual of \$42 in continuing operations on the consolidated balance sheets.

In the first quarter of 2015, we entered into a consent order with the FDEP requiring us to continue our remediation efforts at the Pace facility and complete a cost review every five years. In fiscal year 2020, we completed an updated cost review of the environmental remediation status at the Pace facility. The review was completed in conjunction with requirements to maintain financial assurance per the consent order issued by the FDEP discussed below. Based on our review, we expect ongoing activities to continue for 26 years. As a result of these changes, we increased our environmental accrual for this site by \$19 in continuing operations on the consolidated balance sheets and recognized a before-tax expense of \$19 in results from discontinued operations in fiscal year 2020. There have been no significant changes to the estimated exposure range related to the Pace facility since fiscal year 2020.

We have implemented many of the remedial corrective measures at the Pace facility required under the 1995 consent orders issued by the FDEP and the USEPA. Contaminated soils have been bioremediated, and the treated soils have been secured in a lined on-site corrective action management unit. Several groundwater recovery systems have been installed to contain and remove contamination from groundwater. We completed an extensive assessment of the site to determine the efficacy of existing measures, what additional corrective measures may be needed, and whether newer remediation technologies that were not available in the 1990s might be better suited for groundwater remediation. Based on assessment results, we completed a focused feasibility study that has identified alternative approaches that may more effectively remove contaminants. We continue to review alternative remedial approaches with the FDEP, and we completed additional field work during 2021 to support the design of an improved groundwater recovery network. This network targets areas of higher contaminant concentration and avoids areas of high groundwater iron which has proven to be a significant operability issue for the project. The design of the optimized recovery system was initiated in fiscal year 2023, with construction expected to begin in fiscal year 2025. In fiscal year 2025, we expect to connect groundwater recovery wells and ancillary equipment to the existing groundwater recovery system. Further, we expect additional future capital expenditures to consider the extended time horizon for remediation at the site.

Pasadena

At 31 March 2024, \$10.4 of the environmental accrual was related to a production facility site in Pasadena, Texas.

During fiscal year 2012, management committed to permanently shutting down our polyurethane intermediates ("PUI") production facility in Pasadena, Texas. In shutting down and dismantling the facility, we have undertaken certain obligations related to soil and groundwater contaminants. We have been pumping and treating groundwater to control off-site contaminant migration in compliance with regulatory requirements and under the approval of the Texas Commission on Environmental Quality ("TCEQ"). We estimate that the pump and treat system will continue to operate until 2042.

We continue to perform additional work to address other environmental obligations at the site. This additional work includes remediating, as required, impacted soils, investigating groundwater west of the former PUI facility, continuing post closure care for two closed RCRA surface impoundment units, and maintaining engineering controls. Additionally, we have conducted an interim corrective action to treat impacted soils as recommended in the TCEQ 2019 Annual Report. In 2012, we estimated the total exposure at this site to be \$13. There have been no significant changes to the estimated exposure.

13. SHARE-BASED COMPENSATION

Our outstanding share-based compensation programs include deferred stock units and stock options. During the six months ended 31 March 2024, we granted market-based and time-based deferred stock units. Under all programs, the terms of the awards are fixed at the grant date. We issue shares from treasury stock upon the payout of deferred stock units and the exercise of stock options. As of 31 March 2024, there were 1.0 million shares available for future grant under our Long-Term Incentive Plan ("LTIP"), which is shareholder approved.

Share-based compensation cost recognized on the consolidated income statements is summarized below:

	Three Months Ended 31 March		Six Months Ended 31 March	
	2024	2023	2024	2023
Before-tax share-based compensation cost	\$14.8	\$15.5	\$28.4	\$32.4
Income tax benefit	(3.6)	(3.9)	(6.9)	(7.9)
After-tax share-based compensation cost	\$11.2	\$11.6	\$21.5	\$24.5

Before-tax share-based compensation cost is primarily included in "Selling and administrative expense" on our consolidated income statements. The amount of share-based compensation cost capitalized in the first six months of fiscal years 2024 and 2023 was not material.

Deferred Stock Units

During the six months ended 31 March 2024, we granted 102,120 market-based deferred stock units. The market-based deferred stock units are earned over the performance period beginning 1 October 2023 and ending 30 September 2026, conditioned on the level of our total shareholder return in relation to the S&P 500 Index over the three-year performance period.

The market-based deferred stock units had an estimated grant-date fair value of \$302.10 per unit, which was estimated using a Monte Carlo simulation model. The model utilizes multiple input variables that determine the probability of satisfying the market condition stipulated in the grant and calculates the fair value of the awards. We generally expense the grant-date fair value of these awards on a straight-line basis over the vesting period. The calculation of the fair value of market-based deferred stock units used the following assumptions:

Expected volatility	25.0 %
Risk-free interest rate	4.3 %
Expected dividend yield	2.6 %

In addition, during the six months ended 31 March 2024, we granted 139,425 time-based deferred stock units at a weighted average grant-date fair value of \$272.05.

14. ACCUMULATED OTHER COMPREHENSIVE LOSS

Outstanding share-based awards of 0.1 million shares were antidilutive and therefore excluded from the computation of diluted earnings per share for the three and six months ended 31 March 2024. For 2023, there were no antidilutive outstanding share-based awards.

16. SUPPLEMENTAL INFORMATION

Related Party Transactions

We have related party sales to some of our equity affiliates and joint venture partners as well as other income primarily from fees charged for use of Air Products' patents and technology. Sales to and other income from related parties totaled approximately \$75 and \$170 for the three and six months ended 31 March 2024, respectively, and \$105 and \$185 for the three and six months ended 31 March 2023, respectively. Sales agreements with related parties include terms that are consistent with those that we believe would have been negotiated at an arm's length with an independent party. As of 31 March 2024 and 30 September 2023, our consolidated balance sheets included related party trade receivables of approximately \$125 and \$80, respectively.

Uzbekistan Asset Purchase

On 25 May 2023, we entered into an investment agreement with the Government of the Republic of Uzbekistan and Uzbekneftegaz JSC ("UNG") to purchase a natural gas-to-syngas processing facility in Qashqadaryo Province, Uzbekistan, for \$1 billion. Under the agreement, Air Products will acquire, own, and operate the facility and supply all offtake products to UNG under a 15-year on-site contract, with UNG supplying the feedstock natural gas and utilities. Throughout this term, we receive a fixed monthly fee (regardless of whether UNG requires the output) comprised of two components: a plant capacity fee and an operating and maintenance fee.

We are accounting for the transaction as a financing arrangement as we did not obtain accounting control of the facility due to UNG having the unilateral right to reacquire the facility at the end of the contract term. The repurchase price on a discounted basis, which consists of the total monthly plant capacity fees received over the term of the arrangement plus the repurchase option price, exceeds our purchase price. Accordingly, our progress payments of approximately \$910, of which \$100 was paid during the first quarter of fiscal year 2024, are reflected within "Financing receivables" on our consolidated balance sheet as of 31 March 2024.

Changes in Estimates

Changes in estimates on sale of equipment projects accounted for under the cost incurred input method are recognized as a cumulative adjustment for the inception-to-date effect of such change. We recorded changes to project cost estimates that unfavorably impacted operating income by approximately \$35 and \$65 for the three and six months ended 31 March 2024, respectively, and approximately \$35 and \$60 for the three and six months ended 31 March 2023, respectively.

Income Taxes

Our effective tax rate was 18.3% and 18.1% for the three and six months ended 31 March 2024, respectively, and 21.2% and 19.9% for the three and six months ended 31 March 2023, respectively.

Income tax payments, net of refunds, were \$321.8 and \$327.0 for the six months ended 31 March 2024 and 2023, respectively.

17. BUSINESS SEGMENT INFORMATION

Our reportable segments reflect the manner in which our chief operating decision maker reviews results and allocates resources. Our reportable segments are as follows:

- Americas;
- Asia;
- Europe;
- Middle East and India; and
- Corporate and other

Except for the Corporate and other segment, each reportable segment meets the definition of an operating segment and does not include the aggregation of multiple operating segments. Our Corporate and other segment includes the aggregation of three operating segments that meet the aggregation criteria under GAAP.

This Management’s Discussion and Analysis contains “forward-looking statements” within the safe harbor provisions of the Private Securities Litigation Reform Act of 1995, including statements about business outlook. These forward-looking statements are based on management’s expectations and assumptions as of the date of this Quarterly Report on Form 10-Q and are not guarantees of future performance. Actual performance and financial results may differ materially from projections and estimates expressed in the forward-looking statements because of many factors not anticipated by management, including, without limitation, those described in “*Forward-Looking Statements*” and Item 1A, *Risk Factors*, of our Annual Report on Form 10-K for the fiscal year ended 30 September 2023 (the “[2023 Form 10-K](#)”), which was filed with the SEC on 16 November 2023.

This discussion should be read in conjunction with the interim consolidated financial statements and the accompanying notes contained in this Quarterly Report on Form 10-Q. Unless otherwise stated, financial information is presented in millions of U.S. Dollars, except for per share data. Financial information is presented on a continuing operations basis.

The financial measures discussed below are presented in accordance with U.S. generally accepted accounting principles (“GAAP”), except as noted. We present certain financial measures on an “adjusted”, or “non-GAAP”, basis because we believe such measures, when viewed together with financial results computed in accordance with GAAP, provide a more complete understanding of the factors and trends affecting our historical financial performance. For each non-GAAP financial measure, including adjusted diluted earnings per share (“EPS”), adjusted EBITDA, adjusted EBITDA margin, adjusted effective tax rate, and capital expenditures, we present a reconciliation to the most directly comparable financial measure calculated in accordance with GAAP. These reconciliations and explanations regarding the use of non-GAAP financial measures are presented under the “*Reconciliations of Non-GAAP Financial Measures*” section beginning on page [52](#).

Comparisons included in the discussion that follows are for the second quarter and first six months of fiscal year 2024 versus (“vs.”) the second quarter and first six months of fiscal year 2023. The disclosures provided in this Quarterly Report on Form 10-Q are complementary to those made in our [2023 Form 10-K](#).

We manage our operations, assess performance, and report earnings under five reportable segments: Americas, Asia, Europe, Middle East and India, and Corporate and other. The discussion that follows is based on these operations. Refer to Note 17, *Business Segment Information*, to the consolidated financial statements for additional information.

For information concerning activity with our related parties, refer to Note 16, *Supplemental Information*, to the consolidated financial statements.

SECOND QUARTER 2024 VS. SECOND QUARTER 2023

SECOND QUARTER 2024 IN SUMMARY

- Sales of \$2,930.2 decreased 8%, or \$269.9, as lower energy cost pass-through to customers of 6%, lower volumes of 2%, and an unfavorable impact from currency of 1% were partially offset by higher pricing of 1%.
- Operating income of \$637.2 increased 39%, or \$177.4, as lower costs and positive pricing were partially offset by lower volumes and unfavorable currency impacts. Operating margin of 21.7% increased 730 basis points ("bp") due to these factors as well as a positive impact from lower energy cost pass-through to customers.
- Equity affiliates' income of \$143.3 decreased 14%, or \$22.6, as lower contributions from affiliates in our Europe and Middle East and India segments were partially offset by higher income from affiliates in the Americas segment.
- Net income of \$580.9 increased 29%, or \$131.0, primarily due to lower costs and positive pricing, partially offset by lower equity affiliates' income, lower volumes, and higher interest expense. Net income margin of 19.8% increased 570 bp due to these factors as well as a positive impact from lower energy cost pass-through to customers.
- Adjusted EBITDA of \$1,198.3 increased 4%, or \$47.4, and adjusted EBITDA margin of 40.9% increased 490 bp.
- Diluted EPS of \$2.57 increased 30%, or \$0.60 per share. Diluted EPS for the second quarter of fiscal years 2024 and 2023 included unfavorable impacts from business and asset actions as well as non-service related pension costs. On a non-GAAP basis, adjusted diluted EPS of \$2.85 increased 4%, or \$0.11 per share. A summary table of changes in diluted EPS is presented below.

Sales

The table below summarizes the major factors that impacted consolidated sales for the periods presented:

Volume	(2 %)
Price	1 %
Energy cost pass-through to customers	(6 %)
Currency	(1 %)
Total Consolidated Sales Change	(8 %)

Sales of \$2,930.2 decreased 8%, or \$269.9, as lower energy cost pass-through to customers of 6% driven by lower natural gas prices in the Americas and Europe segments, lower volumes of 2%, and an unfavorable impact from currency of 1% were partially offset by higher pricing of 1%. Volume was down overall primarily due to weaker merchant demand, which was partially offset by higher demand for hydrogen as well as contributions from new on-site assets.

Cost of Sales and Gross Margin

Cost of sales of \$1,991.5 decreased 13%, or \$291.3, due to lower energy cost pass-through to customers of \$201, lower costs associated with sales volumes of \$43, lower other costs of \$28 driven by lower power costs in our merchant business, and a favorable impact from currency of \$19. Gross margin of 32.0% increased 330 bp from 28.7% in the prior year primarily due to lower energy cost pass-through to customers, which favorably impacted margin by approximately 200 bp.

Selling and Administrative Expense

Selling and administrative expense of \$240.6 decreased 4%, or \$10.6, primarily due to lower incentive compensation. Selling and administrative expense as a percentage of sales increased to 8.2% from 7.8% in the prior year.

Research and Development Expense

Research and development expense of \$25.4 decreased 7%, or \$1.8. Research and development expense as a percentage of sales increased to 0.9% from 0.8% in the prior year.

Business and Asset Actions

Our consolidated income statements for the three months ended 31 March 2024 and 2023 include charges of \$57.0 (\$43.8 after tax, or \$0.20 per share) and \$185.6 (\$153.7 attributable to Air Products after tax, or \$0.69 per share), respectively, for strategic business and asset actions intended to optimize costs and focus resources on our growth projects. Charges for business and asset actions are not recorded in segment results.

The current year charge of \$57.0 was for severance and other postemployment benefits payable to employees identified under a global cost reduction plan that was initiated in June 2023. The prior year charge of \$185.6 resulted from the noncash write-off of assets related to our withdrawal from projects in Indonesia and Ukraine.

Other Income (Expense), Net

Other income of \$21.5 increased \$15.0 primarily due to higher income from the sale of assets.

Operating Income and Operating Margin

Operating income of \$637.2 increased 39%, or \$177.4, as lower charges for business and asset actions of \$129, positive pricing, net of power and fuel costs, of \$45, and lower other costs of \$32 were partially offset by lower volumes of \$20 and an unfavorable impact from currency of \$8. The lower costs included favorable non-recurring items such as sales of assets as well as lower incentive compensation and distribution costs, partially offset by the impact of labor inflation. Operating margin of 21.7% increased 730 bp from 14.4% in the prior year due to the factors above as well as lower energy cost pass-through to customers, which positively impacted margin by approximately 150 basis points.

Equity Affiliates' Income

Equity affiliates' income of \$143.3 decreased 14%, or \$22.6, as lower contributions from affiliates in our Europe and Middle East and India segments were partially offset by higher income from affiliates in the Americas segment.

Interest Expense

	Three Months Ended 31 March	
	2024	2023
Interest incurred	\$125.5	\$64.1
Less: Capitalized interest	65.6	23.2
Interest expense	\$59.9	\$40.9

Interest incurred increased 96%, or \$61.4, primarily due to a higher debt balance from senior notes that were issued in March 2023 and February 2024 to fund projects under our Green Finance Framework as well as borrowings on financing available for the NEOM Green Hydrogen Project. Capitalized interest increased \$42.4 due to a higher carrying value of projects under construction, including the NEOM Green Hydrogen Project.

Other Non-Operating Income (Expense), Net

Other non-operating expense of \$9.2 decreased 34%, or \$4.7, as higher interest income on cash and cash items and short-term investments was partially offset by higher non-service pension costs.

Net Income and Net Income Margin

Net income of \$580.9 increased 29%, or \$131.0, primarily due to lower charges for business and asset actions, favorable pricing, and lower other costs, partially offset by lower equity affiliates' income, lower volumes, and higher interest expense. Net income margin of 19.8% increased 570 bp from 14.1% in the prior year due to the factors noted above as well as lower energy cost pass-through to customers, which positively impacted margin by approximately 150 bp.

Adjusted EBITDA and Adjusted EBITDA Margin

Adjusted EBITDA of \$1,198.3 increased 4%, or \$47.4, as higher pricing and lower costs were partially offset by lower equity affiliates' income. Adjusted EBITDA margin of 40.9% increased 490 bp from 36.0% in the prior year due to the factors noted above as well as lower energy cost pass-through to customers, which positively impacted margin by about 250 bp.

Effective Tax Rate

The effective tax rate equals the income tax provision divided by income before taxes. Equity affiliates' income is primarily included net of income taxes within income before taxes on our consolidated income statements.

Our effective tax rate was 18.3% and 21.2% for the three months ended 31 March 2024 and 2023, respectively. Our current quarter rate was lower primarily due to a discrete tax impact recorded in the prior year from business and asset actions further discussed below as well as earning a greater share of income in jurisdictions with lower tax rates and the impact from equity affiliates' income.

In the prior year, we recognized a charge of \$185.6 (\$153.7 attributable to Air Products after tax) related to various business and asset actions. Refer to Note 4, *Business and Asset Actions*, for additional information. This charge included certain losses for which we could not recognize an income tax benefit. Therefore, we recorded a valuation allowance of \$31.7 against deferred tax assets resulting from the charge. Partially offsetting the valuation allowance cost was a \$15.9 income tax benefit from a tax election related to a non-U.S. subsidiary.

Our adjusted effective tax rate, which excludes the impact of the business and asset actions discussed above as well as the non-service components of net periodic cost for our defined benefit pension plans, was 18.9% and 19.7% for the three months ended 31 March 2024 and 2023, respectively. The current quarter rate was lower due to the higher income in jurisdictions with lower tax rates as well as the impact from equity affiliates' income.

Discussion of Second Quarter Results by Business Segment

Americas

	Three Months Ended		Change vs. Prior Year	
	2024	2023	\$	%/bp
Sales	\$1,245.8	\$1,373.1	(\$127.3)	(9 %)
Operating income	371.9	324.2	47.7	15 %
Operating margin	29.9 %	23.6 %		630 bp
Equity affiliates' income	\$44.2	\$28.1	\$16.1	57 %
Adjusted EBITDA	590.2	514.0	76.2	15 %
Adjusted EBITDA margin	47.4 %	37.4 %		1,000 bp

The table below summarizes the major factors that impacted sales in the Americas segment for the periods presented:

Volume	1 %
Price	3 %
Energy cost pass-through to customers	(12 %)
Currency	(1 %)
Total Americas Sales Change	(9 %)

Sales of \$1,245.8 decreased 9%, or \$127.3, due to lower energy cost pass-through to customers of 12% driven by lower natural gas prices in North America and an unfavorable impact from currency of 1%, partially offset higher pricing of 3% and higher volumes of 1%. Volumes improved modestly as higher demand for hydrogen in our on-site business was partially offset by weaker merchant volume.

Operating income of \$371.9 increased 15%, or \$47.7, primarily due to positive pricing, net of power and fuel costs, of \$37 and favorable volumes of \$19, partially offset by higher costs of \$7. Higher costs for labor inflation were partially offset by lower incentive compensation. Operating margin of 29.9% increased 630 bp from 23.6% in the prior year due to these factors as well as lower energy cost pass-through to customers, which positively impacted margin by approximately 300 basis points.

Equity affiliates' income of \$44.2 increased 57%, or \$16.1, driven by higher income from an affiliate in Mexico as well as recognition of our share of income from an asset sale.

Asia

	Three Months Ended		Change vs. Prior Year	
	2024	2023	\$	%/bp
Sales	\$779.7	\$813.9	(\$34.2)	(4 %)
Operating income	203.6	233.0	(29.4)	(13 %)
Operating margin	26.1 %	28.6 %		(250 bp)
Equity affiliates' income	\$8.3	\$7.3	\$1.0	14 %
Adjusted EBITDA	328.3	350.3	(22.0)	(6 %)
Adjusted EBITDA margin	42.1 %	43.0 %		(90 bp)

The table below summarizes the major factors that impacted sales in the Asia segment for the periods presented:

Volume	(1 %)
Price	— %
Energy cost pass-through to customers	1 %
Currency	(4 %)
Total Asia Sales Change	(4 %)

Sales of \$779.7 decreased 4%, or \$34.2, due to an unfavorable impact from currency of 4% driven by strengthening of the U.S. Dollar against the Chinese Renminbi and lower volumes of 1%, partially offset by higher energy cost pass-through to customers of 1%. Volumes declined as weak economic growth in China and lower demand for merchant products more than offset higher on-site volumes, which included contributions from several new industrial gas plants. Pricing was flat versus the prior year.

Operating income of \$203.6 decreased 13%, or \$29.4, primarily due to lower volumes, including unfavorable business mix, of \$21 and an unfavorable currency impact of \$10, partially offset by lower costs of \$5. Lower distribution costs were partially offset by labor inflation. Operating margin of 26.1% decreased 250 bp from 28.6% in the prior year.

Equity affiliates' income of \$8.3 increased 14%, or \$1.0, driven by higher income from an affiliate in Thailand.

Europe

	Three Months Ended		Change vs. Prior Year	
	2024	2023	\$	%/bp
Sales	\$667.9	\$752.9	(\$85.0)	(11 %)

Equity affiliates' income	\$11.7	\$29.5	(\$17.8)	(60 %)
Adjusted EBITDA	263.5	251.0	12.5	5 %
Adjusted EBITDA margin	39.5 %	33.3 %		620 bp

The table below summarizes the major factors that impacted sales in the Europe segment for the periods presented:

Volume	(6 %)
Price	(1 %)
Energy cost pass-through to customers	(6 %)
Currency	2 %
Total Europe Sales Change	(11 %)

Sales of \$667.9 decreased 11%, or \$85.0, due to lower energy cost pass-through to customers of 6% driven by lower natural gas prices across the region, lower volumes of 6%, and lower pricing of 1%, partially offset by a favorable impact from currency of 2%. Volumes were lower due to weak merchant demand as well as a planned maintenance outage, which were partially offset by contributions from an on-site facility in Uzbekistan that we acquired in the third quarter of fiscal year 2023. Currency positively impacted sales primarily due to the weakening of the U.S. Dollar against the Euro and the British Pound Sterling.

Operating income of \$201.0 increased 16%, or \$27.8, primarily due to pricing, net of lower power and fuel costs, of \$11, lower other costs of \$10, and a favorable currency impact of \$4. Other costs were favorable primarily due to higher income from the sale of assets as well as lower distribution costs, partially offset by higher costs for labor inflation. Operating margin of 30.1% increased 710 bp from 23.0% in the prior year due to the factors noted above as well as lower energy cost pass-through to customers, which positively impacted margin by approximately 200 bp, and favorable business mix.

Equity affiliates' income of \$11.7 decreased 60%, or \$17.8, driven by prior year non-recurring items for our affiliate in Italy.

Adjusted EBITDA	86.2	106.8	(20.6)	(19 %)

Sales of \$35.7 decreased 20%, or \$9.1, primarily due to lower volumes. Operating income of \$5.6 increased \$4.3 as lower costs, including planned maintenance, more than offset the lower volumes.

Equity affiliates' income of \$73.9 decreased 25%, or \$25.0, primarily due to higher interest and other operating costs related to the Jazan gasification and power project.

Sales of \$201.1 decreased 7%, or \$14.3, and operating loss of \$87.9 increased 2%, or \$1.6, primarily due to lower non-LNG sale of equipment activity. The negative impact to operating loss was partially offset by lower corporate costs.

Sales

The table below summarizes the major factors that impacted consolidated sales for the periods presented:

Volume	1 %
Price	1 %
Energy cost pass-through to customers	(9 %)
Currency	— %
Total Consolidated Sales Change	(7 %)

Sales of \$5,927.6 decreased 7%, or \$447.2, as lower energy cost pass-through to customers of 9% driven by lower natural gas prices in the Americas and Europe segments was partially offset by higher volumes of 1% and higher pricing of 1%. Volumes improved modestly as strong demand for hydrogen and contributions from new assets in our on-site business were partially offset by weaker merchant demand. Currency was flat versus the prior year.

Cost of Sales and Gross Margin

Cost of sales of \$4,058.7 decreased 11%, or \$496.4, due to lower energy cost pass-through to customers of \$542, partially offset by higher costs associated with sales volumes of \$35 and an unfavorable impact from currency of \$11. Other costs were flat as lower power costs in our merchant business across most regions offset labor inflation and higher planned maintenance. Gross margin of 31.5% increased 300 bp from 28.5% in the prior year primarily due to lower energy cost pass-through to customers, which favorably impacted margin by approximately 250 bp.

Selling and Administrative Expense

Selling and administrative expense of \$479.0 decreased 1%, or \$6.6, as lower incentive compensation was mostly offset by labor inflation. Selling and administrative expense as a percentage of sales increased to 8.1% from 7.6% in the prior year.

Research and Development Expense

Research and development expense of \$51.1 decreased 1%, or \$0.5. Research and development expense as a percentage of sales increased to 0.9% from 0.8% in the prior year.

Business and Asset Actions

Our consolidated income statements for the six months ended 31 March 2024 and 2023 include charges of \$57.0 (\$43.8 after tax, or \$0.20 per share) and \$185.6 (\$153.7 attributable to Air Products after tax, or \$0.69 per share), respectively, for strategic business and asset actions intended to optimize costs and focus resources on our growth projects. Charges for business and asset actions are not recorded in segment results.

The current year charge of \$57.0 was for severance and other postemployment benefits payable to employees identified under a global cost reduction plan that was initiated in June 2023. The prior year charge of \$185.6 resulted from the noncash write-off of assets related to our withdrawal from projects in Indonesia and Ukraine.

Other Income (Expense), Net

Other income of \$22.3 increased 50%, or \$7.4, as higher income from the sale of assets was partially offset by an unfavorable foreign exchange impact from the devaluation of the Argentine peso during the first quarter.

Operating Income and Operating Margin

Operating income of \$1,304.1 increased 17%, or \$192.3, as lower charges for business and asset actions of \$129, positive pricing, net of power and fuel costs, of \$86, and higher volumes of \$11 were partially offset by higher other costs of \$25 and an unfavorable impact from currency of \$8. The higher other costs were driven by labor inflation and higher planned maintenance, partially offset by lower incentive compensation as well as higher income from the sale of assets. Operating margin of 22.0% increased 460 bp from 17.4% in the prior year due to the factors noted above as well as lower energy cost pass-through to customers, which positively impacted margin by approximately 150 basis points.

Equity Affiliates' Income

Equity affiliates' income of \$301.7 increased 9%, or \$25.8, primarily due to higher income from our affiliate in Mexico.

Interest Expense

	Six Months Ended 31 March	
	2024	2023
Interest incurred	\$234.1	\$120.4
Less: Capitalized interest	120.7	38.3
Interest expense	\$113.4	\$82.1

Interest incurred increased 94%, or \$113.7, primarily due to a higher debt balance from senior notes that were issued in March 2023 and February 2024 to fund projects under our Green Finance Framework as well as borrowings on financing available for the NEOM Green Hydrogen Project. Capitalized interest increased \$82.4 due to a higher carrying value of projects under construction, including the NEOM Green Hydrogen Project.

Other Non-Operating Income (Expense), net

Other non-operating expense of \$24.0 increased 66%, or \$9.5, as higher non-service pension costs were partially offset by higher interest income on cash and cash items and short-term investments.

Net Income and Net Income Margin

Net income of \$1,202.5 increased 16%, or \$168.8, primarily due to lower charges for business and asset actions, favorable pricing, and higher equity affiliates' income, partially offset by higher interest expense and higher other costs. Net income margin of 20.3% increased 410 bp from 16.2% in the prior year due to these factors as well as lower energy cost pass-through to customers, which positively impacted margin by approximately 150 bp.

Adjusted EBITDA and Adjusted EBITDA Margin

Adjusted EBITDA of \$2,372.8 increased 6%, or \$138.4, as higher pricing, volumes, and equity affiliates' income were partially offset by higher costs. Adjusted EBITDA margin of 40.0% increased 490 bp from 35.1% in the prior year due to these factors as well as lower energy cost pass-through to customers, which positively impacted margin by approximately 300 bp.

Effective Tax Rate

Our effective tax rate was 18.1% and 19.9% for the six months ended 31 March 2024 and 2023, respectively. Our current quarter rate was lower primarily due to a discrete tax impact recorded in the prior year from business and asset actions further discussed below as well as earning a greater share of income in jurisdictions with lower tax rates and the impact from equity affiliates' income.

In the prior year, we recognized a charge of \$185.6 (\$153.7 attributable to Air Products after tax) related to various business and asset actions. Refer to Note 4, *Business and Asset Actions*, for additional information. This charge included certain losses for which we could not recognize an income tax benefit. Therefore, we recorded a valuation allowance of \$31.7 against deferred tax assets resulting from the charge. Partially offsetting the valuation allowance cost was a \$15.9 income tax benefit from a tax election related to a non-U.S. subsidiary.

Our adjusted effective tax rate, which excludes the impact of the business and asset actions discussed above as well as the non-service components of net periodic cost for our defined benefit pension plans, was 18.5% and 19.4% for the six months ended 31 March 2024 and 2023, respectively. The current year rate was lower due to the higher income in jurisdictions with lower tax rates as well as the impact from equity affiliates' income.

Adjusted EBITDA	1,151.4	1,029.4	122.0	12 %
Adjusted EBITDA margin	46.1 %	37.3 %		880 bp

The table below summarizes the major factors that impacted sales in the Americas segment for the periods presented:

Volume	2 %
Price	2 %
Energy cost pass-through to customers	(13 %)
Currency	— %
Total Americas Sales Change	(9 %)

Sales of \$2,497.9 decreased 9%, or \$259.4, as lower energy cost pass-through to customers of 13% driven by lower natural gas prices in North America was partially offset by higher volumes of 2% and higher pricing of 2%. Volumes improved modestly as higher demand for hydrogen in our on-site business was partially offset by weaker merchant volume. Currency was flat versus the prior year.

Operating income of \$726.3 increased 9%, or \$59.1, primarily due to positive pricing, net of power and fuel costs, of \$70 and favorable volumes of \$31, partially offset by higher costs of \$41. The higher costs were driven by higher planned maintenance and labor inflation, partially offset by lower incentive compensation. Operating margin of 29.1% increased 490 bp from 24.2% in the prior year due to these factors as well as lower energy cost pass-through to customers, which positively impacted margin by about 350 basis points.

Equity affiliates' income of \$81.3 increased 83%, or \$36.8, driven by higher income from an affiliate in Mexico.

Asia

	Six Months Ended 31 March		Changes	
	2024	2023	\$	%/bp
Sales	\$1,573.5	\$1,591.7	(\$18.2)	(1 %)
Operating income	414.8	468.9	(54.1)	(12 %)
Operating margin	26.4 %	29.5 %		(310 bp)
Equity affiliates' income	\$12.5	\$14.7	(\$2.2)	(15 %)
Adjusted EBITDA	655.5	695.5	(40.0)	(6 %)
Adjusted EBITDA margin	41.7 %	43.7 %		(200 bp)

The table below summarizes the major factors that impacted sales in the Asia segment for the periods presented:

Volume	— %
Price	1 %
Energy cost pass-through to customers	1 %
Currency	(3 %)
Total Asia Sales Change	(1 %)

Sales of \$1,573.5 decreased 1%, or \$18.2, due to an unfavorable currency impact of 3% driven by strengthening of the U.S. Dollar against the Chinese Renminbi, partially offset by higher pricing of 1% and higher energy cost pass-through to customers of 1%. Overall volumes were flat as higher volumes in our on-site business, including contributions from several new industrial gas plants, were offset by weak economic growth in China and lower demand for merchant products.

Operating income of \$414.8 decreased 12%, or \$54.1, primarily due to unfavorable business mix of \$34, an unfavorable currency impact of \$12, and lower pricing, net of power and fuel costs, of \$6. The cost impact was relatively flat as lower incentive compensation and distribution costs were mostly offset by labor inflation and higher planned maintenance. Operating margin of 26.4% decreased 310 bp from 29.5% in the prior year primarily due to unfavorable business mix.

Equity affiliates' income of \$12.5 decreased 15%, or \$2.2, as higher maintenance expense for one of our affiliates in China was partially offset by higher income from an affiliate in Thailand.

Europe

	Six Months Ended 31 March		Changes	
	2024	2023	\$	%/bp
Sales	\$1,399.1	\$1,544.8	(\$145.7)	(9 %)
Operating income	398.6	319.0	79.6	25 %
Operating margin	28.5 %	20.6 %		790 bp
Equity affiliates' income	\$32.4	\$47.2	(\$14.8)	(31 %)
Adjusted EBITDA	530.0	458.8	71.2	16 %
Adjusted EBITDA margin	37.9 %	29.7 %		820 bp

The table below summarizes the major factors that impacted sales in the Europe segment for the periods presented:

Volume	2 %
Price	(2 %)
Energy cost pass-through to customers	(13 %)
Currency	4 %
Total Europe Sales Change	(9 %)

Sales of \$1,399.1 decreased 9%, or \$145.7, due to lower energy cost pass-through to customers of 13% driven by lower natural gas prices across the region and lower pricing of 2%, partially offset by a favorable impact from currency of 4% and higher volumes of 2%. Currency positively impacted sales primarily due to the weakening of the U.S. Dollar against the Euro. The volume improvement was driven by contribution from an on-site facility in Uzbekistan that we acquired in the third quarter of fiscal year 2023, which was partially offset by lower merchant demand.

Operating income of \$398.6 increased 25%, or \$79.6, due to higher volumes of \$53, pricing, net of lower power and fuel costs, of \$24, and a favorable impact from currency of \$13, partially offset by higher costs of \$10. The higher costs were driven by labor inflation and higher planned maintenance, partially offset by income from the sale of assets and lower distribution costs. Operating margin of 28.5% increased 790 bp from 20.6% in the prior year due to the factors noted above as well as lower energy cost pass-through to customers, which positively impacted margin by about 300 bp.

Equity affiliates' income of \$32.4 decreased 31%, or \$14.8, driven by prior year non-recurring items for our affiliate in Italy.

Middle East and India

	Six Months Ended 31 March		Changes	
	2024	2023	\$	%
Sales	\$71.1	\$86.2	(\$15.1)	(18 %)
Operating income	9.5	8.0	1.5	19 %
Equity affiliates' income	166.8	163.0	3.8	2 %
Adjusted EBITDA	189.6	184.2	5.4	3 %

Sales of \$71.1 decreased 18%, or \$15.1, primarily due to lower volumes. Despite lower sales, operating income of \$9.5 increased 19%, or \$1.5, primarily due to lower costs, including planned maintenance.

Equity affiliates' income of \$166.8 increased 2%, or \$3.8, as a higher contribution from JIGPC's completion of the second phase of the asset purchase in January 2023 was partially offset by higher interest and other operating costs related to the Jazan gasification and power project.

Corporate and other

	Six Months Ended 31 March		Changes	
	2024	2023	\$	%
Sales	\$386.0	\$394.8	(\$8.8)	(2 %)
Operating loss	(188.1)	(165.7)	(22.4)	(14 %)
Adjusted EBITDA	(153.7)	(133.5)	(20.2)	(15 %)

Sales of \$386.0 decreased 2%, or \$8.8, and operating loss of \$188.1 increased 14%, or \$22.4, primarily due to lower non-LNG sale of equipment activity. The negative impact to operating loss was partially offset by lower corporate costs.

RECONCILIATIONS OF NON-GAAP FINANCIAL MEASURES

(Millions of U.S. Dollars unless otherwise indicated, except for per share data)

We present certain financial measures, other than in accordance with U.S. generally accepted accounting principles ("GAAP"), on an "adjusted" or "non-GAAP" basis. On a consolidated basis, these measures include adjusted diluted earnings per share ("EPS"), adjusted EBITDA, adjusted EBITDA margin, the adjusted effective tax rate, and capital expenditures. On a segment basis, these measures include adjusted EBITDA and adjusted EBITDA margin. In addition to these measures, we also present certain supplemental non-GAAP financial measures to help the reader understand the impact that certain disclosed items, or "non-GAAP adjustments," have on the calculation of our adjusted diluted EPS. For each non-GAAP financial measure, we present a reconciliation to the most directly comparable financial measure calculated in accordance with GAAP.

In many cases, non-GAAP financial measures are determined by adjusting the most directly comparable GAAP measure to exclude non-GAAP adjustments that we believe are not representative of our underlying business performance. For example, we exclude the impact of the non-service components of net periodic benefit/cost for our defined benefit pension plans. Non-service related components are recurring, non-operating items that include interest cost, expected returns on plan assets, prior service cost amortization, actuarial loss amortization, as well as special termination benefits, curtailments, and settlements. The net impact of non-service related components is reflected within "Other non-operating income (expense), net" on our consolidated income statements. Adjusting for the impact of non-service pension components provides management and users of our financial statements with a more accurate representation of our underlying business performance because these components are driven by factors that are unrelated to our operations, such as volatility in equity and debt markets. Further, non-service related components are not indicative of our defined benefit plans' future contribution needs due to the funded status of the plans. We may also exclude certain expenses associated with cost reduction actions, impairment charges, and gains on disclosed transactions. The reader should be aware that we may recognize similar losses or gains in the future.

When applicable, the tax impact of our pre-tax non-GAAP adjustments reflects the expected current and deferred income tax impact of our non-GAAP adjustments. These tax impacts are primarily driven by the statutory tax rate of the various relevant jurisdictions and the taxability of the adjustments in those jurisdictions.

We provide these non-GAAP financial measures to allow investors, potential investors, securities analysts, and others to evaluate the performance of our business in the same manner as our management. We believe these measures, when viewed together with financial results computed in accordance with GAAP, provide a more complete understanding of the factors and trends affecting our historical financial performance and projected future results. However, we caution readers not to consider these measures in isolation or as a substitute for the most directly comparable measures calculated in accordance with GAAP. Readers should also consider the limitations associated with these non-GAAP financial measures, including the potential lack of comparability of these measures from one company to another.

ADJUSTED DILUTED EPS

The table below provides a reconciliation to the most directly comparable GAAP measure for each of the major components used to calculate adjusted diluted EPS from continuing operations, which we view as a key performance metric. In periods that we have non-GAAP adjustments, we believe it is important for the reader to understand the per share impact of each such adjustment because management does not consider these impacts when evaluating underlying business performance. Per share impacts are calculated independently and may not sum to total diluted EPS and total adjusted diluted EPS due to rounding.

ADJUSTED EBITDA AND ADJUSTED EBITDA MARGIN

We define adjusted EBITDA as net income less income from discontinued operations, net of tax, and excluding non-GAAP adjustments, which we do not believe to be indicative of underlying business trends, before interest expense, other non-operating income (expense), net, income tax provision, and depreciation and amortization expense. Adjusted EBITDA and adjusted EBITDA margin provide useful metrics for management to assess operating performance. Margins are calculated independently for each period by dividing each line item by consolidated sales for the respective period and may not sum to total margin due to rounding.

The table below presents consolidated sales and a reconciliation of net income on a GAAP basis to adjusted EBITDA and net income margin on a GAAP basis to adjusted EBITDA margin:

ADJUSTED EFFECTIVE TAX RATE

The effective tax rate equals the income tax provision divided by income before taxes. We calculate our adjusted effective tax rate by adjusting the numerator and denominator to exclude the tax and before tax impacts of our non-GAAP adjustments, respectively. The table below presents a reconciliation of the GAAP effective tax rate to our adjusted effective tax rate:

CAPITAL EXPENDITURES

Capital expenditures is a non-GAAP financial measure that we define as the sum of cash flows for additions to plant and equipment, including long-term deposits, acquisitions (less cash acquired), investment in and advances to unconsolidated affiliates, and investment in financing receivables on our consolidated statements of cash flows. Additionally, we adjust additions to plant and equipment to exclude NEOM Green Hydrogen Company ("NGHC") expenditures funded by the joint venture's non-recourse project financing as well as our partners' equity contributions to arrive at a measure that we believe is more representative of our investment activities. Substantially all the funding we provide to NGHC is limited for use by the venture for capital expenditures.

A reconciliation of cash used for investing activities to our reported capital expenditures is provided below:

	Six Months Ended 31 March	
	2024	2023
Cash used for investing activities	\$3,226.0	\$2,476.0
Proceeds from sale of assets and investments	20.2	7.2
Purchases of investments	(136.4)	(290.5)
Proceeds from investments	367.4	611.6
Other investing activities	30.1	(51.2)
NGHC expenditures not funded by Air Products' equity ^(A)	(836.2)	(335.3)
Capital expenditures	\$2,671.1	\$2,417.8

^(A)Reflects the portion of "Additions to plant and equipment, including long-term deposits" that is associated with NGHC, less our approximate cash investment in the joint venture.

LIQUIDITY AND CAPITAL RESOURCES

We believe we have sufficient cash, cash flows from operations, and funding sources to meet our liquidity needs. As further discussed in the "Cash Flows From Financing Activities" section below, we have the ability to raise capital through a variety of financing activities, including accessing capital or commercial paper markets or drawing upon our credit facilities.

As of 31 March 2024, we had \$1,333.0 of foreign cash and cash items compared to total cash and cash items of \$2,535.0. We do not expect that a significant portion of the earnings of our foreign subsidiaries and affiliates will be subject to U.S. income tax upon repatriation to the U.S. Depending on the country in which the subsidiaries and affiliates reside, the repatriation of these earnings may be subject to foreign withholding and other taxes. However, since we have significant current investment plans outside the U.S., it is our intent to permanently reinvest the majority of our foreign cash and cash items that would be subject to additional taxes outside the U.S.

Cash Flows From Operations

	Six Months Ended 31 March	
	2024	2023
Net income attributable to Air Products	\$1,181.7	\$1,012.0
Adjustments to reconcile income to cash provided by operating activities:

Noncurrent lease receivables	40.2	39.5
Other adjustments	26.5	70.9
Changes in working capital accounts	(486.1)	(589.3)
Cash Provided by Operating Activities	\$1,428.3	\$1,358.0

For the first six months of fiscal year 2024, cash provided by operating activities was \$1,428.3. We recorded a charge of \$57.0 for the accrual of severance and other postemployment benefits. Refer to Note 4, *Business and Asset Actions*, to the consolidated financial statements for additional information. The working capital accounts were a use of cash of \$486.1. A use of cash of \$301.0 within "Payables and accrued liabilities" primarily resulted from payments for incentive compensation under the fiscal year 2023 plan, a reduction of customer advances for sale of equipment projects as we recognized revenue, and a reduction of liabilities associated with accrued utilities. The use of cash of \$111.7 within "Other working capital" primarily related to the timing of tax payments. The use of cash of \$72.7 within "Inventories" primarily related to purchases of helium. The use of cash of \$31.6 within "Other receivables" primarily related to the payment of value added taxes incurred in the construction of our larger projects for which we will claim a refund in the near term.

For the first six months of fiscal year 2023, cash provided by operating activities was \$1,358.0. Business and asset actions of \$185.6 included noncash charges to write-down the full carrying value of assets previously under construction in our Asia and Europe segments. Other adjustments of \$70.9 primarily included adjustments for noncash currency impacts of intercompany balances. The working capital accounts were a use of cash of \$589.3, primarily driven by \$451.3 from payables and accrued liabilities, \$124.7 from other working capital, and \$112.3 from inventory, partially offset by a source of cash of \$162.0 from trade receivables, less allowances. The use of cash within payables and accrued liabilities primarily resulted from the impact of lower prices for the purchase of natural gas, a decrease in value of derivatives that hedge intercompany loans, and payments for incentive compensation under the fiscal year 2022 plan. The use of cash within other working capital primarily relates to the timing of income tax payments. The source of cash within trade receivables includes lower natural gas costs contractually passed through to customers.

Cash Used for Investing Activities	(\$3,226.0)	(\$2,476.0)

For the first six months of fiscal year 2024, cash used for investing activities was \$3,226.0. The use of cash primarily resulted from additions to plant and equipment, including long-term deposits, of \$3,114.9 and an investment in financing receivables of \$392.4. Refer to the "Capital Expenditures" section below for further detail. Proceeds from investments of \$367.4 resulted from maturities of time deposits and treasury securities with terms greater than three months but less than one year and exceeded purchases of investments of \$136.4.

For the first six months of fiscal year 2023, cash used for investing activities was \$2,476.0. The use of cash primarily resulted from additions to plant and equipment, including long-term deposits, of \$1,841.1 as well as investment in and advances to unconsolidated affiliates of \$912.0, which primarily included our investment in the second phase of the Jazan gasification and power project. Proceeds from investments of \$611.6 resulted from maturities of time deposits and treasury securities with terms greater than three months but less than one year and exceeded purchases of investments of \$290.5.

Capital Expenditures

The components of our capital expenditures are detailed in the table below. Refer to page 57 for a definition of this non-GAAP financial measure as well as a reconciliation to cash used for investing activities.

	Six Months Ended 31 March	
	2024	2023
Additions to plant and equipment, including long-term deposits	\$3,114.9	\$1,841.1
Investment in and advances to unconsolidated affiliates	—	912.0
Investment in financing receivables	392.4	—
NGHC expenditures not funded by Air Products' equity ^(A)	(836.2)	(335.3)
Capital Expenditures	\$2,671.1	\$2,417.8

^(A)Reflects the portion of "Additions to plant and equipment, including long-term deposits" that is associated with NGHC, less our approximate cash investment in the joint venture.

Capital expenditures for the first six months of fiscal year 2024 totaled \$2,671.1 compared to \$2,417.8 for the first six months of fiscal year 2023. The investment in financing receivables of \$392.4 primarily reflects payments associated with the purchase of renewable fuel assets from World Energy as well as the purchase of a natural gas-to-syngas processing facility in Uzbekistan. Refer to Note 3, *Variable Interest Entities*, and Note 16, *Supplemental Information*, to the consolidated financial statements, respectively, for additional information.

Outlook for Investing Activities

It is not possible, without unreasonable efforts, to reconcile our forecasted capital expenditures to future cash used for investing activities because we are unable to identify the timing or occurrence of our future investment activity, which is driven by our assessment of competing opportunities at the time we enter into transactions. These decisions, either individually or in the aggregate, could have a significant effect on our cash used for investing activities.

We continue to expect capital expenditures for fiscal year 2024 to be approximately \$5.0 billion to \$5.5 billion.

Cash Flows From Financing Activities

	Six Months Ended 31 March	
	2024	2023
Long-term debt proceeds	\$ 3,649.0	\$ 1,891.6
Payments on long-term debt	(64.7)	(596.0)
Decrease in commercial paper and short-term borrowings	(131.9)	(16.3)
Dividends paid to shareholders	(777.9)	(719.2)
Proceeds from stock option exercises	5.7	17.1
Investments by noncontrolling interests	142.6	72.8
Other financing activities	(110.3)	(46.6)
Cash Provided by Financing Activities	\$2,712.5	\$603.4

For the first six months of fiscal year 2024, cash provided by financing activities was \$2,712.5. The source of cash was primarily driven by long-term debt proceeds of \$3,649.0, which was largely attributable to U.S. Dollar-denominated green bonds totaling \$2.5 billion that were issued during the second quarter of fiscal year 2024 under our Green Finance Framework as well as borrowings from project financing associated with the NGHC joint venture, partially offset by dividend payments to shareholders of \$777.9.

For the first six months of fiscal year 2023, cash provided by financing activities was \$603.4. The source of cash was primarily driven by long-term debt proceeds of \$1,891.6, which was largely attributable to multi-currency green bonds totaling \$1.4 billion that were issued during the second quarter of fiscal year 2023 under our Green Finance Framework. These proceeds were partially offset by dividend payments to shareholders of \$719.2 and payments on long-term debt of \$596.0.

Financing and Capital Structure**Debt**

Total debt increased from \$10,305.8 as of 30 September 2023 to \$13,621.7 as of 31 March 2024 primarily due to the \$2.5 billion issuance of senior notes intended for projects defined under our Green Finance Framework as well as additional borrowings under the project financing associated with the NEOM Green Hydrogen Project as discussed in Note 3, *Variable Interest Entities*, to the consolidated financial statements. Total debt includes related party debt of \$289.8 and \$328.3 as of 31 March 2024 and 30 September 2023, respectively.

Various debt agreements to which we are a party include financial covenants and other restrictions, including restrictions pertaining to the ability to create property liens and enter into certain sale and leaseback transactions. As of 31 March 2024, we were in compliance with all of the financial and other covenants under our debt agreements.

Credit Facilities

In March 2024, we entered into a five-year \$3.0 billion revolving credit agreement maturing 31 March 2029 (the "2024 Credit Agreement") as well as a 364-day \$500 revolving credit agreement maturing 27 March 2025 that we have the ability to convert into a term loan maturing 27 March 2026. Both agreements are syndicated facilities that provide a source of liquidity and support our commercial paper program through availability of senior unsecured debt to us and certain of our subsidiaries. As of 31 March 2024, no borrowings were outstanding under either agreement. The 2024 Credit Agreement replaced our previous \$2.75 billion revolving credit agreement (the "2021 Credit Agreement"), which was terminated upon execution of the 2024 Credit Agreement. No borrowings were outstanding under the 2021 Credit Agreement at the time of its termination, and no early termination penalties were incurred.

We also have credit facilities available to certain of our foreign subsidiaries totaling \$1,241.6, of which \$1,080.7 was borrowed and outstanding as of 31 March 2024. The amount borrowed and outstanding as of 30 September 2023 was \$1,041.4.

NEOM Green Hydrogen Project Financing

In May 2023, NGHC secured non-recourse project financing of approximately \$6.1 billion, which is expected to fund approximately 73% of the NEOM Green Hydrogen Project and will be drawn over the construction period. At the same time, NGHC secured additional non-recourse credit facilities totaling approximately \$500 primarily for working capital needs. As of 31 March 2024, the joint venture had borrowed short- and long-term principal amounts totaling \$2.5 billion compared to \$1.4 billion as of 30 September 2023. Refer to Note 3, *Variable Interest Entities*, to the consolidated financial statements for additional information.

Dividends

The Board of Directors determines whether to declare cash dividends on our common stock and the timing and amount based on financial condition and other factors it deems relevant. Dividends are paid quarterly, usually during the sixth week after the close of the fiscal quarter. In January 2024, the Board of Directors increased the quarterly dividend to \$1.77 per share, representing our 42nd consecutive year of dividend increases. The new dividend was declared on 25 January 2024 and is payable on 13 May 2024 to shareholders of record at the close of business on 1 April 2024.

PENSION BENEFITS

We and certain of our subsidiaries sponsor defined benefit pension plans and defined contribution plans that cover a substantial portion of our worldwide employees. The principal defined benefit pension plans are the U.S. salaried pension plan and the U.K. pension plan. These plans were closed to new participants in 2005, after which defined contribution plans were offered to new employees. The shift to defined contribution plans is expected to continue to reduce volatility of both plan expense and contributions. For additional information, refer to Note 11, *Retirement Benefits*, to the consolidated financial statements.

Net Periodic Cost

The table below summarizes the components of net periodic cost for our U.S. and international defined benefit pension plans:

	Three Months Ended 31 March		Six Months Ended 31 March	
	2024	2023	2024	2023
Service cost	\$5.2	\$5.8	\$10.4	\$11.8
Non-service cost	25.1	22.9	50.0	42.4
Other	0.1	0.2	0.2	0.5
Net Periodic Cost	\$30.4	\$28.9	\$60.6	\$54.7

Net periodic cost was \$30.4 and \$60.6 for the three and six months ended 31 March 2024, respectively. Net periodic cost was \$28.9 and \$54.7 for the three and six months ended 31 March 2023, respectively. The increased costs versus the prior year were primarily attributable to non-service costs, which were driven by lower expected returns on plan assets due to a smaller beginning balance of plan assets and higher interest cost, partially offset by a decrease in actuarial loss amortization. Non-service related components of net periodic cost are reflected within "Other non-operating income (expense), net" on our consolidated income statements.

Service costs result from benefits earned by active employees and are reflected as operating expenses primarily within "Cost of sales" and "Selling and administrative expense" on our consolidated income statements. The amount of service costs capitalized in the first six months of fiscal years 2024 and 2023 was not material.

Company Contributions

Management considers various factors when making pension funding decisions, including tax, cash flow, and regulatory implications. For the six months ended 31 March 2024 and 2023, our cash contributions to funded pension plans and benefit payments for unfunded pension plans were \$19.2 and \$15.4, respectively.

Total contributions for fiscal year 2024 are expected to be approximately \$35 to \$45. During fiscal year 2023, total contributions were \$32.6.

