The filing of this Schedule 13D by the Air Products and Chemicals, Inc. Flexible Employee Benefits Trust (the "Trust") does not constitute, and should not be construed as, an admission that either the Trust or Mellon Bank (DE) National Association, as trustee of the Trust (the "Trustee"), beneficially owns any securities covered by this Schedule or is required to file this Schedule. In this connection, the Trust and the Trustee disclaim beneficial ownership of the securities covered by this Schedule.

ITEM 1. SECURITY AND ISSUER

The class of equity securities to which this Schedule relates is the Common Stock, par value \$1 per share ("Common Stock"), of Air Products and Chemicals, Inc., a Delaware corporation (the "Issuer"). The principal executive offices of the Issuer are located at 7201 Hamilton Boulevard, Allentown, PA 18195-1501.

ITEM 2. IDENTITY AND BACKGROUND

This Schedule is being filed by the Air Products and Chemicals, Inc. Flexible Employee Benefits Trust. The Trust's address is c/o Mellon Bank (DE) National Association, Mellon Bank Center, 10th and Market Streets, 2nd Floor, Wilmington, DE 19801. The Trustee's address is Mellon Bank (DE) National Association, Mellon Bank Center, 10th and Market Streets, 2nd Floor, Wilmington, DE 19801. The Trust is a trust organized under the laws of the State of Delaware and is

not engaged in the conduct of any business. The Trustee is a national banking association organized under the laws of the United States.

During the last five years, neither the Trust nor the Trustee (i) has been convicted in a criminal proceeding (excluding traffic violations or similar misdemeanors) or (ii) was a party to a civil proceeding of a judicial or administrative body of competent jurisdiction and as a result of such proceeding was or is subject to a judgment, decree or final order enjoining future violations of, or prohibiting or mandating activities subject to, Federal or State securities laws or finding any violation with respect to such laws.

ITEM 3. SOURCE AND AMOUNT OF FUNDS OR OTHER CONSIDERATION

On December 29, 1993, the Issuer and the Trustee entered into the Air Products and Chemicals, Inc. Flexible Employee Benefits Trust Agreement creating the Trust (the "Trust Agreement") and the Common Stock Purchase Agreement (the "Purchase Agreement"). A copy of the Trust Agreement is annexed hereto as Exhibit 1. A copy of the Purchase Agreement is annexed hereto as Exhibit 2. Pursuant to the terms of the Trust Agreement the Issuer sold 10,000,000 shares of Common Stock to the Trust at a price of \$45.75 per share, which is the market value of the Common Stock determined on the basis of the closing price of the Common Stock on the trading day immediately preceding the sale, as reported in the Wall Street Journal on the composite tape for issues listed on the New York

Stock Exchange, or an aggregate purchase price of \$457,500,000.00. The obligation to pay the purchase price is evidenced by a promissory note (the "Note") delivered by the Trustee to the Issuer. The form of such Note is set forth as Appendix 1 to the Purchase Agreement. The Note bears interest at the rate of 7.5% per annum and is payable in installments as provided therein.

The Issuer shall from time to time contribute cash to the Trust which, together with earnings of the Trust (primarily dividends on the shares of Common Stock), will enable the Trustee to make payment of installments of principal and interest on the Note. If, on the due date of any such installment, insufficient contributions have been made in cash, the amount of the deficiency with respect to such installment shall be deemed paid in the form of forgiveness of such principal and interest installment. The Note is subject to prepayment in a similar manner.

ITEM 4. PURPOSE OF TRANSACTION

The Issuer has advised the Trustee that the Trust was created to provide for the satisfaction of certain obligations of the Issuer and its affiliates under various employee plans, programs, contracts and structures of the Issuer and its affiliates, (the "Plans"), including those providing for the acquisition by employees of shares of Common Stock. The Issuer has further advised the Trustee that the Trust should have the effect of enhancing the Issuer's credit capacity and financial flexibility.