CRITICAL ACCOUNTING POLICIES AND ESTIMATES

A description of our major accounting policies, including those that we consider to be the most critical to understanding our financial statements, is included in our 2023 Form 10-K. There were no changes to our accounting policies during the first six months of fiscal year 2024.

Management's Discussion and Analysis of our financial condition and results of operations is based on the consolidated financial statements and accompanying notes that have been prepared in accordance with GAAP. The preparation of these financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities as of the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. These estimates reflect our best judgment about current and/or future economic and market conditions and their effect based on information available as of the date of our consolidated financial statements. If conditions change, actual results may differ materially from these estimates.

Judgments and estimates of uncertainties are required to apply our accounting policies in many areas. However, application of policies that management has identified as critical places significant importance on management's judgment, often as the result of the need to make estimates about the effects of matters that are inherently uncertain. During the first six months of fiscal year 2024, we recorded changes to project cost estimates on certain sale of equipment projects that are accounted for under the cost incurred input method. Accordingly, we recorded cumulative effect adjustments that unfavorably impacted operating income by approximately \$35 and \$65 for the three and six months ended 31 March 2024, respectively. There were no other changes to our estimates during the first six months of fiscal year 2024 that had a significant impact on our financial condition, change in financial condition, liquidity, or results of operations.

Item 3. Quantitative and Qualitative Disclosures About Market Risk

Information on our utilization of financial instruments and an analysis of the sensitivity of these instruments to selected changes in market rates and prices is included in our 2023 Form 10-K.

Our net financial instrument position increased from a liability of \$8,990.8 at 30 September 2023 to a liability of \$12,823.3 at 31 March 2024. The increase was primarily due to the issuance of green senior notes as well as additional borrowings under the project financing associated with the NEOM Green Hydrogen Project as discussed in Note 3, *Variable Interest Entities*, to the consolidated financial statements.

Interest Rate Risk

Our debt portfolio as of 31 March 2024, including the effect of currency and interest rate swap agreements, was composed of 86% fixed-rate debt and 14% variable-rate debt. Our debt portfolio as of 30 September 2023, including the effect of currency and interest rate swap agreements, was composed of 80% fixed-rate debt and 20% variable-rate debt. The increase in fixed-rate debt was primarily driven by the issuance of green senior notes during February 2024.

The sensitivity analysis related to the interest rate risk on the fixed portion of our debt portfolio assumes an instantaneous 100 bp parallel move in interest rates from the level at 31 March 2024, with all other variables held constant. A 100 bp increase in market interest rates would result in a decrease of \$1,000 and \$728 in the net liability position of financial instruments at 31 March 2024 and 30 September 2023, respectively. A 100 bp decrease in market interest rates would result in an increase of \$1,155 and \$845 in the net liability position of financial instruments at 31 March 2024 and 30 September 2023, respectively.

There were no material changes to the sensitivity analysis related to the variable portion of our debt portfolio since 30 September 2023.

Foreign Currency Exchange Rate Risk

The sensitivity analysis related to foreign currency exchange rates assumes an instantaneous 10% change in the foreign currency exchange rates from their levels at 31 March 2024, with all other variables held constant. A 10% strengthening or weakening of the functional currency of an entity versus all other currencies would result in a decrease or increase, respectively, of \$331 and \$308 in the net liability position of financial instruments at 31 March 2024 and 30 September 2023, respectively.

Item 4. Controls and Procedures

Disclosure Controls and Procedures

We maintain a comprehensive set of disclosure controls and procedures (as defined in Rules 13a-15(e) and 15d-15(e) under the Exchange Act). Under the supervision of the Chief Executive Officer and Chief Financial Officer, our management conducted an evaluation of the effectiveness of our disclosure controls and procedures as of 31 March 2024. Based on that evaluation, the Chief Executive Officer and Chief Financial Officer concluded that, as of 31 March 2024, our disclosure controls and procedures were effective.

Internal Control Over Financial Reporting

There was no change in our internal control over financial reporting (as defined in Rules 13a-15(f) and 15d-15(f) under the Exchange Act) during the quarter ended 31 March 2024 that has materially affected, or is reasonably likely to materially affect, our internal control over financial reporting.

(ii) no Revolving Credit Loans shall be made hereunder to the extent that such Revolving Credit Loans would cause the Dollar Equivalent Amount of the Total Revolving Credit Exposure and Competitive Bid Loans then outstanding to exceed the Total Revolving Credit Commitment.

(b) Nature of Credit. Within the limits of time and amount set forth in this Section 2.01, and subject to the provisions of this Agreement, the Borrowers may borrow, repay and reborrow Revolving Credit Loans hereunder. Each Revolving Credit Loan shall be made to a single Borrower and shall be made in one of the Designated Currencies selected by the Parent in accordance with this Article II.

In the event of any conflict between the accounts and records maintained by any Lender and the accounts and records of the Administrative Agent in respect of such matters, the accounts and records of the Administrative Agent shall control in the absence of manifest error.

In such event, the Borrowers shall prepare, execute and deliver to such Lender such Notes payable to the order of such Lender. Thereafter, the Loans evidenced by such Notes and interest thereon shall at all times (including

Each Lender shall make an amount equal to its Commitment Percentage of the amount specified in such Standard Notice available to the Administrative Agent in same day funds for the account of the applicable Swingline Lender at the Administrative Agent's Office in accordance with Section 2.04(c)(iii), whereupon, subject to Section 2.04(c)(ii), each Lender that so makes funds available shall be deemed to have made a Base Rate Loan to the Parent in such amount. The Administrative Agent shall remit the funds so received to the applicable Swingline Lender.

(ii) If for any reason any Swingline Loan cannot be refinanced by such a Borrowing in accordance with Section 2.04(c)(i), the request for Base Rate Loans submitted by the applicable Swingline Lender as set forth herein shall be deemed to be a request by such Swingline Lender that each of the Lenders fund its risk participation in the relevant Swingline Loans and each Lender's payment to the Administrative Agent for the account of such Swingline Lender pursuant to Section 2.04(c)(i) shall be deemed payment in respect of such participation. Notwithstanding anything to the contrary contained herein such Lender's participation shall bear interest at the Base Rate plus the Applicable Margin (plus the rate set forth in Section 4.05(b)(ii) hereof, if applicable).

(iii) Each Lender hereby absolutely and unconditionally agrees to make refinancing Base Rate Loans or otherwise pay, upon receipt of notice as provided above, to the Administrative Agent, for the account of such Swingline Lender, such Lender's Commitment Percentage of such Swingline Loans. Each Lender acknowledges and agrees that, in making any Swingline Loan, each Swingline Lender shall be entitled to rely, and shall not incur any liability for relying, upon the representation and warranty of the Parent and the Borrowers deemed made pursuant to Section 6.02, unless, at least one Business Day prior to the time such Swingline Loan was made, the Required Lenders shall have notified such Swingline Lender (with a copy to the Administrative Agent) in writing that, as a result of one or more events or circumstances described in such notice, one or more of the conditions precedent set

forth in Section 6.02 would not be satisfied if such Swingline Loan were then made (it being understood and agreed that, in the event any Swingline Lender shall have received any such notice, no Swingline Lender shall have any obligation to make any Swingline Loan until and unless it shall be satisfied that the events and circumstances described in such notice shall have been cured or otherwise shall have ceased to exist). Each Lender further acknowledges and agrees that its obligation to make Base Rate Loans or acquire and fund risk participations in Swingline Loans pursuant to this Section 2.04(c) is absolute and unconditional and shall not be affected by any circumstance whatsoever, including the occurrence and continuance of a Potential Event of Default, an Event of Default or any reduction or termination of the Commitments, and that each such payment shall be made without any offset, counterclaim, abatement, withholding or reduction whatsoever. Each Lender shall comply with its obligation under this Section 2.04(c) by wire transfer of immediately available funds, in the same manner as provided in Section 2.03(a) with respect to Loans made by such Lender (and Section 2.03(a) shall apply, *mutatis mutandis*, to the payment obligations of the Lenders pursuant to this Section 2.04(c)), and the Administrative Agent shall promptly remit to such Swingline Lender the amounts so received by it from the Lenders. The Administrative Agent shall notify the Parent of any Base Rate Loans made to refinance, and participations acquired in, any Swingline Loan pursuant to this Section 2.04(c), and thereafter payments in respect of such Swingline Loan shall be made to the Administrative Agent and not to the applicable Swingline Lender. Any amounts received by any Swingline Lender from any Borrower (or other Person on behalf of any Borrower) in respect of a Swingline Loan after receipt by such Swingline Lender of the proceeds of a sale of participations therein shall be promptly remitted to the Administrative Agent; any such amounts received by the Administrative Agent shall be promptly remitted by the Administrative Agent to the Lenders that shall have made their payments pursuant to this Section 2.04(c) and to such Swingline Lender, as their interests may appear; provided that any such payment so remitted shall be repaid to such Swingline Lender or to the Administrative Agent, as applicable, if and to the extent such payment is required to be refunded to any Borrower for any reason. Neither the making of Base Rate Loans nor the purchase of participations in a Swingline Loan pursuant to this Section 2.04(c) shall relieve any Borrower of its obligation to repay such Swingline Loan, together with interest as provided herein.

(iv) If any Lender fails to make available to the Administrative Agent for the account of the applicable Swingline Lender any amount required to be paid by such Lender pursuant to the foregoing provisions of this Section 2.04(c) by the time specified in Section 2.04(c)(i), such Swingline Lender shall be entitled to recover from such Lender (acting through the Administrative Agent), on demand, such amount with interest thereon for the period from the date such payment is required to the date on which such payment is immediately available to such Swingline Lender at a rate per annum equal to the greater of (x) the NYFRB Rate and (y) an overnight rate determined by the such Swingline Lender in accordance with banking industry rules on interbank compensation, *plus* any administrative, processing or similar fees customarily charged by such Swingline Lender in connection with the foregoing.

If such Lender pays such amount (with interest and fees as aforesaid), the amount so paid (excluding interest and fees as aforesaid) shall constitute such Lender's Base Rate Loan included in the relevant Borrowing or funded participation in the relevant Swingline Loan, as the case may be. A certificate of the applicable Swingline Lender submitted to any Lender (through the Administrative Agent) with respect to any amounts owing under this clause (iv) shall be conclusive absent manifest error.

(d) Repayment of Swingline Loans. Each Borrower hereby promises to pay to each Swingline Lender the then unpaid principal amount of each Swingline Loan made by such Swingline Lender on the earlier of (x) the Commitment Termination Date applicable to such Swingline Lender and (y) the date that is ten (10) Business Days after such Swingline Loan is made; provided that on each date that a Borrowing is made, the Borrowers shall repay all Swingline Loans that were outstanding on the date such Borrowing was requested. To the extent not due and payable earlier, the applicable Borrower shall repay the Swingline Loans on the Revolving Credit Maturity Date.

(e) Additional Swingline Lenders. Parent may, at any time and from time to time with the consent of the Administrative Agent and such Lender, designate in writing one or more additional Lenders to act as a swingline lender under the terms of this Agreement, subject to reporting requirements reasonably satisfactory to the Administrative Agent with respect to loan fundings, payments and interest payment dates of Swingline Loans by such additional swingline lender. Any Lender designated as a swingline lender pursuant to this paragraph (e) shall be set forth in an updated Schedule IV.C and be deemed to be a "Swingline Lender" (in addition to being a Lender) in respect of Swingline Loans issued or to be issued by such Lender, and, with respect to such Swingline Loan, such term shall thereafter apply to such additional Swingline Lender and such Lender.

(f) Removal of a Swingline Lender. Any Swingline Lender may be removed at any time by the Parent by notice to the Swingline Lender, the Administrative Agent and the Lenders. The Administrative Agent shall notify the Lenders of any such removal of a Swingline Lender. At the time such removal shall become effective, the Borrowers shall pay all accrued and unpaid fees and other amounts due to such retiring Swingline Lender. The acceptance of any appointment as a Swingline Lender hereunder by a successor Lender shall be evidenced by an agreement entered into by such successor, in a form satisfactory to the Parent and the Administrative Agent, and, from and after the effective date of such agreement, (i) such successor Swingline Lender shall be set forth in an updated Schedule IV.C and shall have all the rights and obligations of a Swingline Lender under this Agreement and the other Loan Documents with respect to Swingline Loans to be made by it thereafter and (ii) references herein and in the other Loan Documents to the term "Swingline Lender" shall be deemed to refer to such successor or to any previous Swingline Lender, or to such successor and all previous Swingline Lenders, as the context shall require. After the removal of a Swingline Lender hereunder, the retiring Swingline Lender shall remain a party hereto and shall continue to have all the rights and obligations of a Swingline Lender under this Agreement and the other Loan Documents with respect to Swingline Loans funded by it prior to such removal, but shall not be required to fund any additional Swingline Loans.

Section 2.05 Fees; Reduction of the Revolving Credit Committed Amounts.

(a) Commitment Fee. The Parent shall pay to the Administrative Agent for the account of each Lender a fee (the “Commitment Fee”) for each day from and including the Closing Date and to but not including the date that such Lender’s Revolving Credit Commitment is terminated. Such fee shall be payable on the unused amount of such Lender’s Revolving Credit Committed Amount on such day and shall accrue at the applicable rate per annum for such day set forth on Schedule I under the caption “Commitment Fee Rate”, in each case as adjusted by the ESG Adjustment Amount; provided, that from and after the last target fiscal year or target calendar year set forth in the Sustainability Table of Annex A to Schedule I hereto, the Commitment Fee shall not be adjusted by any ESG Adjustment Amount. Commitment Fees shall be due and payable for the preceding period for which such fees have not been paid on each Regular Payment Date and on the date on which the Revolving Credit Commitments terminate. All Commitment Fees shall be computed on the basis of a year of 360 days and shall be payable for the actual number of days elapsed. For purposes of calculating the Commitment Fee only, no portion of the Commitments shall be deemed utilized as a result of outstanding Swingline Loans.

(b) Letter of Credit Fees. The Parent agrees to pay (i) to the Administrative Agent for the account of each Lender a participation fee with respect to its participations in each Letter of Credit, which shall accrue at a rate per annum equal to the Applicable Margin for Euro-Rate Loans on the daily amount of such Lender’s LC Exposure (excluding any portion thereof attributable to unreimbursed LC Disbursements) in respect of such Letter of Credit during the period from and including the Closing Date to but excluding the later of the date on which such Lender’s Revolving Credit Commitment terminates and the date on which such Lender ceases to have any LC Exposure, and (ii) to each Issuer a fronting fee, which shall accrue at a rate per annum separately agreed between the Parent and such Issuer (or such Issuer’s Affiliate, if applicable) on the average daily amount of the LC Exposure associated with Letters of Credit issued by such Issuer (excluding any portion thereof attributable to unreimbursed LC Disbursements) during the period from and including the Closing Date to but excluding the later of the date of termination of the Revolving Credit Commitments and the date on which there ceases to be any LC Exposure, as well as such Issuer’s standard fees with respect to the issuance, amendment, renewal or extension of any Letter of Credit or processing of drawings thereunder. Participation fees and fronting fees (together, “Letter of Credit Fees”) shall be payable in arrears on each Regular Payment Date, the date on which the Revolving Credit Commitments terminate and thereafter on demand. Any other fees payable to the Issuer pursuant to this paragraph shall be payable within ten (10) days after demand. All Letter of Credit Fees shall be computed on the basis of a year of 360 days and shall be payable for the actual number of days elapsed.

(c) Optional Reduction of the Revolving Credit Committed Amounts. The Parent may at any time or from time to time reduce Pro Rata the Revolving Credit Committed Amounts of the Lenders to an aggregate amount (which may be zero) not less than the sum of the aggregate Dollar Equivalent Amounts of the Revolving Credit Exposures and Competitive Bid Loans then outstanding plus the aggregate Dollar Equivalent Amount of all Revolving Credit Loans, Letters of Credit and Competitive Bid Loans not yet made as to which notice has been given by the Parent under Section 2.03, 2.11(b) or 3.02 hereof, as the case may be. Any reduction of the Revolving Credit Committed Amounts shall be in an aggregate amount which is an integral multiple of \$20,000,000 or the Total Revolving Credit Commitment. Reduction of the Revolving Credit Committed Amounts shall be made by providing not less than three (3) Business Days’ notice to such effect to the Administrative

Agent. Such notice of reduction shall be irrevocable; provided that such a notice delivered by the Parent may state that such notice is conditioned upon the effectiveness of a transaction, including other credit facilities, in which case such notice may be revoked by the Parent (by notice to the Administrative Agent on or prior to the specified effective date) if such condition is not satisfied. After the date specified in such notice which is not so revoked the Commitment Fee shall be calculated upon the Revolving Credit Committed Amounts as so reduced. The Administrative Agent will promptly send copies of such notice to the Lenders.

Section 2.06 Interest Rates.

(a) Optional Bases of Borrowing. The unpaid principal amount of the Loans shall bear interest for each day from and including the date on which funds are made available to the Relevant Borrower by the Administrative Agent and to but excluding the date of repayment on one or more bases selected by the Parent from among the interest rate Options set forth below; provided, however, that (v) the Base Rate Option and any SOFR-based Rate may not be selected to apply to Revolving Credit Loans which are denominated in a currency other than Dollars, (w) the Euro-Rate Option may be selected to apply only to Revolving Credit Loans denominated in Euros, (x) the Adjusted Term CORRA Rate Option shall apply to all Revolving Credit Loans denominated in Canadian Dollars (and only those Loans), (y) a SONIA Option shall apply to all Revolving Credit Loans denominated in Sterling (and only those Loans) and (z) the Base Rate Option shall apply to all Swingline Loans. Subject to the provisions of this Agreement, the Parent may select different Options to apply simultaneously to different Portions of the Revolving Credit Loans and may select different Funding Segments to apply simultaneously to different parts of each of the Euro-Rate Portion, SONIA Portion and the Adjusted Term CORRA Rate Portion of the Revolving Credit Loans. The aggregate number of Funding Segments applicable to all of the Euro-Rate Portions, SONIA Portions and Adjusted Term CORRA Rate Portions of the Revolving Credit Loans at any time shall not exceed six unless otherwise permitted by the Administrative Agent.

(i) Base Rate Option: A rate per annum (computed on the basis of a year of 360 days and actual days elapsed (or 365 or 366 days, as the case may be, in the case of Base Rate Loans where interest is based on the Prime Rate)) for each day equal to (x) the Base Rate for such day plus (y) the Applicable Margin for such day (the "Base Rate Option").

(ii) Euro-Rate Option: A rate per annum (computed on the basis of a year of 360 days and actual days elapsed) for each day equal to (x) the rate per annum determined in good faith by the Administrative Agent in accordance with its usual procedures (which determination shall be conclusive absent manifest error) by dividing (the resulting quotient to be rounded upward to the nearest 1/100 of 1%) (1) the Euro-Rate for such day by (2) a number equal to 1.00 minus the Euro-Rate Reserve Percentage, if any, for such day plus (y) the Applicable Margin for such day (the "Euro-Rate Option").

(iii) Adjusted Term CORRA Rate Option: A rate per annum (computed on the basis of a year of 365 days and actual days elapsed) for each day equal to (x) the rate per annum determined in good faith by the Administrative

Agent in accordance with its usual procedures (which determination shall be conclusive absent manifest error) as the Adjusted Term CORRA Rate plus (y) the Applicable Margin for such day (the “Adjusted Term CORRA Rate Option”).

(iv) SONIA Option: A rate per annum (computed on the basis of a year of 365 or 366 days, as the case may be) for each day equal to (x) the rate per annum determined in good faith by the Administrative Agent in accordance with its usual procedures (which determination shall be conclusive absent manifest error) as the Adjusted Daily Simple RFR with respect to Sterling plus (y) the Applicable Margin for such day (the “SONIA Option”).

(v) Adjusted Term SOFR Rate Option. A rate per annum (computed on the basis of a year of 360 days and actual days elapsed) for each day equal to (x) the rate per annum determined in good faith by the Administrative Agent in accordance with its usual procedures (which determination shall be conclusive absent manifest error) as the Adjusted Term SOFR Rate plus (y) the Applicable Margin for such day (the “Adjusted Term SOFR Rate Option”).

(vi) Swingline Loans: A rate per annum (computed on the basis of a year of 360 days and actual days elapsed) for each day equal to the Base Rate Option.

The Administrative Agent shall give prompt notice to the Parent and to the Lenders of the Base Rate, Euro-Rate, Daily Simple RFR with respect to Sterling, Adjusted Term CORRA Rate or Adjusted Term SOFR Rate so determined.

(b) Funding Periods.

(i) At any time when the Parent shall select, convert to or renew the Euro-Rate Option to apply to any part of the Revolving Credit Loans, the Parent shall specify one or more periods during which each such Option shall apply (the “Euro-Rate Funding Periods”), such Euro-Rate Funding Periods being one, three or six months; provided that (y) each Euro-Rate Funding Period shall begin on a Business Day, and the term “month”, when used in connection with a Euro-Rate Funding Period, shall be construed in accordance with prevailing practices in the interbank eurocurrency market at the commencement of such Euro-Rate Funding Period, as determined in good faith by the Administrative Agent (which determination shall be conclusive) and (z) the Parent may not select a Euro-Rate Funding Period that would end after the Revolving Credit Maturity Date;

(ii) At any time when the Parent shall select, convert to or renew the Adjusted Term SOFR Rate Option to apply to any part of the Revolving Credit Loans, the Parent shall specify one or more periods during which each such Option shall apply (the “Adjusted Term SOFR Funding Period”), such Adjusted Term SOFR Funding Periods being one, three or six months; provided that (y) each Adjusted Term SOFR Funding Period shall begin on a U.S. Government Securities Business Day,

and the term “month”, when used in connection with an Adjusted Term SOFR Funding Period, shall be construed in accordance with prevailing practices in the market at the commencement of such Adjusted Term SOFR Funding Period, as determined in good faith by the Administrative Agent (which determination shall be conclusive); and (z) the Parent may not select a Adjusted Term SOFR Funding Period that would end after the Revolving Credit Maturity Date; and

(iii) At any time when the Parent shall select, convert to or renew the Adjusted Term CORRA Rate Option to apply to any part of the Revolving Credit Loans, the Parent shall specify one or more periods during which each such Option shall apply (the “Adjusted Term CORRA Funding Period”), such Adjusted Term CORRA Funding Periods being one or three months; provided that (x) each Adjusted Term CORRA Funding Period shall begin on a Business Day, and the term “month”, when used in connection with an Adjusted Term CORRA Funding Period, shall be construed in accordance with prevailing practices in the relevant market at the commencement of such Adjusted Term CORRA Funding Period, as determined in good faith by the Administrative Agent (which determination shall be conclusive) and (z) the Parent may not select an Adjusted Term CORRA Funding Period that would end after the Revolving Credit Maturity Date.

(c) Transactional Amounts. Every selection of, conversion from, conversion to or renewal of an interest rate Option and every payment or prepayment of any Revolving Credit Loans shall be either:

(i) in a principal amount such that after giving effect thereto the aggregate principal amount of the Base Rate Portion of the Revolving Credit Loans, or the aggregate principal amount of each Funding Segment of the Euro-Rate Portion of the Revolving Credit Loans, shall be (A) in the case of Revolving Credit Loans denominated in Dollars, \$5,000,000 or a higher integral multiple of \$1,000,000 and (B) in the case of Revolving Credit Loans denominated in a currency other than Dollars, an amount the Dollar Equivalent Amount of which is greater than \$5,000,000 and which is an integral multiple of the amount determined by the Administrative Agent from time to time to be the basic unit in which such currency is funded in the eurocurrency market; or

(ii) in the case of a prepayment by any Borrower, if the principal amount of the Base Rate Portion of the Revolving Credit Loans, the principal amount of the SONIA Portion of the Revolving Credit Loans or the aggregate principal amount of a Funding Segment of the Euro-Rate Portion or Adjusted Term CORRA Rate Portion of the Revolving Credit Loans is a Dollar Equivalent Amount of less than \$5,000,000, in a principal amount equal to such principal amount.

(d) Euro-Rate, Daily Simple RFR, Adjusted Term SOFR Rate or Adjusted Term CORRA Rate Unascertainable; Impracticability.

(i) If (A) on any date on which a Euro-Rate, Daily Simple RFR (with respect to Sterling), Adjusted Term SOFR Rate or Adjusted Term CORRA Rate would otherwise be set, the Administrative Agent shall have determined in good faith (which determination shall be conclusive absent manifest error) that:

(1) the Administrative Agent reasonably determines (A) prior to the commencement of any Funding Period for a Term Benchmark Borrowing, that adequate and reasonable means do not exist for ascertaining the Adjusted Term SOFR Rate, the Adjusted EURIBOR Rate, the Euro-Rate (including because the Relevant Screen Rate is not available or published on a current basis) or Adjusted Term CORRA Rate, as applicable, for the applicable Designated Currency and such Funding Period or (B) at any time, that adequate and reasonable means do not exist for ascertaining the applicable Adjusted Daily Simple RFR, Daily Simple RFR or RFR for the applicable Designated Currency; or

(2) the Administrative Agent is advised by the Required Lenders that (A) prior to the commencement of any Funding Period for a Term Benchmark Borrowing, the Adjusted Term SOFR Rate, the Adjusted EURIBOR Rate or the Adjusted Term CORRA Rate, as applicable, for the applicable Designated Currency and such Funding Period will not adequately and fairly reflect the cost to such Lenders (or Lender) of making or maintaining their Loans (or its Loan) included in such Borrowing for the applicable Designated Currency and such Funding Period or (B) at any time, the applicable Adjusted Daily Simple RFR for the applicable Designated Currency will not adequately and fairly reflect the cost to such Lenders (or Lender) of making or maintaining their Loans (or its Loan) included in such Borrowing for the applicable Designated Currency;

then upon the occurrence of subclause (1) or (2) hereof, the Administrative Agent shall give notice thereof to the Borrower and the Lenders by telephone, telecopy or electronic mail as promptly as practicable thereafter, with respect to any new Option or extension thereof or with respect to any Term Benchmark Loan or RFR Loan in any Designated Currency that is outstanding on the date of the Borrower's receipt of the notice from the Administrative Agent referred to in this Section 2.06 with respect to a Relevant Rate applicable to such Term Benchmark Loan or RFR Loan, until (x) the Administrative Agent notifies the Borrower and the Lenders that the circumstances giving rise to such notice no longer exist with respect to the relevant Benchmark and (y) in the case of any of the foregoing before the initiation of an Option, until the Relevant Borrower delivers an election of a new Option, (A) for Loans denominated in Dollars that are subject to the event described in subclause (1) or (2) above and identified in the Administrative Agent's notice, (1) any such Term Benchmark Loan shall on the last day of the Funding Period applicable to such Loan (or the next succeeding Business Day if such day is not

a Business Day), be converted by the Administrative Agent to, and shall constitute, (I) an RFR Loan denominated in Dollars (or, in the case of a pending request, deemed to be a request for a conversion to an RFR Loan denominated in Dollars) so long as the Adjusted Daily Simple RFR for Borrowings in Dollars is not the subject of the event in subclause (1) or (2) above and identified in the Administrative Agent's notice or (II) a Base Rate Loan (or, in the case of a pending request, deemed to be a request for a conversion to a Base Rate Loan) if the Adjusted Daily Simple RFR for Borrowings in Dollars is the subject of the event in subclause (1) or (2) above and identified in the Administrative Agent's notice and (2) any such RFR Loan shall on and from such day be converted by the Administrative Agent to (or, in the case of a pending request, deemed to be a request for), and shall constitute (or a request for, as applicable) a Base Rate Loan and (B) for Loans denominated in an Alternative Currency that are subject to the event described in subclause (1) or (2) above and identified in the Administrative Agent's notice, (1) any such Term Benchmark Loan shall, on the last day of the Funding Period applicable to such Loan (or the next succeeding Business Day if such day is not a Business Day) bear (or, in the case of a pending request, deemed to be a request for a Loan bearing) interest at the Central Bank Rate for the applicable Designated Currency plus the CBR Spread; provided that, if the Administrative Agent determines (which determination shall be conclusive and binding absent manifest error) that the Central Bank Rate for the applicable Designated Currency cannot be determined, any outstanding affected Term Benchmark Loans denominated in any Designated Currency shall, at the Parent's election prior to such day: (A) be prepaid by the Parent on such day or (B) solely for the purpose of calculating the interest rate applicable to such Term Benchmark Loan, such Term Benchmark Loan denominated in any Designated Currency shall be deemed to be a Term Benchmark Loan denominated in Dollars and shall accrue interest at the same interest rate applicable to Term Benchmark Loans denominated in Dollars at such time, (2) any such Term CORRA Loan shall, on the last day of the Funding Period applicable to such Loan (or the next succeeding Business Day if such day is not a Business Day) bear interest at the Canadian Prime Rate; provided that, if the Administrative Agent determines (which determination shall be conclusive and binding absent manifest error) that the Canadian Prime Rate cannot be determined, any outstanding affected Term CORRA Loans shall, at the Parent's election prior to such day: (A) be converted into Base Rate Loans denominated in Dollars (in an amount equal to the Dollar Equivalent Amount of the Canadian Dollars) immediately or (B) be prepaid in full immediately and (3) any such RFR Loan shall bear interest at the Central Bank Rate for the applicable Designated Currency plus the CBR Spread; provided that, if the Administrative Agent determines (which determination shall be conclusive and binding absent manifest error) that the Central Bank Rate for the applicable Designated Currency cannot be determined, any outstanding affected RFR Loans denominated in any Designated Currency, at the Parent's election, shall either (A) be converted into Base Rate Loans denominated in Dollars (in an amount equal to the Dollar Equivalent Amount of such Designated Currency) immediately or (B) be prepaid in full immediately.

(B) at any time any Lender shall have determined in good faith (which determination shall be conclusive absent manifest error) that the making, maintenance or funding of any part of the Euro-Rate Portion, Adjusted Term SOFR Rate Portion, SONIA Portion or Adjusted Term CORRA Rate Portion has been made impracticable or unlawful by compliance by such Lender or a Notional Funding Office in good faith with any Law or guideline or interpretation or administration thereof by any Governmental Authority charged with the interpretation or administration thereof or with any request or directive of any such Governmental Authority (whether or not having the force of law); then, and in any such event, the Administrative Agent or such Lender, as the case may be, may notify the Parent of such determination (and any Lender giving such notice shall notify the Administrative Agent). Upon such date as shall be specified in such notice (which shall not be earlier than the date such notice is given), the obligation of each of the Lenders to allow the Parent to select, convert to or renew the Euro-Rate Option, Adjusted Term SOFR Rate Option, SONIA Option or Adjusted Term CORRA Rate Option, as applicable, with respect to the relevant currency or currencies shall be suspended until the Administrative Agent or such Lender, as the case may be, shall have later notified the Parent (and any Lender giving such notice shall notify the Administrative Agent) of the Administrative Agent's or such Lender's determination in good faith (which determination shall be conclusive absent manifest error) that the circumstance giving rise to such previous determination no longer exist.

(ii) If any Lender notifies the Parent of a determination under clause (B) of Section 2.06(d)(i), (I) the Euro-Rate Portion, the Adjusted Term SOFR Rate Portion or Adjusted Term CORRA Rate Portion of the Loans of such Lender (the "Affected Lender") that subject to the event under clause (B) of Section 2.06(d)(i) shall, subject to Section 4.08(c) hereof, (i) be automatically converted to RFR Loans, if applicable, if the Adjusted Daily Simple RFR for Borrowings in Dollars is not the subject of the event, or otherwise the Base Rate Option, in the case of Revolving Credit Loans denominated in Dollars, or (ii) be repaid by the Relevant Borrower, in the case of Revolving Credit Loans denominated in a currency other than Dollars, on the last day of the then current Funding Period with respect to such Loans (in the case of a determination that the making, maintenance or funding of any Euro-Rate Portion, Adjusted Term SOFR Rate Portion or Adjusted Term CORRA Rate Portion of such Loans is impracticable) and the last day on which the making, maintenance or funding of any Euro-Rate Portion or Adjusted Term CORRA Rate Portion of such Loans is not unlawful (in the case of a determination that the making, maintenance or funding of any Euro-Rate Portion, Adjusted Term SOFR Rate Portion or Adjusted Term CORRA Rate Portion, as applicable, of such Loans is unlawful) and accrued interest thereon shall be due and payable on such date or (II) (i) the Parent may revoke any pending request for a Borrowing of SONIA Loans to the extent of the affected SONIA Loans or determination date(s), as applicable or, failing that, will be deemed to have converted such request into a request for a Borrowing of Base Rate Loans denominated in Dollars in the Dollar Equivalent Amount of the amount specified therein and (ii) any outstanding affected SONIA Loans shall either be (x) prepaid in full immediately or (y)

converted into Base Rate Loans denominated in Dollars in the Dollar Equivalent Amount of such outstanding affected SONIA Loans.

(iii) If at the time the Administrative Agent or a Lender makes a determination under clause (A) or (B) of Section 2.06(d)(i) and the Parent previously has notified the Administrative Agent that it wishes to select, convert to or renew the Euro-Rate Option, Adjusted Term SOFR Rate Option or Adjusted Term CORRA Rate Option with respect to any proposed Revolving Credit Loans that are the subject of such determination and notice but such Loans have not yet been made, (A) in the case of Loans denominated in Dollars, such notification shall be deemed to provide for selection of, conversion to or renewal of RFR Loans, if applicable, if the Adjusted Daily Simple RFR for Borrowings in Dollars is not the subject of such determination and notification, or otherwise the Base Rate Option for such Borrowing or, in the case of a determination by a Lender, any such Loans by such Lender of such Borrowing or (B) subject to Section 4.08(c), such notification shall be deemed to be revoked in the case of a selection of the Euro-Rate Option, Adjusted Term SOFR Rate Option or Adjusted Term CORRA Rate Option or shall be deemed to be a notice of prepayment in the case of a conversion or renewal, with respect to any such Loans denominated in a currency other than Dollars or, in the case of a determination by a Lender, any such Loans denominated in a currency other than Dollars of such Lender.

(iv) An Affected Lender shall take actions of the type referred to in Section 4.10, if such actions would avoid the application of clause (B) of Section 2.06(d)(i) and would not, in the good faith judgment of such Lender, be disadvantageous in any way to such Lender or its Affiliates at such time or in the future.

(v) Benchmark Replacement Setting.

(A) Notwithstanding anything to the contrary herein or in any other Loan Document, if a Benchmark Transition Event and its related Benchmark Replacement Date have occurred prior to the Reference Time in respect of any setting of the then-current Benchmark, then (x) if a Benchmark Replacement is determined in accordance with clause (1) of the definition of “Benchmark Replacement” with respect to Dollars and/or Canadian Dollars for such Benchmark Replacement Date, such Benchmark Replacement will replace such Benchmark for all purposes hereunder and under any Loan Document in respect of such Benchmark setting and subsequent Benchmark settings without any amendment to, or further action or consent of any other party to, this Agreement or any other Loan Document and (y) if a Benchmark Replacement is determined in accordance with clause (2) of the definition of “Benchmark Replacement” with respect to any Designated Currency for such Benchmark Replacement Date, such Benchmark Replacement will replace such Benchmark for all purposes hereunder and under any Loan Document in respect of any Benchmark setting at or after 5:00 p.m. (New York City time) on the fifth (5th) Business Day after the date notice of such Benchmark Replacement is provided to the Lenders without any amendment to, or further action or consent of any other party to,

this Agreement or any other Loan Document so long as the Administrative Agent has not received, by such time, written notice of objection to such Benchmark Replacement from Lenders comprising the Required Lenders.

(B) Notwithstanding anything to the contrary herein or in any other Loan Document, the Administrative Agent will have the right to make Benchmark Replacement Conforming Changes from time to time and, notwithstanding anything to the contrary herein or in any other Loan Document, any amendments implementing such Benchmark Replacement Conforming Changes will become effective without any further action or consent of any other party to this Agreement or any other Loan Document.

(C) The Administrative Agent will promptly notify the Parent and the Lenders of (1) any occurrence of a Benchmark Transition Event, (2) the implementation of any Benchmark Replacement, (3) the effectiveness of any Benchmark Replacement Conforming Changes, (4) the removal or reinstatement of any tenor of a Benchmark pursuant to clause (D) below and (5) the commencement or conclusion of any Benchmark Unavailability Period. Any determination, decision or election that may be made by the Administrative Agent or, if applicable, any Lender (or group of Lenders) pursuant to this Section 2.06(d)(v), including any determination with respect to a tenor, rate or adjustment or of the occurrence or non-occurrence of an event, circumstance or date and any decision to take or refrain from taking any action or any selection, will be conclusive and binding absent manifest error and may be made in its or their sole discretion and without consent from any other party to this Agreement or any other Loan Document, except, in each case, as expressly required pursuant to this Section 2.06(d)(v) or any related definitions.

(D) Notwithstanding anything to the contrary herein or in any other Loan Document, at any time (including in connection with the implementation of a Benchmark Replacement), (1) if the then-current Benchmark is a term rate (including the Adjusted Term SOFR Rate, Adjusted Term CORRA Rate or Euro-Rate) and either (a) any tenor for such Benchmark is not displayed on a screen or other information service that publishes such rate from time to time as selected by the Administrative Agent in its reasonable discretion or (b) the regulatory supervisor for the administrator of such Benchmark has provided a public statement or publication of information announcing that any tenor for such Benchmark is or will be no longer representative, then the Administrative Agent may modify the definition of “Funding Period” and/or “Interest Period” for any Benchmark settings at or after such time to remove such unavailable or non-representative tenor and (2) if a tenor that was removed pursuant to clause (i) above either (a) is subsequently displayed on a screen or information service for a Benchmark (including a Benchmark Replacement) or (b) is not, or is no longer, subject to an announcement that it is or will no longer be representative for a Benchmark (including a Benchmark Replacement), then the Administrative Agent may modify the definition of “Funding Period” and/or “Interest

Period” for all Benchmark settings at or after such time to reinstate such previously removed tenor.

(E) Upon the Parent’s receipt of notice of the commencement of a Benchmark Unavailability Period, the Parent may revoke any affected request for a Term Benchmark Borrowing or RFR Borrowing of, conversion to or continuation of Term Benchmark Loans to be made, converted or continued during any Benchmark Unavailability Period and, failing that, (x) the Parent will be deemed to have converted any such request for (1) a Term Benchmark Borrowing denominated in Dollars into a request for a Borrowing of or conversion to (A) an RFR Borrowing denominated in Dollars so long as the Adjusted Daily Simple RFR for Borrowings in Dollars is not the subject of a Benchmark Transition Event or (B) a Base Rate Borrowing if the Adjusted Daily Simple RFR for Borrowings in Dollars is the subject of a Benchmark Transition Event or (2) a Term CORRA Borrowing into a request for a Borrowing of or conversion to a Canadian Prime Rate Borrowing and (y) any Term Benchmark Borrowing or RFR Borrowing denominated in an Alternative Currency shall be ineffective. During any Benchmark Unavailability Period or at any time that a tenor for the then-current Benchmark is not an Available Tenor, the component of the Base Rate based upon the then-current Benchmark or such tenor for such Benchmark, as applicable, will not be used in any determination of the Base Rate. Furthermore, if any Term Benchmark Loan or RFR Loan in any Designated Currency is outstanding on the date of the Borrower’s receipt of notice of the commencement of a Benchmark Unavailability Period with respect to a Relevant Rate applicable to such Term Benchmark Loan or RFR Loan, then until such time as a Benchmark Replacement for such Designated Currency is implemented pursuant to this Section 2.06(d)(v), (A) for Loans denominated in Dollars (1) any Term Benchmark Loan shall on the last day of the Funding Period applicable to such Loan (or the next succeeding Business Day if such day is not a Business Day), be converted by the Administrative Agent to, and shall constitute (x) an RFR Loan denominated in Dollars so long as the Adjusted Daily Simple RFR for Borrowings in Dollars is not the subject of a Benchmark Transition Event or (y) a Base Rate Loan if the Adjusted Daily Simple RFR for Borrowings in Dollars is the subject of a Benchmark Transition Event, on such day and (2) any RFR Loan shall on and from such day be converted by the Administrative Agent to, and shall constitute a Base Rate Loan, (B) for Loans denominated in Canadian Dollars, any Term Benchmark Loan shall on the last day of the Funding Period applicable to such Loan (or the next succeeding Business Day if such day is not a Business Day), be converted by the Administrative Agent to, and shall constitute a Canadian Prime Rate Loan on such day and (C) for Loans denominated in an Alternative Currency (other than Canadian Dollars), (1) any Term Benchmark Loan shall, on the last day of the Funding Period applicable to such Loan (or the next succeeding Business Day if such day is not a Business Day) bear interest at the Central Bank Rate for the applicable Alternative Currency plus the CBR Spread; provided that, if the Administrative Agent determines (which determination shall be conclusive and binding absent manifest error) that the Central Bank Rate for the applicable Alternative Currency cannot be determined, any outstanding affected Term Benchmark Loans denominated in any such Alternative

Currency shall, at the Borrower's election prior to such day: (a) be prepaid by the Borrower on such day or (b) solely for the purpose of calculating the interest rate applicable to such Term Benchmark Loan, such Term Benchmark Loan denominated in any such Alternative Currency shall be deemed to be a Term Benchmark Loan denominated in Dollars and shall accrue interest at the same interest rate applicable to Term Benchmark Loans denominated in Dollars at such time and (2) any RFR Loan shall bear interest at the Central Bank Rate for the applicable Alternative Currency plus the CBR Spread; provided that, if the Administrative Agent determines (which determination shall be conclusive and binding absent manifest error) that the Central Bank Rate for the applicable Alternative Currency cannot be determined, any outstanding affected RFR Loans denominated in any such Alternative Currency, at the Parent's election, shall either (A) be converted into Base Rate Loans denominated in Dollars (in an amount equal to the Dollar Equivalent Amount of such Alternative Currency) immediately or (B) be prepaid in full immediately.

Section 2.07 Conversion or Renewal of Interest Rate Options.

(a) Conversion or Renewal. Subject to the provisions of Section 2.08 hereof, the Parent may convert any part of the Revolving Credit Loans denominated in any Designated Currency from any interest rate Option or Options to one or more different interest rate Options available for such Designated Currency and may renew the Euro-Rate Option, Adjusted Term SOFR Rate Option or Adjusted Term CORRA Rate Option as to any Funding Segment of the Euro-Rate Portion, Adjusted Term SOFR Rate Portion or Adjusted Term CORRA Rate Portion, as applicable:

(i) at any time with respect to conversion from the Base Rate Option; or

(ii) at the expiration of any Funding Period with respect to conversions from or renewals of the Euro-Rate Option, Adjusted Term SOFR Rate Option or Adjusted Term CORRA Rate Option as to the Funding Segment corresponding to such expiring Funding Period;

provided that at any time when an Event of Default has occurred and is continuing or exists, and the Administrative Agent, at the request of the Required Lenders, so notifies the Borrower, (v) the Parent may not select, convert to or renew the Euro-Rate Option with respect to any Revolving Credit Loans denominated in Euros, (w) the Parent may not select, convert to or renew the Adjusted Term SOFR Rate Option with respect to any Revolving Credit Loans denominated in Dollars, (x) the Parent may not select, convert to or renew the Adjusted Term CORRA Rate Option with respect to any Revolving Credit Loans denominated in Canadian Dollars, (y) the Parent may not renew or convert any Revolving Credit Loans to any Designated Currency other than Dollars, and (z) the Parent may not select a Funding Period longer than one (1) month with respect to Revolving Credit Loans denominated in a currency other than Dollars; provided, further, that this Section 2.07(a) shall not apply to Swingline Loans, which may not be converted.

Whenever the Parent desires to convert or renew any interest rate Option or Options, the Parent shall provide to the Administrative Agent Standard Notice setting forth the following information:

- (i) the date, which shall be a Business Day, on which the proposed conversion or renewal is to be made;
- (ii) the principal amounts selected in accordance with Section 2.06(c) hereof of the Base Rate Portion and each Funding Segment of the Euro-Rate Portion, Adjusted Term SOFR Rate Portion or Adjusted Term CORRA Rate Portion to be converted from or renewed;
- (iii) the interest rate Option or Options selected in accordance with Section 2.06(a) hereof and the principal amounts selected in accordance with Section 2.06(c) hereof of the Base Rate Portion and each Funding Segment of the Euro-Rate Portion, Adjusted Term SOFR Rate Portion or Adjusted Term CORRA Rate Portion to be converted to; and
- (iv) with respect to each Funding Segment to be converted to or renewed, the Funding Period selected in accordance with Section 2.06(b) hereof to apply to such Funding Segment.

Standard Notice having been so provided, after the date specified in such Standard Notice, interest shall be calculated upon the principal amount of the Loans as so converted or renewed.

(b) Failure to Convert or Renew. Absent due notice from the Parent of conversion or renewal in the circumstances described in Section 2.07(a)(ii) hereof, any part of the Euro-Rate Portion, Adjusted Term SOFR Rate Portion or Adjusted Term CORRA Rate Portion, as applicable, for which such notice is not received shall be automatically renewed for a Funding Period of one (1) month for the Euro-Rate Option, Adjusted Term SOFR Rate Option or Adjusted Term CORRA Rate Option, as applicable, on the last day of the expiring Funding Period.

Section 2.08 Optional Prepayments. The Relevant Borrower shall have the right at its option at any time and from time to time to prepay its Revolving Credit Loans or Swingline Loans in whole or part without premium or penalty (subject, however, to Sections 2.06(c), 4.04 and 4.08(c) hereof).

Section 2.09 Interest Payment Dates. The applicable Borrower shall pay interest on the Base Rate Portion of the Revolving Credit Loans on the date of any conversion of all or part of the Base Rate Portion to a different interest rate Option on the amount converted, any prepayment of any part of the Base Rate Portion on the amount prepaid, and on each Regular Payment Date. The applicable Borrower shall pay interest on each Funding Segment of the Adjusted Term SOFR Rate Portion, the Euro-Rate Portion and the Adjusted Term CORRA Rate Portion of the Revolving Credit Loans on the last day of the corresponding Funding Period and, if such Funding Period is longer than three (3) months (in the case of the Adjusted Term SOFR Rate Portion and the Euro-Rate Portion), also on the last day of every third month during such Funding Period. The applicable Borrower shall pay interest on the Swingline Loans and the SONIA Loans quarterly in arrears, on the last Business Day of each of March, June, September and December (or more frequently as the applicable Swingline

Lender and the relevant Borrower may otherwise agree in writing with notice thereof provided to the Administrative Agent). After maturity of any part of the Loans (by acceleration or otherwise), the applicable Borrower shall pay interest on such part of the Loans on demand.

Section 2.10 Increase in Total Revolving Credit Commitment. The Parent may, at its election, on one or more occasions, seek to increase the Total Revolving Credit Commitment by an amount not to exceed the Remaining Incremental Amount determined at the time of such election and at the time of any such increase. Any such election shall be made upon at least three (3) Business Days' prior notice to the Administrative Agent, which notice shall specify the amount of any such requested increase and shall state that, and be delivered at a time when, no Event of Default or Potential Event of Default has occurred and is continuing or exists. The Parent may, after giving such notice, offer the increase in the Total Revolving Credit Commitment to any of the existing Lenders and/or to other banks, financial institutions or other entities on a non-pro rata basis in such amounts as determined by the Parent; provided, however, all amounts, Lenders and/or other banks, financial institutions or other entities shall be approved by the Administrative Agent, the Swingline Lenders and the Issuers (such approval not to be unreasonably withheld or delayed). The Parent may elect to accept on any such occasion an increase in the Total Revolving Credit Commitment in an amount up to the aggregate increased commitments offered to the Parent (but in no event greater than the Remaining Incremental Amount determined at such time). No increase in the Total Revolving Credit Commitment shall become effective until the existing or new Lender extending such incremental commitment amount and the Parent shall have executed and delivered to the Administrative Agent an agreement in writing in substantially the form of Exhibit H attached hereto pursuant to which such Lender states its Revolving Credit Committed Amount and agrees to assume and accept the obligations and rights of a Lender hereunder. No Lender shall have any obligation to increase its Commitment hereunder. The Lenders (new or existing) shall accept an assignment from the existing Lenders, and the existing Lenders shall make an assignment to the new or existing Lender accepting a new or increased Revolving Credit Committed Amount, of an interest in all then outstanding Revolving Credit Loans and a participation interest in all then outstanding Letters of Credit and LC Disbursements such that, after giving effect thereto, all Revolving Credit Exposure is held ratably by the Lenders in proportion to their respective Revolving Credit Committed Amounts. Assignments pursuant to the preceding sentence shall be made in exchange for the principal amount assigned plus accrued and unpaid interest and Commitment Fees. The Parent shall make any payments under Section 4.08(c) resulting from such assignments. Any such increase in the Total Revolving Credit Commitment shall be in a minimum amount of \$10,000,000 or a higher integral multiple of \$5,000,000 and shall be subject to receipt by the Administrative Agent from the Parent of such supplemental opinions, resolutions, certificates and other documents as the Administrative Agent may reasonably request.

Section 2.11 Letters of Credit.

(a) Issuance. Each Issuer hereby agrees, on the terms and conditions set forth in this Agreement, to issue Letters of Credit and to renew, extend, increase, decrease or otherwise modify Letters of Credit ("Modify," and each such action a "Modification"), from time to time from and including the date of this Agreement and prior to the Letter of Credit Maturity Date upon the request of the Parent and for the account of any Borrower; provided that a Letter of Credit shall be issued or Modified only if (and upon each issuance or Modification the Relevant Borrower shall be

deemed to represent and warrant that) before and after giving effect to such issuance or Modification (i) the LC Exposure shall not exceed the Letter of Credit Sublimit, (ii) the Dollar Equivalent Amount of the Total Revolving Credit Exposure and Competitive Bid Loans then outstanding shall not exceed the Total Revolving Credit Commitment (either as in effect on the date of such issuance or Modification or, if the Revolving Credit Maturity Date has been extended pursuant to Section 4.01 and the expiration of such Letter of Credit (as Modified, if applicable) would occur after the Revolving Credit Maturity Date without giving effect to such extension, as the Total Revolving Credit Commitment is scheduled to be in effect immediately following the expiry of the Commitment of any Lender which is a Nonextending Lender relative to such extension), (iii) the Dollar Equivalent Amount of the Issuer Exposure of the applicable Issuer shall not exceed the Dollar Equivalent Amount of its Issuer Commitment and (iv) the Dollar Equivalent Amount of the Revolving Credit Exposure of any Lender shall not exceed the Dollar Equivalent Amount of the Revolving Credit Committed Amount of such Lender. Each Letter of Credit shall be denominated in a Designated Currency and shall be in a form satisfactory to the Issuer. No Letter of Credit shall have an expiry date later than the fifth Business Day prior to the Revolving Credit Maturity Date (such day, the "Letter of Credit Maturity Date"). Notwithstanding the foregoing, no Issuer shall be under any obligation to issue any Letter of Credit if (x) any order, judgment or decree of any Governmental Authority or other regulatory body with jurisdiction over such Issuer shall purport by its terms to enjoin or restrain such Issuer from issuing such Letter of Credit, (y) any law or governmental rule, regulation, policy, guideline or directive (whether or not having the force of law) from any governmental authority or other regulatory body with jurisdiction over such Issuer shall prohibit, or request that such Issuer refrain from, the issuance of such Letter of Credit in particular or shall impose upon such Issuer with respect to any Letter of Credit any restriction or reserve or capital requirement (for which such Issuer is not otherwise compensated) or any unreimbursed loss, cost or expense which was not applicable, in effect and known to such Issuer as of the date of this Agreement and which such Issuer in good faith deems material to it, or (z) the issuance of such Letter of Credit would violate one or more policies (including any restrictions or policies that prohibit issuance to specified beneficiaries or beneficiaries located in specified jurisdictions) of such Issuer applicable to letters of credit generally.

(b) Notice of Issuance or Modification; Certain Conditions. The Parent shall give the Issuer and the Administrative Agent notice prior to 10:00 a.m., New York time, at least three (3) Business Days (or such shorter period agreed to by the Issuer) prior to the proposed date of issuance or Modification of each Letter of Credit, specifying the beneficiary, the proposed date of issuance (or Modification), the expiry date of such Letter of Credit, the amount and currency of such Letter of Credit and such other information as the Issuer may reasonably request to facilitate the requested issuance or Modification. Such notice shall be by hand delivery, facsimile or, if arrangements for doing so have been agreed upon by the Parent, the Issuer and the Administrative Agent, by electronic communication. Upon request of a Lender, the Administrative Agent agrees to provide the information contained in such notice to such Lender. If requested by the Issuer, the Relevant Borrower also shall submit a letter of credit application on the Issuer's standard form in connection with any request for a Letter of Credit. In the event of any inconsistency between the terms and conditions of this Agreement and the terms and conditions of any form of letter of credit application or other agreement submitted by the Relevant Borrower to, or entered into by the Relevant Borrower with, the Issuer relating to any Letter of Credit, the terms and conditions of this Agreement shall control.