The Issuer has also advised the Trustee that the Trust is not intended to be an antitakeover device. However, the Issuer has further advised the Trustee that the creation of the Trust and the purchase of shares of Common Stock by the Trust may be considered to have certain antitakeover effects. The Trust holds approximately 8.1% of the outstanding shares of Common Stock. Under the Delaware General Corporation Law ("DGCL"), a merger requires the affirmative vote of a majority of the outstanding shares. The sale of shares of Common Stock to the Trust could thus make it more difficult for an acquiror to obtain an affirmative merger vote without employee support. Similarly, pursuant to Section 203 of the DGCL, an interested stockholder (defined as one owning more than 15% of an issuer's stock) may not engage in a business combination with an issuer for three years after the date he becomes an interested stockholder unless (1) prior to such date the board of directors approved the business combination in question or transaction which resulted in such holder becoming an interested stockholder, (2) on or after such date, the business combination is approved by the board of directors and the holders of two-thirds of the outstanding shares not held by the interested stockholder or (3) the interested stockholder acquired at least 85% of the issuer's voting stock in the same transaction that resulted in his becoming an interested stockholder.

A potential acquiror could find it more difficult to engage in a business combination with the Issuer under the circumstances described under Section 203 of the DGCL which require approval of two-thirds of the outstanding shares without

employee support since the Trustee will vote the Common Stock and will tender or exchange, or not tender or exchange, the Common Stock held by the Trust in the same proportion and manner as the participants of the Air Products and Chemicals, Inc. Retirement Savings and Stock Ownership Plan qualified under Section 401(k) of the Internal Revenue Code of 1986 (the "RSSOP") direct the trustee of the RSSOP with respect to Common Stock held by the RSSOP.

Stock held by employee stock plans is excluded from the 85% calculation under Section 203 of the DGCL unless the employees have the right to determine confidentially whether shares held by a plan will be tendered in a tender or exchange offer. The Trust requires that voting and tendering or exchange actions and directions be held confidential by the Trustee. Some or all of the Common Stock held in the Trust may be deemed held by participants in the RSSOP through the Trust for purposes of this calculation under Section 203 and, thus, included in the 85% calculation. Therefore, a potential acquiror who has not received the Issuer's Board of Directors approval prior to becoming an interested stockholder could find it more difficult to attain an 85% ownership threshold unless he is able to induce some employees to direct the Trustee of the RSSOP to tender shares to the potential acquiror.

ITEM 5. INTEREST IN SECURITIES OF THE ISSUER

The Trust holds 10,000,000 shares of Common Stock, representing approximately 8.1% of the outstanding shares of Common Stock, as to which it may

be deemed to have shared power to vote or to direct the vote or to dispose or direct the disposition, as hereinafter stated. The filing of this Schedule 13D by the Trust does not constitute, and should not be construed as, an admission that either the Trust or the Trustee beneficially owns any securities covered by this Schedule or is required to file this Schedule. The Trust and the Trustee disclaim beneficial ownership of the securities covered by this Schedule.

Shares of Common Stock acquired pursuant to the Trust Agreement are held in the Trust and will be released as the principal of the Note is paid or forgiven and will be transferred to or for the benefit of the Plans in the manner set forth in the Trust Agreement. As of the date hereof, no shares of Common Stock have been released from the Trust pursuant to the terms of the Trust Agreement. The Issuer has advised the Trustee that contributions, if any, by the Issuer to or for the benefit of the Plans will be decreased by the value of the released shares transferred from the Trust to or for the benefit of the Plans.

The Trustee has no discretion in the manner in which the Common Stock will be voted. The Trust Agreement provides that the Trustee must vote all of the Common Stock held by the Trust in the same proportion and manner as the participants of the RSSOP direct the trustee of the RSSOP with respect to the voting of the Common Stock held by the RSSOP. The Trust Agreement also provides that if a tender or exchange offer is commenced for Common Stock, then the Trustee will tender or exchange, or not tender or exchange, the Common Stock held by the Trust

in the same proportion and manner as the participants of the RSSOP direct the trustee of the RSSOP with respect to Common Stock held by the RSSOP. The Trust Agreement further provides that all voting and tendering or exchange actions and directions will be held in confidence by the Trustee and not disclosed to any person, including officers and employees of the Issuer.

ITEM 6. CONTRACTS, ARRANGEMENTS, UNDERSTANDINGS OR RELATIONSHIPS WITH RESPECT TO SECURITIES OF THE ISSUER

The Issuer and the Trustee have entered into the Trust Agreement and the Purchase Agreement, and the Trustee, as trustee for the Trust, has issued the Note to the Issuer in payment for the 10,000,000 shares of Common Stock issued to the Trust. See also Item 3 and 5 of this Schedule.