(c) Participations. By the issuance of a Letter of Credit (or an amendment to a Letter of Credit increasing the amount thereof) and without any further action on the part of the Issuer or the Lenders, the Issuer hereby grants to each Lender, and each Lender hereby acquires from the Issuer, a participation in such Letter of Credit equal to such Lender's Commitment Percentage of the aggregate amount available to be drawn under such Letter of Credit. In consideration and in furtherance of the foregoing, each Lender hereby absolutely and unconditionally agrees to pay to the Administrative Agent, for the account of the Issuer, such Lender's Commitment Percentage of each LC Disbursement made by the Issuer and not reimbursed by the Relevant Borrower on the date due as provided in clause (d) of this Section, or of any reimbursement payment required to be refunded to the Relevant Borrower for any reason. Each Lender acknowledges and agrees that its obligation to acquire participations pursuant to this paragraph in respect of Letters of Credit is absolute and unconditional and shall not be affected by any circumstance whatsoever, including any amendment, renewal or extension of any Letter of Credit or the occurrence and continuance of an Event of Default or Potential Event of Default or reduction or termination of the Commitments, and that each such payment shall be made without any offset, abatement, withholding or reduction whatsoever.

(d) Reimbursement. If the Issuer shall make any LC Disbursement in respect of a Letter of Credit, the Relevant Borrower shall reimburse such LC Disbursement by paying to the Administrative Agent at its Office an amount in the applicable Designated Currency equal to such LC Disbursement not later than 12:00 Noon, New York time, on the Business Day immediately following the day that the Parent or Relevant Borrower receives notice of such LC Disbursement; provided that if the amount to be reimbursed is denominated in Dollars, the Parent or Relevant Borrower may, subject to the conditions to borrowing set forth herein, request in accordance with Section 2.03 that such payment be financed with Base Rate Option Revolving Credit Loans in an equivalent amount and, to the extent so financed, the Relevant Borrower's obligation to make such payment shall be discharged and replaced by the resulting Revolving Credit Loans. If the Relevant Borrower fails to make such payment when due, the Administrative Agent shall notify each Lender of the applicable LC Disbursement, the payment then due from the Relevant Borrower in respect thereof and such Lender's Commitment Percentage thereof. Promptly following receipt of such notice, each Lender shall pay to the Administrative Agent its Commitment Percentage of the payment then due from the Relevant Borrower in the same manner as provided in Section 2.03(a) with respect to Revolving Credit Loans made by such Lender, and the Administrative Agent shall promptly pay to the Issuer the amounts so received by it from the Lenders. Any amount due from a Lender pursuant to the preceding sentence but not timely paid shall accrue interest for the account of the Issuer at a rate per annum equal to the NYFRB Rate for the first three (3) days after such notice and thereafter at a rate of interest equal to the rate applicable to the Base Rate Portion (or, in the case of any such amount due from a Lender in an Alternative Currency, at an overnight or other short-term rate determined by the Administrative Agent to be appropriate for interbank compensation in such Alternative Currency). Promptly following receipt by the Administrative Agent of any payment from the Relevant Borrower pursuant to this paragraph, the Administrative Agent shall distribute such payment to the Issuer or, to the extent that Lenders have made payments pursuant to this paragraph to reimburse the Issuer, then to such Lenders and the Issuer as their interests may appear. Any payment made by a Lender pursuant to this paragraph to reimburse the Issuer for any LC Disbursement (other than the funding of Revolving Credit Loans as contemplated above) shall not constitute a Revolving Credit Loan and shall not relieve the Relevant Borrower of its obligation to reimburse such LC Disbursement.

(e) Obligations Absolute. The Relevant Borrower's obligation to reimburse LC Disbursements as provided in clause (d) of this Section shall be absolute, unconditional and irrevocable, and shall be performed strictly in accordance with the terms of this Agreement under any and all circumstances whatsoever and irrespective of (i) any lack of validity or enforceability of any Letter of Credit or this Agreement, or any term or provision therein, (ii) any draft or other document presented under a Letter of Credit proving to be forged, fraudulent or invalid in any respect or any statement therein being untrue or inaccurate in any respect, (iii) payment by the Issuer under a Letter of Credit against presentation of a draft or other document that does not comply with the terms of such Letter of Credit, or (iv) any other event or circumstance whatsoever, whether or not similar to any of the foregoing, that might, but for the provisions of this Section, constitute a legal or equitable discharge of, or provide a right of setoff against, the Relevant Borrower's obligations hereunder. Neither the Administrative Agent, the Lenders nor the Issuer, nor any of their respective Affiliates, directors, officers, employees, attorneys or agents, shall have any liability or responsibility by reason of or in connection with the issuance or transfer of any Letter of Credit or any payment or failure to make any payment thereunder (irrespective of any of the circumstances referred to in the preceding sentence), or any error, omission, interruption, loss or delay in transmission or delivery of any draft, notice or other communication under or relating to any Letter of Credit (including any document required to make a drawing thereunder), any error in interpretation of technical terms or any consequence arising from causes beyond the control of the Issuer; provided that the foregoing shall not be construed to excuse the Issuer from liability to the Relevant Borrower to the extent of any direct damages (as opposed to consequential damages, claims in respect of which are hereby waived by the Relevant Borrower to the extent permitted by applicable law) suffered by the Relevant Borrower that are caused by the Issuer's failure to exercise care when determining whether drafts and other documents presented under a Letter of Credit comply with the terms thereof. The parties hereto expressly agree that, in the absence of gross negligence or willful misconduct (including willful failure to pay under any Letter of Credit after the presentation to it by the beneficiary of documents strictly complying with the terms and conditions of the Letter of Credit and payment in bad faith of a drawing under a Letter of Credit after the presentation to it by the beneficiary of documents not substantially or reasonably complying with the terms and conditions of the Letter of Credit) on the part of the Issuer (as determined by a non-appealable judgment of a court of competent jurisdiction), the Issuer shall be deemed to have exercised care in each such determination. In furtherance of the foregoing and without limiting the generality thereof, the parties agree that, with respect to documents presented which appear on their face to be in substantial compliance with the terms of a Letter of Credit, the Issuer may, in its sole discretion, either accept and make payment upon such documents without responsibility for further investigation, regardless of any notice or information to the contrary, or refuse to accept and make payment upon such documents if such documents are not in strict compliance with the terms of such Letter of Credit.

(f) Disbursement Procedures. The Issuer shall, within the time allowed by applicable Law or the specific terms of the Letter of Credit following its receipt thereof, examine all documents purporting to represent a demand for payment under a Letter of Credit. The Issuer shall promptly notify the Administrative Agent and the Parent or Relevant Borrower by telephone (confirmed by electronic or facsimile transmission) of such demand for payment and whether the Issuer has made or will make an LC Disbursement thereunder; provided that any failure to give or delay in giving such notice shall not relieve the Relevant Borrower of its obligation to reimburse the Issuer and the Lenders with respect to any such LC Disbursement.

(g) Interim Interest. If the Issuer shall make any LC Disbursement, then, unless the Relevant Borrower shall reimburse such LC Disbursement in full on the date such LC Disbursement is made, the unpaid amount thereof shall bear interest, for each day from and including the date such LC Disbursement is made to but excluding the date that the Relevant Borrower reimburses such LC Disbursement, at the rate per annum set forth in Section 4.05(b) (except that interest on amounts timely paid pursuant to Section 2.11(d) shall bear interest at such rate minus two percent (2%) per annum). Interest accrued pursuant to this paragraph shall be for the account of the Issuer, except that interest accrued on and after the date of payment by any Lender pursuant to clause (e) of this Section to reimburse the Issuer shall be for the account of such Lender to the extent of such payment.

(h) Replacement and Resignation of an Issuer.

(i) Any Issuer may be replaced at any time by written agreement among the Parent, the Administrative Agent and the successor Issuer. The Administrative Agent shall notify the Lenders of any such replacement of an Issuer. At the time any such replacement shall become effective, the Parent shall pay all unpaid fees accrued for the account of the replaced Issuer pursuant to Section 2.05(b). From and after the effective date of any such replacement, (x) the successor Issuer shall be set forth in an updated Schedule IV.B and shall have all the rights and obligations of an Issuer under this Agreement and the other Loan Documents with respect to Letters of Credit to be issued by it thereafter and (y) references herein and in the other Loan Documents to the term "Issuer" shall be deemed to refer to such successor or to any previous Issuer, or to such successor and all previous Issuers, as the context shall require. After the replacement of an Issuer hereunder, the replaced Issuer shall remain a party hereto and shall continue to have all the rights and obligations of an Issuer under this Agreement with respect to Letters of Credit issued by it prior to such replacement, but shall not be required to issue additional Letters of Credit or to extend, reinstate, or otherwise amend any then existing Letter of Credit.

(ii) Any Issuer may resign at any time by giving thirty (30) days' prior notice to the Administrative Agent, the Lenders and the Parent. After the resignation of an Issuer hereunder, the retiring Issuer shall remain a party hereto and shall continue to have all the rights and obligations of an Issuer under this Agreement and the other Loan Documents with respect to Letters of Credit issued by it prior to such resignation, but shall not be required to issue additional Letters of Credit or to extend, reinstate, or otherwise amend any then existing Letter of Credit.

(i) Cash Collateralization. If any Event of Default which requires cash collateralization as specified in Section 9.02 shall occur and be continuing, on the Business Day that the Parent receives notice from the Administrative Agent or the Required Lenders demanding the deposit of cash collateral pursuant to this paragraph, the Parent shall deposit in an account with the Administrative Agent, in the name of the Administrative Agent and for the benefit of the Lenders and Issuers, an amount in cash equal to the LC Exposure as of such date plus any accrued and unpaid interest thereon; provided that the obligation to deposit such cash collateral shall become effective

immediately, and such deposit shall become immediately due and payable, without demand or other notice of any kind, upon the occurrence of any Event of Default with respect to the Parent or Relevant Borrower described in clause (i) or (j) of Section 9.01. Such deposit shall be held by the Administrative Agent as collateral for the payment and performance of the Obligations. Subject to the express provisions of this Section 2.11(i), the Administrative Agent shall have exclusive dominion and control, including the exclusive right of withdrawal, over such account. Other than any interest earned on the investment of such deposits, which investments shall be made at the option and sole discretion of the Administrative Agent and at the Parent's risk and expense, such deposits shall not bear interest; provided, however, that any deposits so invested shall be invested only in certificates of deposit of the Administrative Agent, direct obligations of, or obligations unconditionally guaranteed by, the United States of America, money market funds rated AAA by S&P or similar investments, in each case having a maturity of no more than thirty (30) days. Interest or profits, if any, on such investments shall accumulate in such account. Moneys in such account shall be applied by the Administrative Agent to reimburse the Issuer for LC Disbursements for which it has not been reimbursed and, to the extent not so applied, shall be held first for the satisfaction of the reimbursement obligations of the Parent and Relevant Borrower for the LC Exposure at such time or, if the maturity of the Loans has been accelerated, shall be held for application to other Obligations held ratably (relative to Commitment Percentage) by the Lenders and thereafter, if the LC Exposure is zero, shall be applied to satisfy other Obligations. If the Parent has provided an amount of cash collateral hereunder as a result of the occurrence of an Event of Default, such amount (to the extent not applied as aforesaid) shall be returned to the Parent within three (3) Business Days after all Events of Default have been cured or waived.

(j) Additional Issuers. Parent may, at any time and from time to time with the consent of the Administrative Agent (which consent shall not be unreasonably withheld, conditioned or delayed) and such Lender, designate one or more additional Lenders to act as an Issuer under the terms of this Agreement, subject to reporting requirements reasonably satisfactory to the Administrative Agent with respect to issuances, amendments, extensions and terminations of Letters of Credit by such additional Issuer. Any Lender designated as an issuing bank pursuant to this paragraph (j) shall be set forth in an updated Schedule IV.B and be deemed to be an "Issuer" (in addition to being a Lender) in respect of Letters of Credit issued or to be issued by such Lender, and, with respect to such Letters of Credit, such term shall thereafter apply to such Issuer and such Lender.

Section 2.12 Other Borrowers.

(a) Notwithstanding the foregoing, with respect to any Other Borrower not organized under the laws of the United States or any State thereof that becomes a party to this Agreement after the Closing Date, no Lender shall be required to make Loans to such Other Borrower in the event that the making of such Loans would reasonably be expected to either breach or violate any internal policy (other than with respect to Other Borrowers formed under the laws of any nation that is a member of the Organization for Economic Cooperation and Development as of the date hereof), law or regulation to which such Lender is, or would be upon the making of such Loan, subject (any such Lender, a "Protesting Lender"); *provided* that (i) any Lender which is relying solely on such internal policies as the basis for not making Loans, may do so only if such internal policies are being applied by such Lender to all similarly situated borrowers seeking loans or other extensions of credit

from or with respect to doing business in such jurisdiction and (ii) each Lender shall use reasonable efforts to designate (or identify) a different lending office for funding or booking its Loans to such Other Borrower or to assign (or identify for purposes of assignment of) its rights and obligations hereunder to make its Loans to another of its offices, branches or affiliates, if, in the judgment of such Lender, such designation or assignment would permit it to make Loans to such Other Borrower and would not otherwise be disadvantageous to such Lender.

As soon as practicable (but in any event not more than five (5) Business Days) after receipt of notice from the Administrative Agent of the execution of a Borrower Accession Instrument, any Protesting Lender shall notify the Parent and the Administrative Agent in writing of its inability (to the extent permitted by Section 2.12(a)) to extend credit to such Other Borrower. With respect to each Protesting Lender, the Parent shall, effective on or before the date that such Other Borrower shall have the right to borrow under this Agreement, either (at Parent's option) (i) replace such Protesting Lender with Lenders willing (in their sole discretion) to increase their existing Commitments, or other financial institutions willing (in their sole discretion) to become Lenders and extend new Commitments, (ii) notify the Administrative Agent and such Protesting Lender that the Commitments of such Protesting Lender shall be terminated; *provided* that such Protesting Lender shall have received payment of an amount equal to the outstanding principal of its Loans, accrued interest thereon, accrued fees and all other amounts payable to it repaid by the Borrowers or (iii) cancel the designation of such Other Borrower.

ARTICLE III **THE COMPETITIVE BID LOANS**

Section 3.01 Competitive Bid Loans. In addition to Revolving Credit Loans, the Parent may, as set forth in this Article III request the Lenders to make offers to make one or more Competitive Bid Loans to the Parent or to an Other Borrower. Each Lender may, but shall have no obligation to, make one or more such offers and, subject to the terms and provisions hereof, the Parent may, but shall have no obligation to, accept any such offers in the manner set forth in this Article III; provided that no Competitive Bid Loan shall be made or requested if the making of such Loan would cause the aggregate Dollar Equivalent Amount of all Loans and LC Exposure outstanding hereunder to exceed the Total Revolving Credit Commitment. Competitive Bid Loans may be Absolute Rate Loans or Term SOFR Loans (each a "type" of Competitive Bid Loan) and, subject to Section 4.07 hereof, may be in any Designated Currency. Competitive Bid Loans shall be due and payable on the earlier of the Competitive Bid Expiration Date and the applicable Competitive Bid Loan Maturity Date.

Section 3.02 Competitive Bid Loan Procedures.

(a) Competitive Bid Loan Quote Requests. When the Parent wishes to request offers to make Competitive Bid Loans under this Article III, it shall transmit to the Administrative Agent by facsimile transmission, at its Office, a notice (a "Competitive Bid Loan Quote Request") so as to be received no later than 11:00 a.m. New York time on (x) the fourth Business Day prior to the date of borrowing proposed therein, in the case of a SOFR Auction or (y) the Business Day next preceding the date of borrowing proposed therein, in the case of an Absolute Rate Auction (or, in any case, such other time as the Parent and Administrative Agent may agree). The Parent may request

offers to make Competitive Bid Loans for different Interest Periods in a single notice; provided that the request for each separate Interest Period shall be deemed to be a separate Competitive Bid Loan Quote Request for a separate Competitive Bid Loan (all Competitive Bid Loans proposed to be made at one time herein collectively referred to as a “Competitive Bid Borrowing”). Each such notice shall be substantially in the form of Exhibit C hereto and in any case shall specify as to each Competitive Bid Borrowing:

- (i) the identity of the Relevant Borrower for such Competitive Bid Borrowing;
- (ii) the proposed date of such Competitive Bid Borrowing, which shall be a Business Day;
- (iii) the currency or currencies in which such Competitive Bid Borrowing is to be made;
- (iv) the aggregate amount of such Competitive Bid Borrowing which shall be a Dollar Equivalent Amount of at least \$5,000,000 (or a higher integral multiple of \$1,000,000) (but only to the extent practical in the case of Competitive Bid Loans denominated in a currency other than Dollars), but shall not cause the limits specified in Section 3.01 hereof to be violated;
- (v) the duration of the initial Interest Period or Interest Periods applicable thereto, subject to the provisions of the definition of “Interest Period” (including without limitation that no such Interest Period shall end after the Competitive Bid Expiration Date); and
- (vi) whether the Competitive Bid Loan Quotes requested are to set forth a SOFR-based Margin or an Absolute Rate.

No Competitive Bid Loan Quote Request shall be given if such request could result in more than six Competitive Bid Loans being outstanding at any one time unless otherwise permitted by the Administrative Agent.

(b) Invitation for Competitive Bid Loan Quotes. Promptly after receipt of a Competitive Bid Loan Quote Request, the Administrative Agent shall transmit to the Lenders by facsimile transmission notice of such Competitive Bid Loan Quote Request, which notice shall constitute an invitation by the Parent to each Lender to submit Competitive Bid Loan Quotes offering to make Competitive Bid Loans in accordance with such Competitive Bid Loan Quote Request.

(c) Submission and Contents of Competitive Bid Loan Quotes.

- (i) Each Lender may submit one or more Competitive Bid Loan Quotes, each containing an offer to make a Competitive Bid Loan in response to any Competitive Bid Loan Quote Request; provided that, if the Parent’s request under Section 3.02(a) hereof specifies more than one Interest Period, such Lender may

make a single submission containing one or more Competitive Bid Loan Quotes for each such Interest Period. Each Competitive Bid Loan Quote must comply with the requirements of this Section 3.02(c) and must be submitted to the Administrative Agent by facsimile transmission at its Office not later than (x) 10:00 a.m. New York time on the third Business Day prior to the proposed date of borrowing, in the case of a SOFR Auction or (y) 10:00 a.m. New York time on the proposed date of borrowing, in the case of an Absolute Rate Auction (or, in either case upon reasonable notice to the Lenders, such other time and date as the Parent and the Administrative Agent may agree in writing); provided that any Competitive Bid Loan Quote submitted by the Administrative Agent (or an Affiliate of the Administrative Agent) in the capacity of a Lender may be submitted, and may only be submitted, if the Administrative Agent (or such Affiliate) notifies the Parent of the terms of the offer or offers contained therein not later than (x) 9:30 a.m. New York time on the third Business Day prior to the proposed date of borrowing, in the case of a SOFR Auction or (y) 9:30 a.m. New York time on the proposed date of borrowing, in the case of an Absolute Rate Auction. Subject to Sections 4.07 and 6.01 hereof, any Competitive Bid Loan Quote so made shall be irrevocable except with the written consent of the Administrative Agent given on the written instructions of the Parent.

(ii) Each Competitive Bid Loan Quote shall be substantially in the form of Exhibit D hereto and shall in any case specify:

(A) the proposed date of borrowing, the proposed currency and the Interest Period therefor;

(B) the principal amount of the Competitive Bid Loan for which each such offer is being made, which principal amount shall be a Dollar Equivalent Amount of at least \$5,000,000 or a higher integral multiple of \$1,000,000 (but only to the extent practical in the case of Competitive Bid Loans denominated in a currency other than Dollars); provided that the aggregate principal amount of all Competitive Bid Loans for which a Lender submits Competitive Bid Loan Quotes (x) may be greater than, less than or equal to the Revolving Credit Committed Amount of such Lender but (y) may not exceed the principal amount of the Competitive Bid Borrowing for which offers were requested in the related Competitive Bid Loan Quote Request;

(C) in the case of a SOFR Auction, the margin above (or, if a negative margin is offered, below) the applicable Adjusted Term SOFR Rate (the "SOFR-based Margin") offered for each such Competitive Bid Loan, expressed as a percentage (rounded upwards, if necessary, to the nearest 1/10,000th of 1%) to be added to the applicable Adjusted Term SOFR Rate;

(D) in the case of an Absolute Rate Auction, the rate of interest per annum, calculated on the basis of a 360-day year (rounded upwards, if necessary, to the nearest 1/10,000th of 1%) (the "Absolute Rate") offered for each such Competitive Bid Loan; and

(E) the identity of the quoting Lender.

(iii) No Competitive Bid Loan Quote shall contain qualifying, conditional or similar language or propose terms other than or in addition to those set forth in the applicable Competitive Bid Loan Quote Request and, in particular, no Competitive Bid Loan Quote may be conditioned upon acceptance by the Parent of all (or some specified minimum) of the principal amount of the Competitive Bid Loan for which such Competitive Bid Loan Quote is being made, and the Administrative Agent shall disregard any Competitive Bid Loan Quote that contains such language or terms or conditions or that arrives at the Administrative Agent's Office after the time set forth for submission of Competitive Bid Loan Quotes in Section 3.02(c)(i) hereof.

(d) Notice to the Parent. The Administrative Agent shall promptly after 10:00 a.m., New York time, on the last day on which Competitive Bid Loan Quote may be submitted pursuant to Section 3.02(c), notify the Parent by facsimile transmission of the terms (i) of any Competitive Bid Loan Quote submitted by a Lender that is in accordance with Section 3.02(c) hereof and (ii) of any Competitive Bid Loan Quote that amends, modifies or is otherwise inconsistent with a previous Competitive Bid Loan Quote submitted by such Lender with respect to the same Competitive Bid Loan Quote Request. Any such subsequent Competitive Bid Loan Quote shall be disregarded by the Administrative Agent unless such subsequent Competitive Bid Loan Quote is submitted solely to correct a manifest error in such former Competitive Bid Loan Quote. The Administrative Agent's notice to the Parent shall specify (A) the aggregate principal amount of each Competitive Bid Loan for which Competitive Bid Loan Quotes have been received for each Interest Period specified in the related Competitive Bid Loan Quote Request, and (B) the respective principal amounts and SOFR-based Margins or Absolute Rates, as the case may be, so offered by each Lender, identifying the Lender that made each Competitive Bid Loan Quote.

(e) Acceptance and Notice by the Parent. Not later than one hour after receipt of notice from the Administrative Agent of Competitive Bid Loan Quotes pursuant to Section 3.02(d) (or, in either case upon reasonable prior notice to the Lenders, such other time and date as the Parent and the Administrative Agent may agree), the Parent shall notify the Administrative Agent by facsimile transmission at its Office of its acceptance or nonacceptance of the Competitive Bid Loan Quotes so notified to it pursuant to Section 3.02(d) hereof (and the failure of the Parent to give such notice by such time shall constitute nonacceptance) and the Administrative Agent shall promptly notify each affected Lender in accordance with Section 3.02(g) hereof. In the case of acceptance, such notice shall specify the aggregate principal amount of Competitive Bid Loan Quotes for each Interest Period that are accepted. The Parent may accept one or more Competitive Bid Loan Quotes in whole or in part (provided that any Competitive Bid Loan Quote accepted in part shall be a Dollar Equivalent Amount of at least \$5,000,000 or a higher integral multiple of \$1,000,000 (but only to the extent practical in the case of Competitive Bid Loans denominated in a currency other than Dollars)); provided that:

(i) the aggregate principal amount of each Competitive Bid Borrowing may not exceed the applicable amount set forth in the related Competitive Bid Loan Quote Request;

(ii) the aggregate principal amount of each Competitive Bid Borrowing shall be a Dollar Equivalent Amount of at least \$5,000,000 (or a higher integral multiple of \$1,000,000) (but only to the extent practical in the case of Competitive Bid Loans denominated in a currency other than Dollars);

(iii) acceptance of offers may be made only in ascending yield order of SOFR-based Margins or Absolute Rates, as the case may be; and

(iv) the Parent shall not accept any offer where the Administrative Agent has advised the Parent that such offer fails to comply with Section 3.02(c)(ii) hereof or otherwise fails to comply with the requirements of this Agreement.

(f) Allocation by the Administrative Agent. If Competitive Bid Loan Quotes are made by two or more Lenders with the same SOFR-based Margins or Absolute Rates, as the case may be, for a greater aggregate principal amount than the amount in respect of which Competitive Bid Loan Quotes are accepted for the related Interest Period, the principal amount of Competitive Bid Loans in respect of which such Competitive Bid Loan Quotes are accepted shall be allocated by the Administrative Agent among such Lenders as nearly as possible (in such multiples, not less than \$500,000, as the Administrative Agent may deem appropriate) in proportion to the aggregate principal amount of such offers. If two or more such Competitive Bid Loan Quotes cannot be allocated evenly within the limits set forth in the immediately preceding sentence, the Administrative Agent shall have discretion to allocate a larger share of such Competitive Bid Loans to one or more of the successful Lenders and in making such allocation shall use reasonable efforts to take into account previous allocations of unequal shares to one or more of such Lenders in connection with other Competitive Bid Loans. Determinations by the Administrative Agent of the amounts of Competitive Bid Loans to be allocated to each such Lender shall be conclusive absent manifest error.

(g) Notice to Lenders. On the date the Parent notifies the Administrative Agent of its acceptance of one or more of the offers made by any Lender or Lenders pursuant to Section 3.02(e) hereof, the Administrative Agent shall (x) not later than 3:00 p.m. New York time on such date, in the case of a SOFR Auction or (y) as promptly as practicable on such date (but in no event later than 3:00 p.m. New York time), in the case of an Absolute Rate Auction notify each Lender which has made an offer (i) of the aggregate amount of each Competitive Bid Borrowing with respect to which the Parent accepted one or more Competitive Bid Loan Quotes and such Lender's share of such Competitive Bid Borrowing or (ii) that the Parent accepted no offers, such notice to be by facsimile transmission.

(h) Funding of Competitive Bid Loans. Any Lender whose offer to make any Competitive Bid Loan has been accepted shall on the date specified in the related Competitive Bid Loan Quote Request make the proceeds of such Loan available to the Administrative Agent at the Administrative Agent's Office, no later than 12:00 Noon, New York time, in the case of a SOFR Auction, and 3:00 p.m. New York City time, in the case of an Absolute Rate Auction, in funds immediately available at such Office. The Administrative Agent will make the funds so received available to the Relevant Borrower in funds immediately available.

Section 3.03 Competitive Bid Loan Maturity Dates. The principal amount of each Competitive Bid Loan shall be due and payable on the last day of the applicable Interest Period

specified in the related Competitive Bid Loan Quote Request (the “Competitive Bid Loan Maturity Date”) and no prepayments of Competitive Bid Loans shall be permitted.

Section 3.04 Interest Rates for Competitive Bid Loans. The outstanding principal amount of each Competitive Bid Loan shall bear interest for each day until due at the following rate or rates per annum:

(i) for each Term SOFR Loan, a rate per annum (computed on the basis of a year of 360 days and actual days elapsed or, in the case of Loans denominated in either Sterling or Canadian Dollars, computed on the basis of a year of 365 or 366 days, as the case may be) equal to the SOFR Rate applicable to the Interest Period therefor plus the SOFR-based Margin quoted by the Lender making such Loan in the related Competitive Bid Loan Quote submitted in accordance with Section 3.02(c) hereof; and

(ii) for each Absolute Rate Loan, a rate per annum (computed on the basis of a year of 360 days and actual days elapsed) equal to the Absolute Rate quoted by the Lender making such Loan in the related Competitive Bid Loan Quote submitted in accordance with Section 3.02(c) hereof.

Section 3.05 Competitive Bid Loan Interest Payment Dates. Interest on each Competitive Bid Loan shall be due and payable on the Competitive Bid Loan Maturity Date thereof, and if any Interest Period is longer than three (3) months, also on each third month of such Interest Period. After maturity of any Competitive Bid Loan (by acceleration or otherwise), interest on such Competitive Bid Loan shall be due and payable on demand.

Section 3.06 Competitive Bid Register. The Administrative Agent shall maintain a register (or an electronic equivalent thereof) for the recordation of the names and addresses of Lenders that have made Competitive Bid Loans and the principal amount of the Competitive Bid Loans owing to each Lender from time to time together with the Competitive Bid Loan Maturity Dates and interest rates applicable to each such Competitive Bid Loan, and other terms applicable thereto (the “Competitive Bid Register”). The Competitive Bid Register shall be available for inspection by the Parent or any Lender, as to its bid only, at any reasonable time and from time to time upon reasonable prior notice.

ARTICLE IV

PROVISIONS APPLICABLE TO LOANS

Section 4.01 Extension of Revolving Credit Maturity Date and Competitive Bid Expiration Date. The Revolving Credit Maturity Date and the Competitive Bid Expiration Date may be extended at any time for any period at the request of the Parent with the express consent of the Lenders as provided below.

(a) Request for Extension. The Parent may, in a written notice to the Administrative Agent, request (an “Extension Request”) that the Revolving Credit Maturity Date be

extended for a period of 364 days; provided such Extension Request is delivered to the Administrative Agent at least thirty (30) days, but no more than ninety (90) days, prior to any anniversary of the Closing Date. The Parent may only submit a total of two Extension Requests to the Administrative Agent. The Administrative Agent shall promptly inform the Lenders of such Extension Request. Each Lender that agrees with such Extension Request shall deliver to the Administrative Agent its express written consent thereto no later than fifteen (15) days after the date of such Extension Request. Each Lender shall have the right to withhold such consent in its sole discretion.

(b) Replacement Lenders. If the Requisite Extending Lenders have expressly consented in writing to any such Extension Request as provided in Section 4.01(a), then the Administrative Agent shall so notify the Parent and the Parent, at its option, may replace any Lender which has not agreed to such Extension Request (a “Nonextending Lender”) with another financial institution (which may be a Lender) which agrees to such extension and is reasonably satisfactory to the Administrative Agent, the Swingline Lenders and the Issuers (a “Replacement Lender”) by giving (not later than ninety (90) days after the date of the Extension Request) notice of the name of such Replacement Lender to the Administrative Agent, the Swingline Lenders and the Issuers. Unless the Administrative Agent, an Issuer or any Swingline Lender shall object to the identity of such proposed Replacement Lender prior to the date 100 days after the date of the Extension Request, upon notice from the Administrative Agent, such Nonextending Lender shall, upon payment in full in cash to it of all amounts owed to it hereunder and under the other Loan Documents, including all amounts owed under Section 4.08(c) hereof, assign all of its interests hereunder and under the other Loan Documents to such Replacement Lender and such Replacement Lender shall assume all of such Nonextending Lender’s obligations hereunder and under the other Loan Documents in accordance with the provisions of Section 12.14(c) hereof.

(c) Extension.

(i) If the Requisite Extending Lenders shall have consented to any such Extension Request, then as of 5:00 p.m. New York time on the date which is twenty (20) days after the date of such Extension Request the Revolving Credit Maturity Date shall be deemed to have been extended until, and shall be, the date specified in the Extension Request, and if the Revolving Credit Maturity Date is so extended, the Competitive Bid Expiration Date and the Letter of Credit Maturity Date (as such dates may have been previously extended pursuant to this Section) shall be deemed to have been extended for the same period. Under all other circumstances neither the Revolving Credit Maturity Date, the Competitive Bid Expiration Date nor the Letter of Credit Maturity Date shall be extended. Notwithstanding anything herein to the contrary, in no event shall any such extension of the Revolving Credit Maturity Date be effective as to any Nonextending Lender. To the extent that any Nonextending Lender has not theretofore been replaced as described above, then on the Revolving Credit Maturity Date which is applicable to such Nonextending Lender (i.e., the Revolving Credit Maturity Date determined without giving effect to any extension thereof to which such Nonextending Lender has not consented), (i) the Parent (or, as applicable, Other Borrowers) shall make payment in full in cash to such Nonextending Lender of all amounts owed to it hereunder and under the other Loan Documents,

including all amounts owed under Section 4.08(c) hereof, (ii) if the conditions set forth in Section 6.02 are then satisfied, the participation of such Nonextending Lender in all Letters of Credit shall terminate and each extending Lender shall be deemed to have acquired its pro rata (relative to Commitment Percentage) share of such participation and shall thereafter be liable to the Issuer in respect thereof and (iii) if the conditions set forth in Section 6.02 are not then satisfied, the Parent shall deposit with the Administrative Agent for the account of the Nonextending Lender cash in the amount of such Nonextending Lender's LC Exposure, which shall be held on the terms of Section 2.11(i); provided that (A) amounts so deposited and interest thereon shall be applied exclusively to amounts for which such Nonextending Lender is or becomes liable to an Issuer pursuant to Section 2.11(d) and (B) at such time as the LC Exposure of the Nonextending Lender is zero, all such amounts shall be refunded to the Parent.

(ii) Notwithstanding the foregoing, the Revolving Credit Maturity Date and the Commitment Termination Date (without taking into consideration any extension pursuant to this Section 4.01(c)), as such terms are used in reference to any Swingline Lender or any Swingline Loans made by such Swingline Lender, may not be extended without the prior written consent of such Swingline Lender (it being understood and agreed that, in the event such Swingline Lender shall not have consented to any such extension, (A) such Swingline Lender shall continue to have all the rights and obligations of the Swingline Lenders, as applicable, hereunder through the Revolving Credit Maturity Date in effect prior to giving effect to any extension pursuant to this Section 4.01(c) and thereafter shall have no obligation to make any Swingline Loan, and (B) the Borrowers shall repay all Swingline Loans, and all accrued interest thereon, made by any Swingline Lender that shall not have consented to such extension no later than the day on which such Swingline Loans would have been required to have been repaid in accordance with the terms hereof without giving effect to any effectiveness of the extension of the Revolving Credit Maturity Date pursuant to this paragraph (and, in any event, no later than the Revolving Credit Maturity Date)).

Section 4.02 Calculation of Dollar Equivalent Amounts.

(a) Calculation Upon Making and Repayment of Loans. Upon each issuance of a Letter of Credit, Modification of a Letter of Credit which changes the undrawn face amount thereof and each making and repayment of a Revolving Credit Loan or a Competitive Bid Loan, in each case denominated in a currency other than Dollars, the Administrative Agent shall calculate the Dollar Equivalent Amount of the applicable LC Exposure or Loan.

(b) Recalculation of Dollar Equivalent Amounts. In determining the aggregate Dollar Equivalent Amount of all LC Exposure and Loans outstanding and proposed to be outstanding, the Administrative Agent may (i) use the respective Dollar Equivalent Amounts for LC Exposure and Loans calculated by it pursuant to clause (a) of this Section and (ii) recalculate the Dollar Equivalent Amounts of the LC Exposure and each outstanding Loan as frequently as it determines to do so in its discretion; provided that in any event, such recalculation shall be made for the LC

Exposure and all Loans no less frequently than once each week during any period when the aggregate Dollar Equivalent Amount of the LC Exposure and Loans outstanding exceeds 90% of the Total Revolving Credit Commitment. The Administrative Agent shall recalculate the Dollar Equivalent Amount of the LC Exposure and each outstanding Revolving Credit Loan and Competitive Bid Loan at the Parent's request made no earlier than one (1) month after the Parent's most recent such request.

Section 4.03 Mandatory Prepayments. In the event that for any reason other than fluctuations in currency exchange rates the aggregate Dollar Equivalent Amount of the outstanding Loans and LC Exposure exceeds at any time 100% of the Total Revolving Credit Commitment as then in effect, the Borrowers shall prepay outstanding Loans (subject to Section 4.08(c) hereof) and/or cash collateralize Letters of Credit (in the manner set forth in Section 2.11(i)) as selected by the Parent in an amount necessary to reduce the aggregate Dollar Equivalent Amount of the outstanding Loans and Letters of Credit which are not cash-collateralized to an amount which does not exceed the Total Revolving Credit Commitment. If the Parent elects to prepay, or cause the prepayment of, Loans in order to comply with the requirements of this Section 4.03, such prepayment shall be made to the Lenders Pro Rata.

In the event that for any reason (including fluctuations in currency exchange rates) the aggregate Dollar Equivalent Amount of the outstanding Loans and LC Exposure at any time exceeds 105% of the Total Revolving Credit Commitment as then in effect, the Borrowers shall prepay outstanding Loans (subject to Section 4.08(c) hereof) and/or cash collateralize Letters of Credit (in the manner set forth in Section 2.11(i)) as selected by the Parent in an amount necessary to reduce the aggregate Dollar Equivalent Amount of the outstanding Loans and Letters of Credit which are not cash-collateralized to an amount which does not exceed the Total Revolving Credit Commitment. If the Parent elects to prepay, or cause the prepayment of, Loans in order to comply with the requirements of this Section 4.03, such prepayment shall be made to the Lenders Pro Rata.

Section 4.04 Prepayment Procedures. Whenever any Borrower desires or is required to prepay any part of its Loans, the Parent shall provide not less than one Business Day's prior written notice to the Administrative Agent at its Office setting forth the following information:

- (a) the identity of the Relevant Borrower;
- (b) the type of Loans to be prepaid and the identity of the portions of such Loans to be prepaid; and
- (c) the date, which shall be a Business Day, on which the proposed prepayment is to be made.

Section 4.05 Payments Generally; Interest on Overdue Amounts.

(a) Payments Generally. All payments and prepayments to be made by the Parent or any Other Borrower in respect of principal, interest, fees, reimbursement of LC Disbursements, indemnity, expenses or other amounts due from the Parent or any Other Borrower hereunder or under any Loan Document in Dollars shall be payable by 12:00 Noon, New York time, on

the day when due without presentment, demand, protest or notice of any kind (other than notice of acceleration as required by Section 9.02 hereof), all of which are hereby expressly waived, without set-off, counterclaim, withholding or other deduction of any kind or nature, except for payments to a Lender subject to a withholding deduction under Section 4.09 hereof. Except for payments to be made directly to an Issuer or a Swingline Lender as expressly provided herein and payments under Sections 4.08, 4.09 and 12.06 hereof, such payments shall be made to the Administrative Agent at its Office in Dollars in funds immediately available at such Office, and payments under Sections 4.08, 4.09 and 12.06 hereof shall be made to the applicable Lender at such domestic account as it shall specify to the Parent from time to time in funds immediately available at such account.

All payments and prepayments to be made by the Parent or any Other Borrower in respect of principal, interest, reimbursement of LC Disbursements or other amounts due from any Borrower hereunder or under any Loan Document in a currency other than Dollars shall be made by payment in that currency in freely transferable funds by 12:00 Noon, New York time, for value on the applicable payment date and such payment shall be due without presentment, demand, protest or notice of any kind (other than notice of acceleration as required by Section 9.02 hereof), all of which are hereby expressly waived, without set-off, counterclaim, withholding or other deduction of any kind or nature, except for payments to a Lender subject to a withholding deduction under Section 4.09 hereof. Except for payments to be made directly to an Issuer as expressly provided herein and payments under Sections 4.08, 4.09 and 12.06 hereof, such payments shall be made to the Administrative Agent at the Administrative Agent's Office. Any payment or prepayment received by the Administrative Agent after 12:00 Noon, New York time on any day shall be deemed to have been received on the next succeeding Business Day.

All payments to be made by a Lender under Section 4.05(c)(i) shall be made to the Administrative Agent at its Office without set-off, withholding, counterclaim or other deduction of any nature.

All payments hereunder of (i) principal or interest in respect of any Loan shall be made in the currency in which such Loan is denominated, (ii) reimbursement obligations (and interest in respect of reimbursement obligations) shall be made in the currency in which the Letter of Credit in respect of which such reimbursement obligation exists was denominated or (iii) any other amount due hereunder or under another Loan Document shall be made in Dollars. The Administrative Agent shall distribute to the Lenders all payments received by it for the account of the Lenders from any Borrower as promptly as practicable after receipt by the Administrative Agent. Except as expressly contemplated by Section 4.01(c), all payments on account of Revolving Credit Loans shall be distributed to the Lenders Pro Rata. If and to the extent that the Administrative Agent has not forwarded to any Lender such Lender's share of any such payment on the same Business Day as such payment is received (or deemed received) from such Borrower, the Administrative Agent shall pay to such Lender interest on such amount at the NYFRB Rate for each day until such payment is made.

Upon termination of this Agreement and the expiration or cancellation of all Letters of Credit and payment in full in cash of all principal, interest, reimbursement amounts, fees, expenses and other amounts due from the Borrowers hereunder or under any other Loan Document, each Lender will

promptly mark any Notes “cancelled” and forward them to the Administrative Agent for delivery to the Parent.

(b) Interest on Overdue Amounts. To the extent permitted by Law, after there shall have become due (by acceleration or otherwise) principal, interest, fees, obligations with respect to LC Disbursements, indemnity, expenses or any other amounts due from any Borrower hereunder or under any other Loan Document, such amounts shall bear interest for each day until paid (before and after judgment), payable on demand, at a rate per annum based on a year of 360 days (or in the case of Loans denominated in Sterling or Canadian Dollars, based on a year of 365 or 366 days, as the case may be) and actual days elapsed which for each day shall be equal to the following:

(i) in the case of any part of the Euro-Rate Portion, the Adjusted Term SOFR Rate Portion or Adjusted Term CORRA Rate Portion of any Revolving Credit Loans or of Competitive Bid Loans, (A) until the end of the applicable then-current Funding Period or until regularly scheduled maturity, as the case may be, at a rate per annum 2% above the rate otherwise applicable to such part, and (B) thereafter in accordance with the following clause (ii); and

(ii) in the case of any other amount due from any Borrower hereunder or under any Loan Document, (A) 2% above the then current Base Rate, in the case of Loans or other amounts denominated in Dollars, (B) 2% above the rate then borne by overnight deposit in the applicable currency in the eurocurrency market as determined by the Administrative Agent, in the case of Revolving Credit Loans, Competitive Bid Loans or other amounts denominated in a currency other than Dollars or Sterling or (C) 2% above the then current Daily Simple RFR in the case of SONIA Loans or other amounts denominated in Sterling.

(c) Administrative Agent’s Clawback.

(i) Funding by Lenders; Presumption by Administrative Agent. Unless the Administrative Agent shall have received notice from a Lender (x) in the case of Base Rate Loans, one hour prior to the proposed time of the Borrowing and (y) otherwise, prior to the proposed date of any Borrowing that such Lender will not make available to the Administrative Agent such Lender’s share of such Borrowing, the Administrative Agent may assume that such Lender has made such share available on such date in accordance with this Agreement and may, in reliance upon such assumption, make available to the Borrower a corresponding amount. In such event, if a Lender has not in fact made its share of the applicable Borrowing available to the Administrative Agent, then the applicable Lender and the Borrower severally agree to pay to the Administrative Agent forthwith on demand such corresponding amount, with interest thereon, for each day from and including the date such amount is made available to the Borrower to but excluding the date of payment to the Administrative Agent, at (i) in the case of a payment to be made by such Lender, the greater of the NYFRB Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation, and (ii) in the case of a payment to be made by the Borrower, the rate determined by reference to the applicable interest rate

Option for such Borrowing. If the Borrower and such Lender shall pay such interest to the Administrative Agent for the same or an overlapping period, the Administrative Agent shall promptly remit to the Borrower the amount of such interest paid by the Borrower for such period. If such Lender pays its share of the applicable Borrowing to the Administrative Agent, then the amount so paid shall constitute such Lender's Loan included in such Borrowing. Any payment by the Borrower shall be without prejudice to any claim the Borrower may have against a Lender that shall have failed to make such payment to the Administrative Agent.

(ii) Payments by Borrower; Presumptions by Administrative Agent. Unless the Administrative Agent shall have received notice from the Borrower prior to the date on which any payment is due to the Administrative Agent for the account of the Lenders or the Issuers hereunder that the Borrower will not make such payment, the Administrative Agent may assume that the Borrower has made such payment on such date in accordance herewith and may, in reliance upon such assumption, distribute to the Lenders or the Issuers, as the case may be, the amount due. In such event, if the Borrower has not in fact made such payment, then each of the Lenders or the Issuers, as the case may be, severally agrees to repay to the Administrative Agent forthwith on demand the amount so distributed to such Lender or Issuer, with interest thereon, for each day from and including the date such amount was distributed to it to but excluding the date of payment to the Administrative Agent, at the greater of the NYFRB Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation.

Section 4.06 Availability of Currencies.

(a) Unavailability. If, in the reasonable judgment of the Administrative Agent, a Designated Currency ceases to be available and freely tradable in the eurocurrency market then such currency shall cease to be a Designated Currency hereunder. The Administrative Agent shall give prompt notice to the Parent and the Lenders of any such determination.

(b) Repayment in Dollars. In the event that (i) pursuant to Section 4.06(a), the Administrative Agent has determined that a Designated Currency has ceased to be available and freely tradable in the eurocurrency market and (ii) the Administrative Agent has determined in good faith that such Designated Currency is not otherwise available to the Parent or any Other Borrower, then, on the date any Loans or amounts in respect of a Letter of Credit denominated in such Designated Currency would become due under the terms of this Agreement (other than as a result of an optional prepayment or of the acceleration of the Loans under Section 9.02), the Relevant Borrower may repay such Loans (or other amounts) by paying to each Lender an amount in Dollars equal to the amount determined in good faith by such Lender (which determination shall be conclusive absent manifest error) to be the amount in Dollars necessary to compensate such Lender for the principal of and accrued interest on such Loans (or other amounts) and any additional cost, expense or loss incurred by such Lender as a result of such Loans or other amounts being repaid in Dollars (rather than in their denominated currency).

Section 4.07 Changes in Law Rendering Certain Loans Unlawful. In the event that any Law or guideline or interpretation or application thereof shall at any time make it unlawful for any Lender to make, maintain or fund its Loans or its Letter of Credit or Swingline Loan participations, such Lender shall promptly notify the Parent and the Administrative Agent thereof. Thereupon, the Relevant Borrower shall, subject to Section 4.08(c), if such Lender so requests, on such date as may be required by the relevant Law, guideline, interpretation or application, prepay such Loans. Each Lender shall take actions of the type referred to in Section 4.10, if such actions would avoid such circumstances and would not in the good faith judgment of such Lender be disadvantageous in any way to such Lender or its Affiliates at such time or in the future. No Lender shall be obligated to make any extension of credit hereunder in violation of any applicable law.

Section 4.08 Additional Compensation in Certain Circumstances.

(a) Increased Costs or Reduced Return Resulting From Taxes, Reserves, Capital Adequacy Requirements, Expenses, Etc. If any Law or change therein or interpretation or application thereof by any Governmental Authority charged with the interpretation or administration thereof or compliance with any request or directive of any Governmental Authority (whether or not having the force of Law), in each case adopted or made after the date hereof (or, with respect to any Other Borrower, adopted or made at any time); provided, however, that for purposes of this Section 4.08, (x) the Dodd-Frank Wall Street Reform and Consumer Protection Act or any change therein or interpretation or application thereof by any Governmental Authority charged with the interpretation or administration thereof or compliance with any related request or directive of any Governmental Authority (whether or not having the force of Law) and (y) any requests or directives promulgated by, or the interpretations or applications thereof by the Bank for International Settlements, the Basel Committee on Banking Regulations and Supervisory Practices (or any successor or similar authority) or the United States or foreign regulatory authorities, in each case pursuant to Basel III, shall be deemed to have been adopted or made after the date hereof:

(i) subjects any Lender or Issuer or any Notional Funding Office to any Tax with respect to this Agreement, the Notes, the Loans, the Letters of Credit or payments by any Borrower of principal, interest, Commitment Fees or other amounts due from any Borrower hereunder or under the Notes, or other obligations, its deposits, reserves, other liabilities or capital attributable thereto (except for (A) Indemnified Taxes or (B) Excluded Taxes),

(ii) imposes, modifies or deems applicable any reserve, special deposit or similar requirement or imposes any other condition adversely affecting the cost to a Lender or Issuer or Notional Funding Office of making, maintaining or funding any Loan or issuing any Letter of Credit or acquiring or maintaining a participation in any Letter of Credit hereunder (other than requirements expressly included herein in the determination of interest under the Euro-Rate Option), or

(iii) imposes, modifies or deems applicable any capital adequacy, liquidity or similar requirement (A) against assets (funded or contingent) of, or credits or commitments to extend credit extended by, any Lender, any Issuer or any Notional Funding

Office hereunder, or any Person controlling a Lender or an Issuer, or (B) otherwise applicable to the obligations of any Lender, any Issuer or any Notional Funding Office under this Agreement, or any Person controlling a Lender or an Issuer.

and the result of any of the foregoing is reasonably determined by any Lender or Issuer to increase the cost to, reduce the income receivable by, or impose any expense (including loss of margin) upon such Lender or Issuer, any Notional Funding Office or, in the case of clause (iii) hereof, any Person controlling a Lender or Issuer, with respect to this Agreement, the Notes or the making, maintenance or funding of any Loan or the issuing of any Letter of Credit or the acquiring or maintaining of a participation in any Letter of Credit (or, in the case of any capital adequacy, liquidity or similar requirement, to have the effect of reducing the rate of return on such Lender's, Issuer's or controlling Person's capital, taking into consideration such Lender's, Issuer's or controlling Person's policies with respect to capital adequacy, liquidity or similar requirement) by an amount which such Lender or Issuer reasonably deems to be material, such Lender or Issuer may from time to time promptly notify the Parent of the amount determined in good faith (using any reasonable averaging and attribution methods) by such Lender or Issuer (which determination shall be conclusive absent manifest error) to be necessary to compensate such Lender or Issuer or such Notional Funding Office or controlling Person for such increase, reduction or imposition. Each Lender and Issuer will furnish the Parent and the Administrative Agent with a statement setting forth in reasonable detail the basis, the manner of calculation and the amount of each request by such Lender or Issuer for compensation from the Parent under this Section 4.08. Such amount shall be due and payable by the Parent to such Lender or Issuer five (5) Business Days after such notice is given; provided that the Parent shall not be obligated to pay such compensation unless such Lender or Issuer in such notice certifies its good faith determination that it shall be generally assessing such amounts against borrowers under agreements having provisions similar to this paragraph. Notwithstanding the foregoing, the Parent will not be required to reimburse any Lender or Issuer for any such increase, reduction or imposition under this Section 4.08 (a) that (i) arises prior to 120 days preceding the date of such Lender's or Issuer's request for compensation under this Section 4.08(a), unless the applicable Law, guideline, change, interpretation or application is imposed retroactively or (ii) if the applicable Law, guideline, change, interpretation or application is imposed retroactively, arises prior to 120 days preceding the later of the date the Lender or Issuer reasonably should have learned of such Law, guideline, change, interpretation or application and the date of such Lender's or Issuer's request.

Each Lender will take actions of the type referred to in Section 4.10, if such actions would avoid the conditions referred to in clause (i), (ii) and (iii) of this Section 4.08(a) and would not in the good faith judgment of such Lender be disadvantageous in any way to such Lender or its Affiliates at such time or in the future.

If a Lender requests reimbursement under this Section 4.08(a), so long as the circumstances giving rise to such request continue to exist, the Parent at its option, and at the sole cost and expense of the Borrowers, may replace such Lender with another Lender or a financial institution reasonably satisfactory to the Administrative Agent, each Issuer and each Swingline Lender by giving notice of such replacement Lender to such Lender and the Administrative Agent. Unless the Administrative Agent, any Issuer or any Swingline Lender shall object to the identity of such proposed replacement Lender within ten (10) days after receipt of such notice, the Lender being so replaced shall, upon payment in full in cash to it of all amounts owed to it hereunder and under the other Loan

Documents, including all amounts owed under Section 4.08(c) hereof, assign all of its interests hereunder and under the other Loan Documents to such replacement Lender and such replacement Lender shall assume all of such other Lender's obligations hereunder and under the other Loan Documents in accordance with the provisions of Section 12.14(c) hereof.

(b) Additional Reserve Costs. For so long as any Lender is required to make special deposits with the European Central Bank and/or the Bank of England (or, in either case, any other authority which replaces all or any of its functions) or comply with reserve assets, liquidity, cash margin or other requirements of the European Central Bank and/or the Bank of England (or, in any case, any other authority which replaces all or any of its functions), to maintain reserve asset ratios or to pay fees, in each case in respect of the Euro-Rate Portion of such Lender's Revolving Credit Loans, such Lender shall be entitled to require the Relevant Borrower to pay, contemporaneously with each payment of interest on each of such Revolving Credit Loans, additional interest on such Revolving Credit Loan at a rate per annum equal to the Mandatory Costs Rate calculated in accordance with the formula and in the manner set forth in Schedule V hereto. Any additional interest owed pursuant to this Section 4.08(b) shall be determined in reasonable detail by the applicable Lender, which determination shall be conclusive and binding absent manifest error, and notified to the Relevant Borrower (with a copy to the Administrative Agent) at least five (5) Business Days before each date on which interest is payable for the applicable Loan, and such additional interest so notified to the Relevant Borrower by such Lender shall be payable to the Administrative Agent for the account of such Lender on each date on which interest is payable for such Loan.

(c) Funding Breakage.

(i) If any repayment of principal with respect to any part of any Funding Segment of any Euro-Rate Portion, Adjusted Term SOFR Rate Portion or Adjusted Term CORRA Rate Portion of the Loans is made on a day other than on the last day of the corresponding Funding Period, or any prepayment of principal with respect to any Competitive Bid Loan is made, as a result of an acceleration of the maturity thereof pursuant to Section 9.02 or for any other reason, the Parent shall reimburse each Lender on demand for any loss, cost or expense incurred by such Lender as a result of the timing of such payment, prepayment or failure, including (without limitation) any loss incurred in liquidating or employing deposits from third parties but excluding loss of margin for the period after such payment, prepayment or failure; provided that such Lender shall have delivered to the Parent a certificate setting forth the basis for determining such loss, which certificate shall be conclusive in the absence of manifest error.

(ii) If any repayment of principal with respect to any part of any Funding Segment of any RFR Portion of the Loans is made on a day other than on the Interest Payment Date applicable thereto, as a result of an acceleration of the maturity thereof pursuant to Section 9.02 or for any other reason, the Parent shall reimburse each Lender on demand for any loss, cost or expense incurred by such Lender as a result of the timing of such payment, prepayment or failure, including (without limitation) any loss incurred in liquidating or employing deposits from third parties but excluding loss of margin for the period after such payment, prepayment or failure; provided that such Lender shall have delivered to the Parent a certificate setting forth the basis for determining such loss, which certificate shall be conclusive in the absence of manifest error.

Section 4.09 Taxes.

(a) Payments Free of Taxes. Unless required by Law, all payments made by or on account of any obligation of any Borrower under this Agreement and any other Loan Document shall be made free and clear of and without deduction for any and all present or future taxes, levies, imposts, deductions, charges or withholdings, and all interest, additions to tax or penalties with respect thereto or similar charges imposed by a Governmental Authority (“Taxes”). If any Withholding Agent shall be required by Law to deduct or withhold any Taxes from or in respect of any sum payable under this Agreement or any other Loan Document to any Lender, any Issuer or the Administrative Agent, then (i) if such Taxes are Indemnified Taxes, the sum payable by the applicable Borrower shall be increased as may be necessary so that after making all required deductions or withholdings (including deductions or withholdings applicable to additional sums payable under this Section 4.09) such Lender, such Issuer or the Administrative Agent, as the case may be, receives an amount equal to the sum it would have received had no such deductions or withholdings been made, (ii) the applicable Withholding Agent shall make such deductions or withholding, and (iii) the applicable Withholding Agent shall pay the full amount deducted to the relevant Governmental Authority or other authority in accordance with applicable Law.

(b) Other Taxes. In addition, each Borrower agrees to timely pay any present or future stamp or documentary taxes or any other excise or property Taxes, charges or similar levies which arise from any payment made under this Agreement or any other Loan Document or from the execution, delivery or registration of, or otherwise with respect to, this Agreement or any other Loan Document, except any such taxes that are imposed with respect to an assignment (other than an assignment made or other action taken at the request of the Parent) (“Other Taxes”), or at the option of the Administrative Agent, timely reimburse it for such taxes.

(c) Indemnity by the Parent. The Parent will indemnify each Lender and Issuer and the Administrative Agent for the full amount of Taxes (other than Excluded Taxes) imposed on or with respect to any payment made by or on account of any obligation of the Parent and the Other Borrowers under any Loan Document and Other Taxes (including, without limitation, any Taxes and Other Taxes imposed by any jurisdiction on amounts payable under this Section 4.09) paid or payable by such Lender or Issuer or Administrative Agent, as the case may be, and any liability (including, without limitation, penalties, interest and expenses) arising therefrom or with respect thereto, whether or not such Taxes or Other Taxes were correctly or legally asserted (referred to herein as “Indemnified Taxes”). The Administrative Agent and each Issuer and Lender agree to give notice to the Parent of the assertion of any claim against the Administrative Agent or such Issuer or Lender relating to such Taxes or Other Taxes as promptly as is practicable after being notified of such assertion; provided that the Administrative Agent’s or such Issuer’s or Lender’s failure to notify the Parent promptly of such assertion shall not relieve the Parent of its obligations under this Section 4.09 except to the extent that the Parent is actually prejudiced thereby. Payments by the Parent pursuant to this indemnification shall be made within thirty (30) days from the date the Administrative Agent or such Issuer or Lender makes written demand therefor (submitted through the Administrative Agent), which demand shall be accompanied by a certificate describing in reasonable detail the basis therefor, which certificate shall be conclusive absent manifest error.

(d) Lender Indemnity. Each Lender shall severally indemnify the Administrative Agent for any Taxes (but only to the extent that the Parent has not already indemnified

the Administrative Agent for such Taxes and without limiting the obligation of the Parent to do so) attributable to such Lender that are paid or payable by the Administrative Agent in connection with any Loan Document and any reasonable expenses arising therefrom or with respect thereto, whether or not such Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. The indemnity under this Section 4.09(d) shall be paid within ten (10) days after the Administrative Agent delivers to the applicable Lender a certificate stating the amount of Taxes so paid or payable by the Administrative Agent. Such certificate shall be conclusive of the amount so paid or payable absent manifest error.

(e) Receipts, etc. Within thirty (30) days after the date of any payment of Taxes or Other Taxes, the Parent will furnish to the Administrative Agent the original or a certified copy of a receipt evidencing payment thereof, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Administrative Agent.

(f) Other. Nothing in this Section 4.09 (including, for the avoidance of doubt, Section 4.09(i)) or otherwise in this Agreement shall require the Administrative Agent, any Lender or any Issuer to disclose to any other party to this Agreement any of its tax returns (or any other information that it deems to be confidential or proprietary).

(g) Withholding Tax Exemption.

(i) Each Lender or Issuer shall, (1) on or about the date such Lender or such Issuer becomes party to this Agreement, and (2) from time to time thereafter if, in each case of (1) and (2), reasonably requested in writing by the Parent or the Administrative Agent, as promptly as is reasonable provide the Administrative Agent and the Parent with the executed copies of forms prescribed by the United States Internal Revenue Service or other relevant Governmental Authority certifying as to the status of such Lender or such Issuer for purposes of determining exemption from, or reduced rate applicable to, withholding taxes with respect to payments to be made to such Lender or such Issuer under this Agreement and the other Loan Documents.

(ii) Without limiting the generality of the foregoing,

(A) If a payment made to a Lender or Issuer under this Agreement or any other Loan Documents would be subject to United States Federal withholding tax imposed by FATCA if such Lender or such Issuer fails to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Lender or such Issuer shall deliver to the Administrative Agent and the Parent on or about the date such Lender or such Issuer becomes party to this Agreement, at the time or times prescribed by law and at such time or times reasonably requested by the Administrative Agent or the Parent, such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Administrative Agent or the Parent as may be necessary for such party to comply with its obligations under FATCA, to determine that such Lender or such Issuer has complied with its obligations under FATCA or to determine the amount to

deduct and withhold from such payment; solely for purposes of this clause (g), “FATCA” shall include any amendments made to FATCA after the date of this Agreement;

(B) Any Lender or Issuer, if reasonably requested by the Administrative Agent or the Parent, shall deliver such other documentation prescribed by applicable law or reasonably requested by the Administrative Agent or the Parent as will enable the Administrative Agent or the Parent to determine whether or not such Lender or such Issuer is subject to backup withholding or information reporting requirements;

(C) Each Lender that is a “United States person” within the meaning of Section 7701(a)(30) of the Code shall deliver to the Administrative Agent and the Parent on or prior to the date on which such Lender becomes a Lender under this Agreement or when reasonably requested by the Administrative Agent or the Parent, executed copies of IRS Form W-9 (or any successor form) certifying that such Lender is exempt from U.S. federal backup withholding tax; and

(D) Each Lender that is not a “United States person” within the meaning of Section 7701(a)(30) of the Code shall deliver to the Administrative Agent and the Parent on or prior to the date on which such Lender becomes a Lender under this Agreement or when reasonably requested by the Administrative Agent or the Parent, (x) executed copies of any applicable IRS Form W-8, (y) in the case of such Lender claiming the benefits of the exemption for portfolio interest under Section 881(c) of the Code, a certificate to the effect that such Lender is not a “bank” within the meaning of Section 881(c)(3)(A) of the Code, a “10 percent shareholder” of the Borrower within the meaning of Section 881(c)(3)(B) of the Code, or a “controlled foreign corporation” described in Section 881(c)(3)(C) of the Code (a “U.S. Tax Compliance Certificate”), and (z) to the extent such Lender is a partnership or is acting as an intermediary for the beneficial owner of the payments to be made, executed copies of an applicable IRS Form W-8, a U.S. Tax Compliance Certificate, IRS Form W-9, and/or other certification documents from each partner or beneficial owner, as applicable; provided that if such Lender is a partnership and one or more direct or indirect partners of such Lender are claiming the portfolio interest exemption, such Lender may provide a U.S. Tax Compliance Certificate on behalf of each such direct and indirect partner;

provided that a Lender or Issuer shall not be obligated to provide any such form specified in clause (i) or (ii) if such Lender or such Issuer is not legally able to do so. Each Lender and Issuer agrees that if any form or certification it previously delivered expires or becomes obsolete or inaccurate in any respect, it shall update such form or certification or promptly notify the Administrative Agent and the Parent in writing of its legal inability to do so.

(h) Excluded Taxes. Excluded Taxes shall mean any of the following Taxes imposed on or with respect to the Administrative Agent, any Lender or an Issuer or required to be withheld from a payment to such Person:

(i) Any Taxes imposed on or measured by net income (however denominated), franchise Taxes, and branch profits Taxes imposed on such Lender, such Issuer or the Administrative Agent, as the case may be, (A) by the jurisdiction under the laws of which such Lender, such Issuer or the Administrative Agent, as the case may be, is organized or by any political subdivision thereof or imposed as a result of such Lender, the Issuer, or Administrative Agent having its principal office or applicable lending office or Notional Funding Office in the Jurisdiction imposing the Tax, or (B) as a result of a present or former connection between such Lender, such Issuer or the Administrative Agent and the jurisdiction imposing such Tax (other than connections arising from such Lender, Administrative Agent or such Issuer having executed, delivered, become a party to, performed its obligations under, received payments under, received or perfected a security interest under, engaged in any other transaction pursuant to or enforced any Loan Document, or sold or assigned an interest in any Loan or Loan Document);

(ii) In the case of each Lender or Issuer, any United States federal withholding Taxes, to the extent that such withholding is imposed on amounts payable to or for the account of such Lender or such Issuer with respect to a Loan, Letter of Credit or Commitment pursuant to a law that existed on the date such Lender or such Issuer became a party to this Agreement or on the date such Lender or such Issuer changes its lending office or Notional Funding Office; provided that this clause (ii) shall not apply to a Lender or Issuer that became a Lender or Issuer as a result of an assignment made or other action taken at the request of the Parent;

(iii) Any Taxes to the extent that the obligation to make such indemnification or to pay such additional amounts would not have arisen but for gross negligence, willful misconduct or bad faith of such Lender or such Issuer or the failure of such Lender or such Issuer to comply with the provisions of Section 4.09(g); and

(iv) Any United States federal withholding Taxes imposed under FATCA.

(i) Refunds. If any party determines in its sole discretion exercised in good faith that it has received a refund in respect of any Taxes or Other Taxes as to which it has been indemnified pursuant to this Section 4.09 or with respect to which a Borrower has paid additional amounts, pursuant to this Section 4.09, such party shall promptly after the date of such receipt pay over the amount of such refund to the indemnifying party (but only to the extent of indemnity payments made, or additional amounts paid, by the indemnifying party under this Section 4.09 with respect to the Taxes or Other Taxes giving rise to such refund and only to the extent that the amount of any such refund is directly attributable to payments made under this Agreement), net of all reasonable expenses of such party (including additional Taxes and Other Taxes attributable to such refund, as determined

by such party) and without interest (other than interest, if any, paid by the relevant Governmental Authority with respect to such refund). The indemnifying party shall, upon demand, pay to such indemnified party any amount paid over to the indemnifying party by such indemnified party (plus penalties, interest or other charges imposed by such Governmental Authority) in the event such indemnified party is required to repay any portion of such refund to such Governmental Authority. Notwithstanding anything to the contrary in this paragraph (i), in no event will the indemnified party be required to pay any amount to an indemnifying party pursuant to this paragraph (i) the payment of which would place the indemnified party in a less favorable net after-tax position than the indemnified party would have been in if the Tax subject to indemnification and giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect to such Tax had never been paid.

(j) Cure Action. Each Lender and Issuer agrees to take actions of the type referred to in Section 4.10, if such actions would avoid or reduce payments under this Section 4.09 and would not, in the good faith judgment of such Lender or such Issuer, be disadvantageous in any way to such Lender or such Issuer or its Affiliates at such time or in the future. If a Lender requests reimbursement under this Section 4.09, so long as the circumstances giving rise to such request continue to exist, the Parent at its option, and at the sole cost and expense of the Borrowers, may replace such Lender with another Lender or a financial institution reasonably satisfactory to the Administrative Agent by giving notice of such replacement Lender to such Lender and the Administrative Agent. Unless the Administrative Agent, any Issuer or any Swingline Lender shall object to the identity of such proposed replacement Lender within ten (10) days after receipt of such notice, the Lender being so replaced shall, upon payment in full in cash to it of all amounts owed to it hereunder and under the other Loan Documents, including all amounts owed under Sections 4.08(c) and 4.09 hereof, assign all of its interests hereunder and under the other Loan Documents to such replacement Lender and such replacement Lender shall assume all of such other Lender's obligations hereunder and under the other Loan Documents in accordance with the provisions of Section 12.14(c) hereof.

(k) Defined Terms. For purposes of this Section 4.09, the term "Lender" includes any Issuer.

Section 4.10 Funding by Branch, Subsidiary or Affiliate.

(a) Notional Funding. Each Lender shall have the right from time to time, prospectively or retrospectively, without notice to any Borrower, to deem any branch, subsidiary or Affiliate of such Lender to have made, maintained or funded any part of the Loans at any time; provided that if a Lender exercises such right as a matter of administrative convenience and not as required by Law or by this Agreement, then the Parent shall not be required to reimburse the Lender for any increased amounts payable under Section 4.08(a) or 4.09 hereof that result from the exercise of such right. Any branch, subsidiary or Affiliate so deemed shall be known as a "Notional Funding Office." Such Lender shall deem any part of its Loans or the funding therefor to have been transferred to a different Notional Funding Office if such transfer would avoid or cure an event or condition described in Section 2.06(d)(i)(B) hereof or would lessen compensation payable by any Borrower under Sections 4.08(a) or 4.09 hereof, and would not, in the good faith judgment of such Lender, be

disadvantageous in any way to such Lender or its Affiliates at such time or in the future (it being assumed for purposes of such determination that the Loans are actually made or maintained by or funded through the corresponding Notional Funding Office). Notional Funding Offices may be selected by such Lender without regard to such Lender's actual methods of making, maintaining or funding Loans or any sources of funding actually used by or available to such Lender.

(b) Actual Funding. Each Lender shall have the right from time to time to make or maintain any part of the Loans by arranging for a branch, subsidiary or Affiliate of such Lender to make or maintain such part of the Loans; provided that if a Lender exercises such right as a matter of administrative convenience and not as required by Law or by this Agreement, then the Parent shall not be required to reimburse the Lender for any increased amounts payable under Section 4.08(a) or 4.09 hereof that result from the exercise of such right. Such Lender shall have the right to (i) hold any applicable Note payable to its order for the benefit and account of such branch, subsidiary or Affiliate or (ii) request any Borrower to issue one or more promissory notes in the principal amount of such part, in substantially the form attached hereto as Exhibit A or B, as the case may be, with the blanks appropriately filled, payable to such branch, subsidiary or Affiliate and with appropriate changes reflecting that the holder thereof is not obligated to make any additional Loans to any Borrower. Each Borrower agrees to comply promptly with any request under clause (ii) of this Section 4.10(b). If any Lender causes a branch, subsidiary or Affiliate to make or maintain any part of Loans hereunder, all terms and conditions of this Agreement shall, except where the context clearly requires otherwise, be applicable to such part of the Loans and to any note payable to the order of such branch, subsidiary or Affiliate to the same extent as if such part of the Loans were made or maintained and such note were a Note payable to such Lender's order.

Section 4.11 Several Obligations. The failure of any Lender to make a Revolving Credit Loan shall not relieve any other Lender of its obligation to lend hereunder, but neither the Administrative Agent nor any Lender shall be responsible for the failure of any other Lender to make a Revolving Credit Loan.

Section 4.12 Defaulting Lenders. Notwithstanding any provision of this Agreement to the contrary, if any Lender becomes a Defaulting Lender, then the following provisions shall apply for so long as such Lender is a Defaulting Lender:

(a) Commitment Fees shall cease to accrue on the Revolving Credit Commitment of such Defaulting Lender pursuant to Section 2.05(a).

(b) The Revolving Credit Committed Amount, Loans and LC Exposure of such Defaulting Lender shall not be included in determining whether the Lenders or the Required Lenders have taken or may take any action hereunder (including any consent to any amendment, waiver or other modification pursuant to Section 12.03); provided that this clause (b) shall not apply for purposes of any amendment, modification or waiver that (i) increases such Defaulting Lender's Revolving Credit Committed Amount or extends the maturity of such Defaulting Lender's Loans or extends its Revolving Credit Commitment, or reduces principal owed with respect thereto or (ii) requires the consent of all Lenders or each Lender affected thereby and treats such Defaulting Lender differently than the other respective Lenders.

(c) If any LC Exposure exists at the time such Lender becomes a Defaulting Lender then:

(i) all or any part of the LC Exposure of such Defaulting Lender shall be reallocated among the non-Defaulting Lenders in accordance with their respective Commitment Percentages (calculated without regard to such Defaulting Lender's Revolving Credit Commitments) but only to the extent that (A) no Event of Default has occurred and is continuing at such time and (B) such reallocation does not cause the Dollar Equivalent Amount of the Revolving Credit Exposure of any non-Defaulting Lender to exceed the Dollar Equivalent Amount of the Revolving Credit Committed Amount of such non-Defaulting Lender (it being understood and agreed that, subject to Section 12.21, no reallocation hereunder shall constitute a waiver or release of any claim of any party hereunder against a Defaulting Lender arising from such Lender having become a Defaulting Lender, including any claim of a non-Defaulting Lender as a result of such non-Defaulting Lender's increased exposure following such reallocation);

(ii) if the reallocation described in clause (i) above cannot, or can only partially, be effected, the Parent shall within one Business Day following notice by the Administrative Agent cash collateralize for the benefit of the Issuers only the Relevant Borrower's obligations corresponding to such Defaulting Lender's LC Exposure (after giving effect to any partial reallocation pursuant to clause (i) above) in accordance with the procedures set forth in Section 2.11(i) for so long as such LC Exposure is outstanding;

(iii) if the Parent cash collateralizes any portion of such Defaulting Lender's LC Exposure pursuant to clause (ii) above, the Parent shall not be required to pay any participation fees to such Defaulting Lender pursuant to Section 2.05(b), and such fees shall not accrue, with respect to such Defaulting Lender's LC Exposure during the period such Defaulting Lender's LC Exposure is cash collateralized;

(iv) if any LC Exposure of such non-Defaulting Lender is reallocated pursuant to clause (i) above, then the participation fees payable to the Lenders pursuant to Section 2.05(b) shall be adjusted in accordance with such non-Defaulting Lenders' Commitment Percentages; and

(v) if all or any portion of such Defaulting Lender's LC Exposure is neither reallocated nor cash collateralized pursuant to clause (i) or (ii) above, then, without prejudice to any rights or remedies of the Issuers or any other Lender hereunder, all participation fees payable under Section 2.05(b) with respect to such Defaulting Lender's LC Exposure (to the extent neither so reallocated nor cash collateralized) shall be payable to the applicable Issuer or Issuers in respect of the Letters of Credit included in such LC Exposure, pro rata until and to the extent that such LC Exposure is so reallocated and/or cash collateralized.

(d) So long as such Lender is a Defaulting Lender, no Issuers shall be required to issue, amend or increase any Letter of Credit, unless it is satisfied that the related exposure and the Defaulting Lender's then outstanding LC Exposure will be 100% covered by the Commitments and the obligations to participate in Letters of Credit of the non-Defaulting Lenders and/or cash collateral will be provided by the Parent in accordance with clauses (i) and (ii) of Section 4.12(c) above.

(e) If any Swingline Exposure exists at the time such Lender becomes a Defaulting Lender, then (i) the Swingline Exposure (other than any portion thereof with respect to which such Defaulting Lender shall have funded its participation as contemplated by Section 2.04(c)) of such Defaulting Lender shall be reallocated among the non-Defaulting Lenders in accordance with their respective Commitment Percentages (calculated without regard to such Defaulting Lender's Commitments) but only to the extent that (A) no Event of Default has occurred and is continuing at such time and (B) such reallocation does not cause the Dollar Equivalent Amount of the Revolving Credit Exposure of any non-Defaulting Lender to exceed the Dollar Equivalent Amount of the Revolving Credit Committed Amount of such non-Defaulting Lender (it being understood and agreed that, subject to Section 12.21, no reallocation hereunder shall constitute a waiver or release of any claim of any party hereunder against a Defaulting Lender arising from such Lender having become a Defaulting Lender, including any claim of a non-Defaulting Lender as a result of such non-Defaulting Lender's increased exposure following such reallocation); and (ii) if the reallocation described in clause (i) above cannot, or can only partially, be effected, the Borrowers shall within one Business Day following notice by the Administrative Agent prepay the portion of such Defaulting Lender's Swingline Exposure that has not been reallocated.

(f) So long as such Lender is a Defaulting Lender, no Swingline Lender shall be required to fund any Swingline Loan unless it is satisfied that the related exposure and the Defaulting Lender's then outstanding Swingline Exposure will be fully covered by the Commitments of the non-Defaulting Lenders, and participating interests in any such funded Swingline Loan will be allocated among the non-Defaulting Lenders in a manner consistent with Section 4.12(e)(i) (and such Defaulting Lender shall not participate therein).

(g) If (i) a Bankruptcy Event or a Bail-In Action with respect to a parent entity of which any Lender is a subsidiary shall occur following the date hereof and for so long as such event shall continue or (ii) an Issuer or Swingline Lender has a good faith belief that any Lender has defaulted in fulfilling its obligations under one or more other agreements in which such Lender commits to extend credit, then (x) such Issuer shall not be required to issue, amend or increase any Letter of Credit, unless such Issuer shall have entered into arrangements with the Parent or such Lender, satisfactory to such Issuer to defease any risk to it in respect of such Lender hereunder and (y) such Swingline Lender shall not be required to fund any Swingline Loan unless such Swingline Lender shall have entered into arrangements with the Parent or such Lender, satisfactory to such Swingline Lender to defease any risk to it in respect of such Lender hereunder, as applicable.

(h) Any principal, interest, fees or any other amounts payable to or for the account of any Defaulting Lender in its capacity as a Lender hereunder shall, in lieu of being distributed to such Defaulting Lender, be retained by the Administrative Agent in a segregated account and, subject to any applicable requirements of law, (A) be applied, at such time or times as may be

determined by the Administrative Agent, (1) first, to the payment of any amounts owing by such Defaulting Lender to the Administrative Agent hereunder, (2) second, pro rata, to the payment of any amounts owing by such Defaulting Lender to the Issuers or the Swingline Lender in respect of such Defaulting Lender's participations in Letters of Credit or such Defaulting Lender's Swingline Loans, as applicable, (3) third, to the funding of such Defaulting Lender's Commitment Percentage of any borrowing in respect of which such Defaulting Lender shall have failed to fund such share as required hereunder, (4) fourth, to cash collateralize participation obligations of such Defaulting Lender in respect of outstanding Letters of Credit and (B) to the extent not applied as aforesaid, be held, if so determined by the Administrative Agent, as cash collateral for funding obligations of such Defaulting Lender in respect of future Revolving Credit Loans hereunder, (C) to the extent not applied or held as aforesaid, be applied, pro rata, to the payment of any amounts owing to the Parent or the non-Defaulting Lenders as a result of any judgment of a court of competent jurisdiction obtained by the Parent or any non-Defaulting Lender against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations hereunder and (D) to the extent not applied or held as aforesaid, be distributed to such Defaulting Lender or as otherwise directed by a court of competent jurisdiction.

(i) In the event that the Administrative Agent, the Parent and the Issuers each agrees that a Defaulting Lender has adequately remedied all matters that caused such Lender to be a Defaulting Lender, then the LC Exposure and Swingline Exposure of the Lenders shall be readjusted to reflect the inclusion of such Lender's Commitment and on such date such Lender shall purchase at par such of the Revolving Credit Loans of the other Lenders as the Administrative Agent shall determine may be necessary in order for such Lender to hold such Loans in accordance with its Commitment Percentage.

(j) So long as such Lender is a Defaulting Lender, the Parent may, at its option, replace such Defaulting Lender with another financial institution (which may be a Lender) reasonably satisfactory to the Administrative Agent by giving notice of such replacement Lender to such Defaulting Lender and the Administrative Agent. Unless the Administrative Agent, any Swingline Lender or any Issuer shall object to the identity of such proposed replacement Lender within ten (10) days after receipt of such notice, the Defaulting Lender being so replaced shall, upon indefeasible payment in full in cash to it of all amounts owed to it hereunder (which shall include amounts referenced in Section 4.08(c)) and under the other Loan Documents assign all of its interests hereunder and under the Loan Documents to such replacement Lender and such replacement Lender shall assume all of such Defaulting Lender's obligations hereunder and under the other Loan Documents in accordance with the provisions of 12.14(c).

(k) So long as such Lender is a Defaulting Lender and no Event of Default or Potential Event of Default has occurred or exists, the Parent may, at its option, reduce the unused portion of such Defaulting Lender's Commitment without being required to reduce any other Lender's Commitment. Any such reduction shall be effective upon written notice by the Parent to the Administrative Agent.

ARTICLE V
REPRESENTATIONS AND WARRANTIES

As of the date hereof, the Parent hereby represents and warrants to the Administrative Agent and each Lender as follows:

Section 5.01 Financial Statements; No Material Adverse Change. The Parent's audited consolidated balance sheet as of September 30, 2023, and the related statement of consolidated income for the year then ended (copies of which have been furnished to each Lender) are complete and correct in all material respects and present fairly the financial condition of the Parent and its Subsidiaries as of such date and the results of its operations for such year and since such date to the date hereof there has been no material adverse change in such financial condition or operations on a consolidated basis. The Parent's unaudited consolidated balance sheet as of December 31, 2023, and the related statement of consolidated income for the three-month period ended on such date (copies of which have been furnished to each Lender) are complete and correct in all material respects and present fairly the financial condition of the Parent and its Subsidiaries as of such date and the results of its operations for such period (subject to normal year-end audit adjustments and the absence of certain footnotes).

Section 5.02 Litigation. There is no action, suit or administrative proceeding, to the knowledge of the Parent after due inquiry, pending or threatened against the Parent or any of its Subsidiaries as of the date hereof which, in the opinion of the Parent, involves any substantial risk of any material adverse effect on the financial condition or business of the Parent and its Subsidiaries on a consolidated basis.

Section 5.03 Due Organization. The Parent is a corporation and each Initial Other Borrower is (and as of the date it becomes an Other Borrower hereunder, each additional Other Borrower will be) a legal entity, in each case duly organized, validly existing and in good standing under the laws of its jurisdiction of organization.

Section 5.04 Consents and Approvals. The Parent and each Initial Other Borrower has (and as of the date it becomes an Other Borrower hereunder, each additional Other Borrower will have) obtained the necessary material consents and approvals, governmental or otherwise, for its execution and performance under this Agreement.

Section 5.05 Corporate Power, Authorization and Enforceability. The Parent and each Initial Other Borrower has (and as of the date it becomes an Other Borrower hereunder, each additional Other Borrower will have) taken all necessary corporate or other organizational action to authorize its execution and performance under this Agreement such that this Agreement, the Notes and, as applicable, the other Loan Documents constitute valid and legally binding obligations of the Parent and each Other Borrower, subject to applicable bankruptcy, reorganization, insolvency, moratorium or similar laws affecting creditors' rights generally and equitable principles of general application (regardless of whether enforcement is sought in a proceeding in equity or at law).

Section 5.06 ERISA. Parent and each Other Borrower is in compliance in all material respects with all applicable provisions and requirements of ERISA with respect to any

Employee Benefit Plan for which Parent or such Other Borrower is the plan sponsor or a contributing employer, and neither Parent nor any Other Borrower is subject to any material liability, penalty, excise tax or Lien arising under ERISA or under the Internal Revenue Code with respect to any Plan or Multiemployer Plan, except to the extent such noncompliance, liability, penalty, excise tax or Lien would not reasonably be expected to result, alone or together with all such noncompliance, liabilities, penalties, excise taxes or Liens, in a Material Adverse Effect.

Section 5.07 No Conflict. the Loan Documents, regardless of any Law now or hereafter in effect in any jurisdiction affecting the Guaranteed Obligations, any of the terms of the Loan Documents or the rights of the Administrative Agent, any Lender or any other Person with respect thereto. To the fullest extent permitted by Law, the obligations of the Parent under this Article X shall be absolute, unconditional and irrevocable, irrespective of any of the following:

(b) any increase, decrease or change in the amount, nature, type or purpose of any of the Guaranteed Obligations (whether or not contemplated by the Loan Documents as presently constituted); any change in the time, manner, method or place of payment of, or in any other term of, any of the Guaranteed Obligations; any execution or delivery of any additional Loan Documents; or any amendment to, or refinancing or refunding of, any Loan Document or any of the Guaranteed Obligations;

(c) any impairment by the Administrative Agent, any Lender or any other Person of any recourse of the Parent against any Other Borrower or any other Person; any failure to assert any breach of or default under any Loan Document or any of the Guaranteed Obligations; any extensions of credit in excess of the amount committed under or contemplated by the Loan Documents, or in circumstances in which any condition to such extensions of credit has not been satisfied; any other exercise or non-exercise, or any other failure, omission, breach, default, delay or wrongful action in connection with any exercise or non-exercise, of any right or remedy against any Other Borrower or any other Person under or in connection with any Loan Document or any of the Guaranteed Obligations; any refusal of payment of any of the Guaranteed Obligations, whether or not with any reservation of rights against the Parent; or any application of collections (including collections resulting from realization upon any direct or indirect security for the Guaranteed Obligations) to other obligations, if any, not entitled to the benefits of this Agreement, in preference to Guaranteed Obligations entitled to the benefits of this Agreement, or if any collections are applied to Guaranteed Obligations, any application to particular Guaranteed Obligations;

(d) any taking, amendment, subordination, release, loss or impairment of, or any failure to protect, perfect, or preserve the value of, or any other action or inaction by the Administrative Agent, any Lender or any other Person in respect of, any direct or indirect security for any of the Guaranteed Obligations;

(e) any merger, consolidation, liquidation, dissolution, winding-up, charter revocation or forfeiture, or other change in, restructuring or termination of the corporate structure or existence of, any Other Borrower or any other Person; any bankruptcy, insolvency, reorganization, dissolution or similar proceeding with respect to any Other Borrower or any other Person; or any action taken or election made by the Administrative Agent, any Lender (including any election under Section 1111(b)(2) of the United States Bankruptcy Code), any Other Borrower or any other Person in connection with any such proceeding;

(f) the failure of any Other Borrower to be properly organized under the Laws of its jurisdiction of organization, to take proper actions to authorize the incurrence of its Guaranteed Obligations or to comply in any respect with Laws applicable to it relating to its Guaranteed Obligations;

(g) any defense, set-off or counterclaim (including any defense of failure of consideration, breach of warranty, statute of frauds, bankruptcy, lack of legal capacity, statute of limitations, lender liability, accord and satisfaction or usury, and excluding only the defense of full, strict and indefeasible payment or performance), which may at any time be available to any Other Borrower or any other Person with respect to any Loan Document or any of the Guaranteed Obligations; or any discharge by operation of law or release of any Other Borrower or any other Person from the performance or observance of any Loan Document or any of the Guaranteed Obligations; or

(h) any other event or circumstance, whether similar or dissimilar to the foregoing, and whether known or unknown, which might otherwise constitute a legal or equitable defense available to, or limit the liability of, any Other Borrower, the Parent, a guarantor or a surety, excepting only full, strict and indefeasible payment and performance of the Guaranteed Obligations.

Section 10.03 Waivers, etc. To the fullest extent permitted by Law, the Parent hereby waives any defense to or limitation on its obligations under this Article X arising out of or based on any event or circumstance referred to in Section 10.02. Without limitation, to the fullest extent permitted by Law, the Parent waives each of the following for purposes of this Article X:

(a) all notices, disclosures and demands of any nature which otherwise might be required from time to time to preserve intact any rights against the Parent, including (i) any notice of any event or circumstance described in Section 10.02, (ii) any notice required by any Law now or hereafter in effect in any jurisdiction, (iii) any notice of nonpayment, nonperformance, dishonor, or protest under any Loan Document or any of the Guaranteed Obligations, (iv) any notice of the incurrence of any Guaranteed Obligation, (v) any notice of any default (other than notices expressly required under Article IX hereof) or any failure on the part of any Other Borrower or any other Person to comply with any Loan Document or any of the Guaranteed Obligations or any direct or indirect security for any of the Guaranteed Obligations, and (vi) any notice of any information pertaining to the business, operations, condition (financial or otherwise) or prospects of any Other Borrower or any other Person;

(b) any right to any marshalling of assets, to the filing of any claim against any Other Borrower or any other Person in the event of any bankruptcy, insolvency, reorganization, dissolution or similar proceeding, or to the exercise against any Other Borrower or any other Person of any other right or remedy under or in connection with any Loan Document or any of the Guaranteed Obligations or any direct or indirect security for any of the Guaranteed Obligations; any requirement of promptness or diligence on the part of the Administrative Agent, any Lender or any other Person; any requirement to exhaust any remedies under or in connection with, or to mitigate the damages resulting from default under, any Loan Document or any of the Guaranteed Obligations or any direct or indirect security for any of the Guaranteed Obligations; and any requirement of acceptance of this Agreement, and any requirement that the Parent receive notice of such acceptance; and

(c) any defense or other right arising by reason of any Law now or hereafter in effect in any jurisdiction pertaining to election of remedies (including anti-deficiency laws, “one action” laws or similar laws), or by reason of any election of remedies or other action or inaction by the Administrative Agent or any Lender (including commencement or completion of any judicial proceeding or nonjudicial sale or other action in respect of collateral security for any of the Guaranteed Obligations), which results in denial or impairment of the right of the Administrative Agent or Lenders to seek a deficiency against any Other Borrower or any other Person, or which otherwise discharges or impairs any of the Guaranteed Obligations or any recourse of the Parent against any Other Borrower or any other Person.

Section 10.04 Reinstatement. The obligations of the Parent under this Article X shall continue to be effective, or be automatically reinstated, as the case may be, if at any time payment of any of the Guaranteed Obligations is avoided, rescinded or must otherwise be returned by the Administrative Agent or any Lender for any reason, all as though such payment had not been made.

Section 10.05 No Stay. Without limitation of any other provision of this Agreement, if any acceleration of the time for payment of any Guaranteed Obligation, or any condition to any such acceleration, shall at any time be stayed, enjoined or prevented for any reason (including stay or injunction resulting from the pendency against any Other Borrower or any other Person of a bankruptcy, insolvency, reorganization, dissolution or similar proceeding), the Parent agrees that, for purposes of this Article X and its obligations hereunder, such Guaranteed Obligation shall be deemed to have been accelerated, and such condition to acceleration shall be deemed to have been met.

Section 10.06 Payments. All payments to be made by the Parent pursuant to this Article X shall be made at the times, in the manner and in the currency prescribed for payments in Section 4.05 of this Agreement, without set-off, counterclaim, withholding or other deduction of any nature, except for payments and deductions permitted by Section 4.05.

Section 10.07 Subrogation, etc. Any rights which the Parent may have or acquire by way of subrogation, reimbursement, exoneration, contribution or indemnity, and any similar rights (whether arising by operation of law, by agreement or otherwise), against each Other Borrower, arising from the existence, payment, performance or enforcement of any of the obligations of the Parent under or in connection with this Agreement, shall be subordinate in right of payment to the Guaranteed Obligations, and the Parent shall not exercise any such rights until the earlier of the time when all Guaranteed Obligations and all other obligations under this Agreement have been paid in full and all Commitments shall have terminated or the time when such Other Borrower ceases to be an Other Borrower hereunder. If, notwithstanding the foregoing, any amount shall be received by the Parent on account of any such rights at any time prior to the earlier of the time when all Guaranteed Obligations under this Agreement shall have been paid in full and all Commitments shall have terminated or the time when such Other Borrower shall have ceased to be an Other Borrower hereunder, such amount shall be held by the Parent in trust for the benefit of the Lenders, segregated from other funds held by the Parent, and shall be forthwith delivered to the Administrative Agent on behalf of the Lenders in the exact form received by the

Parent (with any necessary endorsement), to be applied to the Guaranteed Obligations, whether matured or unmatured, in accordance with this Agreement, or to be held by the Administrative Agent on behalf of the Lenders as security for the Guaranteed Obligations and disposed of by the Administrative Agent in any lawful manner, all as the Administrative Agent may elect in accordance with this Agreement.

Section 10.08 Continuing Agreement. The provisions of this Article X are a continuing guaranty and shall continue in full force and effect until all Guaranteed Obligations have been paid in full, and all Commitments have terminated, subject in any event to reinstatement in accordance with Section 10.04.

ARTICLE XI

THE ADMINISTRATIVE AGENT

Section 11.01 Appointment. Each Lender and Issuer hereby appoints Mizuho to act as Administrative Agent for such Lender or Issuer under this Agreement and the other Loan Documents. Each Lender and Issuer hereby irrevocably authorizes Mizuho as Administrative Agent to take such action on behalf of such Lender or Issuer under the provisions of this Agreement and the other Loan Documents, and to exercise such powers and to perform such duties, as are expressly delegated to or required of the Administrative Agent by the terms hereof or thereof, together with such powers as are reasonably incidental thereto. Mizuho hereby agrees to act as Administrative Agent on behalf of the Lenders and Issuers on the terms and conditions set forth in this Agreement and the other Loan Documents, subject to its right to resign as provided in Section 11.10 hereof. Each Lender and Issuer hereby irrevocably authorizes the Administrative Agent to execute and deliver each of the Loan Documents and to accept delivery of such of the other Loan Documents as may not require execution by the Administrative Agent. Each Lender and Issuer agrees that the rights and remedies granted to the Administrative Agent under the Loan Documents shall be exercised exclusively by the Administrative Agent, and that no Lender or Issuer shall have any right individually to exercise any such right or remedy, except to the extent expressly provided herein or therein. The motivations of the Administrative Agent are commercial in nature and not to invest in the general performance or operations of the Parent or its Subsidiaries.

Section 11.02 General Nature of the Administrative Agent's Duties. Notwithstanding anything to the contrary elsewhere in this Agreement or in any other Loan Document:

(a) The Administrative Agent shall not have any duties or responsibilities except those expressly set forth in this Agreement and the other Loan Documents, and no implied duties or responsibilities on the part of the Administrative Agent shall be read into this Agreement or any Loan Document or shall otherwise exist.

(b) The duties and responsibilities of the Administrative Agent under this Agreement and the other Loan Documents shall be mechanical and administrative in nature, and the Administrative Agent shall not have a fiduciary relationship in respect of any Lender or Issuer.

(c) The Administrative Agent is and shall be solely the agent of the Lenders and Issuers. The Administrative Agent does not assume, and shall not at any time be deemed to have, any relationship of agency or trust with or for, or any other duty or responsibility to, any Borrower or any other Person (except only for its relationship as agent for, and its express duties and responsibilities to, the Lenders and Issuers as provided in this Agreement and the other Loan Documents).

(d) The Administrative Agent shall not be under any obligation to take any action hereunder or under any other Loan Document if the Administrative Agent believes in good faith that taking such action may conflict with any Law or any provision of this Agreement or any other Loan Document, or may require the Administrative Agent to qualify to do business in any jurisdiction where it is not then so qualified.

Section 11.03 Exercise of Powers. The Administrative Agent shall take any action of the type specified in this Agreement or any other Loan Document as being within the Administrative Agent's rights, powers or discretion in accordance with directions from the Required Lenders (or, to the extent this Agreement or such Loan Document expressly requires the direction or consent of some other Person or set of Persons, then instead in accordance with the directions of such other Person or set of Persons). In the absence of such directions, the Administrative Agent shall have the authority (but under no circumstances shall be obligated), in its sole discretion, to take any such action, except to the extent this Agreement or such Loan Document expressly requires the direction or consent of the Required Lenders or all Lenders (or some other Person or set of Persons), in which case the Administrative Agent shall not take such action absent such direction or consent. Any action or inaction pursuant to such direction, discretion or consent shall be binding on all the Lenders. The Administrative Agent shall not have any liability to any Person as a result of (x) the Administrative Agent acting or refraining from acting in accordance with the directions of the Required Lenders (except where such direction directly contravenes an express provision hereof under which the Administrative Agent is required to give notice or apply funds), (y) the Administrative Agent refraining from acting in the absence of instructions to act from the Required Lenders (or other applicable Person or set of Persons), whether or not the Administrative Agent has discretionary power to take such action (except where such instruction directly contravenes an express provision hereof under which the Administrative Agent is required to give notice or apply funds), or (z) the Administrative Agent taking discretionary action it is authorized to take under this Section (subject, in the case of this clause (z), to the provisions of Section 11.04(a) hereof).

Section 11.04 General Exculpatory Provisions. Notwithstanding anything to the contrary elsewhere in this Agreement or any other Loan Document:

(a) The Administrative Agent shall not be liable for any action taken or omitted to be taken by it under or in connection with this Agreement or any other Loan Document, unless caused by its own gross negligence or willful misconduct, as finally determined in a non-appealable judgment by a court of competent jurisdiction.

(b) The Administrative Agent shall not be responsible to any Lender or Issuer for (i) the execution, delivery, effectiveness, enforceability, genuineness, validity or adequacy of this

Agreement or any other Loan Document, (ii) any recital, representation, warranty, document, certificate, report or statement in, provided for in, or received under or in connection with, this Agreement or any other Loan Document, (iii) any failure of any Borrower or Lender to perform any of their respective obligations under this Agreement or any other Loan Document, (iv) the existence, validity, enforceability, perfection, recordation, priority, adequacy or value, now or hereafter, of any lien or other direct or indirect security afforded or purported to be afforded by any of the Loan Documents or otherwise from time to time, or (v) caring for, protecting, insuring, or paying any taxes, charges or assessments with respect to any collateral.

(c) The Administrative Agent shall not be under any obligation to ascertain, inquire or give any notice to any Lender or Issuer relating to (i) the performance or observance of any of the terms or conditions of this Agreement or any other Loan Document on the part of any Borrower, (ii) the business, operations, condition (financial or otherwise) or prospects of any Borrower or any other Person, or (iii) except to the extent set forth in Section 11.05(f) hereof, the existence of any Event of Default or Potential Event of Default.

(d) The Administrative Agent shall not be under any obligation, either initially or on a continuing basis, to provide any Lender or Issuer with any notices, reports or information of any nature, whether in its possession presently or hereafter, except for such notices, reports and other information expressly required by this Agreement or any other Loan Document to be furnished by the Administrative Agent to such Lender or Issuer.

Section 11.05 Administration by the Administrative Agent.

(a) The Administrative Agent may rely upon any notice or other communication of any nature (written or oral, including but not limited to telephone conversations, whether or not such notice or other communication is made in a manner permitted or required by this Agreement or any Loan Document) purportedly made by or on behalf of the proper party or parties, and the Administrative Agent shall not have any duty to verify the identity or authority of any Person giving such notice or other communication.

(b) The Administrative Agent may consult with legal counsel (including, without limitation, in-house counsel for the Administrative Agent or in-house or other counsel for any Borrower), independent public accountants and any other experts selected by it from time to time, and the Administrative Agent shall not be liable for any action taken or omitted to be taken in good faith by it in accordance with the advice of such counsel, accountants or experts.

(c) The Administrative Agent may conclusively rely upon the truth of the statements and the correctness of the opinions expressed in any certificates or opinions furnished to the Administrative Agent in accordance with the requirements of this Agreement or any other Loan Document. Whenever the Administrative Agent shall deem it necessary or desirable that a matter be proved or established with respect to any Borrower or Lender, such matter may be established by a certificate of such Borrower or Lender, as the case may be, and the Administrative Agent may conclusively rely upon such certificate (unless other evidence with respect to such matter is specifically prescribed in this Agreement or another Loan Document).

(d) The Administrative Agent may fail or refuse to take any action unless it shall be indemnified to its satisfaction from time to time against any and all amounts, liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind or nature which may be imposed on, incurred by or asserted against the Administrative Agent by reason of taking or continuing to take any such action.

(e) The Administrative Agent may perform any of its duties under this Agreement or any other Loan Document by or through agents or attorneys-in-fact. The Administrative Agent shall not be responsible for the negligence or misconduct of any agents or attorneys-in fact selected by it with reasonable care.

(f) The Administrative Agent shall not be deemed to have any knowledge or notice of the occurrence of any Event of Default or Potential Event of Default unless the Administrative Agent has received notice from a Lender or any Borrower referring to this Agreement, describing such Event of Default or Potential Event of Default, and stating that such notice is a “notice of default”. If the Administrative Agent receives such a notice, it shall give prompt notice thereof to each Lender and Issuer.

Section 11.06 Lender Not Relying on the Administrative Agent or Other Lenders. Each Lender acknowledges as follows:

(a) Neither the Administrative Agent nor any other Lender has made any representations or warranties to it, and no act taken hereafter by the Administrative Agent or any other Lender shall be deemed to constitute any representation or warranty by the Administrative Agent or such other Lender to it.

(b) It has, independently and without reliance upon the Administrative Agent or any other Lender, and based upon such documents and information as it has deemed appropriate, made its own credit and legal analysis and decision to enter into this Agreement and the other Loan Documents.

(c) It will, independently and without reliance upon the Administrative Agent or any other Lender, and based upon such documents and information as it shall deem appropriate at the time, make its own decisions to take or not take action under or in connection with this Agreement and the other Loan Documents.

Section 11.07 Indemnification. Each Lender agrees to reimburse and indemnify the Administrative Agent, the Sustainability Structuring Agent, each Swingline Lender, each Issuer and their respective directors, officers, employees and agents (to the extent not reimbursed by a Borrower as set forth herein and without limitation of the obligations of the Borrowers to do so as set forth herein), Pro Rata, from and against any and all amounts, losses, liabilities, claims, damages, expenses, obligations, penalties, actions, judgments, suits, costs or disbursements of any kind or nature (including, without limitation, the reasonable fees and disbursements of counsel for the Administrative Agent or such other Person in connection with any investigative, administrative or judicial proceeding commenced or threatened, whether or not the Administrative Agent or such other Person shall be designated a party thereto) that may at any time be imposed on, incurred by or

asserted against the Administrative Agent or such other Person as a result of, or arising out of, or in any way related to or by reason of, this Agreement, any other Loan Document, any transaction from time to time contemplated hereby or thereby, or any transaction financed in whole or in part or directly or indirectly with the proceeds of any Loan; provided that no Lender shall be liable for any portion of such amounts, losses, liabilities, claims, damages, expenses, obligations, penalties, actions, judgments, suits, costs or disbursements resulting from the gross negligence or willful misconduct of the Administrative Agent or such other Person, as finally determined in a non-appealable judgment by a court of competent jurisdiction.

Section 11.08 The Administrative Agent in its Individual Capacity. With respect to its Commitments and the Obligations owing to it, the Administrative Agent shall have the same rights and powers under this Agreement and each other Loan Document as any other Lender and may exercise the same as though it were not the Administrative Agent, and the terms “Lenders,” “holders of Notes” and like terms shall include the Administrative Agent in its individual capacity as such. The Administrative Agent and its Affiliates may, without liability to account, make loans to, accept deposits from, acquire debt or equity interests in, act as trustee under indentures of, and engage in any other business with, any Borrower and any stockholder, subsidiary or Affiliate of any Borrower, as though the Administrative Agent were not an Administrative Agent hereunder.

Section 11.09 Lenders. The Administrative Agent may deem and treat each Lender signatory hereto as a Lender hereunder for all purposes hereof unless and until such Person assigns all of its interests hereunder pursuant to Section 12.14(c) hereof. Any authority, direction or consent of any Person who at the time of giving such authority, direction or consent is shown in the Register as being a Lender shall be conclusive and binding on each present and subsequent transferee or assignee.

Section 11.10 Successor Administrative Agent. The Administrative Agent may resign at any time by giving ten (10) days’ prior written notice thereof to the Lenders, the Issuers and the Parent. The Administrative Agent may be removed by the Required Lenders at any time by giving ten (10) days’ prior written notice thereof to the Administrative Agent, the Issuers, the other Lenders and the Parent. Upon any such resignation or removal, the Required Lenders shall have the right to appoint a successor Administrative Agent, subject to the consent of the Parent (which consent shall not be unreasonably withheld and shall not be required if an Event of Default has occurred and is continuing). If no successor Administrative Agent shall have been so appointed and consented to, and shall have accepted such appointment, within thirty (30) days after such notice of resignation or removal, then the retiring Administrative Agent may, on behalf of the Lenders and Issuers, appoint a successor Administrative Agent; provided that if the Administrative Agent is resigning, the retiring Administrative Agent’s resignation shall nevertheless become effective on the date that is forty (40) days after its initial notice of resignation and the Lenders shall assume and perform all of the duties of the Administrative Agent hereunder until such time, if any, as the Required Lenders appoint a successor agent as provided for above. Each successor Administrative Agent shall be a commercial bank or trust company organized under the laws of the United States of America or any State thereof and having a combined capital and surplus of at least \$1,000,000,000. Upon the acceptance by a successor Administrative Agent of its appointment as Administrative Agent hereunder, such successor Administrative Agent shall thereupon succeed to

and become vested with all the properties, rights, powers, privileges and duties of the former Administrative Agent, without further act, deed or conveyance. Upon the effective date of resignation or removal of a retiring Administrative Agent, such Administrative Agent shall be discharged from its duties under this Agreement and the other Loan Documents, but the provisions of this Agreement shall inure to its benefit as to any actions taken or omitted by it while it was the Administrative Agent under this Agreement.

Section 11.11 Calculations. The Administrative Agent shall not be liable for any calculation, apportionment or distribution of payments made by it in good faith. If such calculation, apportionment or distribution is subsequently determined to have been made in error, the sole recourse of any Lender to whom payment was due but not made shall be to recover from the other Lenders any payment in excess of the amount to which they are determined to be entitled or, if the amount due was not paid by the appropriate Borrower, to recover such amount from the appropriate Borrower.

Section 11.12 The Administrative Agent's Fees. The Parent agrees to pay to the Administrative Agent, for its individual account, a nonrefundable Administrative Agent's fee in an amount and at such time or times as specified in the Mizuho Fee Letter.

Section 11.13 Co-Syndication Agents; Co-Documentation Agents. None of the Lenders identified in this Agreement as a "Co-Syndication Agent" or "Co-Documentation Agent" shall have any right, power, obligation, liability, responsibility or duty under this Agreement in such identified capacity other than those applicable to all Lenders as such. Without limiting the foregoing, none of such Lenders shall have or be deemed to have a fiduciary relationship with any Lender. Each Lender hereby makes the same acknowledgements with respect to such Lenders as it makes with respect to the Administrative Agent in Section 11.06.

ARTICLE XII

MISCELLANEOUS

Section 12.01 Holidays. Whenever any payment or action to be made or taken hereunder or under any other Loan Document shall be stated to be due on a day which is not a Business Day, such payment or action shall be made or taken on the next following Business Day and such extension of time shall be included in computing interest or fees, if any, in connection with such payment or action.