WHEREAS, the Company desires to provide for the availability of shares of its common stock to satisfy certain of its obligations under the Plans, and intends to contribute or sell to the Trust such assets that shall be held therein, subject to the claims of the Company's general creditors in the event of the Company's Insolvency, as herein defined, until made available to the Plans in such manner and at such times as specified herein;

WHEREAS, the Company desires that the assets to be held in the Trust Fund (as herein defined) should be principally or exclusively securities of the Company and, therefore expressly waives any diversification of investments that might otherwise be necessary, appropriate or required pursuant to applicable provisions of law; and

WHEREAS, the Trustee has been appointed as trustee and has accepted such appointment as of the date first set forth above;

NOW, THEREFORE, the parties hereto, intending to be legally bound, hereby establish the Trust and agree that the Trust will be comprised, held and disposed of as follows:

ARTICLE 1

TRUST, TRUSTEE AND TRUST FUND

1.1 TRUST. This Agreement and the Trust shall be known as the Air Products and Chemicals, Inc. Flexible Employee Benefits Trust. The parties intend that the Trust will be an independent legal entity with title to and power to convey all of its assets in accordance with the terms of this Agreement. The parties hereto further intend that the Trust not be subject to the Employee Retirement Income Security Act of 1974, as amended. The Trust is not a part of any of the Plans and does not provide pension, welfare or any other benefits to any Plan Participant (as herein defined). The assets of the Trust will be held, invested and disposed of by the Trustee in accordance with the terms of the Trust. No Plan Participant nor any Plan shall have any preferred claim on, or any beneficial ownership interest in, any assets of the Trust.

1.2 TRUSTEE. The trustee named above, and its successor or successors, is hereby designated as the trustee hereunder, to receive, hold, invest, administer and distribute the Trust Fund in accordance with this Agreement, the provisions of which shall govern the powers, duties and responsibilities of the Trustee.

1.3 TRUST FUND. On the date of execution of this Agreement, the Company shall sell to the Trustee for holding under the Trust ten million (10,000,000) shares of Company Stock pursuant to that certain Common Stock Purchase Agreement, dated of even date herewith, between the Company and the Trustee. The Committee shall direct the Trustee to enter into the Common Stock Purchase Agreement and shall be solely responsible for the terms thereof. The assets held at any time and from time to time under the Trust collectively are herein referred to as the "Trust Fund" and shall consist of contributions received by the Trustee, proceeds of any loans, investments and reinvestment thereof, the earnings and income thereon, less disbursements therefrom. Except as herein otherwise provided, title to the assets of the Trust Fund shall at all times be vested in the Trustee and securities that are part of the Trust Fund shall be held in such manner that the Trustee's name and the fiduciary capacity in which the securities are held are fully disclosed, subject to the right of the Trustee to hold title in bearer form or in the name of a nominee, and the interests of the Company in the Trust Fund shall be only the right to have such assets received, held, invested, administered and distributed in accordance with the provisions of the Trust.

1.4 TRUST FUND SUBJECT TO CLAIMS. Notwithstanding any provision of this Agreement to the contrary, the Trust Fund shall at all times remain subject to the claims of the Company's general creditors under federal and state law in the event of the Company's Insolvency (as herein defined).

In addition, the Board of Directors and Chief Executive Officer of the Company shall have the duty to inform the Trustee in writing of the Company's

Insolvency (as herein defined). If a person claiming to be a creditor of the Company alleges in writing to the Trustee that the Company has become Insolvent, the Trustee shall determine whether the Company is Insolvent and, pending such determination, the Trustee shall discontinue transfers of Released Shares pursuant to Article 3.

Unless the Trustee has actual knowledge of the Company's Insolvency, or has received notice from the Company or a person claiming to be a creditor alleging that the Company is Insolvent, the Trustee shall have no duty to inquire whether the Company is Insolvent. The Trustee may in all events rely on such evidence concerning the Company's solvency as may be furnished to the Trustee by the Company or any other reliable source and that provides the Trustee with a reasonable basis for making a determination concerning the Company's Insolvency.

If at any time the Trustee has determined that the Company is Insolvent, the Trustee shall discontinue transfers of Released Shares pursuant to Article 3 and shall hold the Trust Fund for the benefit of the Company's general creditors. Nothing in this Agreement shall in any way diminish any rights of employees as general creditors of the Company with respect to benefits due under the Plan(s) or otherwise.

The Trustee shall resume transfers of Released Shares pursuant to Article 3 only after the Trustee has determined that the Company is not Insolvent (or is no longer Insolvent).