Section 12.02 Records. The unpaid principal amount of the Loans owing to each Lender, the unpaid interest accrued thereon, the interest rate or rates applicable to such unpaid principal amount, the duration of such applicability, each Lender's Revolving Credit Committed Amount shall at all times be ascertained from the records of the Administrative Agent, which shall be conclusive absent manifest error.

Section 12.03 Amendments and Waivers. Neither this Agreement nor any Loan Document may be amended, modified or supplemented except in accordance with the provisions of this Section. The Administrative Agent, the Required Lenders and the Borrowers may from time to

time amend, modify or supplement the provisions of this Agreement or any other Loan Document for the purpose of amending, adding to, or waiving any provisions, or changing in any manner the rights and duties of any Borrower, the Administrative Agent or any Lender; provided, however, that, notwithstanding the foregoing, any amendment, modification or supplement of the provisions of this Agreement or any other Loan Document of the kind described in clauses (a) and (b) of this Section 12.03 may be entered into from time to time by the Administrative Agent, each Lender affected thereby and the Parent. Any such amendment, modification or supplement made by the Borrowers (or the Parent, as the case may be), the Required Lenders and the Administrative Agent in accordance with the provisions of this Section shall be binding upon the Borrowers, each Lender and the Administrative Agent; provided that no amendment, modification or supplement shall be effective which will:

(a) Increase the Revolving Credit Committed Amount of any Lender over the amount thereof then in effect, or extend the Revolving Credit Maturity Date or the Competitive Bid Expiration Date (except in each case in accordance with Section 4.01) or extend the expiration date of any Letter of Credit beyond the Revolving Credit Maturity Date, unless executed by each Lender affected thereby (and, with respect to Letters of Credit, the applicable Issuer);

(b) Reduce the principal amount of or extend (except in accordance with Section 4.01) the scheduled final maturity of any Loan, or reduce the amount of any LC Disbursement, or extend any scheduled payment date or prepayment date of any Loan or LC Disbursement, or reduce the rate of interest or extend the time for payment of interest borne by any Loan, or extend the time for payment of or reduce the amount of any Commitment Fee or reduce or postpone the date for payment of any other fees, expenses, indemnities or amounts payable under any Loan Document, including in each case, pursuant to the terms set forth on Annex A to Schedule I hereto, unless executed by each Lender affected thereby (and, with respect to LC Disbursements, the applicable Issuer);

(c) Change the definition of "Required Lenders", the definition of "Defaulting Lender" or the definition of "Designated Currency" or any provision of this Agreement that states a requirement for the consent of all the Lenders or amend Section 4.12(b) or this Section 12.03, unless executed by all the Lenders;

(d) Amend the third sentence of the fourth paragraph of Section 4.05(a) or Section 12.13, unless executed by all the Lenders;

(e) Amend or waive any of the provisions of Article XI hereof, or impose additional duties upon the Administrative Agent, any Swingline Lender or any Issuer or otherwise adversely affect the rights, interests or obligations of the Administrative Agent, any Swingline Lender or any Issuer, unless executed by the Administrative Agent, such Swingline Lender or such Issuer, as the case may be; or

(f) Release the Parent from any of its obligations under Article X hereof, unless executed by all Lenders;

and provided, further, that (i) Assignment Agreements may be entered into in the manner provided in Section 12.14 hereof and (ii) any fees payable to the Administrative Agent for its own account may be

waived by the Administrative Agent in its sole discretion. Any such amendment, modification or supplement must be in writing and shall be effective only to the extent set forth in such writing. Any Event of Default or Potential Event of Default waived or consented to in any such amendment, modification or supplement shall be deemed to be cured and not continuing to the extent and for the period set forth in such waiver or consent, but no such waiver or consent shall extend to any other or subsequent Event of Default or Potential Event of Default or impair any right consequent thereto. Notwithstanding the foregoing, (i) upon the execution and delivery of all documentation and receipt of all consents required by Section 2.10 to be delivered in connection with an increase in the Total Revolving Credit Commitment, this Agreement shall be deemed amended without further action by any party to reflect, as applicable, the new Lenders and their new Revolving Credit Committed Amounts and any increase in the Revolving Credit Committed Amounts of any existing Lender, (ii) the Administrative Agent and the Borrower may amend or modify this Agreement and any other Loan Document to cure any ambiguity, omission, mistake, defect or inconsistency therein and such amendment shall become effective without any further action or consent of any other party to any Loan Document; provided that prior notice of such amendment shall be given to the Lenders and (iii) the operation of Schedule 1 in accordance with its terms is not an amendment subject to this Section 12.03.

If, in connection with any proposed amendment, waiver or consent requiring the consent of “all Lenders,” “each Lender” or “each Lender directly and adversely affected thereby,” the consent of the Required Lenders is obtained, but the consent of other necessary Lenders is not obtained (any such Lender whose consent is necessary but not obtained being referred to herein as a “Non-Consenting Lender”), then the Parent may elect, at the sole cost and expense of the Borrowers, to replace a Non-Consenting Lender as a Lender party to this Agreement; provided that, concurrently with such replacement, (i) another bank or other entity (which is reasonably satisfactory to the Administrative Agent, each Swingline Lender and each Issuer) shall agree, as of such date, to purchase at par for cash the Loans due to the Non-Consenting Lender and to become a Lender for all purposes under this Agreement and to assume all obligations of the Non-Consenting Lender to be terminated as of such date, and (ii) the Borrower shall pay to such Non-Consenting Lender in same day funds on the day of such replacement all amounts owed to it hereunder and under the other Loan Documents (including with respect to Section 4.08(c) hereof).

Section 12.04 No Implied Waiver; Cumulative Remedies. No course of dealing and no delay or failure of the Administrative Agent or any Issuer or Lender in exercising any right, power or privilege under this Agreement or any other Loan Document shall affect any other or future exercise thereof or exercise of any other right, power or privilege; nor shall any single or partial exercise of any such right, power or privilege or any abandonment or discontinuance of steps to enforce such a right, power or privilege preclude any further exercise thereof or of any other right, power or privilege. The rights and remedies under this Agreement and any other Loan Document are cumulative and not exclusive of any rights or remedies which would otherwise be available at law or in equity.

Section 12.05 Notices.

(a) Except in the case of notices and other communications expressly permitted to be given by telephone (and except as provided in clause (b) below), all notices and other

communications provided for herein shall be in writing and shall be delivered by hand or overnight courier service, mailed by certified or registered mail or sent by facsimile as follows:

- (i) if to the Parent or any Other Borrower, at its address or facsimile number set forth on the signature page hereof;
- (ii) if to the Administrative Agent, at its address or facsimile number set forth on the signature page hereof;
- (iii) if to a Lender, to it at its address or facsimile number set forth in its administrative questionnaire; and
- (iv) if to an Issuer, at its address set forth in its administrative questionnaire or its signature page hereof, as applicable.

Notices sent by hand or overnight courier service, or mailed by certified or registered mail, shall be deemed to have been given when received; notices sent by facsimile shall be deemed to have been given when sent (except that, if not given during normal business hours for the recipient, shall be deemed to have been given at the opening of business on the next Business Day for the recipient). Notices delivered through electronic communications to the extent provided in clause (b) below, shall be effective as provided in said clause (b).

(b) Notices and other communications to the Lenders may be delivered or furnished by electronic communication (including e-mail and internet or intranet websites) pursuant to procedures approved by the Administrative Agent or as otherwise determined by the Administrative Agent; provided that the foregoing shall not apply to notices to any Lender pursuant to Article II if such Lender has notified the Administrative Agent that it is incapable of receiving notices under such Article by electronic communication. The Administrative Agent or the Parent may, in its respective discretion, agree to accept notices and other communications to it hereunder by electronic communications pursuant to procedures approved by it or as it otherwise determines; provided that such determination or approval may be limited to particular notices or communications. Unless the Administrative Agent otherwise prescribes, (i) notices and other communications sent to an e-mail address shall be deemed received upon the sender's receipt of an acknowledgement from the intended recipient (such as by the "return receipt requested" function, as available, return e-mail or other written acknowledgement); provided that if such notice or other communication is not given during the normal business hours of the recipient, such notice or communication shall be deemed to have been given at the opening of business on the next Business Day for the recipient, and (ii) notices or communications posted to an Internet or intranet website shall be deemed received upon the deemed receipt by the intended recipient at its e-mail address as described in the foregoing clause (i) of notification that such notice or communication is available and identifying the website address therefor.

(c) Any party hereto may change its address or facsimile number for notices and other communications hereunder by written notice to (i) the Administrative Agent and the Parent in the case of a change by a Lender or an Issuer, (ii) the Administrative Agent and each Lender in the case of a change by any of the Borrowers or (iii) all other parties hereto in the case of a change by the Administrative Agent.

(d) Any Lender giving any notice to the Borrowers or any other party to a Loan Document shall simultaneously send a copy thereof to the Administrative Agent, and the Administrative Agent shall promptly notify the other Lenders of the receipt by it of any such notice.

(e) The Administrative Agent and each Lender may rely on any notice (whether or not such notice is made in a manner permitted or required by this Agreement or any Loan Document) purportedly made by or on behalf of the Borrowers, and neither the Administrative Agent nor Lender shall have any duty to verify the identity or authority of any Person giving such notice.

Section 12.06 Expenses; Indemnity; No Consequential Damages.

(a) The Parent agrees to pay or cause to be paid and to save the Agents harmless against liability for the payment of all reasonable and documented out-of-pocket costs and expenses incurred by the Agents from time to time arising from or relating to (i) the negotiation, preparation, execution and delivery of this Agreement and the other Loan Documents and (ii) the negotiation, preparation, execution and delivery of any requested amendments, modifications, supplements, waivers or consents (whether or not ultimately entered into or granted) to this Agreement or any Loan Document; provided that, in the case of legal expenses after the Closing Date, payment for such costs and expenses will be limited to the reasonable and documented fees and expenses of one primary counsel and one local counsel in each relevant jurisdiction (and, solely in the case of an actual or perceived conflict of interest, one additional counsel in each relevant jurisdiction to the affected Agents). The Parent agrees to pay or cause to be paid and to save each Issuer harmless against liability for the payment of all reasonable and documented out-of-pocket expenses incurred by such Issuer in connection with its issuance, amendment, renewal or extension of any Letter of Credit or any demand for payment thereunder. The Parent agrees to pay or cause to be paid and to save the Agents, each Issuer and each Lender harmless against liability for the payment of all reasonable and documented out-of-pocket expenses (including but not limited to reasonable and documented fees and expenses of legal counsel, auditors, and all other professional, accounting, evaluation and consulting costs) reasonably incurred after the occurrence of an Event of Default by the Administrative Agent, any Issuer or any Lender from time to time arising from or relating to the enforcement or preservation of rights under this Agreement or any Loan Document; provided that, in the case of legal expenses, payment for such expenses will be limited to the reasonable and documented fees and expenses of one primary counsel and local counsel in each relevant jurisdiction (and, solely in the case of an actual or perceived conflict of interest, one additional counsel in each relevant jurisdiction to the affected Persons).

(b) The Parent hereby agrees to reimburse and indemnify each of the Indemnified Parties from and against any and all losses, liabilities, claims, damages, expenses, obligations, penalties, actions, judgments, suits, costs or disbursements of any kind or nature whatsoever (including, without limitation, the reasonable and documented fees and disbursements of one primary counsel and of local counsel in each relevant jurisdiction for such Indemnified Party in connection with any investigative, administrative or judicial proceeding commenced or threatened, whether or not such Indemnified Party shall be designated a party thereto (and, solely in the case of an actual or perceived conflict of interest, one additional counsel in each relevant jurisdiction to the affected Indemnified Parties)) that may at any time be imposed on, asserted against or incurred by such

Indemnified Party as a result of, or arising out of, or in any way related to or by reason of, this Agreement or any other Loan Document, any transaction from time to time contemplated hereby or thereby, any transaction supported by any Letter of Credit or financed in whole or in part or directly or indirectly with the proceeds of any Loan or Letter of Credit or any refusal by an Issuer to honor a demand for payment under a Letter of Credit if the documents presented in connection with such demand do not strictly comply with the terms of such Letter of Credit, but excluding any such losses, liabilities, claims, damages, expenses, obligations, penalties, actions, judgments, suits, costs or disbursements to the extent they result from (i) the gross negligence or willful misconduct of such Indemnified Party or (ii) any dispute between an Indemnified Party and one or more other Indemnified Parties (other than against an Agent, Swingline Lender or Issuer acting in such a role) that does not involve an act or omission by Parent or any of its Subsidiaries. If and to the extent that the foregoing obligations of the Parent under this clause (b), or any other indemnification obligation of the Parent hereunder or under any other Loan Document, are unenforceable for any reason, the Parent hereby agrees to make the maximum contribution to the payment and satisfaction of such obligations which is permissible under applicable Law. This Section 12.06(b) shall not apply with respect to Taxes other than any Taxes that represent losses, claims, damages, etc. arising from any non-Tax claim.

(c) Without limiting the provisions of Section 12.06(a) or 12.06(b), in no event will any party hereto be liable to any other party hereto for any punitive, special, indirect or consequential damages for any matters arising out of the transactions contemplated hereby; provided, however, that the foregoing limitation shall not be deemed to impair or affect the obligations of the Parent under Section 12.06(a) or Section 12.06(b).

Section 12.07 Severability. The provisions of this Agreement are intended to be severable. If any provision of this Agreement shall be held invalid or unenforceable in whole or in part in any jurisdiction such provision shall, as to such jurisdiction, be ineffective to the extent of such invalidity or unenforceability without in any manner affecting the validity or enforceability thereof in any other jurisdiction or the remaining provisions hereof in any jurisdiction.

Section 12.08 Prior Understandings. This Agreement and the other Loan Documents supersede all prior and contemporaneous understandings and agreements, whether written or oral, among the parties hereto relating to the transactions provided for herein and therein except for the Fee Letters.

Section 12.09 Duration; Survival. All representations and warranties of each Borrower contained herein or in any other Loan Document or made in connection herewith or therewith shall survive the making of, and shall not be waived by the execution and delivery of this Agreement or any other Loan Document, any investigation by or knowledge of the Administrative Agent or any Issuer or Lender, the making of any Loan or issuance or Modification of any Letter of Credit, or any other event or condition whatever. All covenants and agreements of each Borrower contained herein or in any other Loan Document shall continue in full force and effect from and after the date hereof so long as any Borrower may borrow hereunder and until payment in full in cash of all Obligations. Without limitation, all obligations of the Borrowers hereunder or under any other Loan Document to make payments to or indemnify the Administrative Agent or any Lender shall survive the payment in full in cash of all other Obligations, termination of the Borrowers'

right to borrow hereunder, and all other events and conditions whatever, including without limitation the assignment of a Lender's Commitments and Loans and LC Exposure hereunder. In addition, all obligations of each Lender to make payments to or indemnify the Administrative Agent shall survive the payment in full in cash by the Borrowers of all Obligations, termination of the Borrowers' right to borrow hereunder, and all other events or conditions whatever.

Section 12.10 Counterparts: Electronic Execution of Loan Documents. This Agreement may be executed in any number of counterparts and by the different parties hereto on separate counterparts each of which, when so executed, shall be deemed an original, but all such counterparts shall constitute but one and the same instrument. Delivery by fax or other electronic transmission of an executed counterpart of a signature page to this Agreement and each other Loan Document shall be effective as delivery of an original executed counterpart of this Agreement and such other Loan Document and the words "execution," "execute," "signed," "signature," and words of like import in or related to any document to be signed in connection with this Agreement or any other Loan Document shall be deemed to include electronic signatures, the electronic matching of assignment terms and contract formations on electronic platforms approved by the Administrative Agent, or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act. The Administrative Agent may, in its discretion, require that any such documents and signatures executed electronically or delivered by fax or other electronic transmission be confirmed by a manually-signed original thereof; provided that the failure to request or deliver the same shall not limit the effectiveness of any document or signature executed electronically or delivered by fax or other electronic transmission.

Section 12.11 Limitation on Payments. The parties hereto intend to conform to all applicable Laws in effect from time to time limiting the maximum rate of interest that may be charged or collected. Accordingly, notwithstanding any other provision hereof or of any other Loan Document, the Borrowers shall not be required to make any payment to or for the account of any Lender, and each Lender shall refund any payment made by the Borrowers, to the extent that such requirement or such failure to refund would violate or conflict with nonwaivable provisions of applicable Laws limiting the maximum amount of interest which may be charged or collected by such Lender.

Section 12.12 Set-Off. Each Borrower hereby agrees that if an Event of Default has occurred and is continuing, each Lender and Issuer shall have the right, without notice to such Borrower, to set off against and to appropriate and apply to such Obligation any matured indebtedness or other fixed liability or matured obligation of any nature owing to such Borrower by such Lender or Issuer, including but not limited to all deposits (whether time or demand, general or special, provisionally credited or finally credited, whether or not evidenced by a certificate of deposit) now or hereafter maintained by such Borrower with such Lender or Issuer. Such right shall be absolute and unconditional in all circumstances and, without limitation, shall exist whether or not such Lender, such Issuer or any other Person shall have given notice or made any demand to

such Borrower or any other Person, and regardless of the existence or adequacy of any collateral, guaranty or any other security, right or remedy available to any Lender, Issuer or any other Person. Each Borrower hereby agrees that any Participant and any branch, subsidiary or Affiliate of any Lender or Issuer or any Participant shall have the same rights of set-off as a Lender or Issuer as provided in this Section (regardless of whether such Participant, branch, subsidiary or Affiliate would otherwise be deemed in privity with or a direct creditor of such Borrower). The rights provided by this Section are in addition to all other rights of set-off and banker's lien and all other rights and remedies which any Lender or Issuer (or any such Participant, branch, subsidiary or Affiliate) may otherwise have under this Agreement, any other Loan Document, at law or in equity, or otherwise, and nothing in this Agreement or any Loan Document shall be deemed a waiver or prohibition of or restriction on the rights of set-off or bankers' lien of any such Person.

Section 12.13 Sharing of Collections. The Lenders hereby agree among themselves that if any Lender shall receive (by voluntary payment, realization upon security, set-off or from any other source) any amount on account of the Revolving Credit Loans or Swingline Loans and interest thereon or participations in Swingline Loans or unreimbursed LC Disbursements in greater proportion (determined by reference to the aggregate Revolving Credit Exposures at such time) than any such amount received by any other Lender, then the Lender receiving such proportionately greater payment shall notify each other Lender and the Administrative Agent of such receipt, and equitable adjustment will be made in the manner stated in this Section so that, in effect, all such excess amounts will be shared ratably among all of the Lenders. The Lender receiving such excess amount shall purchase (which it shall be deemed to have done simultaneously upon the receipt of such excess amount) for cash from the other Lenders a participation in the applicable Revolving Credit Loans and interest thereon and participations in Swingline Loans or unreimbursed LC Disbursements owed to such other Lenders in such amount as shall result in a ratable sharing by all Lenders of such excess amount (and to such extent the receiving Lender shall be a Participant). If all or any portion of such excess amount is thereafter recovered from the Lender making such purchase, such purchase shall be rescinded and the purchase price restored to the extent of such recovery, together with interest or other amounts, if any, required by Law to be paid by the Lender making such purchase. Each Borrower hereby consents to and confirms the foregoing arrangements. Each Participant shall be bound by this Section as fully as if it were a Lender hereunder.

Section 12.14 Successors and Assigns; Participations; Assignments.

(a) Successors and Assigns. The terms and provisions of the Loan Documents shall be binding upon and inure to the benefit of the Borrowers, the Administrative Agent, the Issuers and the Lenders and their respective successors and assigns permitted hereby, except that (i) the Borrowers shall not have the right to assign their respective rights or obligations under the Loan Documents without the prior written consent of each Lender (except as provided Section 9.01(f)), (ii) any assignment by any Lender must be made in compliance with Section 12.14(c), and (iii) any transfer by participation must be made in compliance with Section 12.14(b). Any attempted assignment or transfer by any party not made in compliance with this Section 12.14 shall, subject to Section 12.14(c)(iii), be null and void. The parties to this Agreement acknowledge that clause (ii) of this Section 12.14(a) relates only to absolute assignments and this Section 12.14 does not prohibit

assignments creating security interests, including, without limitation, (x) any pledge or assignment by any Lender of all or any portion of its rights under this Agreement and any Note to a Federal Reserve Bank or any central bank or (y) in the case of a Lender which is a Fund, any pledge or assignment of all or any portion of its rights under this Agreement and any Note to its trustee in support of its obligations to its trustee; provided, however, that no such pledge or assignment creating a security interest shall release the Assignor Lender from its obligations hereunder unless and until the parties thereto have complied with the provisions of Section 12.14(c). The Administrative Agent may treat the Person which made any Loan or which holds any Note as the owner thereof for all purposes hereof unless and until such Person complies with Section 12.14(c); provided, however, that the Administrative Agent may in its discretion (but shall not be required to) follow instructions from the Person which made any Loan or which holds any Note to direct payments relating to such Loan or Note to another Person. Any assignee of the rights to any Loan or any Note agrees by acceptance of such assignment to be bound by all the terms and provisions of the Loan Documents. Any request, authority or consent of any Person, who at the time of making such request or giving such authority or consent is the owner of the rights to any Loan (whether or not a Note has been issued in evidence thereof), shall be conclusive and binding on any subsequent holder or assignee of the rights to such Loan.

(b) Participations.

(i) Permitted Participants; Effect. Any Lender may at any time sell to one or more banks or other entities (“Participants”) participating interests in any Loan owing to such Lender, any Note held by such Lender, any Revolving Credit Commitment of such Lender or any other interest of such Lender under the Loan Documents. In the event of any such sale by a Lender of participating interests to a Participant, such Lender’s obligations under the Loan Documents shall remain unchanged, such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations, such Lender shall remain the owner of its Loans and the holder of any Note issued to it in evidence thereof for all purposes under the Loan Documents, all amounts payable by the Borrowers under this Agreement shall be determined as if such Lender had not sold such participating interests, and the Borrowers, the Issuers, the Swingline Lenders and the Administrative Agent shall continue to deal solely and directly with such Lender in connection with such Lender’s rights and obligations under the Loan Documents.

(ii) Voting Rights. Each Lender shall retain the sole right to approve, without the consent of any Participant, any amendment, modification or waiver of any provision of the Loan Documents other than any amendment, modification or waiver with respect to any Loan or Commitment in which such Participant has an interest which would require consent of all of the Lenders pursuant to the terms of Section 12.03(a), (b), (c), (d) or (f).

(iii) Benefit of Certain Provisions. The Parent and each of the Other Borrowers agrees that each Participant shall be entitled to the benefits of Sections 4.07, 4.08 and 4.09 to the same extent as if it were a Lender and had acquired

its interest by assignment pursuant to Section 12.14(c); provided that (i) a Participant shall not be entitled to receive any greater payment under Section 4.07, 4.08 or 4.09 than the Lender who sold the participating interest to such Participant would have received had it retained such interest for its own account, unless the sale of such interest to such Participant is made with the prior written consent of the Parent, and (ii) any Participant agrees to comply with the provisions of Section 4.09 to the same extent as if it were a Lender.

(iv) Participant Register. Each Lender that sells a participation shall, acting solely for this purpose an agent of the Parent, maintain a register (or an electronic equivalent thereof) on which it enters the name and address of each Participant and the principal amounts (and stated interest) of each Participant's interest in the Loans or other obligations under this Agreement (the "Participant Register"). The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary; provided that no Lender shall have any obligation to disclose all or any portion of the Participant Register to the Parent or any other Person (including the identity of any Participant or any information relating to a Participant's interest under the Loan Documents) except to the extent that such disclosure is necessary to establish that the Loans or other obligations under the Loan Documents are in registered form under Section 5f-103-1(c) of the United States Treasury Regulations (or any amended or successor version). For the avoidance of doubt, the Administrative Agent shall have no responsibility for maintaining a Participant Register.

(c) Assignments.

(i) Permitted Assignments. Any Lender (each an "Assignor Lender") may at any time assign to one or more banks or other entities (each an "Assignee Lender") all or any part of its rights and obligations under the Loan Documents. Such assignment shall be substantially in the form of Exhibit E or in such other form as may be agreed to by the parties thereto (an "Assignment Agreement"). Each such assignment with respect to an Assignee Lender which is not a Lender, an Affiliate of a Lender or an Approved Fund shall either be in an amount equal to the entire applicable Revolving Credit Commitment and Loans of the Assignor Lender or (unless each of the Parent and the Administrative Agent otherwise consents) be in an aggregate amount not less than \$5,000,000; provided that such consent of the Parent shall be deemed to have been given if the Parent has not responded within fifteen (15) Business Days of a request for such consent and; provided, further, that such consent of the Parent shall not be required if an Event of Default under Section 9.01(a), (b), (i) or (j) has occurred and is continuing. The amount of the assignment shall be based on the Revolving Credit Commitment or outstanding Loans (if the Revolving Credit Commitment has been terminated) subject to the assignment, determined as of the date of such assignment or as of the "Trade Date," if the "Trade Date" is specified in the

assignment. After giving effect to any assignment, the remaining Revolving Credit Commitment of the assigning Lender (or, if the Revolving Credit Commitments have been terminated, then the aggregate principal amount of Loans held by the assigning Lender) shall either be zero or be at least \$10,000,000. Unless such assignment is consented to by the Parent or is required by applicable law, no assignment may be made to an Affiliate of the assigning Lender if such assignment would increase the amounts payable by any Borrower hereunder. No assignment may be made hereunder if such assignment violates applicable law.

(ii) Consents. The consent of the Parent shall be required prior to an assignment becoming effective unless the Assignee Lender is a Lender, an Affiliate of a Lender or an Approved Fund; provided that the consent of the Parent shall be deemed to have been given if the Parent has not responded within fifteen (15) Business Days of a request for such consent and; provided, further, that the consent of the Parent shall not be required if an Event of Default under Section 9.01(a), (b), (i) or (j) has occurred and is continuing. The consent of the Administrative Agent, each Swingline Lender and each Issuer shall be required prior to an assignment becoming effective; provided that the consent of the Administrative Agent shall not be required for an assignment to a Lender, an Affiliate of a Lender or an Approved Fund. Any consent required under this Section 12.14(c)(ii) shall not be unreasonably withheld or delayed.

(iii) Effect; Effective Date. Upon (i) delivery to the Administrative Agent of an assignment, together with any consents required by Section 12.14(c)(ii), (ii) payment of a \$3,500 fee to the Administrative Agent for processing such assignment (unless such fee is waived by the Administrative Agent) and (iii) if the Assignee Lender is not a Lender, delivery to the Administrative Agent of an administrative questionnaire in which the assignee designates one or more credit contacts to whom all syndicate-level information (which may contain material non-public information) will be made available and who may receive such information in accordance with the assignee's compliance procedures and applicable laws, including Federal, State and foreign securities laws and any tax forms required by Section 4.09, such assignment shall become effective on the effective date specified in such assignment. The assignment shall contain a representation by the Assignee Lender to the effect that none of the consideration used to make the purchase of the Revolving Credit Commitment and Loans under the applicable assignment agreement constitutes "plan assets" as defined under ERISA and that the rights and interests of the Assignee Lender in and under the Loan Documents will not be "plan assets" under ERISA. On and after the effective date of such assignment, such Assignee Lender shall for all purposes be a Lender party to this Agreement and any other Loan Document executed by or on behalf of the Lenders and shall have all the rights and obligations of a Lender under the Loan Documents, to the same extent as if it were an original party thereto, and the Assignor Lender shall be released with respect to the Revolving Credit Commitment and Loans and LC Exposure assigned to such Assignee Lender without any further consent or action by the Borrowers, the Lenders or the Administrative Agent. In the

case of an assignment covering all of the Assignor Lender's rights and obligations under this Agreement, such Lender shall cease to be a Lender hereunder but shall continue to be entitled to the benefits of, and subject to, those provisions of this Agreement and the other Loan Documents which survive payment of the Obligations and termination of the applicable agreement. Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this Section 12.14(c) shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with Section 12.14(b). Upon the consummation of any assignment to an Assignee Lender pursuant to this Section 12.14(c), the Assignor Lender, the Administrative Agent and the Borrowers shall, if the Assignor Lender or the Assignee Lender desires that its Loans be evidenced by Notes, make appropriate arrangements so that new Notes or, as appropriate, replacement Notes are issued to such Assignor Lender and new Notes or, as appropriate, replacement Notes, are issued to such Assignee Lender, in each case in principal amounts reflecting their respective Revolving Credit Commitments, as adjusted pursuant to such assignment.

(d) Register. The Administrative Agent shall maintain at its office a copy of each assignment hereunder delivered to it and a register (or an electronic equivalent thereof) (the "Register") for the recordation of the names and addresses of the Lenders and the Commitments of, and principal amount (and stated interest) of the Loans and LC Disbursements owing to, each Lender from time to time. The entries in the Register shall be conclusive absent manifest error and the Borrowers, the Administrative Agent, the Issuers and the Lenders shall treat each Person whose name is recorded in the Register as a Lender hereunder for all purposes of the Agreement. The Register shall be available for inspection by the Borrowers or any Issuer or Lender, as to its commitment only, at any reasonable time and from time to time upon reasonable prior notice.

(e) Financial and Other Information. Each Borrower authorizes the Administrative Agent and each Issuer and Lender to disclose to any Participant, Assignee Lender or any Affiliate of such Lender (each, a "transferee") and any prospective transferee any and all financial and other information in such Person's possession concerning any Borrower and their respective Subsidiaries and Affiliates which has been or may be delivered to such Person by or on behalf of any Borrower in connection with this Agreement or any other Loan Document or such Person's credit evaluation of any Borrower and their respective Subsidiaries and Affiliates; provided that such transferee or prospective transferee agrees in writing to maintain the confidentiality of any such information provided by the Parent pursuant to Section 7.01(c)(iv) hereof. At the request of any Lender, the Parent, at the Parent's expense, shall provide to each prospective transferee the conformed copies of documents referred to in Section 7 of the form of Assignment Agreement.

Section 12.15 Judgment Currency.

(a) Judgment Currency. The specification in this Agreement and in the Notes of payment in a particular currency at the Administrative Agent's Office is of the essence hereof and thereof. If any court or tribunal shall render a judgment or order for the payment of any amounts owing by any Borrower to any Issuer or Lender or the Administrative Agent under this Agreement or any Note or for the payment by any Borrower of damages in respect of any breach of this Agreement or

any Note or under or in respect of a judgment or order of another court or tribunal for payment of such amounts or damages, and if such judgment or order is expressed in a currency (the “Judgment Currency”) other than the currency payable hereunder (the “Contractual Currency”), the Relevant Borrower shall indemnify and hold harmless such Issuer or Lender or the Administrative Agent against any deficiency in terms of the Contractual Currency in the amounts received by such Issuer or Lender or the Administrative Agent arising or resulting from any variation as between (i) the rate of exchange at which the Contractual Currency is converted into the Judgment Currency for the purposes of such judgment or order and (ii) the rate of exchange at which such Issuer or Lender or the Administrative Agent would, in accordance with normal banking procedures, purchase the Contractual Currency with the amount of the Judgment Currency actually received by such Issuer or Lender or the Administrative Agent on the Business Day following such receipt by such Issuer or Lender or the Administrative Agent.

(b) Liquidation Currency. If any Borrower shall wind up, liquidate, dissolve or become bankrupt while there remains outstanding any amounts owing by such Borrower to any Issuer or Lender or the Administrative Agent under this Agreement or any Note or any damages owing by such Borrower to any Issuer or Lender or the Administrative Agent in respect of a breach of this Agreement or any Note or any judgment or order rendered against such Borrower in respect of such amounts or damages, such Borrower shall indemnify and hold such Issuer or Lender or the Administrative Agent harmless against any deficiency in terms of the Contractual Currency in the amounts received by such Issuer or Lender or the Administrative Agent arising or resulting from any variation as between (i) the rate of exchange at which the Contractual Currency is converted into another currency (the “Liquidation Currency”) for purposes of such winding-up, liquidation, dissolution or bankruptcy with regard to the amount in the Contractual Currency due under this Agreement or any Note (other than this Section 12.15(b)) or under any judgment or order into which the relevant obligations under this Agreement or any Note shall have been merged and (ii) the rate of exchange at which such Issuer or Lender or the Administrative Agent would, in accordance with normal banking procedures, be able to purchase the Contractual Currency with the Liquidation Currency at the earlier of (A) the date of payment of such amounts or damages and (B) the final date or dates for the filing of proofs of a claim in such winding-up, liquidation, dissolution or bankruptcy. As used in the preceding sentence, the “final date or dates for the filing of proofs of a claim in a winding-up, liquidation, dissolution or bankruptcy” shall be the date fixed by the liquidator or other appropriate Person or otherwise applicable under applicable Law as being the last practicable date as of which the liabilities of the Borrower may be ascertained for such winding-up, liquidation, dissolution or bankruptcy before payment by the liquidator or other appropriate Person in respect thereof.

(c) Independent Obligations. The indemnities provided by Sections 12.15(a) and (b) hereof shall constitute obligations of each Borrower separate and independent from its other obligations under this Agreement and the Notes, shall give rise to separate and independent causes of action against each Borrower, shall apply irrespective of any indulgence granted by any Issuer or Lender or the Administrative Agent from time to time and shall continue in full force and effect notwithstanding any judgment or order or the filing of any proof or proofs in the winding-up, liquidation, dissolution or bankruptcy of any Borrower for a liquidated sum or sums in respect of other amounts due under this Agreement or any Note or any damages owing to any Issuer or Lender or the

Administrative Agent in respect of a breach of this Agreement or any Note or any judgment rendered in respect of such amounts or damages.

Section 12.16 Governing Law; Submission to Jurisdiction; Waiver of Jury

Trial.

(a) Governing Law. THIS AGREEMENT AND ALL OTHER LOAN DOCUMENTS AND ANY CLAIM, CONTROVERSY, DISPUTE, PROCEEDING OR CAUSE OF ACTION (WHETHER IN CONTRACT, TORT OR OTHERWISE AND WHETHER AT LAW OR IN EQUITY) BASED UPON, ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT (EXCEPT TO THE EXTENT, IF ANY, OTHERWISE EXPRESSLY STATED IN SUCH OTHER LOAN DOCUMENTS) AND THE TRANSACTIONS CONTEMPLATED HEREBY AND THEREBY SHALL BE GOVERNED BY, CONSTRUED AND ENFORCED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK, WITHOUT REGARD TO CHOICE OF LAW PRINCIPLES (OTHER THAN SECTION 5-1401 OF THE NEW YORK GENERAL OBLIGATION LAW AND SUCCESSOR PROVISIONS THERETO).

(b) Certain Waivers. EACH BORROWER, LENDER, ISSUER AND THE ADMINISTRATIVE AGENT WAIVES THE RIGHT TO TRIAL BY JURY IN ANY ACTION, SUIT OR PROCEEDING (WHETHER IN CONTRACT, TORT OR OTHERWISE AND WHETHER AT LAW OR IN EQUITY) BY ANY PERSON ARISING FROM OR RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENTS OR ANY STATEMENT, COURSE OF CONDUCT, ACT, OMISSION OR EVENT OCCURRING IN CONNECTION HEREWITH OR THEREWITH (COLLECTIVELY, "RELATED LITIGATION"). IN ADDITION, EACH BORROWER HEREBY IRREVOCABLY AND UNCONDITIONALLY:

(i) AGREES THAT ANY RELATED LITIGATION BY ANY ISSUER OR LENDER OR THE ADMINISTRATIVE AGENT MAY BE BROUGHT IN ANY STATE OR FEDERAL COURT OF COMPETENT JURISDICTION SITTING IN NEW YORK COUNTY, NEW YORK, AND SUBMITS TO THE JURISDICTION OF SUCH COURTS (BUT NOTHING HEREIN SHALL AFFECT THE RIGHT OF THE ADMINISTRATIVE AGENT OR ANY ISSUER, LENDER OR BORROWER TO BRING ANY ACTION, SUIT OR PROCEEDING IN ANY OTHER FORUM);

(ii) WAIVES ANY OBJECTION WHICH IT MAY HAVE AT ANY TIME TO THE LAYING OF VENUE OF ANY RELATED LITIGATION BROUGHT IN ANY SUCH COURT, WAIVES ANY CLAIM THAT ANY SUCH RELATED LITIGATION HAS BEEN BROUGHT IN AN INCONVENIENT FORUM, AND WAIVES ANY RIGHT TO OBJECT, WITH RESPECT TO ANY RELATED LITIGATION BROUGHT IN ANY SUCH COURT, THAT SUCH COURT DOES NOT HAVE JURISDICTION OVER SUCH BORROWER; AND

(iii) CONSENTS AND AGREES TO SERVICE OF ANY SUMMONS, COMPLAINT OR OTHER LEGAL PROCESS IN ANY RELATED LITIGATION BY REGISTERED OR CERTIFIED U.S. MAIL, POSTAGE PREPAID, TO SUCH BORROWER AT THE ADDRESS FOR NOTICES DESCRIBED IN SECTION 12.05 HEREOF, AND CONSENTS AND AGREES THAT SUCH SERVICE SHALL CONSTITUTE IN EVERY RESPECT VALID AND EFFECTIVE SERVICE (BUT NOTHING HEREIN SHALL AFFECT THE VALIDITY OR EFFECTIVENESS OF PROCESS SERVED IN ANY OTHER MANNER PERMITTED BY LAW).

Section 12.17 USA PATRIOT Act Notification. The following notification is provided to the Borrowers pursuant to the Beneficial Ownership Regulation and Section 326 of the USA PATRIOT Act:

IMPORTANT INFORMATION ABOUT PROCEDURES FOR OPENING A NEW ACCOUNT. To help the government fight the funding of terrorism and money laundering activities, Federal law requires all financial institutions to obtain, verify, and record information that identifies each person or entity that opens an account, including any deposit account, treasury management account, loan, other extension of credit, or other financial services product. What this means for the Borrowers: When the Borrower opens an account, if the Borrower is an individual, the Administrative Agent and the Lenders will ask for the Borrower's name, residential address, tax identification number, date of birth, and other information that will allow the Administrative Agent and the Lenders to identify the Borrower, and, if the Borrower is not an individual, the Administrative Agent and the Lenders will ask for the Borrower's name, tax identification number, business address, and other information that will allow the Administrative Agent and the Lenders to identify the Borrower. The Administrative Agent and the Lenders may also ask, if the Borrower is an individual, to see the Borrower's driver's license or other identifying documents, and, if the Borrower is not an individual, to see the Borrower's legal organizational documents or other identifying documents.

Section 12.18 Confidentiality. The Administrative Agent and each Issuer and Lender agrees to hold any non-public information which it may receive from the Borrowers in connection with this Agreement in confidence, except for disclosure (i) to its Affiliates and any agents engaged in connection with this Agreement and to the Administrative Agent and any Issuer or other Lender and their respective Affiliates and any agents engaged in connection with this Agreement, (ii) to legal counsel, accountants, and other professional advisors and agents to such Person, (iii) to regulatory officials and agencies or self-regulatory body or to any credit insurance provider relating to the Borrowers and their obligations under the Loan Documents, (iv) to any Person as required by law, regulation, or legal process, (v) to any Person in connection with any legal proceeding to which it is a party to the extent such disclosure is required by law, (vi) to its direct or indirect contractual counterparties in swap agreements involving this Agreement or to legal counsel, accountants and other professional advisors to such counterparties, (vii) subject to an agreement containing provisions substantially the same as those of this Section, to any assignee of

or Participant in, or any prospective assignee of or Participant in, any of its rights and obligations under this Agreement and (viii) in connection with the exercise of any remedies hereunder or under any other Loan Document or any action or proceeding relating to this Agreement or any other Loan Document or the enforcement of rights hereunder or thereunder. The Borrowers agree that the terms of this Section 12.18 shall set forth the entire agreement between the Borrowers and each Issuer and Lender (including the Administrative Agent) with respect to any confidential information previously or hereafter received by such Issuer or Lender in connection with this Agreement, and this Section 12.18 shall supersede any and all prior confidentiality agreements entered into by such Issuer or Lender with respect to such confidential information. In connection with any disclosure of confidential information pursuant to item (i), (ii) or (vi) above, the disclosing party shall inform the Persons to whom such disclosure is made of the confidential nature of such information and instruct them to keep such information confidential.

Section 12.19 Platform.

(a) The Borrowers agree that the Administrative Agent may, but shall not be obligated to, make the Communications (as defined below) available to the Issuers and the other Lenders by posting the Communications on Debt Domain, Intralinks, Syndtrak or a substantially similar electronic transmission system (the “Platform”).

(b) The Platform is provided “as is” and “as available.” The Agents Parties (as defined below) do not warrant the adequacy of the Platform and expressly disclaim liability for errors or omissions in the Communications. No warranty of any kind, express, implied or statutory, including, without limitation, any warranty of merchantability, fitness for a particular purpose, non-infringement of third-party rights or freedom from viruses or other code defects, is made by any Agent Party in connection with the Communications or the Platform. In no event shall the Administrative Agent or any of its Affiliates, officers, directors, employees, agents or advisors (collectively, the “Agent Parties”) have any liability to the Borrowers, any Lender or any other Person or entity for damages of any kind, including, without limitation, direct or indirect, special, incidental or consequential damages, losses or expenses (whether in tort, contract or otherwise) arising out of the Borrowers’ or the Administrative Agent’s transmission of communications through the Platform. “Communications” shall mean, collectively, any notice, demand, communication, information, document or other material provided by or on behalf of the Borrowers pursuant to any Loan Document or the transactions contemplated therein which is distributed to the Administrative Agent, any Lender or any Issuer by means of electronic communications pursuant to this Section, including through the Platform.

Section 12.20 Termination of Existing Credit Agreement. Each Lender that is a party to the Existing Agreement hereby waives the requirement set forth in Section 2.05(c) of the Existing Agreement that the Parent give at least three (3) Business Days’ notice of termination of the “Total Revolving Credit Commitment” as defined in the Existing Agreement.

Section 12.21 Acknowledgement and Consent to Bail-In of Affected Financial Institutions. Notwithstanding anything to the contrary in any Loan Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any Affected Financial Institution arising under any Loan Document, to the extent such liability is unsecured, may be subject to the write-down and conversion powers of the

applicable Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

(a) the application of any Write-Down and Conversion Powers by the applicable Resolution Authority to any such liabilities arising hereunder which may be payable to it by any party hereto that is an Affected Financial Institution; and

(b) the effects of any Bail-In Action on any such liability, including, if applicable:

(i) reduction in full or in part or cancellation of any such liability;

(ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such Affected Financial Institution, its parent undertaking, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Loan Document; or

(iii) the variation of the terms of such liability in connection with the exercise of the write-down and conversion powers of the applicable Resolution Authority.

Section 12.22 Certain ERISA Matters.

(a) Each Lender (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, for the benefit of, the Administrative Agent and not, for the avoidance of doubt, to or for the benefit of the Parent or any Other Borrower, that at least one of the following is and will be true:

(i) such Lender is not using “plan assets” (within the meaning of Section 3(42) of ERISA or otherwise) of one or more Benefit Plans with respect to such Lender’s entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments or this Agreement,

(ii) the transaction exemption set forth in one or more PTEs, such as PTE 84-14 (a class exemption for certain transactions determined by independent qualified professional asset managers), PTE 95-60 (a class exemption for certain transactions involving insurance company general accounts), PTE 90-1 (a class exemption for certain transactions involving insurance company pooled separate accounts), PTE 91-38 (a class exemption for certain transactions involving bank collective investment funds) or PTE 96-23 (a class exemption for certain transactions determined by in-house asset managers), is applicable with respect to such Lender’s

entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement,

(iii) (A) such Lender is an investment fund managed by a “Qualified Professional Asset Manager” (within the meaning of Part VI of PTE 84-14), (B) such Qualified Professional Asset Manager made the investment decision on behalf of such Lender to enter into, participate in, administer and perform the Loans, the Letters of Credit, the Commitments and this Agreement, (C) the entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement satisfies the requirements of sub-sections (b) through (g) of Part I of PTE 84-14 and (D) to the best knowledge of such Lender, the requirements of subsection (a) of Part I of PTE 84-14 are satisfied with respect to such Lender’s entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement, or

(iv) such other representation, warranty and covenant as may be agreed in writing between the Administrative Agent, in its sole discretion, and such Lender.

(b) In addition, unless either (1) sub-clause (i) in the immediately preceding clause (a) is true with respect to a Lender or (2) a Lender has provided another representation, warranty and covenant in accordance with sub-clause (iv) in the immediately preceding clause (a), such Lender further (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, for the benefit of, the Administrative Agent and not, for the avoidance of doubt, to or for the benefit of the Borrower or any Other Borrower, that the Administrative Agent is not a fiduciary with respect to the assets of such Lender involved in such Lender’s entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement (including in connection with the reservation or exercise of any rights by the Administrative Agent under this Agreement, any Loan Document or any documents related hereto or thereto).

Section 12.23 Acknowledgement Regarding Any Supported QFCs. To the extent that the Loan Documents provide support, through a guarantee or otherwise, for swap agreements or any other agreement or instrument that is a QFC (such support, “QFC Credit Support” and each such QFC a “Supported QFC”), the parties acknowledge and agree as follows with respect to the resolution power of the Federal Deposit Insurance Corporation under the Federal Deposit Insurance Act and Title II of the Dodd-Frank Wall Street Reform and Consumer Protection Act (together with the regulations promulgated thereunder, the “U.S. Special Resolution Regimes”) in respect of such Supported QFC and QFC Credit Support (with the provisions below applicable notwithstanding that the Loan Documents and any Supported QFC may in fact be stated to be governed by the laws of the State of New York and/or of the United States or any other state of the United States):

(a) In the event a Covered Entity that is party to a Supported QFC (each, a “Covered Party”) becomes subject to a proceeding under a U.S. Special Resolution Regime, the

transfer of such Supported QFC and the benefit of such QFC Credit Support (and any interest and obligation in or under such Supported QFC and such QFC Credit Support, and any rights in property securing such Supported QFC or such QFC Credit Support) from such Covered Party will be effective to the same extent as the transfer would be effective under the U.S. Special Resolution Regime if the Supported QFC and such QFC Credit Support (and any such interest, obligation and rights in property) were governed by the laws of the United States or a state of the United States. In the event a Covered Party or a BHC Act Affiliate of a Covered Party becomes subject to a proceeding under a U.S. Special Resolution Regime, Default Rights under the Loan Documents that might otherwise apply to such Supported QFC or any QFC Credit Support that may be exercised against such Covered Party are permitted to be exercised to no greater extent than such Default Rights could be exercised under the U.S. Special Resolution Regime if the Supported QFC and the Loan Documents were governed by the laws of the United States or a state of the United States. Without limitation of the foregoing, it is understood and agreed that rights and remedies of the parties with respect to a Defaulting Lender shall in no event affect the rights of any Covered Party with respect to a Supported QFC or any QFC Credit Support.

(b) As used in this Section 12.23, the following terms have the following meanings:

“BHC Act Affiliate” of a party shall mean an “affiliate” (as such term is defined under, and interpreted in accordance with, 12 U.S.C. 1841(k)) of such party.

“Covered Entity” shall mean any of the following: (i) a “covered entity” as that term is defined in, and interpreted in accordance with, 12 C.F.R. § 252.82(b); (ii) a “covered bank” as that term is defined in, and interpreted in accordance with, 12 C.F.R. § 47.3(b); or (iii) a “covered FSI” as that term is defined in, and interpreted in accordance with, 12 C.F.R. § 382.2(b).

“Default Right” shall have the meaning assigned to that term in, and shall be interpreted in accordance with, 12 C.F.R. §§ 252.81, 47.2 or 382.1, as applicable.

“QFC” shall have the meaning assigned to the term “qualified financial contract” in, and shall be interpreted in accordance with, 12 U.S.C. 5390(c)(8)(D).

(ii) no Revolving Credit Loans shall be made hereunder to the extent that such Revolving Credit Loans would cause the Dollar Equivalent Amount of the Total Revolving Credit Exposure and Competitive Bid Loans then outstanding to exceed the Total Revolving Credit Commitment.

(b) Nature of Credit. Within the limits of time and amount set forth in this Section 2.01, and subject to the provisions of this Agreement, the Borrowers may borrow, repay and

reborrow Revolving Credit Loans hereunder. Each Revolving Credit Loan shall be made to a single Borrower and shall be made in one of the Designated Currencies selected by the Parent in accordance with this Article II.

In such event, the Borrowers shall prepare, execute and deliver to such Lender such Notes payable to the order of such Lender. (i) At any time when the Parent shall select, convert to or renew the Euro-Rate Option to apply to any part of the Revolving Credit Loans or Term Loans, the Parent shall specify one or more periods during which each such Option shall apply (the “Euro-Rate Funding Periods”), such Euro-Rate Funding Periods being one, three or six months; provided that (y) each Euro-Rate Funding Period shall begin on a Business Day, and the term “month”, when used in connection with a Euro-Rate Funding Period, shall be construed in accordance with prevailing practices in the interbank eurocurrency market at the commencement of such Euro-Rate Funding Period, as determined in good faith by the Administrative Agent (which determination shall be conclusive) and (z) the Parent may not select a Euro-Rate Funding Period that would end after the Revolving Credit Maturity Date, unless a Term-Out Election has been made pursuant to Section 4.01 in which case such Euro-Rate Funding Period may not end after the Term Loan Maturity Date;

(ii) At any time when the Parent shall select, convert to or renew the Adjusted Term SOFR Rate Option to apply to any part of the Revolving Credit Loans or Term Loans, the Parent shall specify one or more periods during which each such Option shall apply (the “Adjusted Term SOFR Funding Period”), such Adjusted Term SOFR Funding Periods being one, three or six months; provided that (y) each Adjusted Term SOFR Funding Period shall begin on a U.S. Government Securities Business Day, and the term “month”, when used in connection with an Adjusted Term SOFR Funding Period, shall be construed in accordance with prevailing practices in the market at the commencement of such Adjusted Term SOFR Funding Period, as determined in good faith by the Administrative Agent (which determination shall be conclusive); and (z) the Parent may not select a Adjusted Term SOFR Funding Period that would end after the Revolving Credit Maturity Date, unless a Term-Out Election has been made pursuant to Section 4.01 in which case such Adjusted Term SOFR Funding Period may not end after the Term Loan Maturity Date; and

(iii) At any time when the Parent shall select, convert to or renew the Adjusted Term CORRA Rate Option to apply to any part of the Revolving Credit Loans or Term Loans, the Parent shall specify one or more periods during which each such Option shall apply (the “Adjusted Term CORRA Funding Period”), such Adjusted Term CORRA Funding Periods being one or three months; provided that (x) each Adjusted Term CORRA Funding Period shall begin on a Business Day, and the term “month”, when used in connection with an Adjusted Term CORRA Funding Period, shall be construed in accordance with prevailing practices in the relevant market at the commencement of such Adjusted Term CORRA Funding Period, as determined in good faith by the Administrative Agent (which determination shall be conclusive) and (z) the Parent may not select an Adjusted Term CORRA Funding Period that would end after the Revolving Credit Maturity Date, unless a Term-Out Election has been made pursuant to Section 4.01 in which case such Adjusted Term CORRA Funding Period may not end after the Term Loan Maturity Date.

(c) Transactional Amounts. Every selection of, conversion from, conversion to or renewal of an interest rate Option and every payment or prepayment of any Revolving Credit Loans or Term Loans shall be either:

(i) in a principal amount such that after giving effect thereto the aggregate principal amount of the Base Rate Portion of the Revolving Credit Loans or Term Loans, as applicable, or the aggregate principal amount of each Funding Segment of the Euro-Rate Portion of the Revolving Credit Loans, shall be (A) in the case of Loans denominated in Dollars, \$5,000,000 or a higher integral multiple of \$1,000,000 and (B) in the case of Loans denominated in a currency other than Dollars, an amount the Dollar Equivalent Amount of which is greater than \$5,000,000 and which is an integral multiple of the amount determined by the Administrative Agent from time to time to be the basic unit in which such currency is funded in the eurocurrency market; or

(ii) in the case of a prepayment by any Borrower, if the principal amount of the Base Rate Portion of the Loans, the principal amount of the SONIA Portion of the Loans or the aggregate principal amount of a Funding Segment of the Euro-Rate Portion or Adjusted Term CORRA Rate Portion of the Loans is a Dollar Equivalent Amount of less than \$5,000,000, in a principal amount equal to such principal amount.

(d) Euro-Rate, Daily Simple RFR, Adjusted Term SOFR Rate or Adjusted Term CORRA Rate Unascertainable; Impracticability.

(i) If (A) on any date on which a Euro-Rate, Daily Simple RFR (with respect to Sterling), Adjusted Term SOFR Rate or Adjusted Term CORRA Rate would otherwise be set, the Administrative Agent shall have determined in good faith (which determination shall be conclusive absent manifest error) that:

(1) the Administrative Agent reasonably determines (A) prior to the commencement of any Funding Period for a Term Benchmark Borrowing, that adequate and reasonable means do not exist for ascertaining the Adjusted Term SOFR Rate, the Adjusted EURIBOR Rate, the Euro-Rate (including because the Relevant Screen Rate is not available or published on a current basis) or Adjusted Term CORRA Rate, as applicable, for the applicable Designated Currency and such Funding Period or (B) at any time, that adequate and reasonable means do not exist for ascertaining the applicable Adjusted Daily Simple RFR, Daily Simple RFR or RFR for the applicable Designated Currency; or

(2) the Administrative Agent is advised by the Required Lenders that (A) prior to the commencement of any Funding Period for a Term Benchmark Borrowing, the Adjusted Term SOFR Rate, the Adjusted EURIBOR Rate or the Adjusted Term CORRA

Rate, as applicable, for the applicable Designated Currency and such Funding Period will not adequately and fairly reflect the cost to such Lenders (or Lender) of making or maintaining their Loans (or its Loan) included in such Borrowing for the applicable Designated Currency and such Funding Period or (B) at any time, the applicable Adjusted Daily Simple RFR for the applicable Designated Currency will not adequately and fairly reflect the cost to such Lenders (or Lender) of making or maintaining their Loans (or its Loan) included in such Borrowing for the applicable Designated Currency;

then upon the occurrence of subclause (1) or (2) hereof, the Administrative Agent shall give notice thereof to the Borrower and the Lenders by telephone, telecopy or electronic mail as promptly as practicable thereafter, with respect to any new Option or extension thereof or with respect to any Term Benchmark Loan or RFR Loan in any Designated Currency that is outstanding on the date of the Borrower's receipt of the notice from the Administrative Agent referred to in this Section 2.06 with respect to a Relevant Rate applicable to such Term Benchmark Loan or RFR Loan, until (x) the Administrative Agent notifies the Borrower and the Lenders that the circumstances giving rise to such notice no longer exist with respect to the relevant Benchmark and (y) in the case of any of the foregoing before the initiation of an Option, until the Relevant Borrower delivers an election of a new Option, (A) for Loans denominated in Dollars that are subject to the event described in subclause (1) or (2) above and identified in the Administrative Agent's notice, (1) any such Term Benchmark Loan shall on the last day of the Funding Period applicable to such Loan (or the next succeeding Business Day if such day is not a Business Day), be converted by the Administrative Agent to, and shall constitute, (I) an RFR Loan denominated in Dollars (or, in the case of a pending request, deemed to be a request for a conversion to an RFR Loan denominated in Dollars) so long as the Adjusted Daily Simple RFR for Borrowings in Dollars is not the subject of the event in subclause (1) or (2) above and identified in the Administrative Agent's notice or (II) a Base Rate Loan (or, in the case of a pending request, deemed to be a request for a conversion to a Base Rate Loan) if the Adjusted Daily Simple RFR for Borrowings in Dollars is the subject of the event in subclause (1) or (2) above and identified in the Administrative Agent's notice and (2) any such RFR Loan shall on and from such day be converted by the Administrative Agent to (or, in the case of a pending request, deemed to be a request for), and shall constitute (or a request for, as applicable) a Base Rate Loan and (B) for Loans denominated in an Alternative Currency that are subject to the event described in subclause (1) or (2) above and identified in the Administrative Agent's notice, (1) any such Term Benchmark Loan shall, on the last day of the Funding Period applicable to such Loan (or the next succeeding Business Day if such day is not a Business Day) bear (or, in the case of a pending request, deemed to be a request for a Loan bearing) interest at the Central Bank Rate for the applicable Designated Currency plus the CBR Spread; provided that, if the Administrative Agent determines (which determination shall be conclusive and binding absent manifest error) that the Central Bank Rate for the applicable Designated Currency cannot be determined, any outstanding affected Term Benchmark Loans denominated in any

Designated Currency shall, at the Parent's election prior to such day: (A) be prepaid by the Parent on such day or (B) solely for the purpose of calculating the interest rate applicable to such Term Benchmark Loan, such Term Benchmark Loan denominated in any Designated Currency shall be deemed to be a Term Benchmark Loan denominated in Dollars and shall accrue interest at the same interest rate applicable to Term Benchmark Loans denominated in Dollars at such time, (2) any such Term CORRA Loan shall, on the last day of the Funding Period applicable to such Loan (or the next succeeding Business Day if such day is not a Business Day) bear interest at the Canadian Prime Rate; provided that, if the Administrative Agent determines (which determination shall be conclusive and binding absent manifest error) that the Canadian Prime Rate cannot be determined, any outstanding affected Term CORRA Loans shall, at the Parent's election prior to such day: (A) be converted into Base Rate Loans denominated in Dollars (in an amount equal to the Dollar Equivalent Amount of the Canadian Dollars) immediately or (B) be prepaid in full immediately and (3) any such RFR Loan shall bear interest at the Central Bank Rate for the applicable Designated Currency plus the CBR Spread; provided that, if the Administrative Agent determines (which determination shall be conclusive and binding absent manifest error) that the Central Bank Rate for the applicable Designated Currency cannot be determined, any outstanding affected RFR Loans denominated in any Designated Currency, at the Parent's election, shall either (A) be converted into Base Rate Loans denominated in Dollars (in an amount equal to the Dollar Equivalent Amount of such Designated Currency) immediately or (B) be prepaid in full immediately.

(B) at any time any Lender shall have determined in good faith (which determination shall be conclusive absent manifest error) that the making, maintenance or funding of any part of the Euro-Rate Portion, Adjusted Term SOFR Rate Portion, SONIA Portion or Adjusted Term CORRA Rate Portion has been made impracticable or unlawful by compliance by such Lender or a Notional Funding Office in good faith with any Law or guideline or interpretation or administration thereof by any Governmental Authority charged with the interpretation or administration thereof or with any request or directive of any such Governmental Authority (whether or not having the force of law); then, and in any such event, the Administrative Agent or such Lender, as the case may be, may notify the Parent of such determination (and any Lender giving such notice shall notify the Administrative Agent). Upon such date as shall be specified in such notice (which shall not be earlier than the date such notice is given), the obligation of each of the Lenders to allow the Parent to select, convert to or renew the Euro-Rate Option, Adjusted Term SOFR Rate Option, SONIA Option or Adjusted Term CORRA Rate Option, as applicable, with respect to the relevant currency or currencies shall be suspended until the Administrative Agent or such Lender, as the case may be, shall have later notified the Parent (and any Lender giving such notice shall notify the Administrative Agent) of the Administrative Agent's or such Lender's determination in good faith (which determination shall be conclusive absent manifest error) that the circumstance giving rise to such previous determination no longer exist.

(ii) If any Lender notifies the Parent of a determination under clause (B) of Section 2.06(d)(i), (I) the Euro-Rate Portion, the Adjusted Term SOFR Rate Portion or Adjusted Term CORRA Rate Portion of the Loans of such Lender (the “Affected Lender”) that subject to the event under clause (B) of Section 2.06(d)(i) shall, subject to Section 4.08(c) hereof, (i) be automatically converted to RFR Loans, if applicable, if the Adjusted Daily Simple RFR for Borrowings in Dollars is not the subject of the event, or otherwise the Base Rate Option, in the case of Revolving Credit Loans denominated in Dollars, or (ii) be repaid by the Relevant Borrower, in the case of Revolving Credit Loans denominated in a currency other than Dollars, on the last day of the then current Funding Period with respect to such Loans (in the case of a determination that the making, maintenance or funding of any Euro-Rate Portion, Adjusted Term SOFR Rate Portion or Adjusted Term CORRA Rate Portion of such Loans is impracticable) and the last day on which the making, maintenance or funding of any Euro-Rate Portion or Adjusted Term CORRA Rate Portion of such Loans is not unlawful (in the case of a determination that the making, maintenance or funding of any Euro-Rate Portion, Adjusted Term SOFR Rate Portion or Adjusted Term CORRA Rate Portion, as applicable, of such Loans is unlawful) and accrued interest thereon shall be due and payable on such date or (II) (i) the Parent may revoke any pending request for a Borrowing of SONIA Loans to the extent of the affected SONIA Loans or determination date(s), as applicable or, failing that, will be deemed to have converted such request into a request for a Borrowing of Base Rate Loans denominated in Dollars in the Dollar Equivalent Amount of the amount specified therein and (ii) any outstanding affected SONIA Loans shall either be (x) prepaid in full immediately or (y) converted into Base Rate Loans denominated in Dollars in the Dollar Equivalent Amount of such outstanding affected SONIA Loans.

(iii) If at the time the Administrative Agent or a Lender makes a determination under clause (A) or (B) of Section 2.06(d)(i) and the Parent previously has notified the Administrative Agent that it wishes to select, convert to or renew the Euro-Rate Option, Adjusted Term SOFR Rate Option or Adjusted Term CORRA Rate Option with respect to any proposed Revolving Credit Loans that are the subject of such determination and notice but such Loans have not yet been made, (A) in the case of Loans denominated in Dollars, such notification shall be deemed to provide for selection of, conversion to or renewal of RFR Loans, if applicable, if the Adjusted Daily Simple RFR for Borrowings in Dollars is not the subject of such determination and notification, or otherwise the Base Rate Option for such Borrowing or, in the case of a determination by a Lender, any such Loans by such Lender of such Borrowing or (B) subject to Section 4.08(c), such notification shall be deemed to be revoked in the case of a selection of the Euro-Rate Option, Adjusted Term SOFR Rate Option or Adjusted Term CORRA Rate Option or shall be deemed to be a notice of prepayment in the case of a conversion or renewal, with respect to any such Loans denominated in a currency other than Dollars or, in the case of a determination by a Lender, any such Loans denominated in a currency other than Dollars of such Lender.

(iv) An Affected Lender shall take actions of the type referred to in Section 4.10, if such actions would avoid the application of clause (B) of Section 2.06(d)(i) and would not, in the good faith judgment of such Lender, be disadvantageous in any way to such Lender or its Affiliates at such time or in the future.

(v) Benchmark Replacement Setting.

(A) Notwithstanding anything to the contrary herein or in any other Loan Document, if a Benchmark Transition Event and its related Benchmark Replacement Date have occurred prior to the Reference Time in respect of any setting of the then-current Benchmark, then (x) if a Benchmark Replacement is determined in accordance with clause (1) of the definition of “Benchmark Replacement” with respect to Dollars and/or Canadian Dollars for such Benchmark Replacement Date, such Benchmark Replacement will replace such Benchmark for all purposes hereunder and under any Loan Document in respect of such Benchmark setting and subsequent Benchmark settings without any amendment to, or further action or consent of any other party to, this Agreement or any other Loan Document and (y) if a Benchmark Replacement is determined in accordance with clause (2) of the definition of “Benchmark Replacement” with respect to any Designated Currency for such Benchmark Replacement Date, such Benchmark Replacement will replace such Benchmark for all purposes hereunder and under any Loan Document in respect of any Benchmark setting at or after 5:00 p.m. (New York City time) on the fifth (5th) Business Day after the date notice of such Benchmark Replacement is provided to the Lenders without any amendment to, or further action or consent of any other party to, this Agreement or any other Loan Document so long as the Administrative Agent has not received, by such time, written notice of objection to such Benchmark Replacement from Lenders comprising the Required Lenders.

(B) Notwithstanding anything to the contrary herein or in any other Loan Document, the Administrative Agent will have the right to make Benchmark Replacement Conforming Changes from time to time and, notwithstanding anything to the contrary herein or in any other Loan Document, any amendments implementing such Benchmark Replacement Conforming Changes will become effective without any further action or consent of any other party to this Agreement or any other Loan Document.

(C) The Administrative Agent will promptly notify the Parent and the Lenders of (1) any occurrence of a Benchmark Transition Event, (2) the implementation of any Benchmark Replacement, (3) the effectiveness of any Benchmark Replacement Conforming Changes, (4) the removal or reinstatement of any tenor of a Benchmark pursuant to clause (D) below and (5) the commencement or conclusion of any Benchmark Unavailability Period. Any determination, decision or election that may be made by the Administrative Agent or, if applicable, any Lender (or group of Lenders) pursuant to this Section 2.06(d)(v), including any determination with respect to a tenor, rate or adjustment or of the occurrence or non-occurrence of an event,

circumstance or date and any decision to take or refrain from taking any action or any selection, will be conclusive and binding absent manifest error and may be made in its or their sole discretion and without consent from any other party to this Agreement or any other Loan Document, except, in each case, as expressly required pursuant to this Section 2.06(d)(v) or any related definitions.

(D) Notwithstanding anything to the contrary herein or in any other Loan Document, at any time (including in connection with the implementation of a Benchmark Replacement), (1) if the then-current Benchmark is a term rate (including the Adjusted Term SOFR Rate, Adjusted Term CORRA Rate or Euro-Rate) and either (a) any tenor for such Benchmark is not displayed on a screen or other information service that publishes such rate from time to time as selected by the Administrative Agent in its reasonable discretion or (b) the regulatory supervisor for the administrator of such Benchmark has provided a public statement or publication of information announcing that any tenor for such Benchmark is or will be no longer representative, then the Administrative Agent may modify the definition of “Funding Period” and/or “Interest Period” for any Benchmark settings at or after such time to remove such unavailable or non-representative tenor and (2) if a tenor that was removed pursuant to clause (i) above either (a) is subsequently displayed on a screen or information service for a Benchmark (including a Benchmark Replacement) or (b) is not, or is no longer, subject to an announcement that it is or will no longer be representative for a Benchmark (including a Benchmark Replacement), then the Administrative Agent may modify the definition of “Funding Period” and/or “Interest Period” for all Benchmark settings at or after such time to reinstate such previously removed tenor.

(E) Upon the Parent’s receipt of notice of the commencement of a Benchmark Unavailability Period, the Parent may revoke any affected request for a Term Benchmark Borrowing or RFR Borrowing of, conversion to or continuation of Term Benchmark Loans to be made, converted or continued during any Benchmark Unavailability Period and, failing that, (x) the Parent will be deemed to have converted any such request for (1) a Term Benchmark Borrowing denominated in Dollars into a request for a Borrowing of or conversion to (A) an RFR Borrowing denominated in Dollars so long as the Adjusted Daily Simple RFR for Borrowings in Dollars is not the subject of a Benchmark Transition Event or (B) a Base Rate Borrowing if the Adjusted Daily Simple RFR for Borrowings in Dollars is the subject of a Benchmark Transition Event or (2) a Term CORRA Borrowing into a request for a Borrowing of or conversion to a Canadian Prime Rate Borrowing and (y) any Term Benchmark Borrowing or RFR Borrowing denominated in an Alternative Currency shall be ineffective. During any Benchmark Unavailability Period or at any time that a tenor for the then-current Benchmark is not an Available Tenor, the component of the Base Rate based upon the then-current Benchmark or such tenor for such Benchmark, as applicable, will not be used in any determination of the Base Rate. Furthermore, if any Term Benchmark Loan or RFR Loan in any Designated Currency is outstanding on the date of the Borrower’s receipt of notice of the commencement of a Benchmark Unavailability Period with respect to a Relevant Rate applicable to such Term Benchmark Loan or RFR Loan, then until such time as a

Benchmark Replacement for such Designated Currency is implemented pursuant to this Section 2.06(d)(v), (A) for Loans denominated in Dollars (1) any Term Benchmark Loan shall on the last day of the Funding Period applicable to such Loan (or the next succeeding Business Day if such day is not a Business Day), be converted by the Administrative Agent to, and shall constitute (x) an RFR Loan denominated in Dollars so long as the Adjusted Daily Simple RFR for Borrowings in Dollars is not the subject of a Benchmark Transition Event or (y) a Base Rate Loan if the Adjusted Daily Simple RFR for Borrowings in Dollars is the subject of a Benchmark Transition Event, on such day and (2) any RFR Loan shall on and from such day be converted by the Administrative Agent to, and shall constitute a Base Rate Loan, (B) for Loans denominated in Canadian Dollars, any Term Benchmark Loan shall on the last day of the Funding Period applicable to such Loan (or the next succeeding Business Day if such day is not a Business Day), be converted by the Administrative Agent to, and shall constitute a Canadian Prime Rate Loan on such day and (C) for Loans denominated in an Alternative Currency (other than Canadian Dollars), (1) any Term Benchmark Loan shall, on the last day of the Funding Period applicable to such Loan (or the next succeeding Business Day if such day is not a Business Day) bear interest at the Central Bank Rate for the applicable Alternative Currency plus the CBR Spread; provided that, if the Administrative Agent determines (which determination shall be conclusive and binding absent manifest error) that the Central Bank Rate for the applicable Alternative Currency cannot be determined, any outstanding affected Term Benchmark Loans denominated in any such Alternative Currency shall, at the Borrower's election prior to such day: (a) be prepaid by the Borrower on such day or (b) solely for the purpose of calculating the interest rate applicable to such Term Benchmark Loan, such Term Benchmark Loan denominated in any such Alternative Currency shall be deemed to be a Term Benchmark Loan denominated in Dollars and shall accrue interest at the same interest rate applicable to Term Benchmark Loans denominated in Dollars at such time and (2) any RFR Loan shall bear interest at the Central Bank Rate for the applicable Alternative Currency plus the CBR Spread; provided that, if the Administrative Agent determines (which determination shall be conclusive and binding absent manifest error) that the Central Bank Rate for the applicable Alternative Currency cannot be determined, any outstanding affected RFR Loans denominated in any such Alternative Currency, at the Parent's election, shall either (A) be converted into Base Rate Loans denominated in Dollars (in an amount equal to the Dollar Equivalent Amount of such Alternative Currency) immediately or (B) be prepaid in full immediately.

Section 2.07 Conversion or Renewal of Interest Rate Options.

(a) Conversion or Renewal. Subject to the provisions of Section 2.08 hereof, the Parent may convert any part of the Loans denominated in any Designated Currency from any interest rate Option or Options to one or more different interest rate Options available for such Designated Currency and may renew the Euro-Rate Option, Adjusted Term SOFR Rate Option or Adjusted Term CORRA Rate Option as to any Funding Segment of the Euro-Rate Portion, Adjusted Term SOFR Rate Portion or Adjusted Term CORRA Rate Portion, as applicable:

- (i) at any time with respect to conversion from the Base Rate Option; or

(ii) at the expiration of any Funding Period with respect to conversions from or renewals of the Euro-Rate Option, Adjusted Term SOFR Rate Option or Adjusted Term CORRA Rate Option as to the Funding Segment corresponding to such expiring Funding Period;

provided that at any time when an Event of Default has occurred and is continuing or exists, and the Administrative Agent, at the request of the Required Lenders, so notifies the Borrower, (v) the Parent may not select, convert to or renew the Euro-Rate Option with respect to any Loans denominated in Euros, (w) the Parent may not select, convert to or renew the Adjusted Term SOFR Rate Option with respect to any Loans denominated in Dollars, (x) the Parent may not select, convert to or renew the Adjusted Term CORRA Rate Option with respect to any Loans denominated in Canadian Dollars, (y) the Parent may not renew or convert any Loans to any Designated Currency other than Dollars, and (z) the Parent may not select a Funding Period longer than one (1) month with respect to Loans denominated in a currency other than Dollars.

Whenever the Parent desires to convert or renew any interest rate Option or Options, the Parent shall provide to the Administrative Agent Standard Notice setting forth the following information:

(i) the date, which shall be a Business Day, on which the proposed conversion or renewal is to be made;

(ii) the principal amounts selected in accordance with Section 2.06(c) hereof of the Base Rate Portion and each Funding Segment of the Euro-Rate Portion, Adjusted Term SOFR Rate Portion or Adjusted Term CORRA Rate Portion to be converted from or renewed;

(iii) the interest rate Option or Options selected in accordance with Section 2.06(a) hereof and the principal amounts selected in accordance with Section 2.06(c) hereof of the Base Rate Portion and each Funding Segment of the Euro-Rate Portion, Adjusted Term SOFR Rate Portion or Adjusted Term CORRA Rate Portion to be converted to; and

(iv) with respect to each Funding Segment to be converted to or renewed, the Funding Period selected in accordance with Section 2.06(b) hereof to apply to such Funding Segment.

Standard Notice having been so provided, after the date specified in such Standard Notice, interest shall be calculated upon the principal amount of the Loans as so converted or renewed.

(b) Failure to Convert or Renew. Absent due notice from the Parent of conversion or renewal in the circumstances described in Section 2.07(a)(ii) hereof, any part of the Euro-Rate Portion, Adjusted Term SOFR Rate Portion or Adjusted Term CORRA Rate Portion, as applicable, for which such notice is not received shall be automatically renewed for a Funding Period of one (1) month for the Euro-Rate Option, Adjusted Term SOFR Rate Option or Adjusted Term CORRA Rate Option, as applicable, on the last day of the expiring Funding Period.

Section 2.08 Optional Prepayments. The Relevant Borrower shall have the right at its option at any time and from time to time to prepay its Revolving Credit Loans or Term Loans in whole or part without premium or penalty (subject, however, to Sections 2.06(c), 4.04 and 4.08(c) hereof).

Section 2.09 Interest Payment Dates. The applicable Borrower shall pay interest on the Base Rate Portion of the Revolving Credit Loans or Term Loans on the date of any conversion of all or part of the Base Rate Portion to a different interest rate Option on the amount converted, any prepayment of any part of the Base Rate Portion on the amount prepaid, and on each Regular Payment Date. The applicable Borrower shall pay interest on each Funding Segment of the Adjusted Term SOFR Rate Portion, the Euro-Rate Portion and the Adjusted Term CORRA Rate Portion of the Revolving Credit Loans or Term Loans on the last day of the corresponding Funding Period and, if such Funding Period is longer than three (3) months (in the case of the Adjusted Term SOFR Rate Portion and the Euro-Rate Portion), also on the last day of every third month during such Funding Period. The applicable Borrower shall pay interest on the SONIA Loans quarterly in arrears, on the last Business Day of each of March, June, September and December. After maturity of any part of the Loans (by acceleration or otherwise), the applicable Borrower shall pay interest on such part of the Loans on demand.

Section 2.10 Increase in Total Revolving Credit Commitment. The Parent may, at its election, on one or more occasions, seek to increase the Total Revolving Credit Commitment by an amount not to exceed the Remaining Incremental Amount determined at the time of such election and at the time of any such increase. Any such election shall be made upon at least three (3) Business Days' prior notice to the Administrative Agent, which notice shall specify the amount of any such requested increase and shall state that, and be delivered at a time when, no Event of Default or Potential Event of Default has occurred and is continuing or exists. The Parent may, after giving such notice, offer the increase in the Total Revolving Credit Commitment to any of the existing Lenders and/or to other banks, financial institutions or other entities on a non-pro rata basis in such amounts as determined by the Parent; provided, however, all amounts, Lenders and/or other banks, financial institutions or other entities shall be approved by the Administrative Agent (such approval not to be unreasonably withheld or delayed). The Parent may elect to accept on any such occasion an increase in the Total Revolving Credit Commitment in an amount up to the aggregate increased commitments offered to the Parent (but in no event greater than the Remaining Incremental Amount determined at such time). No increase in the Total Revolving Credit Commitment shall become effective until the existing or new Lender extending such incremental commitment amount and the Parent shall have executed and delivered to the Administrative Agent an agreement in writing in substantially the form of Exhibit H attached hereto pursuant to which such Lender states its Revolving Credit Committed Amount and agrees to assume and accept the obligations and rights of a Lender hereunder. No Lender shall have any obligation to increase its Commitment hereunder. The Lenders (new or existing) shall accept an assignment from the existing Lenders, and the existing Lenders shall make an assignment to the new or existing Lender accepting a new or increased Revolving Credit Committed Amount, of an interest in all then outstanding Revolving Credit Loans such that, after giving effect thereto, all Revolving Credit Exposure is held ratably by the Lenders in proportion to their respective Revolving Credit Committed Amounts. Assignments pursuant to the preceding sentence shall be made in exchange for the principal amount assigned plus accrued and unpaid interest and Commitment Fees. The Parent shall make any payments under Section 4.08(c) resulting from such assignments. Any such increase in the Total Revolving Credit Commitment shall be in a minimum amount of \$10,000,000 or a higher integral multiple of \$5,000,000 and shall be subject to receipt by the Administrative Agent from the Parent of such supplemental opinions, resolutions, certificates and other documents as the Administrative Agent may reasonably request.

Section 2.11 [Reserved].

Section 2.12 Other Borrowers.

(a) Notwithstanding the foregoing, with respect to any Other Borrower not organized under the laws of the United States or any State thereof that becomes a party to this Agreement after the Closing Date, no Lender shall be required to make Loans to such Other Borrower in the event that the making of such Loans would reasonably be expected to either breach or violate any internal policy (other than with respect to Other Borrowers formed under the laws of any nation that is a member of the Organization for Economic Cooperation and Development as of the date hereof), law or regulation to which such Lender is, or would be upon the making of such Loan, subject (any such Lender, a “Protesting Lender”); *provided* that (i) any Lender which is relying solely on such internal policies as the basis for not making Loans, may do so only if such internal policies are being applied by such Lender to all similarly situated borrowers seeking loans or other extensions of credit from or with respect to doing business in such jurisdiction and (ii) each Lender shall use reasonable efforts to designate (or identify) a different lending office for funding or booking its Loans to such Other Borrower or to assign (or identify for purposes of assignment of) its rights and obligations hereunder to make its Loans to another of its offices, branches or affiliates, if, in the judgment of such Lender, such designation or assignment would permit it to make Loans to such Other Borrower and would not otherwise be disadvantageous to such Lender.

As soon as practicable (but in any event not more than five (5) Business Days) after receipt of notice from the Administrative Agent of the execution of a Borrower Accession Instrument, any Protesting Lender shall notify the Parent and the Administrative Agent in writing of its inability (to the extent permitted by Section 2.12(a)) to extend credit to such Other Borrower. With respect to each Protesting Lender, the Parent shall, effective on or before the date that such Other Borrower shall have the right to borrow under this Agreement, either (at Parent’s option) (i) replace such Protesting Lender with Lenders willing (in their sole discretion) to increase their existing Commitments, or other financial institutions willing (in their sole discretion) to become Lenders and extend new Commitments, (ii) notify the Administrative Agent and such Protesting Lender that the Commitments of such Protesting Lender shall be terminated; *provided* that such Protesting Lender shall have received payment of an amount equal to the outstanding principal of its Loans, accrued interest thereon, accrued fees and all other amounts payable to it repaid by the Borrowers or (iii) cancel the designation of such Other Borrower.

ARTICLE III

THE COMPETITIVE BID LOANS

Section 3.01 Competitive Bid Loans. In addition to Revolving Credit Loans, the Parent may, as set forth in this Article III request the Lenders to make offers to make one or more Competitive Bid Loans to the Parent or to an Other Borrower. Each Lender may, but shall have no obligation to, make one or more such offers and, subject to the terms and provisions hereof, the Parent may, but shall have no obligation to, accept any such offers in the manner set forth in this Article III; provided that no Competitive Bid Loan shall be made or requested if the making of such Loan would cause the aggregate Dollar Equivalent Amount of all Loans hereunder to exceed the Total Revolving

Credit Commitment. Competitive Bid Loans may be Absolute Rate Loans or Term SOFR Loans (each a “type” of Competitive Bid Loan) and, subject to Section 4.07 hereof, may be in any Designated Currency. Competitive Bid Loans shall be due and payable on the earlier of the Competitive Bid Expiration Date and the applicable Competitive Bid Loan Maturity Date.

Section 3.02 Competitive Bid Loan Procedures.

(a) Competitive Bid Loan Quote Requests. When the Parent wishes to request offers to make Competitive Bid Loans under this Article III, it shall transmit to the Administrative Agent by facsimile transmission, at its Office, a notice (a “Competitive Bid Loan Quote Request”) so as to be received no later than 11:00 a.m. New York time on (x) the fourth Business Day prior to the date of borrowing proposed therein, in the case of a SOFR Auction or (y) the Business Day next preceding the date of borrowing proposed therein, in the case of an Absolute Rate Auction (or, in any case, such other time as the Parent and Administrative Agent may agree). The Parent may request offers to make Competitive Bid Loans for different Interest Periods in a single notice; provided that the request for each separate Interest Period shall be deemed to be a separate Competitive Bid Loan Quote Request for a separate Competitive Bid Loan (all Competitive Bid Loans proposed to be made at one time herein collectively referred to as a “Competitive Bid Borrowing”). Each such notice shall be substantially in the form of Exhibit C hereto and in any case shall specify as to each Competitive Bid Borrowing:

(i) the identity of the Relevant Borrower for such Competitive Bid Borrowing;

(ii) the proposed date of such Competitive Bid Borrowing, which shall be a Business Day;

(iii) the currency or currencies in which such Competitive Bid Borrowing is to be made;

(iv) the aggregate amount of such Competitive Bid Borrowing which shall be a Dollar Equivalent Amount of at least \$5,000,000 (or a higher integral multiple of \$1,000,000) (but only to the extent practical in the case of Competitive Bid Loans denominated in a currency other than Dollars), but shall not cause the limits specified in Section 3.01 hereof to be violated;

(v) the duration of the initial Interest Period or Interest Periods applicable thereto, subject to the provisions of the definition of “Interest Period” (including without limitation that no such Interest Period shall end after the Competitive Bid Expiration Date); and

(vi) whether the Competitive Bid Loan Quotes requested are to set forth a SOFR-based Margin or an Absolute Rate.

No Competitive Bid Loan Quote Request shall be given if such request could result in more than six Competitive Bid Loans being outstanding at any one time unless otherwise permitted by the Administrative Agent.

(b) Invitation for Competitive Bid Loan Quotes. Promptly after receipt of a Competitive Bid Loan Quote Request, the Administrative Agent shall transmit to the Lenders by facsimile transmission notice of such Competitive Bid Loan Quote Request, which notice shall constitute an invitation by the Parent to each Lender to submit Competitive Bid Loan Quotes offering to make Competitive Bid Loans in accordance with such Competitive Bid Loan Quote Request.

(c) Submission and Contents of Competitive Bid Loan Quotes.

(i) Each Lender may submit one or more Competitive Bid Loan Quotes, each containing an offer to make a Competitive Bid Loan in response to any Competitive Bid Loan Quote Request; provided that, if the Parent's request under Section 3.02(a) hereof specifies more than one Interest Period, such Lender may make a single submission containing one or more Competitive Bid Loan Quotes for each such Interest Period. Each Competitive Bid Loan Quote must comply with the requirements of this Section 3.02(c) and must be submitted to the Administrative Agent by facsimile transmission at its Office not later than (x) 10:00 a.m. New York time on the third Business Day prior to the proposed date of borrowing, in the case of a SOFR Auction or (y) 10:00 a.m. New York time on the proposed date of borrowing, in the case of an Absolute Rate Auction (or, in either case upon reasonable notice to the Lenders, such other time and date as the Parent and the Administrative Agent may agree in writing); provided that any Competitive Bid Loan Quote submitted by the Administrative Agent (or an Affiliate of the Administrative Agent) in the capacity of a Lender may be submitted, and may only be submitted, if the Administrative Agent (or such Affiliate) notifies the Parent of the terms of the offer or offers contained therein not later than (x) 9:30 a.m. New York time on the third Business Day prior to the proposed date of borrowing, in the case of a SOFR Auction or (y) 9:30 a.m. New York time on the proposed date of borrowing, in the case of an Absolute Rate Auction. Subject to Sections 4.07 and 6.01 hereof, any Competitive Bid Loan Quote so made shall be irrevocable except with the written consent of the Administrative Agent given on the written instructions of the Parent.

(ii) Each Competitive Bid Loan Quote shall be substantially in the form of Exhibit D hereto and shall in any case specify:

(A) the proposed date of borrowing, the proposed currency and the Interest Period therefor;

(B) the principal amount of the Competitive Bid Loan for which each such offer is being made, which principal amount shall be a Dollar Equivalent Amount of at least \$5,000,000 or a higher integral multiple of \$1,000,000 (but only to the extent practical in the case of Competitive Bid Loans denominated in a currency other than Dollars); provided that the aggregate principal amount of all

Competitive Bid Loans for which a Lender submits Competitive Bid Loan Quotes (x) may be greater than, less than or equal to the Revolving Credit Committed Amount of such Lender but (y) may not exceed the principal amount of the Competitive Bid Borrowing for which offers were requested in the related Competitive Bid Loan Quote Request;

(C) in the case of a SOFR Auction, the margin above (or, if a negative margin is offered, below) the applicable Adjusted Term SOFR Rate (the “SOFR-based Margin”) offered for each such Competitive Bid Loan, expressed as a percentage (rounded upwards, if necessary, to the nearest 1/10,000th of 1%) to be added to the applicable Adjusted Term SOFR Rate;

(D) in the case of an Absolute Rate Auction, the rate of interest per annum, calculated on the basis of a 360-day year (rounded upwards, if necessary, to the nearest 1/10,000th of 1%) (the “Absolute Rate”) offered for each such Competitive Bid Loan; and

(E) the identity of the quoting Lender.

(iii) No Competitive Bid Loan Quote shall contain qualifying, conditional or similar language or propose terms other than or in addition to those set forth in the applicable Competitive Bid Loan Quote Request and, in particular, no Competitive Bid Loan Quote may be conditioned upon acceptance by the Parent of all (or some specified minimum) of the principal amount of the Competitive Bid Loan for which such Competitive Bid Loan Quote is being made, and the Administrative Agent shall disregard any Competitive Bid Loan Quote that contains such language or terms or conditions or that arrives at the Administrative Agent’s Office after the time set forth for submission of Competitive Bid Loan Quotes in Section 3.02(c)(i) hereof.

(d) Notice to the Parent. The Administrative Agent shall promptly after 10:00 a.m., New York time, on the last day on which Competitive Bid Loan Quote may be submitted pursuant to Section 3.02(c), notify the Parent by facsimile transmission of the terms (i) of any Competitive Bid Loan Quote submitted by a Lender that is in accordance with Section 3.02(c) hereof and (ii) of any Competitive Bid Loan Quote that amends, modifies or is otherwise inconsistent with a previous Competitive Bid Loan Quote submitted by such Lender with respect to the same Competitive Bid Loan Quote Request. Any such subsequent Competitive Bid Loan Quote shall be disregarded by the Administrative Agent unless such subsequent Competitive Bid Loan Quote is submitted solely to correct a manifest error in such former Competitive Bid Loan Quote. The Administrative Agent’s notice to the Parent shall specify (A) the aggregate principal amount of each Competitive Bid Loan for which Competitive Bid Loan Quotes have been received for each Interest Period specified in the related Competitive Bid Loan Quote Request, and (B) the respective principal amounts and SOFR-based Margins or Absolute Rates, as the case may be, so offered by each Lender, identifying the Lender that made each Competitive Bid Loan Quote.

(e) Acceptance and Notice by the Parent. Not later than one hour after receipt of notice from the Administrative Agent of Competitive Bid Loan Quotes pursuant to Section 3.02(d)

(or, in either case upon reasonable prior notice to the Lenders, such other time and date as the Parent and the Administrative Agent may agree), the Parent shall notify the Administrative Agent by facsimile transmission at its Office of its acceptance or nonacceptance of the Competitive Bid Loan Quotes so notified to it pursuant to Section 3.02(d) hereof (and the failure of the Parent to give such notice by such time shall constitute nonacceptance) and the Administrative Agent shall promptly notify each affected Lender in accordance with Section 3.02(g) hereof. In the case of acceptance, such notice shall specify the aggregate principal amount of Competitive Bid Loan Quotes for each Interest Period that are accepted. The Parent may accept one or more Competitive Bid Loan Quotes in whole or in part (provided that any Competitive Bid Loan Quote accepted in part shall be a Dollar Equivalent Amount of at least \$5,000,000 or a higher integral multiple of \$1,000,000 (but only to the extent practical in the case of Competitive Bid Loans denominated in a currency other than Dollars)); provided that:

(i) the aggregate principal amount of each Competitive Bid Borrowing may not exceed the applicable amount set forth in the related Competitive Bid Loan Quote Request;

(ii) the aggregate principal amount of each Competitive Bid Borrowing shall be a Dollar Equivalent Amount of at least \$5,000,000 (or a higher integral multiple of \$1,000,000) (but only to the extent practical in the case of Competitive Bid Loans denominated in a currency other than Dollars);

(iii) acceptance of offers may be made only in ascending yield order of SOFR-based Margins or Absolute Rates, as the case may be; and

(iv) the Parent shall not accept any offer where the Administrative Agent has advised the Parent that such offer fails to comply with Section 3.02(c)(ii) hereof or otherwise fails to comply with the requirements of this Agreement.

(f) Allocation by the Administrative Agent. If Competitive Bid Loan Quotes are made by two or more Lenders with the same SOFR-based Margins or Absolute Rates, as the case may be, for a greater aggregate principal amount than the amount in respect of which Competitive Bid Loan Quotes are accepted for the related Interest Period, the principal amount of Competitive Bid Loans in respect of which such Competitive Bid Loan Quotes are accepted shall be allocated by the Administrative Agent among such Lenders as nearly as possible (in such multiples, not less than \$500,000, as the Administrative Agent may deem appropriate) in proportion to the aggregate principal amount of such offers. If two or more such Competitive Bid Loan Quotes cannot be allocated evenly within the limits set forth in the immediately preceding sentence, the Administrative Agent shall have discretion to allocate a larger share of such Competitive Bid Loans to one or more of the successful Lenders and in making such allocation shall use reasonable efforts to take into account previous allocations of unequal shares to one or more of such Lenders in connection with other Competitive Bid Loans. Determinations by the Administrative Agent of the amounts of Competitive Bid Loans to be allocated to each such Lender shall be conclusive absent manifest error.

(g) Notice to Lenders. On the date the Parent notifies the Administrative Agent of its acceptance of one or more of the offers made by any Lender or Lenders pursuant to Section 3.02(e) hereof, the Administrative Agent shall (x) not later than 3:00 p.m. New York time on

such date, in the case of a SOFR Auction or (y) as promptly as practicable on such date (but in no event later than 3:00 p.m. New York time), in the case of an Absolute Rate Auction notify each Lender which has made an offer (i) of the aggregate amount of each Competitive Bid Borrowing with respect to which the Parent accepted one or more Competitive Bid Loan Quotes and such Lender's share of such Competitive Bid Borrowing or (ii) that the Parent accepted no offers, such notice to be by facsimile transmission.

(h) Funding of Competitive Bid Loans. Any Lender whose offer to make any Competitive Bid Loan has been accepted shall on the date specified in the related Competitive Bid Loan Quote Request make the proceeds of such Loan available to the Administrative Agent at the Administrative Agent's Office, no later than 12:00 Noon, New York time, in the case of a SOFR Auction, and 3:00 p.m. New York City time, in the case of an Absolute Rate Auction, in funds immediately available at such Office. The Administrative Agent will make the funds so received available to the Relevant Borrower in funds immediately available.

Section 3.03 Competitive Bid Loan Maturity Dates. The principal amount of each Competitive Bid Loan shall be due and payable on the last day of the applicable Interest Period specified in the related Competitive Bid Loan Quote Request (the "Competitive Bid Loan Maturity Date") and no prepayments of Competitive Bid Loans shall be permitted.

Section 3.04 Interest Rates for Competitive Bid Loans. The outstanding principal amount of each Competitive Bid Loan shall bear interest for each day until due at the following rate or rates per annum:

(i) for each Term SOFR Loan, a rate per annum (computed on the basis of a year of 360 days and actual days elapsed or, in the case of Loans denominated in either Sterling or Canadian Dollars, computed on the basis of a year of 365 or 366 days, as the case may be) equal to the SOFR Rate applicable to the Interest Period therefor plus the SOFR-based Margin quoted by the Lender making such Loan in the related Competitive Bid Loan Quote submitted in accordance with Section 3.02(c) hereof; and

(ii) for each Absolute Rate Loan, a rate per annum (computed on the basis of a year of 360 days and actual days elapsed) equal to the Absolute Rate quoted by the Lender making such Loan in the related Competitive Bid Loan Quote submitted in accordance with Section 3.02(c) hereof.

Section 3.05 Competitive Bid Loan Interest Payment Dates. Interest on each Competitive Bid Loan shall be due and payable on the Competitive Bid Loan Maturity Date thereof, and if any Interest Period is longer than three (3) months, also on each third month of such Interest Period. After maturity of any Competitive Bid Loan (by acceleration or otherwise), interest on such Competitive Bid Loan shall be due and payable on demand.

Section 3.06 Competitive Bid Register. The Administrative Agent shall maintain a register (or an electronic equivalent thereof) for the recordation of the names and addresses of Lenders that have made Competitive Bid Loans and the principal amount of the Competitive Bid Loans owing

to each Lender from time to time together with the Competitive Bid Loan Maturity Dates and interest rates applicable to each such Competitive Bid Loan, and other terms applicable thereto (the “Competitive Bid Register”). The Competitive Bid Register shall be available for inspection by the Parent or any Lender, as to its bid only, at any reasonable time and from time to time upon reasonable prior notice.

ARTICLE IV

PROVISIONS APPLICABLE TO LOANS

Section 4.01 Term-Out Option.

(a) The Parent may, upon delivery of a written notice (a “Term-Out Election”) to the Administrative Agent not later than the Revolving Credit Maturity Date and subject to satisfaction of the conditions specified in Section 4.01(b), elect to have the entire principal amount of the Loans outstanding on the Revolving Credit Maturity Date to any Borrower converted into non-revolving term loans denominated in the same currency or currencies of the outstanding Loans being converted (collectively, the “Term Loans”), which Term Loans shall be repaid in full by the applicable Borrower ratably to the Lenders on the Term Loan Maturity Date.

(b) Upon the effectiveness of the Term-Out Election and the conversion of the Loans into Term Loans, the Commitments shall be permanently terminated. Any outstanding Revolving Credit Notes shall be automatically cancelled upon conversion of the Loans to Term Loans and, upon request by a Lender, replaced with a Term Note evidencing such Lender’s Term Loans. All Loans converted into Term Loans pursuant to this Section 4.01 shall continue to constitute Loans except that the Borrowers may not reborrow after all or any portion of such Loans have been prepaid. The effectiveness of the Term-Out Election is subject to the satisfaction of the following conditions: (i) no Event of Default and no Potential Event of Default has occurred and is continuing on and as of the Revolving Credit Maturity Date both immediately before and immediately after giving effect to the conversion of the Loans on such date, (ii) each of the representations and warranties made by the Parent in Sections 5.03, 5.04, 5.05, 5.07 and 5.09 hereof shall be true and correct in all material respects on and as of the Revolving Credit Maturity Date both immediately before and immediately after giving effect to the conversion of the Loans on such date, in each case as if made on and as of such date unless such representation is already qualified by materiality and then, in such case, the representation shall be true in all respects both immediately before and immediately after giving effect to the conversion of the Loans on such date and (iii) a one-time fee equal to 0.75% of the outstanding principal amount of the Loans being converted into Term Loans has been paid to the Administrative Agent for the ratable account of each Lender. For the avoidance of doubt, the Term Loans may be prepaid at the Relevant Borrower’s option at any time and from time to time in whole or part without premium or penalty in accordance with Section 2.08 (subject, however, to Section 4.08(c)).

Section 4.02 Calculation of Dollar Equivalent Amounts.

(a) Calculation Upon Making and Repayment of Loans. Upon each making and repayment of a Revolving Credit Loan or a Competitive Bid Loan, in each case denominated in a

currency other than Dollars, the Administrative Agent shall calculate the Dollar Equivalent Amount of the applicable Loan.

(b) Recalculation of Dollar Equivalent Amounts. In determining the aggregate Dollar Equivalent Amount of all Loans outstanding and proposed to be outstanding, the Administrative Agent may (i) use the respective Dollar Equivalent Amounts for Loans calculated by it pursuant to clause (a) of this Section and (ii) recalculate the Dollar Equivalent Amounts of each outstanding Loan as frequently as it determines to do so in its discretion; provided that in any event, such recalculation shall be made for all Loans no less frequently than once each week during any period when the aggregate Dollar Equivalent Amount of the Loans outstanding exceeds 90% of the Total Revolving Credit Commitment. The Administrative Agent shall recalculate the Dollar Equivalent Amount of each outstanding Revolving Credit Loan and Competitive Bid Loan at the Parent's request made no earlier than one (1) month after the Parent's most recent such request.

Section 4.03 Mandatory Prepayments. In the event that for any reason other than fluctuations in currency exchange rates the aggregate Dollar Equivalent Amount of the outstanding Loans (other than Term Loans) exceeds at any time 100% of the Total Revolving Credit Commitment as then in effect, the Borrowers shall prepay outstanding Loans (subject to Section 4.08(c) hereof) as selected by the Parent in an amount necessary to reduce the aggregate Dollar Equivalent Amount of the outstanding Loans to an amount which does not exceed the Total Revolving Credit Commitment. If the Parent elects to prepay, or cause the prepayment of, Loans in order to comply with the requirements of this Section 4.03, such prepayment shall be made to the Lenders Pro Rata.

In the event that for any reason (including fluctuations in currency exchange rates) the aggregate Dollar Equivalent Amount of the outstanding Loans (other than Term Loans) at any time exceeds 105% of the Total Revolving Credit Commitment as then in effect, the Borrowers shall prepay outstanding Loans (subject to Section 4.08(c) hereof) as selected by the Parent in an amount necessary to reduce the aggregate Dollar Equivalent Amount of the outstanding Loans to an amount which does not exceed the Total Revolving Credit Commitment. If the Parent elects to prepay, or cause the prepayment of, Loans in order to comply with the requirements of this Section 4.03, such prepayment shall be made to the Lenders Pro Rata.

Section 4.04 Prepayment Procedures. Whenever any Borrower desires or is required to prepay any part of its Loans, the Parent shall provide not less than one Business Day's prior written notice to the Administrative Agent at its Office setting forth the following information:

- (a) the identity of the Relevant Borrower;
- (b) the type of Loans to be prepaid and the identity of the portions of such Loans to be prepaid; and
- (c) the date, which shall be a Business Day, on which the proposed prepayment is to be made.

Section 4.05 Payments Generally; Interest on Overdue Amounts.

(a) Payments Generally. All payments and prepayments to be made by the Parent or any Other Borrower in respect of principal, interest, fees, indemnity, expenses or other amounts due from the Parent or any Other Borrower hereunder or under any Loan Document in Dollars shall be payable by 12:00 Noon, New York time, on the day when due without presentment, demand, protest or notice of any kind (other than notice of acceleration as required by Section 9.02 hereof), all of which are hereby expressly waived, without set-off, counterclaim, withholding or other deduction of any kind or nature, except for payments to a Lender subject to a withholding deduction under Section 4.09 hereof. Except for payments under Sections 4.08, 4.09 and 12.06 hereof, such payments shall be made to the Administrative Agent at its Office in Dollars in funds immediately available at such Office, and payments under Sections 4.08, 4.09 and 12.06 hereof shall be made to the applicable Lender at such domestic account as it shall specify to the Parent from time to time in funds immediately available at such account.

All payments and prepayments to be made by the Parent or any Other Borrower in respect of principal, interest or other amounts due from any Borrower hereunder or under any Loan Document in a currency other than Dollars shall be made by payment in that currency in freely transferable funds by 12:00 Noon, New York time, for value on the applicable payment date and such payment shall be due without presentment, demand, protest or notice of any kind (other than notice of acceleration as required by Section 9.02 hereof), all of which are hereby expressly waived, without set-off, counterclaim, withholding or other deduction of any kind or nature, except for payments to a Lender subject to a withholding deduction under Section 4.09 hereof. Except for payments under Sections 4.08, 4.09 and 12.06 hereof, such payments shall be made to the Administrative Agent at the Administrative Agent's Office. Any payment or prepayment received by the Administrative Agent after 12:00 Noon, New York time on any day shall be deemed to have been received on the next succeeding Business Day.

All payments to be made by a Lender under Section 4.05(c)(i) shall be made to the Administrative Agent at its Office without set-off, withholding, counterclaim or other deduction of any nature.

All payments hereunder of (i) principal or interest in respect of any Loan shall be made in the currency in which such Loan is denominated or (ii) any other amount due hereunder or under another Loan Document shall be made in Dollars. The Administrative Agent shall distribute to the Lenders all payments received by it for the account of the Lenders from any Borrower as promptly as practicable after receipt by the Administrative Agent. All payments on account of Revolving Credit Loans or Term Loans shall be distributed to the Lenders Pro Rata. If and to the extent that the Administrative Agent has not forwarded to any Lender such Lender's share of any such payment on the same Business Day as such payment is received (or deemed received) from such Borrower, the Administrative Agent shall pay to such Lender interest on such amount at the NYFRB Rate for each day until such payment is made.

Upon termination of this Agreement and payment in full in cash of all principal, interest, reimbursement amounts, fees, expenses and other amounts due from the Borrowers hereunder or under any other Loan Document, each Lender will promptly mark any Notes "cancelled" and forward them to the Administrative Agent for delivery to the Parent.

(b) Interest on Overdue Amounts. To the extent permitted by Law, after there shall have become due (by acceleration or otherwise) principal, interest, fees, indemnity, expenses or any other amounts due from any Borrower hereunder or under any other Loan Document, such amounts shall bear interest for each day until paid (before and after judgment), payable on demand, at a rate per annum based on a year of 360 days (or in the case of Loans denominated in Sterling or Canadian Dollars, based on a year of 365 or 366 days, as the case may be) and actual days elapsed which for each day shall be equal to the following:

(i) in the case of any part of the Euro-Rate Portion, the Adjusted Term SOFR Rate Portion or Adjusted Term CORRA Rate Portion of any Revolving Credit Loans or of Competitive Bid Loans, (A) until the end of the applicable then-current Funding Period or until regularly scheduled maturity, as the case may be, at a rate per annum 2% above the rate otherwise applicable to such part, and (B) thereafter in accordance with the following clause (ii); and

(ii) in the case of any other amount due from any Borrower hereunder or under any Loan Document, (A) 2% above the then current Base Rate, in the case of Loans or other amounts denominated in Dollars, (B) 2% above the rate then borne by overnight deposit in the applicable currency in the eurocurrency market as determined by the Administrative Agent, in the case of Revolving Credit Loans, Competitive Bid Loans or other amounts denominated in a currency other than Dollars or Sterling or (C) 2% above the then current Daily Simple RFR in the case of SONIA Loans or other amounts denominated in Sterling.

(c) Administrative Agent's Clawback.

(i) Funding by Lenders; Presumption by Administrative Agent. Unless the Administrative Agent shall have received notice from a Lender (x) in the case of Base Rate Loans, one hour prior to the proposed time of the Borrowing and (y) otherwise, prior to the proposed date of any Borrowing that such Lender will not make available to the Administrative Agent such Lender's share of such Borrowing, the Administrative Agent may assume that such Lender has made such share available on such date in accordance with this Agreement and may, in reliance upon such assumption, make available to the Borrower a corresponding amount. In such event, if a Lender has not in fact made its share of the applicable Borrowing available to the Administrative Agent, then the applicable Lender and the Borrower severally agree to pay to the Administrative Agent forthwith on demand such corresponding amount, with interest thereon, for each day from and including the date such amount is made available to the Borrower to but excluding the date of payment to the Administrative Agent, at (i) in the case of a payment to be made by such Lender, the greater of the NYFRB Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation, and (ii) in the case of a payment to be made by the Borrower, the rate determined by reference to the applicable interest rate Option for such Borrowing. If the Borrower and such Lender shall pay such interest to the Administrative Agent for the same or an overlapping period, the Administrative

Agent shall promptly remit to the Borrower the amount of such interest paid by the Borrower for such period. If such Lender pays its share of the applicable Borrowing to the Administrative Agent, then the amount so paid shall constitute such Lender's Loan included in such Borrowing. Any payment by the Borrower shall be without prejudice to any claim the Borrower may have against a Lender that shall have failed to make such payment to the Administrative Agent.

(ii) Payments by Borrower; Presumptions by Administrative Agent. Unless the Administrative Agent shall have received notice from the Borrower prior to the date on which any payment is due to the Administrative Agent for the account of the Lenders that the Borrower will not make such payment, the Administrative Agent may assume that the Borrower has made such payment on such date in accordance herewith and may, in reliance upon such assumption, distribute to the Lenders the amount due. In such event, if the Borrower has not in fact made such payment, then each of the Lenders severally agrees to repay to the Administrative Agent forthwith on demand the amount so distributed to such Lender, with interest thereon, for each day from and including the date such amount was distributed to it to but excluding the date of payment to the Administrative Agent, at the greater of the NYFRB Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation.

Section 4.06 Availability of Currencies.

(a) Unavailability. If, in the reasonable judgment of the Administrative Agent, a Designated Currency ceases to be available and freely tradable in the eurocurrency market then such currency shall cease to be a Designated Currency hereunder. The Administrative Agent shall give prompt notice to the Parent and the Lenders of any such determination.

(b) Repayment in Dollars. In the event that (i) pursuant to Section 4.06(a), the Administrative Agent has determined that a Designated Currency has ceased to be available and freely tradable in the eurocurrency market and (ii) the Administrative Agent has determined in good faith that such Designated Currency is not otherwise available to the Parent or any Other Borrower, then, on the date any Loans denominated in such Designated Currency would become due under the terms of this Agreement (other than as a result of an optional prepayment or of the acceleration of the Loans under Section 9.02), the Relevant Borrower may repay such Loans (or other amounts) by paying to each Lender an amount in Dollars equal to the amount determined in good faith by such Lender (which determination shall be conclusive absent manifest error) to be the amount in Dollars necessary to compensate such Lender for the principal of and accrued interest on such Loans (or other amounts) and any additional cost, expense or loss incurred by such Lender as a result of such Loans or other amounts being repaid in Dollars (rather than in their denominated currency).

Section 4.07 Changes in Law Rendering Certain Loans Unlawful. In the event that any Law or guideline or interpretation or application thereof shall at any time make it unlawful for any Lender to make, maintain or fund its Loans, such Lender shall promptly notify the Parent and the Administrative Agent thereof. Thereupon, the Relevant Borrower shall, subject to Section 4.08(c), if such Lender so requests, on such date as may be required by the relevant Law, guideline, interpretation

or application, prepay such Loans. Each Lender shall take actions of the type referred to in Section 4.10, if such actions would avoid such circumstances and would not in the good faith judgment of such Lender be disadvantageous in any way to such Lender or its Affiliates at such time or in the future. No Lender shall be obligated to make any extension of credit hereunder in violation of any applicable law.

Section 4.08 Additional Compensation in Certain Circumstances.

(a) Increased Costs or Reduced Return Resulting From Taxes, Reserves, Capital Adequacy Requirements, Expenses, Etc. If any Law or change therein or interpretation or application thereof by any Governmental Authority charged with the interpretation or administration thereof or compliance with any request or directive of any Governmental Authority (whether or not having the force of Law), in each case adopted or made after the date hereof (or, with respect to any Other Borrower, adopted or made at any time); provided, however, that for purposes of this Section 4.08, (x) the Dodd-Frank Wall Street Reform and Consumer Protection Act or any change therein or interpretation or application thereof by any Governmental Authority charged with the interpretation or administration thereof or compliance with any related request or directive of any Governmental Authority (whether or not having the force of Law) and (y) any requests or directives promulgated by, or the interpretations or applications thereof by the Bank for International Settlements, the Basel Committee on Banking Regulations and Supervisory Practices (or any successor or similar authority) or the United States or foreign regulatory authorities, in each case pursuant to Basel III, shall be deemed to have been adopted or made after the date hereof:

(i) subjects any Lender or any Notional Funding Office to any Tax with respect to this Agreement, the Notes, the Loans or payments by any Borrower of principal, interest, Commitment Fees or other amounts due from any Borrower hereunder or under the Notes, or other obligations, its deposits, reserves, other liabilities or capital attributable thereto (except for (A) Indemnified Taxes or (B) Excluded Taxes),

(ii) imposes, modifies or deems applicable any reserve, special deposit or similar requirement or imposes any other condition adversely affecting the cost to a Lender or Notional Funding Office of making, maintaining or funding any Loan (other than requirements expressly included herein in the determination of interest under the Euro-Rate Option), or

(iii) imposes, modifies or deems applicable any capital adequacy, liquidity or similar requirement (A) against assets (funded or contingent) of, or credits or commitments to extend credit extended by, any Lender or any Notional Funding Office hereunder, or any Person controlling a Lender, or (B) otherwise applicable to the obligations of any Lender or any Notional Funding Office under this Agreement, or any Person controlling a Lender.

and the result of any of the foregoing is reasonably determined by any Lender to increase the cost to, reduce the income receivable by, or impose any expense (including loss of margin) upon such Lender, any Notional Funding Office or, in the case of clause (iii) hereof, any Person controlling a Lender, with respect to this Agreement, the Notes or the making, maintenance or funding of any Loan (or, in the

case of any capital adequacy, liquidity or similar requirement, to have the effect of reducing the rate of return on such Lender's or controlling Person's capital, taking into consideration such Lender's or controlling Person's policies with respect to capital adequacy, liquidity or similar requirement) by an amount which such Lender reasonably deems to be material, such Lender may from time to time promptly notify the Parent of the amount determined in good faith (using any reasonable averaging and attribution methods) by such Lender (which determination shall be conclusive absent manifest error) to be necessary to compensate such Lender or such Notional Funding Office or controlling Person for such increase, reduction or imposition. Each Lender will furnish the Parent and the Administrative Agent with a statement setting forth in reasonable detail the basis, the manner of calculation and the amount of each request by such Lender for compensation from the Parent under this Section 4.08. Such amount shall be due and payable by the Parent to such Lender five (5) Business Days after such notice is given; provided that the Parent shall not be obligated to pay such compensation unless such Lender in such notice certifies its good faith determination that it shall be generally assessing such amounts against borrowers under agreements having provisions similar to this paragraph. Notwithstanding the foregoing, the Parent will not be required to reimburse any Lender for any such increase, reduction or imposition under this Section 4.08 (a) that (i) arises prior to 120 days preceding the date of such Lender's request for compensation under this Section 4.08(a), unless the applicable Law, guideline, change, interpretation or application is imposed retroactively or (ii) if the applicable Law, guideline, change, interpretation or application is imposed retroactively, arises prior to 120 days preceding the later of the date the Lender reasonably should have learned of such Law, guideline, change, interpretation or application and the date of such Lender's request.

Each Lender will take actions of the type referred to in Section 4.10, if such actions would avoid the conditions referred to in clause (i), (ii) and (iii) of this Section 4.08(a) and would not in the good faith judgment of such Lender be disadvantageous in any way to such Lender or its Affiliates at such time or in the future.

If a Lender requests reimbursement under this Section 4.08(a), so long as the circumstances giving rise to such request continue to exist, the Parent at its option, and at the sole cost and expense of the Borrowers, may replace such Lender with another Lender or a financial institution reasonably satisfactory to the Administrative Agent by giving notice of such replacement Lender to such Lender and the Administrative Agent. Unless the Administrative Agent shall object to the identity of such proposed replacement Lender within ten (10) days after receipt of such notice, the Lender being so replaced shall, upon payment in full in cash to it of all amounts owed to it hereunder and under the other Loan Documents, including all amounts owed under Section 4.08(c) hereof, assign all of its interests hereunder and under the other Loan Documents to such replacement Lender and such replacement Lender shall assume all of such other Lender's obligations hereunder and under the other Loan Documents in accordance with the provisions of Section 12.14(c) hereof.

(b) Additional Reserve Costs. For so long as any Lender is required to make special deposits with the European Central Bank and/or the Bank of England (or, in either case, any other authority which replaces all or any of its functions) or comply with reserve assets, liquidity, cash margin or other requirements of the European Central Bank and/or the Bank of England (or, in any case, any other authority which replaces all or any of its functions), to maintain reserve asset ratios or to pay fees, in each case in respect of the Euro-Rate Portion of such Lender's Revolving Credit Loans,

such Lender shall be entitled to require the Relevant Borrower to pay, contemporaneously with each payment of interest on each of such Revolving Credit Loans, additional interest on such Revolving Credit Loan at a rate per annum equal to the Mandatory Costs Rate calculated in accordance with the formula and in the manner set forth in Schedule V hereto. Any additional interest owed pursuant to this Section 4.08(b) shall be determined in reasonable detail by the applicable Lender, which determination shall be conclusive and binding absent manifest error, and notified to the Relevant Borrower (with a copy to the Administrative Agent) at least five (5) Business Days before each date on which interest is payable for the applicable Loan, and such additional interest so notified to the Relevant Borrower by such Lender shall be payable to the Administrative Agent for the account of such Lender on each date on which interest is payable for such Loan.

(c) Funding Breakage.

(i) If any repayment of principal with respect to any part of any Funding Segment of any Euro-Rate Portion, Adjusted Term SOFR Rate Portion or Adjusted Term CORRA Rate Portion of the Loans is made on a day other than on the last day of the corresponding Funding Period, or any prepayment of principal with respect to any Competitive Bid Loan is made, as a result of an acceleration of the maturity thereof pursuant to Section 9.02 or for any other reason, the Parent shall reimburse each Lender on demand for any loss, cost or expense incurred by such Lender as a result of the timing of such payment, prepayment or failure, including (without limitation) any loss incurred in liquidating or employing deposits from third parties but excluding loss of margin for the period after such payment, prepayment or failure; provided that such Lender shall have delivered to the Parent a certificate setting forth the basis for determining such loss, which certificate shall be conclusive in the absence of manifest error.

(ii) If any repayment of principal with respect to any part of any Funding Segment of any RFR Portion of the Loans is made on a day other than on the Interest Payment Date applicable thereto, as a result of an acceleration of the maturity thereof pursuant to Section 9.02 or for any other reason, the Parent shall reimburse each Lender on demand for any loss, cost or expense incurred by such Lender as a result of the timing of such payment, prepayment or failure, including (without limitation) any loss incurred in liquidating or employing deposits from third parties but excluding loss of margin for the period after such payment, prepayment or failure; provided that such Lender shall have delivered to the Parent a certificate setting forth the basis for determining such loss, which certificate shall be conclusive in the absence of manifest error.

Section 4.09 Taxes.

(a) Payments Free of Taxes. Unless required by Law, all payments made by or on account of any obligation of any Borrower under this Agreement and any other Loan Document shall be made free and clear of and without deduction for any and all present or future taxes, levies, imposts, deductions, charges or withholdings, and all interest, additions to tax or penalties with respect thereto or similar charges imposed by a Governmental Authority ("Taxes"). If any Withholding Agent

shall be required by Law to deduct or withhold any Taxes from or in respect of any sum payable under this Agreement or any other Loan Document to any Lender or the Administrative Agent, then (i) if such Taxes are Indemnified Taxes, the sum payable by the applicable Borrower shall be increased as may be necessary so that after making all required deductions or withholdings (including deductions or withholdings applicable to additional sums payable under this Section 4.09) such Lender or the Administrative Agent, as the case may be, receives an amount equal to the sum it would have received had no such deductions or withholdings been made, (ii) the applicable Withholding Agent shall make such deductions or withholding, and (iii) the applicable Withholding Agent shall pay the full amount deducted to the relevant Governmental Authority or other authority in accordance with applicable Law.

(b) Other Taxes. In addition, each Borrower agrees to timely pay any present or future stamp or documentary taxes or any other excise or property Taxes, charges or similar levies which arise from any payment made under this Agreement or any other Loan Document or from the execution, delivery or registration of, or otherwise with respect to, this Agreement or any other Loan Document, except any such taxes that are imposed with respect to an assignment (other than an assignment made or other action taken at the request of the Parent) ("Other Taxes"), or at the option of the Administrative Agent, timely reimburse it for such taxes.

(c) Indemnity by the Parent. The Parent will indemnify each Lender and the Administrative Agent for the full amount of Taxes (other than Excluded Taxes) imposed on or with respect to any payment made by or on account of any obligation of the Parent and the Other Borrowers under any Loan Document and Other Taxes (including, without limitation, any Taxes and Other Taxes imposed by any jurisdiction on amounts payable under this Section 4.09) paid or payable by such Lender or Administrative Agent, as the case may be, and any liability (including, without limitation, penalties, interest and expenses) arising therefrom or with respect thereto, whether or not such Taxes or Other Taxes were correctly or legally asserted (referred to herein as "Indemnified Taxes"). The Administrative Agent and each Lender agree to give notice to the Parent of the assertion of any claim against the Administrative Agent or such Lender relating to such Taxes or Other Taxes as promptly as is practicable after being notified of such assertion; provided that the Administrative Agent's or such Lender's failure to notify the Parent promptly of such assertion shall not relieve the Parent of its obligations under this Section 4.09 except to the extent that the Parent is actually prejudiced thereby. Payments by the Parent pursuant to this indemnification shall be made within thirty (30) days from the date the Administrative Agent or such Lender makes written demand therefor (submitted through the Administrative Agent), which demand shall be accompanied by a certificate describing in reasonable detail the basis therefor, which certificate shall be conclusive absent manifest error.

(d) Lender Indemnity. Each Lender shall severally indemnify the Administrative Agent for any Taxes (but only to the extent that the Parent has not already indemnified the Administrative Agent for such Taxes and without limiting the obligation of the Parent to do so) attributable to such Lender that are paid or payable by the Administrative Agent in connection with any Loan Document and any reasonable expenses arising therefrom or with respect thereto, whether or not such Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. The indemnity under this Section 4.09(d) shall be paid within ten (10) days after the Administrative Agent delivers to the applicable Lender a certificate stating the amount of Taxes so paid or payable by

the Administrative Agent. Such certificate shall be conclusive of the amount so paid or payable absent manifest error.

(e) Receipts, etc. Within thirty (30) days after the date of any payment of Taxes or Other Taxes, the Parent will furnish to the Administrative Agent the original or a certified copy of a receipt evidencing payment thereof, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Administrative Agent.

(f) Other. Nothing in this Section 4.09 (including, for the avoidance of doubt, Section 4.09(i)) or otherwise in this Agreement shall require the Administrative Agent, any Lender to disclose to any other party to this Agreement any of its tax returns (or any other information that it deems to be confidential or proprietary).

(g) Withholding Tax Exemption.

(i) Each Lender shall, (1) on or about the date such Lender becomes party to this Agreement, and (2) from time to time thereafter if, in each case of (1) and (2), reasonably requested in writing by the Parent or the Administrative Agent, as promptly as is reasonable provide the Administrative Agent and the Parent with the executed copies of forms prescribed by the United States Internal Revenue Service or other relevant Governmental Authority certifying as to the status of such Lender for purposes of determining exemption from, or reduced rate applicable to, withholding taxes with respect to payments to be made to such Lender under this Agreement and the other Loan Documents.

(ii) Without limiting the generality of the foregoing,

(A) If a payment made to a Lender under this Agreement or any other Loan Documents would be subject to United States Federal withholding tax imposed by FATCA if such Lender fails to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Lender shall deliver to the Administrative Agent and the Parent on or about the date such Lender becomes party to this Agreement, at the time or times prescribed by law and at such time or times reasonably requested by the Administrative Agent or the Parent, such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Administrative Agent or the Parent as may be necessary for such party to comply with its obligations under FATCA, to determine that such Lender has complied with its obligations under FATCA or to determine the amount to deduct and withhold from such payment; solely for purposes of this clause (g), "FATCA" shall include any amendments made to FATCA after the date of this Agreement;

(B) Any Lender, if reasonably requested by the Administrative Agent or the Parent, shall deliver such other documentation prescribed by applicable law or reasonably requested by the Administrative Agent or the Parent as

will enable the Administrative Agent or the Parent to determine whether or not such Lender is subject to backup withholding or information reporting requirements;

(C) Each Lender that is a “United States person” within the meaning of Section 7701(a)(30) of the Code shall deliver to the Administrative Agent and the Parent on or prior to the date on which such Lender becomes a Lender under this Agreement or when reasonably requested by the Administrative Agent or the Parent, executed copies of IRS Form W-9 (or any successor form) certifying that such Lender is exempt from U.S. federal backup withholding tax; and

(D) Each Lender that is not a “United States person” within the meaning of Section 7701(a)(30) of the Code shall deliver to the Administrative Agent and the Parent on or prior to the date on which such Lender becomes a Lender under this Agreement or when reasonably requested by the Administrative Agent or the Parent, (x) executed copies of any applicable IRS Form W-8, (y) in the case of such Lender claiming the benefits of the exemption for portfolio interest under Section 881(c) of the Code, a certificate to the effect that such Lender is not a “bank” within the meaning of Section 881(c)(3)(A) of the Code, a “10 percent shareholder” of the Borrower within the meaning of Section 881(c)(3)(B) of the Code, or a “controlled foreign corporation” described in Section 881(c)(3)(C) of the Code (a “U.S. Tax Compliance Certificate”), and (z) to the extent such Lender is a partnership or is acting as an intermediary for the beneficial owner of the payments to be made, executed copies of an applicable IRS Form W-8, a U.S. Tax Compliance Certificate, IRS Form W-9, and/or other certification documents from each partner or beneficial owner, as applicable; provided that if such Lender is a partnership and one or more direct or indirect partners of such Lender are claiming the portfolio interest exemption, such Lender may provide a U.S. Tax Compliance Certificate on behalf of each such direct and indirect partner;

provided that a Lender shall not be obligated to provide any such form specified in clause (i) or (ii) if such Lender is not legally able to do so. Each Lender agrees that if any form or certification it previously delivered expires or becomes obsolete or inaccurate in any respect, it shall update such form or certification or promptly notify the Administrative Agent and the Parent in writing of its legal inability to do so.

(h) Excluded Taxes. Excluded Taxes shall mean any of the following Taxes imposed on or with respect to the Administrative Agent or any Lender or required to be withheld from a payment to such Person:

(i) Any Taxes imposed on or measured by net income (however denominated), franchise Taxes, and branch profits Taxes imposed on such Lender or the Administrative Agent, as the case may be, (A) by the jurisdiction under the laws of which such Lender or the Administrative Agent, as the case may be, is organized or by any political subdivision thereof or imposed as a result of such Lender or Administrative Agent having its principal office or applicable lending office or Notional Funding Office in the Jurisdiction imposing the Tax, or (B) as a result of a

present or former connection between such Lender or the Administrative Agent and the jurisdiction imposing such Tax (other than connections arising from such Lender or Administrative Agent having executed, delivered, become a party to, performed its obligations under, received payments under, received or perfected a security interest under, engaged in any other transaction pursuant to or enforced any Loan Document, or sold or assigned an interest in any Loan or Loan Document);

(ii) In the case of each Lender, any United States federal withholding Taxes, to the extent that such withholding is imposed on amounts payable to or for the account of such Lender with respect to a Loan or Commitment pursuant to a law that existed on the date such Lender became a party to this Agreement or on the date such Lender changes its lending office or Notional Funding Office; provided that this clause (ii) shall not apply to a Lender that became a Lender as a result of an assignment made or other action taken at the request of the Parent;

(iii) Any Taxes to the extent that the obligation to make such indemnification or to pay such additional amounts would not have arisen but for gross negligence, willful misconduct or bad faith of such Lender or the failure of such Lender to comply with the provisions of Section 4.09(g); and

(iv) Any United States federal withholding Taxes imposed under FATCA.

(i) Refunds. If any party determines in its sole discretion exercised in good faith that it has received a refund in respect of any Taxes or Other Taxes as to which it has been indemnified pursuant to this Section 4.09 or with respect to which a Borrower has paid additional amounts, pursuant to this Section 4.09, such party shall promptly after the date of such receipt pay over the amount of such refund to the indemnifying party (but only to the extent of indemnity payments made, or additional amounts paid, by the indemnifying party under this Section 4.09 with respect to the Taxes or Other Taxes giving rise to such refund and only to the extent that the amount of any such refund is directly attributable to payments made under this Agreement), net of all reasonable expenses of such party (including additional Taxes and Other Taxes attributable to such refund, as determined by such party) and without interest (other than interest, if any, paid by the relevant Governmental Authority with respect to such refund). The indemnifying party shall, upon demand, pay to such indemnified party any amount paid over to the indemnifying party by such indemnified party (plus penalties, interest or other charges imposed by such Governmental Authority) in the event such indemnified party is required to repay any portion of such refund to such Governmental Authority. Notwithstanding anything to the contrary in this paragraph (i), in no event will the indemnified party be required to pay any amount to an indemnifying party pursuant to this paragraph (i) the payment of which would place the indemnified party in a less favorable net after-tax position than the indemnified party would have been in if the Tax subject to indemnification and giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect to such Tax had never been paid.

(j) Cure Action. Each Lender agrees to take actions of the type referred to in Section 4.10, if such actions would avoid or reduce payments under this Section 4.09 and would not, in

the good faith judgment of such Lender, be disadvantageous in any way to such Lender or its Affiliates at such time or in the future. If a Lender requests reimbursement under this Section 4.09, so long as the circumstances giving rise to such request continue to exist, the Parent at its option, and at the sole cost and expense of the Borrowers, may replace such Lender with another Lender or a financial institution reasonably satisfactory to the Administrative Agent by giving notice of such replacement Lender to such Lender and the Administrative Agent. Unless the Administrative Agent shall object to the identity of such proposed replacement Lender within ten (10) days after receipt of such notice, the Lender being so replaced shall, upon payment in full in cash to it of all amounts owed to it hereunder and under the other Loan Documents, including all amounts owed under Sections 4.08(c) and 4.09 hereof, assign all of its interests hereunder and under the other Loan Documents to such replacement Lender and such replacement Lender shall assume all of such other Lender's obligations hereunder and under the other Loan Documents in accordance with the provisions of Section 12.14(c) hereof.

(k) [Reserved]

Section 4.10 Funding by Branch, Subsidiary or Affiliate.

(a) Notional Funding. Each Lender shall have the right from time to time, prospectively or retrospectively, without notice to any Borrower, to deem any branch, subsidiary or Affiliate of such Lender to have made, maintained or funded any part of the Loans at any time; provided that if a Lender exercises such right as a matter of administrative convenience and not as required by Law or by this Agreement, then the Parent shall not be required to reimburse the Lender for any increased amounts payable under Section 4.08(a) or 4.09 hereof that result from the exercise of such right. Any branch, subsidiary or Affiliate so deemed shall be known as a "Notional Funding Office." Such Lender shall deem any part of its Loans or the funding therefor to have been transferred to a different Notional Funding Office if such transfer would avoid or cure an event or condition described in Section 2.06(d)(i)(B) hereof or would lessen compensation payable by any Borrower under Sections 4.08(a) or 4.09 hereof, and would not, in the good faith judgment of such Lender, be disadvantageous in any way to such Lender or its Affiliates at such time or in the future (it being assumed for purposes of such determination that the Loans are actually made or maintained by or funded through the corresponding Notional Funding Office). Notional Funding Offices may be selected by such Lender without regard to such Lender's actual methods of making, maintaining or funding Loans or any sources of funding actually used by or available to such Lender.

(b) Actual Funding. Each Lender shall have the right from time to time to make or maintain any part of the Loans by arranging for a branch, subsidiary or Affiliate of such Lender to make or maintain such part of the Loans; provided that if a Lender exercises such right as a matter of administrative convenience and not as required by Law or by this Agreement, then the Parent shall not be required to reimburse the Lender for any increased amounts payable under Section 4.08(a) or 4.09 hereof that result from the exercise of such right. Such Lender shall have the right to (i) hold any applicable Note payable to its order for the benefit and account of such branch, subsidiary or Affiliate or (ii) request any Borrower to issue one or more promissory notes in the principal amount of such part, in substantially the form attached hereto as Exhibit A or B, as the case may be, with the blanks appropriately filled, payable to such branch, subsidiary or Affiliate and with appropriate changes reflecting that the holder thereof is not obligated to make any additional Loans to any

Borrower. Each Borrower agrees to comply promptly with any request under clause (ii) of this Section 4.10(b). If any Lender causes a branch, subsidiary or Affiliate to make or maintain any part of Loans hereunder, all terms and conditions of this Agreement shall, except where the context clearly requires otherwise, be applicable to such part of the Loans and to any note payable to the order of such branch, subsidiary or Affiliate to the same extent as if such part of the Loans were made or maintained and such note were a Note payable to such Lender's order.

Section 4.11 Several Obligations. The failure of any Lender to make a Revolving Credit Loan (or a Term Loan upon a Term-Out Election) shall not relieve any other Lender of its obligation to lend hereunder, but neither the Administrative Agent nor any Lender shall be responsible for the failure of any other Lender to make such Loan.

Section 4.12 Defaulting Lenders. Notwithstanding any provision of this Agreement to the contrary, if any Lender becomes a Defaulting Lender, then the following provisions shall apply for so long as such Lender is a Defaulting Lender:

(a) Commitment Fees shall cease to accrue on the Revolving Credit Commitment of such Defaulting Lender pursuant to Section 2.05(a).

(b) The Revolving Credit Committed Amount and Loans of such Defaulting Lender shall not be included in determining whether the Lenders or the Required Lenders have taken or may take any action hereunder (including any consent to any amendment, waiver or other modification pursuant to Section 12.03); provided that this clause (b) shall not apply for purposes of any amendment, modification or waiver that (i) increases such Defaulting Lender's Revolving Credit Committed Amount or extends the maturity of such Defaulting Lender's Loans or extends its Revolving Credit Commitment, or reduces principal owed with respect thereto or (ii) requires the consent of all Lenders or each Lender affected thereby and treats such Defaulting Lender differently than the other respective Lenders.

(c) [Reserved]

(d) [Reserved]

(e) [Reserved]

(f) [Reserved]

(g) [Reserved]

(h) Any principal, interest, fees or any other amounts payable to or for the account of any Defaulting Lender in its capacity as a Lender hereunder shall, in lieu of being distributed to such Defaulting Lender, be retained by the Administrative Agent in a segregated account and, subject to any applicable requirements of law, (A) be applied, at such time or times as may be determined by the Administrative Agent, (1) first, to the payment of any amounts owing by such Defaulting Lender to the Administrative Agent hereunder, (2) second, to the funding of such Defaulting Lender's Commitment Percentage of any borrowing in respect of which such Defaulting

Lender shall have failed to fund such share as required hereunder and (B) to the extent not applied as aforesaid, be held, if so determined by the Administrative Agent, as cash collateral for funding obligations of such Defaulting Lender in respect of future Revolving Credit Loans hereunder, (C) to the extent not applied or held as aforesaid, be applied, pro rata, to the payment of any amounts owing to the Parent or the non-Defaulting Lenders as a result of any judgment of a court of competent jurisdiction obtained by the Parent or any non-Defaulting Lender against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations hereunder and (D) to the extent not applied or held as aforesaid, be distributed to such Defaulting Lender or as otherwise directed by a court of competent jurisdiction.

(i) In the event that the Administrative Agent and the Parent each agrees that a Defaulting Lender has adequately remedied all matters that caused such Lender to be a Defaulting Lender, then on such date such Lender shall purchase at par such of the Revolving Credit Loans of the other Lenders as the Administrative Agent shall determine may be necessary in order for such Lender to hold such Loans in accordance with its Commitment Percentage.

(j) So long as such Lender is a Defaulting Lender, the Parent may, at its option, replace such Defaulting Lender with another financial institution (which may be a Lender) reasonably satisfactory to the Administrative Agent by giving notice of such replacement Lender to such Defaulting Lender and the Administrative Agent. Unless the Administrative Agent shall object to the identity of such proposed replacement Lender within ten (10) days after receipt of such notice, the Defaulting Lender being so replaced shall, upon indefeasible payment in full in cash to it of all amounts owed to it hereunder (which shall include amounts referenced in Section 4.08(c)) and under the other Loan Documents assign all of its interests hereunder and under the Loan Documents to such replacement Lender and such replacement Lender shall assume all of such Defaulting Lender's obligations hereunder and under the other Loan Documents in accordance with the provisions of 12.14(c).

(k) So long as such Lender is a Defaulting Lender and no Event of Default or Potential Event of Default has occurred or exists, the Parent may, at its option, reduce the unused portion of such Defaulting Lender's Commitment without being required to reduce any other Lender's Commitment. Any such reduction shall be effective upon written notice by the Parent to the Administrative Agent.

ARTICLE V

REPRESENTATIONS AND WARRANTIES

As of the date hereof, the Parent hereby represents and warrants to the Administrative Agent and each Lender as follows:

date hereof there has been no material adverse change in such financial condition or operations on a consolidated basis. The Parent's unaudited consolidated balance sheet as of December 31, 2023, and the related statement of consolidated income for the three-month period ended on such date (copies of which have been furnished to each Lender) are complete and correct in all material respects and present fairly the financial condition of the Parent and its Subsidiaries as of such date and the results of its operations for such period (subject to normal year-end audit adjustments and the absence of certain footnotes).

Section 5.02 Litigation. There is no action, suit or administrative proceeding, to the knowledge of the Parent after due inquiry, pending or threatened against the Parent or any of its Subsidiaries as of the date hereof which, in the opinion of the Parent, involves any substantial risk of any material adverse effect on the financial condition or business of the Parent and its Subsidiaries on a consolidated basis.

Section 5.03 Due Organization. The Parent is a corporation and each Initial Other Borrower is (and as of the date it becomes an Other Borrower hereunder, each additional Other Borrower will be) a legal entity, in each case duly organized, validly existing and in good standing under the laws of its jurisdiction of organization.

Section 5.04 Consents and Approvals. The Parent and each Initial Other Borrower has (and as of the date it becomes an Other Borrower hereunder, each additional Other Borrower will have) obtained the necessary material consents and approvals, governmental or otherwise, for its execution and performance under this Agreement.

Section 5.05 Corporate Power, Authorization and Enforceability. The Parent and each Initial Other Borrower has (and as of the date it becomes an Other Borrower hereunder, each additional Other Borrower will have) taken all necessary corporate or other organizational action to authorize its execution and performance under this Agreement such that this Agreement, the Notes and, as applicable, the other Loan Documents constitute valid and legally binding obligations of the Parent and each Other Borrower, subject to applicable bankruptcy, reorganization, insolvency, moratorium or similar laws affecting creditors' rights generally and equitable principles of general application (regardless of whether enforcement is sought in a proceeding in equity or at law).

Section 5.06 ERISA. Parent and each Other Borrower is in compliance in all material respects with all applicable provisions and requirements of ERISA with respect to any Employee Benefit Plan for which Parent or such Other Borrower is the plan sponsor or a contributing employer, and neither Parent nor any Other Borrower is subject to any material liability, penalty, excise tax or Lien arising under ERISA or under the Internal Revenue Code with respect to any Plan or Multiemployer Plan, except to the extent such noncompliance, liability, penalty, excise tax or Lien would not reasonably be expected to result, alone or together with all such noncompliance, liabilities, penalties, excise taxes or Liens, in a Material Adverse Effect.

Section 5.07 No Conflict. Neither the execution and delivery by the Parent or, as applicable, the Other Borrowers of the Loan Documents, nor the consummation of the transactions therein contemplated, nor compliance by the Parent or, as applicable, the Other Borrowers with the provisions thereof will violate (a) to the best of the Parent's knowledge after due inquiry, any material

law, rule, regulation, order, writ, judgment, injunction, decree or award binding on the Parent or any of its Subsidiaries, (b) the Parent's or any Subsidiary's articles or certificate of incorporation, partnership agreement, certificate of partnership, articles or certificate of organization, by-laws, or operating or other management agreement, as the case may be, or (c) to the best of the Parent's knowledge after due inquiry, the provisions of any material indenture, instrument or agreement to which the Parent or any of its Subsidiaries is a party or is subject, or by which it, or its property, is bound, or conflict with or constitute a default thereunder, or result in, or require, the creation or imposition of any lien in, of or on the property of the Parent or a Subsidiary pursuant to the terms of any such indenture, instrument or agreement, except, in each case, to the extent such violation would not have a material adverse effect on the financial condition or business of the Parent and its Subsidiaries on a consolidated basis.

Section 5.08 No Default. Each of the Parent and its Subsidiaries is in compliance with all laws, regulations and orders of any Governmental Authority applicable to it or its property and all indentures, agreements and other instruments binding upon it or its property, except where the failure to do so, individually or in the aggregate, would not reasonably be expected to result in a Material Adverse Effect. Parent and its Subsidiaries are in compliance in all material respects with applicable provisions of Title III of the USA PATRIOT Act.

ARTICLE VI

CONDITIONS OF CREDIT

Section 6.01 Conditions to Initial Credit Events. The obligation of each Lender to make its initial Loan is subject to the execution and delivery of this Agreement by all parties hereto and the following conditions precedent:

(a) Officer's Certificate. The Administrative Agent shall have received a certificate dated the Closing Date and signed by the Treasurer or a Vice President of the Parent to the effect that each of the representations and warranties made by the Parent in Article V hereof is true and correct in all material respects (or, if qualified by "material," "Material Adverse Effect" or similar

language, in all respects (after giving effect to such materiality qualification)) on and as of the Closing Date as if made on and as of such date, both before and after giving effect to the Credit Events requested to be made on the Closing Date.

(b) Legal Opinion. The Parent shall provide to the Administrative Agent a legal opinion dated the Closing Date in form and substance reasonably satisfactory to the Administrative Agent as to the matters set forth in Sections 5.03, 5.04, 5.05 and 5.07 of this Agreement.

(c) Corporate Action. The Administrative Agent shall have received on or before the Closing Date certified copies of all corporate action taken by the Parent and each Initial Other Borrower to authorize the execution and delivery of this Agreement and, if required, the Notes and such other papers as the Administrative Agent or any Lender shall reasonably require, including specimen signatures of the officers executing this Agreement, the Notes and such documents, including any notices of borrowing.

(d) Patriot Act Information. The Administrative Agent shall have received copies of the articles or certificate of incorporation of the Parent and each Initial Other Borrower, together with all amendments, and a certificate of good standing, each certified as of a recent date by the appropriate governmental officer in its jurisdiction of incorporation, as well as any other information required by Section 326 of the USA PATRIOT ACT, the Beneficial Ownership Regulation or necessary for the Administrative Agent or any Lender to verify the identity of the Parent and each Initial Other Borrower as required by Section 326 of the USA PATRIOT Act and the Beneficial Ownership Regulation.

(e) Fees and Expenses. The Parent shall have paid all fees and expenses required to be paid by it on or before the Closing Date in connection with this Agreement (to the extent such fees and expenses are due and reasonably detailed statements for such fees and expenses have been delivered to the Parent).

(f) [Reserved]

Section 6.02 Conditions to All Credit Events. The obligation of each Lender to make each Loan to be made by it hereunder is subject to the following conditions precedent:

(a) No Default. No Event of Default and (except in the case of a rollover or an extension of a Loan, but not an increase in the principal amount of a Loan) no Potential Event of Default, has occurred and is continuing on and as of the date of such Credit Event, both immediately before and immediately after giving effect to such Credit Event.

(b) Representations and Warranties. Each of the representations and warranties made by the Parent in Sections 5.03, 5.04, 5.05, 5.07 and 5.09 hereof shall be true and correct in all material respects on and as of the date of such Credit Event as if made on and as of such date unless such representation is already qualified by materiality and then, in such case, the representation shall be true in all respects, both immediately before and immediately after giving effect to such Credit Event. It is further understood and agreed that notice by the Parent requesting any Credit

Event pursuant to Section 2.03 or 3.02 hereof shall constitute a certification by the Parent that (a) the conditions precedent required by this Section 6.02 are satisfied at the date of such Credit Event, and (b) that the proceeds of such Loans will be used by the Borrowers for general corporate purposes and no part of such proceeds will be used either directly or indirectly to purchase or carry margin stock in violation of Regulation U of the Board of Governors of the Federal Reserve System.

Section 6.03 Additional Conditions to Initial Credit Events of Other Borrowers. The obligations of each Lender to make each Loan to be made by it hereunder to an Other Borrower shall be subject to the following conditions precedent, in addition to those conditions stated in Section 6.02:

(a) Either (i) such Other Borrower is an Initial Other Borrower with respect to which the documents referred to in Sections 6.01(a), (b), (c) and (d) were delivered to the Administrative Agent on the Closing Date or (ii) such Other Borrower and the Parent have executed and delivered to the Administrative Agent a Borrower Accession Instrument, together with the documents listed therein, and such documents are in form and substance reasonably satisfactory to the Administrative Agent, as evidenced by its signature on such Borrower Accession Instrument, and at least five (5) Business Days have elapsed since the delivery of such Borrower Accession Instrument to the Administrative Agent (of which delivery the Administrative Agent shall give prompt notice to the Lenders).

PARENT GUARANTY

Section 10.01 Guaranty and Suretyship. The Parent hereby absolutely, unconditionally and irrevocably guarantees and becomes surety for the full and punctual payment of the Guaranteed Obligations as and when such payment shall become due (at scheduled maturity, by acceleration or otherwise) in accordance with the terms of the Loan Documents. The provisions of this Article X are an agreement of suretyship as well as of guaranty, are a guarantee of payment and not merely of

collectability, and are in no way conditioned upon any attempt to collect from or proceed against any Other Borrower or any other Person or any other event or circumstance. The obligations of the Parent under this Article X are direct and primary obligations of the Parent and are independent of the Guaranteed Obligations, and a separate action or actions may be brought against the Parent regardless of whether action is brought against any Other Borrower or any other Person or whether any Other Borrower or any other Person is joined in any such action or actions. The provisions of this Article X shall not apply unless and until an Other Borrower is party to this Agreement or a Borrower Accession Instrument and shall apply for so long as any Loan to an Other Borrower or the related Guaranteed Obligations are outstanding or any Commitment remains in effect.

Section 10.02 Obligations Absolute. To the fullest extent permitted by Law, the Parent agrees that the Guaranteed Obligations will be paid strictly in accordance with the terms of the Loan Documents, regardless of any Law now or hereafter in effect in any jurisdiction affecting the Guaranteed Obligations, any of the terms of the Loan Documents or the rights of the Administrative Agent, any Lender or any other Person with respect thereto. To the fullest extent permitted by Law, the obligations of the Parent under this Article X shall be absolute, unconditional and irrevocable, irrespective of any of the following:

(a) any lack of legality, validity, enforceability or allowability (in a bankruptcy, insolvency, reorganization, dissolution or similar proceeding, or otherwise), or any avoidance or subordination, in whole or in part, of any Loan Document or any of the Guaranteed Obligations;

(b) any increase, decrease or change in the amount, nature, type or purpose of any of the Guaranteed Obligations (whether or not contemplated by the Loan Documents as presently constituted); any change in the time, manner, method or place of payment of, or in any other term of, any of the Guaranteed Obligations; any execution or delivery of any additional Loan Documents; or any amendment to, or refinancing or refunding of, any Loan Document or any of the Guaranteed Obligations;

(c) any impairment by the Administrative Agent, any Lender or any other Person of any recourse of the Parent against any Other Borrower or any other Person; any failure to assert any breach of or default under any Loan Document or any of the Guaranteed Obligations; any extensions of credit in excess of the amount committed under or contemplated by the Loan Documents, or in circumstances in which any condition to such extensions of credit has not been satisfied; any other exercise or non-exercise, or any other failure, omission, breach, default, delay or wrongful action in connection with any exercise or non-exercise, of any right or remedy against any Other Borrower or any other Person under or in connection with any Loan Document or any of the Guaranteed Obligations; any refusal of payment of any of the Guaranteed Obligations, whether or not with any reservation of rights against the Parent; or any application of collections (including collections resulting from realization upon any direct or indirect security for the Guaranteed Obligations) to other obligations, if any, not entitled to the benefits of this Agreement, in preference to Guaranteed Obligations entitled to the benefits of this Agreement, or if any collections are applied to Guaranteed Obligations, any application to particular Guaranteed Obligations;

(d) any taking, amendment, subordination, release, loss or impairment of, or any failure to protect, perfect, or preserve the value of, or any other action or inaction by the Administrative Agent, any Lender or any other Person in respect of, any direct or indirect security for any of the Guaranteed Obligations;

(e) any merger, consolidation, liquidation, dissolution, winding-up, charter revocation or forfeiture, or other change in, restructuring or termination of the corporate structure or existence of, any Other Borrower or any other Person; any bankruptcy, insolvency, reorganization, dissolution or similar proceeding with respect to any Other Borrower or any other Person; or any action taken or election made by the Administrative Agent, any Lender (including any election under Section 1111(b)(2) of the United States Bankruptcy Code), any Other Borrower or any other Person in connection with any such proceeding;

(f) the failure of any Other Borrower to be properly organized under the Laws of its jurisdiction of organization, to take proper actions to authorize the incurrence of its Guaranteed Obligations or to comply in any respect with Laws applicable to it relating to its Guaranteed Obligations;

(g) any defense, set-off or counterclaim (including any defense of failure of consideration, breach of warranty, statute of frauds, bankruptcy, lack of legal capacity, statute of limitations, lender liability, accord and satisfaction or usury, and excluding only the defense of full, strict and indefeasible payment or performance), which may at any time be available to any Other Borrower or any other Person with respect to any Loan Document or any of the Guaranteed Obligations; or any discharge by operation of law or release of any Other Borrower or any other Person from the performance or observance of any Loan Document or any of the Guaranteed Obligations; or

(h) any other event or circumstance, whether similar or dissimilar to the foregoing, and whether known or unknown, which might otherwise constitute a legal or equitable defense available to, or limit the liability of, any Other Borrower, the Parent, a guarantor or a surety, excepting only full, strict and indefeasible payment and performance of the Guaranteed Obligations.

Section 10.03 Waivers, etc. To the fullest extent permitted by Law, the Parent hereby waives any defense to or limitation on its obligations under this Article X arising out of or based on any event or circumstance referred to in Section 10.02. Without limitation, to the fullest extent permitted by Law, the Parent waives each of the following for purposes of this Article X:

(a) all notices, disclosures and demands of any nature which otherwise might be required from time to time to preserve intact any rights against the Parent, including (i) any notice of any event or circumstance described in Section 10.02, (ii) any notice required by any Law now or hereafter in effect in any jurisdiction, (iii) any notice of nonpayment, nonperformance, dishonor, or protest under any Loan Document or any of the Guaranteed Obligations, (iv) any notice of the incurrence of any Guaranteed Obligation, (v) any notice of any default (other than notices expressly required under Article IX hereof) or any failure on the part of any Other Borrower or any other Person to comply with any Loan Document or any of the Guaranteed Obligations or any direct or indirect security for any of the Guaranteed Obligations, and (vi) any notice of any information pertaining to the

business, operations, condition (financial or otherwise) or prospects of any Other Borrower or any other Person;

(b) any right to any marshalling of assets, to the filing of any claim against any Other Borrower or any other Person in the event of any bankruptcy, insolvency, reorganization, dissolution or similar proceeding, or to the exercise against any Other Borrower or any other Person of any other right or remedy under or in connection with any Loan Document or any of the Guaranteed Obligations or any direct or indirect security for any of the Guaranteed Obligations; any requirement of promptness or diligence on the part of the Administrative Agent, any Lender or any other Person; any requirement to exhaust any remedies under or in connection with, or to mitigate the damages resulting from default under, any Loan Document or any of the Guaranteed Obligations or any direct or indirect security for any of the Guaranteed Obligations; and any requirement of acceptance of this Agreement, and any requirement that the Parent receive notice of such acceptance; and

(c) any defense or other right arising by reason of any Law now or hereafter in effect in any jurisdiction pertaining to election of remedies (including anti-deficiency laws, “one action” laws or similar laws), or by reason of any election of remedies or other action or inaction by the Administrative Agent or any Lender (including commencement or completion of any judicial proceeding or nonjudicial sale or other action in respect of collateral security for any of the Guaranteed Obligations), which results in denial or impairment of the right of the Administrative Agent or Lenders to seek a deficiency against any Other Borrower or any other Person, or which otherwise discharges or impairs any of the Guaranteed Obligations or any recourse of the Parent against any Other Borrower or any other Person.

Section 10.04 Reinstatement. The obligations of the Parent under this Article X shall continue to be effective, or be automatically reinstated, as the case may be, if at any time payment of any of the Guaranteed Obligations is avoided, rescinded or must otherwise be returned by the Administrative Agent or any Lender for any reason, all as though such payment had not been made.

Section 10.05 No Stay. Without limitation of any other provision of this Agreement, if any acceleration of the time for payment of any Guaranteed Obligation, or any condition to any such acceleration, shall at any time be stayed, enjoined or prevented for any reason (including stay or injunction resulting from the pendency against any Other Borrower or any other Person of a bankruptcy, insolvency, reorganization, dissolution or similar proceeding), the Parent agrees that, for purposes of this Article X and its obligations hereunder, such Guaranteed Obligation shall be deemed to have been accelerated, and such condition to acceleration shall be deemed to have been met.

Section 10.06 Payments. All payments to be made by the Parent pursuant to this Article X shall be made at the times, in the manner and in the currency prescribed for payments in Section 4.05 of this Agreement, without set-off, counterclaim, withholding or other deduction of any nature, except for payments and deductions permitted by Section 4.05.

Section 10.07 Subrogation, etc. Any rights which the Parent may have or acquire by way of subrogation, reimbursement, exoneration, contribution or indemnity, and any similar rights (whether arising by operation of law, by agreement or otherwise), against each Other Borrower, arising from the existence, payment, performance or enforcement of any of the obligations of the Parent under

or in connection with this Agreement, shall be subordinate in right of payment to the Guaranteed Obligations, and the Parent shall not exercise any such rights until the earlier of the time when all Guaranteed Obligations and all other obligations under this Agreement have been paid in full and all Commitments shall have terminated or the time when such Other Borrower ceases to be an Other Borrower hereunder. If, notwithstanding the foregoing, any amount shall be received by the Parent on account of any such rights at any time prior to the earlier of the time when all Guaranteed Obligations under this Agreement shall have been paid in full and all Commitments shall have terminated or the time when such Other Borrower shall have ceased to be an Other Borrower hereunder, such amount shall be held by the Parent in trust for the benefit of the Lenders, segregated from other funds held by the Parent, and shall be forthwith delivered to the Administrative Agent on behalf of the Lenders in the exact form received by the Parent (with any necessary endorsement), to be applied to the Guaranteed Obligations, whether matured or unmatured, in accordance with this Agreement, or to be held by the Administrative Agent on behalf of the Lenders as security for the Guaranteed Obligations and disposed of by the Administrative Agent in any lawful manner, all as the Administrative Agent may elect in accordance with this Agreement.

Section 10.08 Continuing Agreement. The provisions of this Article X are a continuing guaranty and shall continue in full force and effect until all Guaranteed Obligations have been paid in full, and all Commitments have terminated, subject in any event to reinstatement in accordance with Section 10.04.

ARTICLE XI

Each Lender hereby irrevocably authorizes the Administrative Agent to execute and deliver each of the Loan Documents and to accept delivery of such of the other Loan Documents as may not require execution by the Administrative Agent. Each Lender agrees that the rights and remedies granted to the Administrative Agent under the Loan Documents shall be exercised exclusively by the Administrative Agent, and that no Lender shall have any right individually to exercise any such right or remedy, except to the extent expressly provided herein or therein. The motivations of the Administrative Agent are commercial in nature and not to invest in the general performance or operations of the Parent or its Subsidiaries.

Section 11.02 General Nature of the Administrative Agent's Duties. Notwithstanding anything to the contrary elsewhere in this Agreement or in any other Loan Document:

(a) The Administrative Agent shall not have any duties or responsibilities except those expressly set forth in this Agreement and the other Loan Documents, and no implied duties or responsibilities on the part of the Administrative Agent shall be read into this Agreement or any Loan Document or shall otherwise exist.

(b) The duties and responsibilities of the Administrative Agent under this Agreement and the other Loan Documents shall be mechanical and administrative in nature, and the Administrative Agent shall not have a fiduciary relationship in respect of any Lender.

(c) The Administrative Agent is and shall be solely the agent of the Lenders. The Administrative Agent does not assume, and shall not at any time be deemed to have, any relationship of agency or trust with or for, or any other duty or responsibility to, any Borrower or any other Person (except only for its relationship as agent for, and its express duties and responsibilities to, the Lenders as provided in this Agreement and the other Loan Documents).

(d) The Administrative Agent shall not be under any obligation to take any action hereunder or under any other Loan Document if the Administrative Agent believes in good faith that taking such action may conflict with any Law or any provision of this Agreement or any other Loan Document, or may require the Administrative Agent to qualify to do business in any jurisdiction where it is not then so qualified.

Section 11.03 Exercise of Powers. The Administrative Agent shall take any action of the type specified in this Agreement or any other Loan Document as being within the Administrative Agent's rights, powers or discretion in accordance with directions from the Required Lenders (or, to the extent this Agreement or such Loan Document expressly requires the direction or consent of some other Person or set of Persons, then instead in accordance with the directions of such other Person or set of Persons). In the absence of such directions, the Administrative Agent shall have the authority (but under no circumstances shall be obligated), in its sole discretion, to take any such action, except to the extent this Agreement or such Loan Document expressly requires the direction or consent of the Required Lenders or all Lenders (or some other Person or set of Persons), in which case the Administrative Agent shall not take such action absent such direction or consent. Any action or inaction pursuant to such direction, discretion or consent shall be binding on all the Lenders. The Administrative Agent shall not have any liability to any Person as a result of (x) the Administrative Agent acting or refraining from acting in accordance with the directions of the Required Lenders (except where such direction directly contravenes an express provision hereof under which the Administrative Agent is required to give notice or apply funds), (y) the Administrative Agent refraining from acting in the absence of instructions to act from the Required Lenders (or other applicable Person or set of Persons), whether or not the Administrative Agent has discretionary power to take such action (except where such instruction directly contravenes an express provision hereof under which the Administrative Agent is required to give notice or apply funds), or (z) the Administrative Agent taking discretionary action it is authorized to take under this Section (subject, in the case of this clause (z), to the provisions of Section 11.04(a) hereof).

Section 11.04 General Exculpatory Provisions. Notwithstanding anything to the contrary elsewhere in this Agreement or any other Loan Document:

(a) The Administrative Agent shall not be liable for any action taken or omitted to be taken by it under or in connection with this Agreement or any other Loan Document, unless caused by its own gross negligence or willful misconduct, as finally determined in a non-appealable judgment by a court of competent jurisdiction.

(b) The Administrative Agent shall not be responsible to any Lender for (i) the execution, delivery, effectiveness, enforceability, genuineness, validity or adequacy of this Agreement or any other Loan Document, (ii) any recital, representation, warranty, document, certificate, report or statement in, provided for in, or received under or in connection with, this Agreement or any other Loan Document, (iii) any failure of any Borrower or Lender to perform any of their respective obligations under this Agreement or any other Loan Document, (iv) the existence, validity, enforceability, perfection, recordation, priority, adequacy or value, now or hereafter, of any lien or other direct or indirect security afforded or purported to be afforded by any of the Loan Documents or otherwise from time to time, or (v) caring for, protecting, insuring, or paying any taxes, charges or assessments with respect to any collateral.

(c) The Administrative Agent shall not be under any obligation to ascertain, inquire or give any notice to any Lender relating to (i) the performance or observance of any of the terms or conditions of this Agreement or any other Loan Document on the part of any Borrower, (ii) the business, operations, condition (financial or otherwise) or prospects of any Borrower or any other Person, or (iii) except to the extent set forth in Section 11.05(f) hereof, the existence of any Event of Default or Potential Event of Default.

(d) The Administrative Agent shall not be under any obligation, either initially or on a continuing basis, to provide any Lender with any notices, reports or information of any nature, whether in its possession presently or hereafter, except for such notices, reports and other information expressly required by this Agreement or any other Loan Document to be furnished by the Administrative Agent to such Lender.

Section 11.05 Administration by the Administrative Agent.

(a) The Administrative Agent may rely upon any notice or other communication of any nature (written or oral, including but not limited to telephone conversations, whether or not such notice or other communication is made in a manner permitted or required by this Agreement or any Loan Document) purportedly made by or on behalf of the proper party or parties, and the Administrative Agent shall not have any duty to verify the identity or authority of any Person giving such notice or other communication.

(b) The Administrative Agent may consult with legal counsel (including, without limitation, in-house counsel for the Administrative Agent or in-house or other counsel for any Borrower), independent public accountants and any other experts selected by it from time to time, and the Administrative Agent shall not be liable for any action taken or omitted to be taken in good faith by it in accordance with the advice of such counsel, accountants or experts.

(c) The Administrative Agent may conclusively rely upon the truth of the statements and the correctness of the opinions expressed in any certificates or opinions furnished to the

Administrative Agent in accordance with the requirements of this Agreement or any other Loan Document. Whenever the Administrative Agent shall deem it necessary or desirable that a matter be proved or established with respect to any Borrower or Lender, such matter may be established by a certificate of such Borrower or Lender, as the case may be, and the Administrative Agent may conclusively rely upon such certificate (unless other evidence with respect to such matter is specifically prescribed in this Agreement or another Loan Document).

(d) The Administrative Agent may fail or refuse to take any action unless it shall be indemnified to its satisfaction from time to time against any and all amounts, liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind or nature which may be imposed on, incurred by or asserted against the Administrative Agent by reason of taking or continuing to take any such action.

(e) The Administrative Agent may perform any of its duties under this Agreement or any other Loan Document by or through agents or attorneys-in-fact. The Administrative Agent shall not be responsible for the negligence or misconduct of any agents or attorneys-in fact selected by it with reasonable care.

(f) The Administrative Agent shall not be deemed to have any knowledge or notice of the occurrence of any Event of Default or Potential Event of Default unless the Administrative Agent has received notice from a Lender or any Borrower referring to this Agreement, describing such Event of Default or Potential Event of Default, and stating that such notice is a "notice of default". If the Administrative Agent receives such a notice, it shall give prompt notice thereof to each Lender.

Section 11.06 Lender Not Relying on the Administrative Agent or Other Lenders. Each Lender acknowledges as follows:

(a) Neither the Administrative Agent nor any other Lender has made any representations or warranties to it, and no act taken hereafter by the Administrative Agent or any other Lender shall be deemed to constitute any representation or warranty by the Administrative Agent or such other Lender to it.

(b) It has, independently and without reliance upon the Administrative Agent or any other Lender, and based upon such documents and information as it has deemed appropriate, made its own credit and legal analysis and decision to enter into this Agreement and the other Loan Documents.

(c) It will, independently and without reliance upon the Administrative Agent or any other Lender, and based upon such documents and information as it shall deem appropriate at the time, make its own decisions to take or not take action under or in connection with this Agreement and the other Loan Documents.

Section 11.07 Indemnification. Each Lender agrees to reimburse and indemnify the Administrative Agent and its respective directors, officers, employees and agents (to the extent not reimbursed by a Borrower as set forth herein and without limitation of the obligations of the Borrowers

to do so as set forth herein), Pro Rata, from and against any and all amounts, losses, liabilities, claims, damages, expenses, obligations, penalties, actions, judgments, suits, costs or disbursements of any kind or nature (including, without limitation, the reasonable fees and disbursements of counsel for the Administrative Agent or such other Person in connection with any investigative, administrative or judicial proceeding commenced or threatened, whether or not the Administrative Agent or such other Person shall be designated a party thereto) that may at any time be imposed on, incurred by or asserted against the Administrative Agent or such other Person as a result of, or arising out of, or in any way related to or by reason of, this Agreement, any other Loan Document, any transaction from time to time contemplated hereby or thereby, or any transaction financed in whole or in part or directly or indirectly with the proceeds of any Loan; provided that no Lender shall be liable for any portion of such amounts, losses, liabilities, claims, damages, expenses, obligations, penalties, actions, judgments, suits, costs or disbursements resulting from the gross negligence or willful misconduct of the Administrative Agent or such other Person, as finally determined in a non-appealable judgment by a court of competent jurisdiction.

Section 11.08 The Administrative Agent in its Individual Capacity. With respect to its Commitments and the Obligations owing to it, the Administrative Agent shall have the same rights and powers under this Agreement and each other Loan Document as any other Lender and may exercise the same as though it were not the Administrative Agent, and the terms “Lenders,” “holders of Notes” and like terms shall include the Administrative Agent in its individual capacity as such. The Administrative Agent and its Affiliates may, without liability to account, make loans to, accept deposits from, acquire debt or equity interests in, act as trustee under indentures of, and engage in any other business with, any Borrower and any stockholder, subsidiary or Affiliate of any Borrower, as though the Administrative Agent were not an Administrative Agent hereunder.

Section 11.09 Lenders. The Administrative Agent may deem and treat each Lender signatory hereto as a Lender hereunder for all purposes hereof unless and until such Person assigns all of its interests hereunder pursuant to Section 12.14(c) hereof. Any authority, direction or consent of any Person who at the time of giving such authority, direction or consent is shown in the Register as being a Lender shall be conclusive and binding on each present and subsequent transferee or assignee.

Section 11.10 Successor Administrative Agent. The Administrative Agent may resign at any time by giving ten (10) days’ prior written notice thereof to the Lenders and the Parent. The Administrative Agent may be removed by the Required Lenders at any time by giving ten (10) days’ prior written notice thereof to the Administrative Agent, the other Lenders and the Parent. Upon any such resignation or removal, the Required Lenders shall have the right to appoint a successor Administrative Agent, subject to the consent of the Parent (which consent shall not be unreasonably withheld and shall not be required if an Event of Default has occurred and is continuing). If no successor Administrative Agent shall have been so appointed and consented to, and shall have accepted such appointment, within thirty (30) days after such notice of resignation or removal, then the retiring Administrative Agent may, on behalf of the Lenders, appoint a successor Administrative Agent; provided that if the Administrative Agent is resigning, the retiring Administrative Agent’s resignation shall nevertheless become effective on the date that is forty (40) days after its initial notice of resignation and the Lenders shall assume and perform all of the duties of the Administrative Agent hereunder until such time, if any, as the Required Lenders appoint a successor agent as provided for

above. Each successor Administrative Agent shall be a commercial bank or trust company organized under the laws of the United States of America or any State thereof and having a combined capital and surplus of at least \$1,000,000,000. Upon the acceptance by a successor Administrative Agent of its appointment as Administrative Agent hereunder, such successor Administrative Agent shall thereupon succeed to and become vested with all the properties, rights, powers, privileges and duties of the former Administrative Agent, without further act, deed or conveyance. Upon the effective date of resignation or removal of a retiring Administrative Agent, such Administrative Agent shall be discharged from its duties under this Agreement and the other Loan Documents, but the provisions of this Agreement shall inure to its benefit as to any actions taken or omitted by it while it was the Administrative Agent under this Agreement.

Section 11.11 Calculations. The Administrative Agent shall not be liable for any calculation, apportionment or distribution of payments made by it in good faith. If such calculation, apportionment or distribution is subsequently determined to have been made in error, the sole recourse of any Lender to whom payment was due but not made shall be to recover from the other Lenders any payment in excess of the amount to which they are determined to be entitled or, if the amount due was not paid by the appropriate Borrower, to recover such amount from the appropriate Borrower.

Section 11.12 The Administrative Agent's Fees. The Parent agrees to pay to the Administrative Agent, for its individual account, a nonrefundable Administrative Agent's fee in an amount and at such time or times as specified in the Mizuho Fee Letter.

Section 11.13 Co-Syndication Agents; Co-Documentation Agents. None of the Lenders identified in this Agreement as a "Co-Syndication Agent" or "Co-Documentation Agent" shall have any right, power, obligation, liability, responsibility or duty under this Agreement in such identified capacity other than those applicable to all Lenders as such. Without limiting the foregoing, none of such Lenders shall have or be deemed to have a fiduciary relationship with any Lender. Each Lender hereby makes the same acknowledgements with respect to such Lenders as it makes with respect to the Administrative Agent in Section 11.06.

ARTICLE XII **MISCELLANEOUS**

Section 12.01 Holidays. Whenever any payment or action to be made or taken hereunder or under any other Loan Document shall be stated to be due on a day which is not a Business Day, such payment or action shall be made or taken on the next following Business Day and such extension of time shall be included in computing interest or fees, if any, in connection with such payment or action.

Section 12.02 Records. The unpaid principal amount of the Loans owing to each Lender, the unpaid interest accrued thereon, the interest rate or rates applicable to such unpaid principal amount, the duration of such applicability, each Lender's Revolving Credit Committed Amount shall at all times be ascertained from the records of the Administrative Agent, which shall be conclusive absent manifest error.

Section 12.03 Amendments and Waivers. Neither this Agreement nor any Loan Document may be amended, modified or supplemented except in accordance with the provisions of

this Section. The Administrative Agent, the Required Lenders and the Borrowers may from time to time amend, modify or supplement the provisions of this Agreement or any other Loan Document for the purpose of amending, adding to, or waiving any provisions, or changing in any manner the rights and duties of any Borrower, the Administrative Agent or any Lender; provided, however, that, notwithstanding the foregoing, any amendment, modification or supplement of the provisions of this Agreement or any other Loan Document of the kind described in clauses (a) and (b) of this Section 12.03 may be entered into from time to time by the Administrative Agent, each Lender affected thereby and the Parent. Any such amendment, modification or supplement made by the Borrowers (or the Parent, as the case may be), the Required Lenders and the Administrative Agent in accordance with the provisions of this Section shall be binding upon the Borrowers, each Lender and the Administrative Agent; provided that no amendment, modification or supplement shall be effective which will:

(a) Increase the Revolving Credit Committed Amount of any Lender over the amount thereof then in effect, or extend the Revolving Credit Maturity Date or the Competitive Bid Expiration Date, unless executed by each Lender affected thereby;

(b) Reduce the principal amount of or extend the scheduled final maturity of any Loan, or extend any scheduled payment date or prepayment date of any Loan, or reduce the rate of interest or extend the time for payment of interest borne by any Loan, or extend the time for payment of or reduce the amount of any Commitment Fee or reduce or postpone the date for payment of any other fees, expenses, indemnities or amounts payable under any Loan Document, in each case, except in accordance with Section 4.01, unless executed by each Lender affected thereby;

(c) Change the definition of "Required Lenders", the definition of "Defaulting Lender" or the definition of "Designated Currency" or any provision of this Agreement that states a requirement for the consent of all the Lenders or amend Section 4.12(b) or this Section 12.03, unless executed by all the Lenders;

(d) Amend the third sentence of the fourth paragraph of Section 4.05(a) or Section 12.13, unless executed by all the Lenders;

(e) Amend or waive any of the provisions of Article XI hereof, or impose additional duties upon the Administrative Agent or otherwise adversely affect the rights, interests or obligations of the Administrative Agent unless executed by the Administrative Agent; or

(f) Release the Parent from any of its obligations under Article X hereof, unless executed by all Lenders;

and provided, further, that (i) Assignment Agreements may be entered into in the manner provided in Section 12.14 hereof and (ii) any fees payable to the Administrative Agent for its own account may be waived by the Administrative Agent in its sole discretion. Any such amendment, modification or supplement must be in writing and shall be effective only to the extent set forth in such writing. Any Event of Default or Potential Event of Default waived or consented to in any such amendment, modification or supplement shall be deemed to be cured and not continuing to the extent and for the period set forth in such waiver or consent, but no such waiver or consent shall extend to any other or subsequent Event of Default or Potential Event of Default or impair any right consequent thereto.

Notwithstanding the foregoing, (i) upon the execution and delivery of all documentation and receipt of all consents required by Section 2.10 to be delivered in connection with an increase in the Total Revolving Credit Commitment, this Agreement shall be deemed amended without further action by any party to reflect, as applicable, the new Lenders and their new Revolving Credit Committed Amounts and any increase in the Revolving Credit Committed Amounts of any existing Lender, (ii) the Administrative Agent and the Borrower may amend or modify this Agreement and any other Loan Document to cure any ambiguity, omission, mistake, defect or inconsistency therein and such amendment shall become effective without any further action or consent of any other party to any Loan Document; provided that prior notice of such amendment shall be given to the Lenders and (iii) the operation of Schedule 1 in accordance with its terms is not an amendment subject to this Section 12.03.

If, in connection with any proposed amendment, waiver or consent requiring the consent of “all Lenders,” “each Lender” or “each Lender directly and adversely affected thereby,” the consent of the Required Lenders is obtained, but the consent of other necessary Lenders is not obtained (any such Lender whose consent is necessary but not obtained being referred to herein as a “Non-Consenting Lender”), then the Parent may elect, at the sole cost and expense of the Borrowers, to replace a Non-Consenting Lender as a Lender party to this Agreement; provided that, concurrently with such replacement, (i) another bank or other entity (which is reasonably satisfactory to the Administrative Agent) shall agree, as of such date, to purchase at par for cash the Loans due to the Non-Consenting Lender and to become a Lender for all purposes under this Agreement and to assume all obligations of the Non-Consenting Lender to be terminated as of such date, and (ii) the Borrower shall pay to such Non-Consenting Lender in same day funds on the day of such replacement all amounts owed to it hereunder and under the other Loan Documents (including with respect to Section 4.08(c) hereof).

Section 12.04 No Implied Waiver; Cumulative Remedies. No course of dealing and no delay or failure of the Administrative Agent or any Lender in exercising any right, power or privilege under this Agreement or any other Loan Document shall affect any other or future exercise thereof or exercise of any other right, power or privilege; nor shall any single or partial exercise of any such right, power or privilege or any abandonment or discontinuance of steps to enforce such a right, power or privilege preclude any further exercise thereof or of any other right, power or privilege. The rights and remedies under this Agreement and any other Loan Document are cumulative and not exclusive of any rights or remedies which would otherwise be available at law or in equity.

Section 12.05 Notices.

(a) Except in the case of notices and other communications expressly permitted to be given by telephone (and except as provided in clause (b) below), all notices and other communications provided for herein shall be in writing and shall be delivered by hand or overnight courier service, mailed by certified or registered mail or sent by facsimile as follows:

- (i) if to the Parent or any Other Borrower, at its address or facsimile number set forth on the signature page hereof;
- (ii) if to the Administrative Agent, at its address or facsimile number set forth on the signature page hereof; and

(iii) if to a Lender, to it at its address or facsimile number set forth in its administrative questionnaire.

Notices sent by hand or overnight courier service, or mailed by certified or registered mail, shall be deemed to have been given when received; notices sent by facsimile shall be deemed to have been given when sent (except that, if not given during normal business hours for the recipient, shall be deemed to have been given at the opening of business on the next Business Day for the recipient). Notices delivered through electronic communications to the extent provided in clause (b) below, shall be effective as provided in said clause (b).

(b) Notices and other communications to the Lenders may be delivered or furnished by electronic communication (including e-mail and internet or intranet websites) pursuant to procedures approved by the Administrative Agent or as otherwise determined by the Administrative Agent; provided that the foregoing shall not apply to notices to any Lender pursuant to Article II if such Lender has notified the Administrative Agent that it is incapable of receiving notices under such Article by electronic communication. The Administrative Agent or the Parent may, in its respective discretion, agree to accept notices and other communications to it hereunder by electronic communications pursuant to procedures approved by it or as it otherwise determines; provided that such determination or approval may be limited to particular notices or communications. Unless the Administrative Agent otherwise prescribes, (i) notices and other communications sent to an e-mail address shall be deemed received upon the sender's receipt of an acknowledgement from the intended recipient (such as by the "return receipt requested" function, as available, return e-mail or other written acknowledgement); provided that if such notice or other communication is not given during the normal business hours of the recipient, such notice or communication shall be deemed to have been given at the opening of business on the next Business Day for the recipient, and (ii) notices or communications posted to an Internet or intranet website shall be deemed received upon the deemed receipt by the intended recipient at its e-mail address as described in the foregoing clause (i) of notification that such notice or communication is available and identifying the website address therefor.

(c) Any party hereto may change its address or facsimile number for notices and other communications hereunder by written notice to (i) the Administrative Agent and the Parent in the case of a change by a Lender, (ii) the Administrative Agent and each Lender in the case of a change by any of the Borrowers or (iii) all other parties hereto in the case of a change by the Administrative Agent.

(d) Any Lender giving any notice to the Borrowers or any other party to a Loan Document shall simultaneously send a copy thereof to the Administrative Agent, and the Administrative Agent shall promptly notify the other Lenders of the receipt by it of any such notice.

(e) The Administrative Agent and each Lender may rely on any notice (whether or not such notice is made in a manner permitted or required by this Agreement or any Loan Document) purportedly made by or on behalf of the Borrowers, and neither the Administrative Agent nor Lender shall have any duty to verify the identity or authority of any Person giving such notice.

Section 12.06 Expenses; Indemnity; No Consequential Damages.

(a) The Parent agrees to pay or cause to be paid and to save the Agents harmless against liability for the payment of all reasonable and documented out-of-pocket costs and expenses incurred by the Agents from time to time arising from or relating to (i) the negotiation, preparation, execution and delivery of this Agreement and the other Loan Documents and (ii) the negotiation, preparation, execution and delivery of any requested amendments, modifications, supplements, waivers or consents (whether or not ultimately entered into or granted) to this Agreement or any Loan Document; provided that, in the case of legal expenses after the Closing Date, payment for such costs and expenses will be limited to the reasonable and documented fees and expenses of one primary counsel and one local counsel in each relevant jurisdiction (and, solely in the case of an actual or perceived conflict of interest, one additional counsel in each relevant jurisdiction to the affected Agents). The Parent agrees to pay or cause to be paid and to save the Agents and each Lender harmless against liability for the payment of all reasonable and documented out-of-pocket expenses (including but not limited to reasonable and documented fees and expenses of legal counsel, auditors, and all other professional, accounting, evaluation and consulting costs) reasonably incurred after the occurrence of an Event of Default by the Administrative Agent or any Lender from time to time arising from or relating to the enforcement or preservation of rights under this Agreement or any Loan Document; provided that, in the case of legal expenses, payment for such expenses will be limited to the reasonable and documented fees and expenses of one primary counsel and local counsel in each relevant jurisdiction (and, solely in the case of an actual or perceived conflict of interest, one additional counsel in each relevant jurisdiction to the affected Persons).

(b) The Parent hereby agrees to reimburse and indemnify each of the Indemnified Parties from and against any and all losses, liabilities, claims, damages, expenses, obligations, penalties, actions, judgments, suits, costs or disbursements of any kind or nature whatsoever (including, without limitation, the reasonable and documented fees and disbursements of one primary counsel and of local counsel in each relevant jurisdiction for such Indemnified Party in connection with any investigative, administrative or judicial proceeding commenced or threatened, whether or not such Indemnified Party shall be designated a party thereto (and, solely in the case of an actual or perceived conflict of interest, one additional counsel in each relevant jurisdiction to the affected Indemnified Parties)) that may at any time be imposed on, asserted against or incurred by such Indemnified Party as a result of, or arising out of, or in any way related to or by reason of, this Agreement or any other Loan Document, any transaction from time to time contemplated hereby or thereby, any transaction financed in whole or in part or directly or indirectly with the proceeds of any Loan, but excluding any such losses, liabilities, claims, damages, expenses, obligations, penalties, actions, judgments, suits, costs or disbursements to the extent they result from (i) the gross negligence or willful misconduct of such Indemnified Party or (ii) any dispute between an Indemnified Party and one or more other Indemnified Parties (other than against an Agent acting in such a role) that does not involve an act or omission by Parent or any of its Subsidiaries. If and to the extent that the foregoing obligations of the Parent under this clause (b), or any other indemnification obligation of the Parent hereunder or under any other Loan Document, are unenforceable for any reason, the Parent hereby agrees to make the maximum contribution to the payment and satisfaction of such obligations which is permissible under applicable Law. This Section 12.06(b) shall not apply with respect to Taxes other than any Taxes that represent losses, claims, damages, etc. arising from any non-Tax claim.

(c) Without limiting the provisions of Section 12.06(a) or 12.06(b), in no event will any party hereto be liable to any other party hereto for any punitive, special, indirect or consequential damages for any matters arising out of the transactions contemplated hereby; provided, however, that the foregoing limitation shall not be deemed to impair or affect the obligations of the Parent under Section 12.06(a) or Section 12.06(b).

Section 12.07 Severability. The provisions of this Agreement are intended to be severable. If any provision of this Agreement shall be held invalid or unenforceable in whole or in part in any jurisdiction such provision shall, as to such jurisdiction, be ineffective to the extent of such invalidity or unenforceability without in any manner affecting the validity or enforceability thereof in any other jurisdiction or the remaining provisions hereof in any jurisdiction.

Section 12.08 Prior Understandings. This Agreement and the other Loan Documents supersede all prior and contemporaneous understandings and agreements, whether written or oral, among the parties hereto relating to the transactions provided for herein and therein except for the Fee Letters.

Section 12.09 Duration; Survival. All representations and warranties of each Borrower contained herein or in any other Loan Document or made in connection herewith or therewith shall survive the making of, and shall not be waived by the execution and delivery of this Agreement or any other Loan Document, any investigation by or knowledge of the Administrative Agent or any Lender, the making of any Loan, or any other event or condition whatever. All covenants and agreements of each Borrower contained herein or in any other Loan Document shall continue in full force and effect from and after the date hereof so long as any Borrower may borrow hereunder and until payment in full in cash of all Obligations. Without limitation, all obligations of the Borrowers hereunder or under any other Loan Document to make payments to or indemnify the Administrative Agent or any Lender shall survive the payment in full in cash of all other Obligations, termination of the Borrowers' right to borrow hereunder, and all other events and conditions whatever, including without limitation the assignment of a Lender's Commitments and Loans hereunder. In addition, all obligations of each Lender to make payments to or indemnify the Administrative Agent shall survive the payment in full in cash by the Borrowers of all Obligations, termination of the Borrowers' right to borrow hereunder, and all other events or conditions whatever.

Section 12.10 Counterparts: Electronic Execution of Loan Documents. This Agreement may be executed in any number of counterparts and by the different parties hereto on separate counterparts each of which, when so executed, shall be deemed an original, but all such counterparts shall constitute but one and the same instrument. Delivery by fax or other electronic transmission of an executed counterpart of a signature page to this Agreement and each other Loan Document shall be effective as delivery of an original executed counterpart of this Agreement and such other Loan Document and the words "execution," "execute", "signed," "signature," and words of like import in or related to any document to be signed in connection with this Agreement or any other Loan Document shall be deemed to include electronic signatures, the electronic matching of assignment terms and contract formations on electronic platforms approved by the Administrative Agent, or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper based recordkeeping system, as

the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act. The Administrative Agent may, in its discretion, require that any such documents and signatures executed electronically or delivered by fax or other electronic transmission be confirmed by a manually-signed original thereof; provided that the failure to request or deliver the same shall not limit the effectiveness of any document or signature executed electronically or delivered by fax or other electronic transmission.

Section 12.11 Limitation on Payments. The parties hereto intend to conform to all applicable Laws in effect from time to time limiting the maximum rate of interest that may be charged or collected. Accordingly, notwithstanding any other provision hereof or of any other Loan Document, the Borrowers shall not be required to make any payment to or for the account of any Lender, and each Lender shall refund any payment made by the Borrowers, to the extent that such requirement or such failure to refund would violate or conflict with nonwaivable provisions of applicable Laws limiting the maximum amount of interest which may be charged or collected by such Lender.

Section 12.12 Set-Off. Each Borrower hereby agrees that if an Event of Default has occurred and is continuing, each Lender shall have the right, without notice to such Borrower, to set off against and to appropriate and apply to such Obligation any matured indebtedness or other fixed liability or matured obligation of any nature owing to such Borrower by such Lender, including but not limited to all deposits (whether time or demand, general or special, provisionally credited or finally credited, whether or not evidenced by a certificate of deposit) now or hereafter maintained by such Borrower with such Lender. Such right shall be absolute and unconditional in all circumstances and, without limitation, shall exist whether or not such Lender or any other Person shall have given notice or made any demand to such Borrower or any other Person, and regardless of the existence or adequacy of any collateral, guaranty or any other security, right or remedy available to any Lender or any other Person. Each Borrower hereby agrees that any Participant and any branch, subsidiary or Affiliate of any Lender or any Participant shall have the same rights of set-off as a Lender as provided in this Section (regardless of whether such Participant, branch, subsidiary or Affiliate would otherwise be deemed in privity with or a direct creditor of such Borrower). The rights provided by this Section are in addition to all other rights of set-off and banker's lien and all other rights and remedies which any Lender (or any such Participant, branch, subsidiary or Affiliate) may otherwise have under this Agreement, any other Loan Document, at law or in equity, or otherwise, and nothing in this Agreement or any Loan Document shall be deemed a waiver or prohibition of or restriction on the rights of set-off or bankers' lien of any such Person.

Section 12.13 Sharing of Collections. The Lenders hereby agree among themselves that if any Lender shall receive (by voluntary payment, realization upon security, set-off or from any other source) any amount on account of the Revolving Credit Loans, Competitive Bid Loans or Term Loans and interest thereon in greater proportion (determined by reference to the aggregate Revolving Credit Exposures at such time) than any such amount received by any other Lender, then the Lender receiving such proportionately greater payment shall notify each other Lender and the Administrative Agent of such receipt, and equitable adjustment will be made in the manner stated in this Section so that, in effect, all such excess amounts will be shared ratably among all of the Lenders. The Lender

receiving such excess amount shall purchase (which it shall be deemed to have done simultaneously upon the receipt of such excess amount) for cash from the other Lenders a participation in the applicable Revolving Credit Loans, Competitive Bid Loans or Term Loans and interest thereon owed to such other Lenders in such amount as shall result in a ratable sharing by all Lenders of such excess amount (and to such extent the receiving Lender shall be a Participant). If all or any portion of such excess amount is thereafter recovered from the Lender making such purchase, such purchase shall be rescinded and the purchase price restored to the extent of such recovery, together with interest or other amounts, if any, required by Law to be paid by the Lender making such purchase. Each Borrower hereby consents to and confirms the foregoing arrangements. Each Participant shall be bound by this Section as fully as if it were a Lender hereunder.

Section 12.14 Successors and Assigns; Participations; Assignments.

(a) Successors and Assigns. The terms and provisions of the Loan Documents shall be binding upon and inure to the benefit of the Borrowers, the Administrative Agent and the Lenders and their respective successors and assigns permitted hereby, except that (i) the Borrowers shall not have the right to assign their respective rights or obligations under the Loan Documents without the prior written consent of each Lender (except as provided Section 9.01(f)), (ii) any assignment by any Lender must be made in compliance with Section 12.14(c), and (iii) any transfer by participation must be made in compliance with Section 12.14(b). Any attempted assignment or transfer by any party not made in compliance with this Section 12.14 shall, subject to Section 12.14(c)(iii), be null and void. The parties to this Agreement acknowledge that clause (ii) of this Section 12.14(a) relates only to absolute assignments and this Section 12.14 does not prohibit assignments creating security interests, including, without limitation, (x) any pledge or assignment by any Lender of all or any portion of its rights under this Agreement and any Note to a Federal Reserve Bank or any central bank or (y) in the case of a Lender which is a Fund, any pledge or assignment of all or any portion of its rights under this Agreement and any Note to its trustee in support of its obligations to its trustee; provided, however, that no such pledge or assignment creating a security interest shall release the Assignor Lender from its obligations hereunder unless and until the parties thereto have complied with the provisions of Section 12.14(c). The Administrative Agent may treat the Person which made any Loan or which holds any Note as the owner thereof for all purposes hereof unless and until such Person complies with Section 12.14(c); provided, however, that the Administrative Agent may in its discretion (but shall not be required to) follow instructions from the Person which made any Loan or which holds any Note to direct payments relating to such Loan or Note to another Person. Any assignee of the rights to any Loan or any Note agrees by acceptance of such assignment to be bound by all the terms and provisions of the Loan Documents. Any request, authority or consent of any Person, who at the time of making such request or giving such authority or consent is the owner of the rights to any Loan (whether or not a Note has been issued in evidence thereof), shall be conclusive and binding on any subsequent holder or assignee of the rights to such Loan.

(b) Participations.

(i) Permitted Participants; Effect. Any Lender may at any time sell to one or more banks or other entities ("Participants") participating interests in any Loan owing to such Lender, any Note held by such Lender, any

Revolving Credit Commitment of such Lender or any other interest of such Lender under the Loan Documents. In the event of any such sale by a Lender of participating interests to a Participant, such Lender's obligations under the Loan Documents shall remain unchanged, such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations, such Lender shall remain the owner of its Loans and the holder of any Note issued to it in evidence thereof for all purposes under the Loan Documents, all amounts payable by the Borrowers under this Agreement shall be determined as if such Lender had not sold such participating interests, and the Borrowers and the Administrative Agent shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under the Loan Documents.

(ii) Voting Rights. Each Lender shall retain the sole right to approve, without the consent of any Participant, any amendment, modification or waiver of any provision of the Loan Documents other than any amendment, modification or waiver with respect to any Loan or Commitment in which such Participant has an interest which would require consent of all of the Lenders pursuant to the terms of Section 12.03(a), (b), (c), (d) or (f).

(iii) Benefit of Certain Provisions. The Parent and each of the Other Borrowers agrees that each Participant shall be entitled to the benefits of Sections 4.07, 4.08 and 4.09 to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to Section 12.14(c); provided that (i) a Participant shall not be entitled to receive any greater payment under Section 4.07, 4.08 or 4.09 than the Lender who sold the participating interest to such Participant would have received had it retained such interest for its own account, unless the sale of such interest to such Participant is made with the prior written consent of the Parent, and (ii) any Participant agrees to comply with the provisions of Section 4.09 to the same extent as if it were a Lender.

(iv) Participant Register. Each Lender that sells a participation shall, acting solely for this purpose an agent of the Parent, maintain a register (or an electronic equivalent thereof) on which it enters the name and address of each Participant and the principal amounts (and stated interest) of each Participant's interest in the Loans or other obligations under this Agreement (the "Participant Register"). The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary; provided that no Lender shall have any obligation to disclose all or any portion of the Participant Register to the Parent or any other Person (including the identity of any Participant or any information relating to a Participant's interest under the Loan Documents) except to the extent that such disclosure is necessary to establish that the Loans or other obligations under the Loan Documents are in registered form under Section 5f-103-1(c) of the United States Treasury Regulations (or any amended or successor version). For the avoidance of

doubt, the Administrative Agent shall have no responsibility for maintaining a Participant Register.

(c) Assignments.

(i) Permitted Assignments. Any Lender (each an “Assignor Lender”) may at any time assign to one or more banks or other entities (each an “Assignee Lender”) all or any part of its rights and obligations under the Loan Documents. Such assignment shall be substantially in the form of Exhibit E or in such other form as may be agreed to by the parties thereto (an “Assignment Agreement”). Each such assignment with respect to an Assignee Lender which is not a Lender, an Affiliate of a Lender or an Approved Fund shall either be in an amount equal to the entire applicable Revolving Credit Commitment and Loans of the Assignor Lender or (unless each of the Parent and the Administrative Agent otherwise consents) be in an aggregate amount not less than \$5,000,000; provided that such consent of the Parent shall be deemed to have been given if the Parent has not responded within fifteen (15) Business Days of a request for such consent and; provided, further, that such consent of the Parent shall not be required if an Event of Default under Section 9.01(a), (b), (i) or (j) has occurred and is continuing. The amount of the assignment shall be based on the Revolving Credit Commitment or outstanding Loans (if the Revolving Credit Commitment has been terminated) subject to the assignment, determined as of the date of such assignment or as of the “Trade Date,” if the “Trade Date” is specified in the assignment. After giving effect to any assignment, the remaining Revolving Credit Commitment of the assigning Lender (or, if the Revolving Credit Commitments have been terminated, then the aggregate principal amount of Loans held by the assigning Lender) shall either be zero or be at least \$10,000,000. Unless such assignment is consented to by the Parent or is required by applicable law, no assignment may be made to an Affiliate of the assigning Lender if such assignment would increase the amounts payable by any Borrower hereunder. No assignment may be made hereunder if such assignment violates applicable law.

(ii) Consents. The consent of the Parent shall be required prior to an assignment becoming effective unless the Assignee Lender is a Lender, an Affiliate of a Lender or an Approved Fund; provided that the consent of the Parent shall be deemed to have been given if the Parent has not responded within fifteen (15) Business Days of a request for such consent and; provided, further, that the consent of the Parent shall not be required if an Event of Default under Section 9.01(a), (b), (i) or (j) has occurred and is continuing. The consent of the Administrative Agent shall be required prior to an assignment becoming effective; provided that the consent of the Administrative Agent shall not be required for an assignment to a Lender, an Affiliate of a Lender or an Approved Fund. Any consent required under this Section 12.14(c)(ii) shall not be unreasonably withheld or delayed.

(iii) Effect; Effective Date. Upon (i) delivery to the Administrative Agent of an assignment, together with any consents required by Section

12.14(c)(ii), (ii) payment of a \$3,500 fee to the Administrative Agent for processing such assignment (unless such fee is waived by the Administrative Agent) and (iii) if the Assignee Lender is not a Lender, delivery to the Administrative Agent of an administrative questionnaire in which the assignee designates one or more credit contacts to whom all syndicate-level information (which may contain material non-public information) will be made available and who may receive such information in accordance with the assignee's compliance procedures and applicable laws, including Federal, State and foreign securities laws and any tax forms required by Section 4.09, such assignment shall become effective on the effective date specified in such assignment. The assignment shall contain a representation by the Assignee Lender to the effect that none of the consideration used to make the purchase of the Revolving Credit Commitment and Loans under the applicable assignment agreement constitutes "plan assets" as defined under ERISA and that the rights and interests of the Assignee Lender in and under the Loan Documents will not be "plan assets" under ERISA. On and after the effective date of such assignment, such Assignee Lender shall for all purposes be a Lender party to this Agreement and any other Loan Document executed by or on behalf of the Lenders and shall have all the rights and obligations of a Lender under the Loan Documents, to the same extent as if it were an original party thereto, and the Assignor Lender shall be released with respect to the Revolving Credit Commitment and Loans assigned to such Assignee Lender without any further consent or action by the Borrowers, the Lenders or the Administrative Agent. In the case of an assignment covering all of the Assignor Lender's rights and obligations under this Agreement, such Lender shall cease to be a Lender hereunder but shall continue to be entitled to the benefits of, and subject to, those provisions of this Agreement and the other Loan Documents which survive payment of the Obligations and termination of the applicable agreement. Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this Section 12.14(c) shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with Section 12.14(b). Upon the consummation of any assignment to an Assignee Lender pursuant to this Section 12.14(c), the Assignor Lender, the Administrative Agent and the Borrowers shall, if the Assignor Lender or the Assignee Lender desires that its Loans be evidenced by Notes, make appropriate arrangements so that new Notes or, as appropriate, replacement Notes are issued to such Assignor Lender and new Notes or, as appropriate, replacement Notes, are issued to such Assignee Lender, in each case in principal amounts reflecting their respective Revolving Credit Commitments, as adjusted pursuant to such assignment.

(d) Register. The Administrative Agent shall maintain at its office a copy of each assignment hereunder delivered to it and a register (or an electronic equivalent thereof) (the "Register") for the recordation of the names and addresses of the Lenders and the Commitments of, and principal amount (and stated interest) of the Loans owing to, each Lender from time to time. The entries in the Register shall be conclusive absent manifest error and the Borrowers, the Administrative Agent and the Lenders shall treat each Person whose name is recorded in the Register as a Lender hereunder for all purposes of the Agreement. The Register shall be available for inspection by the

Borrowers or any Lender, as to its commitment only, at any reasonable time and from time to time upon reasonable prior notice.

(e) Financial and Other Information. Each Borrower authorizes the Administrative Agent and each Lender to disclose to any Participant, Assignee Lender or any Affiliate of such Lender (each, a “transferee”) and any prospective transferee any and all financial and other information in such Person’s possession concerning any Borrower and their respective Subsidiaries and Affiliates which has been or may be delivered to such Person by or on behalf of any Borrower in connection with this Agreement or any other Loan Document or such Person’s credit evaluation of any Borrower and their respective Subsidiaries and Affiliates; provided that such transferee or prospective transferee agrees in writing to maintain the confidentiality of any such information provided by the Parent pursuant to Section 7.01(c)(iv) hereof. At the request of any Lender, the Parent, at the Parent’s expense, shall provide to each prospective transferee the conformed copies of documents referred to in Section 7 of the form of Assignment Agreement.

Section 12.15 Judgment Currency.

(a) Judgment Currency. The specification in this Agreement and in the Notes of payment in a particular currency at the Administrative Agent’s Office is of the essence hereof and thereof. If any court or tribunal shall render a judgment or order for the payment of any amounts owing by any Borrower to any Lender or the Administrative Agent under this Agreement or any Note or for the payment by any Borrower of damages in respect of any breach of this Agreement or any Note or under or in respect of a judgment or order of another court or tribunal for payment of such amounts or damages, and if such judgment or order is expressed in a currency (the “Judgment Currency”) other than the currency payable hereunder (the “Contractual Currency”), the Relevant Borrower shall indemnify and hold harmless such Lender or the Administrative Agent against any deficiency in terms of the Contractual Currency in the amounts received by such Lender or the Administrative Agent arising or resulting from any variation as between (i) the rate of exchange at which the Contractual Currency is converted into the Judgment Currency for the purposes of such judgment or order and (ii) the rate of exchange at which such Lender or the Administrative Agent would, in accordance with normal banking procedures, purchase the Contractual Currency with the amount of the Judgment Currency actually received by such Lender or the Administrative Agent on the Business Day following such receipt by such Lender or the Administrative Agent.

(b) Liquidation Currency. If any Borrower shall wind up, liquidate, dissolve or become bankrupt while there remains outstanding any amounts owing by such Borrower to any Lender or the Administrative Agent under this Agreement or any Note or any damages owing by such Borrower to any Lender or the Administrative Agent in respect of a breach of this Agreement or any Note or any judgment or order rendered against such Borrower in respect of such amounts or damages, such Borrower shall indemnify and hold such Lender or the Administrative Agent harmless against any deficiency in terms of the Contractual Currency in the amounts received by such Lender or the Administrative Agent arising or resulting from any variation as between (i) the rate of exchange at which the Contractual Currency is converted into another currency (the “Liquidation Currency”) for purposes of such winding-up, liquidation, dissolution or bankruptcy with regard to the amount in the Contractual Currency due under this Agreement or any Note (other than this Section 12.15(b)) or under

any judgment or order into which the relevant obligations under this Agreement or any Note shall have been merged and (ii) the rate of exchange at which such Lender or the Administrative Agent would, in accordance with normal banking procedures, be able to purchase the Contractual Currency with the Liquidation Currency at the earlier of (A) the date of payment of such amounts or damages and (B) the final date or dates for the filing of proofs of a claim in such winding-up, liquidation, dissolution or bankruptcy. As used in the preceding sentence, the “final date or dates for the filing of proofs of a claim in a winding-up, liquidation, dissolution or bankruptcy” shall be the date fixed by the liquidator or other appropriate Person or otherwise applicable under applicable Law as being the last practicable date as of which the liabilities of the Borrower may be ascertained for such winding-up, liquidation, dissolution or bankruptcy before payment by the liquidator or other appropriate Person in respect thereof.

(c) Independent Obligations. The indemnities provided by Sections 12.15(a) and (b) hereof shall constitute obligations of each Borrower separate and independent from its other obligations under this Agreement and the Notes, shall give rise to separate and independent causes of action against each Borrower, shall apply irrespective of any indulgence granted by any Lender or the Administrative Agent from time to time and shall continue in full force and effect notwithstanding any judgment or order or the filing of any proof or proofs in the winding-up, liquidation, dissolution or bankruptcy of any Borrower for a liquidated sum or sums in respect of other amounts due under this Agreement or any Note or any damages owing to any Lender or the Administrative Agent in respect of a breach of this Agreement or any Note or any judgment rendered in respect of such amounts or damages.

Section 12.16 Governing Law; Submission to Jurisdiction; Waiver of Jury Trial.

(a) Governing Law. THIS AGREEMENT AND ALL OTHER LOAN DOCUMENTS AND ANY CLAIM, CONTROVERSY, DISPUTE, PROCEEDING OR CAUSE OF ACTION (WHETHER IN CONTRACT, TORT OR OTHERWISE AND WHETHER AT LAW OR IN EQUITY) BASED UPON, ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT (EXCEPT TO THE EXTENT, IF ANY, OTHERWISE EXPRESSLY STATED IN SUCH OTHER LOAN DOCUMENTS) AND THE TRANSACTIONS CONTEMPLATED HEREBY AND THEREBY SHALL BE GOVERNED BY, CONSTRUED AND ENFORCED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK, WITHOUT REGARD TO CHOICE OF LAW PRINCIPLES (OTHER THAN SECTION 5-1401 OF THE NEW YORK GENERAL OBLIGATION LAW AND SUCCESSOR PROVISIONS THERETO).

(b) Certain Waivers. EACH BORROWER, LENDER AND THE ADMINISTRATIVE AGENT WAIVES THE RIGHT TO TRIAL BY JURY IN ANY ACTION, SUIT OR PROCEEDING (WHETHER IN CONTRACT, TORT OR OTHERWISE AND WHETHER AT LAW OR IN EQUITY) BY ANY PERSON ARISING FROM OR RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENTS OR ANY STATEMENT, COURSE OF CONDUCT, ACT, OMISSION OR EVENT OCCURRING IN CONNECTION HERewith OR THEREWITH (COLLECTIVELY, “RELATED LITIGATION”). IN ADDITION, EACH BORROWER HEREBY IRREVOCABLY AND UNCONDITIONALLY:

(i) AGREES THAT ANY RELATED LITIGATION BY ANY LENDER OR THE ADMINISTRATIVE AGENT MAY BE BROUGHT IN ANY STATE OR FEDERAL COURT OF COMPETENT JURISDICTION SITTING IN NEW YORK COUNTY, NEW YORK, AND SUBMITS TO THE JURISDICTION OF SUCH COURTS (BUT NOTHING HEREIN SHALL AFFECT THE RIGHT OF THE ADMINISTRATIVE AGENT OR ANY LENDER OR BORROWER TO BRING ANY ACTION, SUIT OR PROCEEDING IN ANY OTHER FORUM);

(ii) WAIVES ANY OBJECTION WHICH IT MAY HAVE AT ANY TIME TO THE LAYING OF VENUE OF ANY RELATED LITIGATION BROUGHT IN ANY SUCH COURT, WAIVES ANY CLAIM THAT ANY SUCH RELATED LITIGATION HAS BEEN BROUGHT IN AN INCONVENIENT FORUM, AND WAIVES ANY RIGHT TO OBJECT, WITH RESPECT TO ANY RELATED LITIGATION BROUGHT IN ANY SUCH COURT, THAT SUCH COURT DOES NOT HAVE JURISDICTION OVER SUCH BORROWER; AND

(iii) CONSENTS AND AGREES TO SERVICE OF ANY SUMMONS, COMPLAINT OR OTHER LEGAL PROCESS IN ANY RELATED LITIGATION BY REGISTERED OR CERTIFIED U.S. MAIL, POSTAGE PREPAID, TO SUCH BORROWER AT THE ADDRESS FOR NOTICES DESCRIBED IN SECTION 12.05 HEREOF, AND CONSENTS AND AGREES THAT SUCH SERVICE SHALL CONSTITUTE IN EVERY RESPECT VALID AND EFFECTIVE SERVICE (BUT NOTHING HEREIN SHALL AFFECT THE VALIDITY OR EFFECTIVENESS OF PROCESS SERVED IN ANY OTHER MANNER PERMITTED BY LAW).

Section 12.17 USA PATRIOT Act Notification. The following notification is provided to the Borrowers pursuant to the Beneficial Ownership Regulation and Section 326 of the USA PATRIOT Act:

IMPORTANT INFORMATION ABOUT PROCEDURES FOR OPENING A NEW ACCOUNT. To help the government fight the funding of terrorism and money laundering activities, Federal law requires all financial institutions to obtain, verify, and record information that identifies each person or entity that opens an account, including any deposit account, treasury management account, loan, other extension of credit, or other financial services product. What this means for the Borrowers: When the Borrower opens an account, if the Borrower is an individual, the Administrative Agent and the Lenders will ask for the Borrower's name, residential address, tax identification number, date of birth, and other information that will allow the Administrative Agent and the Lenders to identify the Borrower, and, if the Borrower is not an individual, the Administrative Agent and the Lenders will ask for the Borrower's name, tax identification number, business address, and other information that will allow the Administrative Agent and the Lenders to identify the Borrower. The Administrative Agent and the Lenders may also ask, if the Borrower is an individual, to see the

Borrower's driver's license or other identifying documents, and, if the Borrower is not an individual, to see the Borrower's legal organizational documents or other identifying documents.

Section 12.18 Confidentiality. The Administrative Agent and each Lender agrees to hold any non-public information which it may receive from the Borrowers in connection with this Agreement in confidence, except for disclosure (i) to its Affiliates and any agents engaged in connection with this Agreement and to the Administrative Agent and any other Lender and their respective Affiliates and any agents engaged in connection with this Agreement, (ii) to legal counsel, accountants, and other professional advisors and agents to such Person, (iii) to regulatory officials and agencies or self-regulatory body or to any credit insurance provider relating to the Borrowers and their obligations under the Loan Documents, (iv) to any Person as required by law, regulation, or legal process, (v) to any Person in connection with any legal proceeding to which it is a party to the extent such disclosure is required by law, (vi) to its direct or indirect contractual counterparties in swap agreements involving this Agreement or to legal counsel, accountants and other professional advisors to such counterparties, (vii) subject to an agreement containing provisions substantially the same as those of this Section, to any assignee of or Participant in, or any prospective assignee of or Participant in, any of its rights and obligations under this Agreement and (viii) in connection with the exercise of any remedies hereunder or under any other Loan Document or any action or proceeding relating to this Agreement or any other Loan Document or the enforcement of rights hereunder or thereunder. The Borrowers agree that the terms of this Section 12.18 shall set forth the entire agreement between the Borrowers and each Lender (including the Administrative Agent) with respect to any confidential information previously or hereafter received by such Lender in connection with this Agreement, and this Section 12.18 shall supersede any and all prior confidentiality agreements entered into by such Lender with respect to such confidential information. In connection with any disclosure of confidential information pursuant to item (i), (ii) or (vi) above, the disclosing party shall inform the Persons to whom such disclosure is made of the confidential nature of such information and instruct them to keep such information confidential.

Section 12.19 Platform.

(a) The Borrowers agree that the Administrative Agent may, but shall not be obligated to, make the Communications (as defined below) available to the other Lenders by posting the Communications on Debt Domain, Intralinks, Syndtrak or a substantially similar electronic transmission system (the "Platform").

(b) The Platform is provided "as is" and "as available." The Agents Parties (as defined below) do not warrant the adequacy of the Platform and expressly disclaim liability for errors or omissions in the Communications. No warranty of any kind, express, implied or statutory, including, without limitation, any warranty of merchantability, fitness for a particular purpose, non-infringement of third-party rights or freedom from viruses or other code defects, is made by any Agent Party in connection with the Communications or the Platform. In no event shall the Administrative Agent or any of its Affiliates, officers, directors, employees, agents or advisors (collectively, the "Agent Parties") have any liability to the Borrowers, any Lender or any other Person or entity for damages of any kind, including, without limitation, direct or indirect, special, incidental or consequential damages,

losses or expenses (whether in tort, contract or otherwise) arising out of the Borrowers' or the Administrative Agent's transmission of communications through the Platform. "Communications" shall mean, collectively, any notice, demand, communication, information, document or other material provided by or on behalf of the Borrowers pursuant to any Loan Document or the transactions contemplated therein which is distributed to the Administrative Agent or any Lender by means of electronic communications pursuant to this Section, including through the Platform.

Section 12.20 [Reserved].

Section 12.21 Acknowledgement and Consent to Bail-In of Affected Financial Institutions. Notwithstanding anything to the contrary in any Loan Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any Affected Financial Institution arising under any Loan Document, to the extent such liability is unsecured, may be subject to the write-down and conversion powers of the applicable Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

(a) the application of any Write-Down and Conversion Powers by the applicable Resolution Authority to any such liabilities arising hereunder which may be payable to it by any party hereto that is an Affected Financial Institution; and

(b) the effects of any Bail-In Action on any such liability, including, if applicable:

(i) reduction in full or in part or cancellation of any such liability;

(ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such Affected Financial Institution, its parent undertaking, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Loan Document; or

(iii) the variation of the terms of such liability in connection with the exercise of the write-down and conversion powers of the applicable Resolution Authority.

Section 12.22 Certain ERISA Matters.

(a) Each Lender (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, for the benefit of, the Administrative Agent and not, for the avoidance of doubt, to or for the benefit of the Parent or any Other Borrower, that at least one of the following is and will be true:

(i) such Lender is not using “plan assets” (within the meaning of Section 3(42) of ERISA or otherwise) of one or more Benefit Plans with respect to such Lender’s entrance into, participation in, administration of and performance of the Loans, the Commitments or this Agreement,

(ii) the transaction exemption set forth in one or more PTEs, such as PTE 84-14 (a class exemption for certain transactions determined by independent qualified professional asset managers), PTE 95-60 (a class exemption for certain transactions involving insurance company general accounts), PTE 90-1 (a class exemption for certain transactions involving insurance company pooled separate accounts), PTE 91-38 (a class exemption for certain transactions involving bank collective investment funds) or PTE 96-23 (a class exemption for certain transactions determined by in-house asset managers), is applicable with respect to such Lender’s entrance into, participation in, administration of and performance of the Loans, the Commitments and this Agreement,

(iii) (A) such Lender is an investment fund managed by a “Qualified Professional Asset Manager” (within the meaning of Part VI of PTE 84-14), (B) such Qualified Professional Asset Manager made the investment decision on behalf of such Lender to enter into, participate in, administer and perform the Loans, the Commitments and this Agreement, (C) the entrance into, participation in, administration of and performance of the Loans, the Commitments and this Agreement satisfies the requirements of sub-sections (b) through (g) of Part I of PTE 84-14 and (D) to the best knowledge of such Lender, the requirements of subsection (a) of Part I of PTE 84-14 are satisfied with respect to such Lender’s entrance into, participation in, administration of and performance of the Loans, the Commitments and this Agreement, or

(iv) such other representation, warranty and covenant as may be agreed in writing between the Administrative Agent, in its sole discretion, and such Lender.

(b) In addition, unless either (1) sub-clause (i) in the immediately preceding clause (a) is true with respect to a Lender or (2) a Lender has provided another representation, warranty and covenant in accordance with sub-clause (iv) in the immediately preceding clause (a), such Lender further (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, for the benefit of, the Administrative Agent and not, for the avoidance of doubt, to or for the benefit of the Borrower or any Other Borrower, that the Administrative Agent is not a fiduciary with respect to the assets of such Lender involved in such Lender’s entrance into, participation in, administration of and performance of the Loans, the Commitments and this Agreement (including in connection with the reservation or exercise of any rights by the Administrative Agent under this Agreement, any Loan Document or any documents related hereto or thereto).

Section 12.23 Acknowledgement Regarding Any Supported QFCs. To the extent that the Loan Documents provide support, through a guarantee or otherwise, for swap agreements or any other agreement or instrument that is a QFC (such support, “QFC Credit Support” and each such QFC

a “Supported QFC”), the parties acknowledge and agree as follows with respect to the resolution power of the Federal Deposit Insurance Corporation under the Federal Deposit Insurance Act and Title II of the Dodd-Frank Wall Street Reform and Consumer Protection Act (together with the regulations promulgated thereunder, the “U.S. Special Resolution Regimes”) in respect of such Supported QFC and QFC Credit Support (with the provisions below applicable notwithstanding that the Loan Documents and any Supported QFC may in fact be stated to be governed by the laws of the State of New York and/or of the United States or any other state of the United States):

(a) In the event a Covered Entity that is party to a Supported QFC (each, a “Covered Party”) becomes subject to a proceeding under a U.S. Special Resolution Regime, the transfer of such Supported QFC and the benefit of such QFC Credit Support (and any interest and obligation in or under such Supported QFC and such QFC Credit Support, and any rights in property securing such Supported QFC or such QFC Credit Support) from such Covered Party will be effective to the same extent as the transfer would be effective under the U.S. Special Resolution Regime if the Supported QFC and such QFC Credit Support (and any such interest, obligation and rights in property) were governed by the laws of the United States or a state of the United States. In the event a Covered Party or a BHC Act Affiliate of a Covered Party becomes subject to a proceeding under a U.S. Special Resolution Regime, Default Rights under the Loan Documents that might otherwise apply to such Supported QFC or any QFC Credit Support that may be exercised against such Covered Party are permitted to be exercised to no greater extent than such Default Rights could be exercised under the U.S. Special Resolution Regime if the Supported QFC and the Loan Documents were governed by the laws of the United States or a state of the United States. Without limitation of the foregoing, it is understood and agreed that rights and remedies of the parties with respect to a Defaulting Lender shall in no event affect the rights of any Covered Party with respect to a Supported QFC or any QFC Credit Support.

(b) As used in this Section 12.23, the following terms have the following meanings:

“BHC Act Affiliate” of a party shall mean an “affiliate” (as such term is defined under, and interpreted in accordance with, 12 U.S.C. 1841(k)) of such party.

“Covered Entity” shall mean any of the following: (i) a “covered entity” as that term is defined in, and interpreted in accordance with, 12 C.F.R. § 252.82(b); (ii) a “covered bank” as that term is defined in, and interpreted in accordance with, 12 C.F.R. § 47.3(b); or (iii) a “covered FSI” as that term is defined in, and interpreted in accordance with, 12 C.F.R. § 382.2(b).

“Default Right” shall have the meaning assigned to that term in, and shall be interpreted in accordance with, 12 C.F.R. §§ 252.81, 47.2 or 382.1, as applicable.

“QFC” shall have the meaning assigned to the term “qualified financial contract” in, and shall be interpreted in accordance with, 12 U.S.C. 5390(c)(8)(D).