Notwithstanding anything herein to the contrary, in the event that the Company is Insolvent, the Committee may, in its discretion, to the extent permitted by applicable law, direct the Trustee to apply the Trust Fund to satisfy the claims of the Company's creditors.

CONTRIBUTIONS AND DIVIDENDS

2.1 CONTRIBUTIONS. For each Trust Year, the Company shall contribute to the Trust in cash such amount, which together with dividends, as provided in Section 2.3, and any other earnings of the Trust, shall enable the Trustee to make all payments of principal and interest due under the Loan on a timely basis. Unless otherwise expressly provided herein, the Trustee shall apply all such contributions, dividends and earnings to the payment or prepayment of principal and interest due under the Loan. If, at the end of any Trust Year, insufficient contributions have been made in cash, such contributions shall be deemed to have been made in the form of forgiveness of principal and interest on the Loan to the extent of the Company's failure to make contributions as required by this Section 2.1. Such forgiveness shall be the sole and absolute remedy that the Trust shall have against the Company for any failure to make any contribution to the Trust. All contributions made under the Trust shall be delivered to the Trustee. The Trustee shall be accountable for all contributions received by it, but shall have no duty to require any contributions to be made to it.

The Company in its sole discretion may at any time, or from time to time, make additional deposits or contributions of cash or other property acceptable to the Trustee to be held under the Trust by the Trustee to augment the principal to be held, administered and disposed of by Trustee as provided in this Agreement. Neither the Trustee nor any Plan, Plan administrator or other third party shall have any right to compel such additional deposits or contributions.

2.2 PREPAYMENTS. The Company may, from time to time, contribute cash to the Trust in amounts sufficient to enable the Trust to prepay, in whole or in part, principal (and interest accrued thereon to the date of prepayment) of the Loan at any time without premium or penalty or, in lieu of such prepayment, the Committee may, from time to time, direct that all or any part of such principal (and interest accrued thereon) shall be forgiven and the payment so directed shall be forgiven. Each such prepayment of principal shall be applied to reduce installments of principal thereafter due on the Loan in the order of their scheduled maturities.

2.3 DIVIDENDS. Except as otherwise provided herein, dividends paid in cash on Company Stock held by the Trust (including dividends paid on Released Shares, as defined below, that have not been transferred out of the Trust at the time of such dividend payment) shall be applied, immediately upon receipt thereof by the Trustee, (i) first to interest accrued and unpaid as of the date of any such payment and then, (ii) to the extent that any such payment exceeds such accrued and unpaid interest, to prepay interest that accrues after such payment through the end of such Trust Year, and then (iii) to pay principal installments due within such Trust Year, and then, (iv) to

the extent not otherwise distributed in accordance with the next sentence, to additional installments of principal in the order of their scheduled maturity. In the event that dividends paid on Company Stock held in the Trust, other than Extraordinary Dividends, exceed the amount of scheduled principal and interest due in any Trust Year, such excess shall, as determined by the Committee, be (i) applied to prepay, in whole or in part, principal (and accrued interest thereon to the date of such prepayment) of the Loan or (ii) distributed to the Plans and/or to any other broad cross section of non-collectively bargained employees of the Company in payment of obligations of the Company to such employees. Extraordinary Dividends shall not be used to pay interest on or principal of the Loan, but shall be invested in additional Company Stock as soon as practicable, except as provided in the last sentence of this Section 2.3. Dividends which are not paid in cash or in Company Stock (including Extraordinary Dividends, or portions thereof) shall be reduced to cash by the Trustee and reinvested in Company Stock as soon as practicable, except as provided in the last sentence of this Section 2.3. Company Stock purchased with the proceeds of an Extraordinary Dividend or with the proceeds of a non-cash dividend shall, for purposes of this Agreement (including, without limitation, Section 3.1 hereof), be deemed to have been acquired with the proceeds of the Loan. Investments in Company Stock may be made through open-market purchases, private transactions or (with the Company's consent) purchases from the Company, as directed by the Committee. The Committee may also direct the Trustee as to the timing and manner of such purchases in order to comply with applicable law and to avoid, if possible, adverse effects on the publicly traded market price of Company Stock.

ARTICLE 3

RELEASE AND TRANSFER OF COMPANY STOCK AND CASH PROCEEDS

3.1 COMPANY STOCK MADE AVAILABLE FOR TRANSFER FROM TRUST.

Immediately after each payment, pre-payment or forgiveness, if any, of principal (and accrued interest thereon) of the Loan is made, a number of shares of Company Stock shall be made available for transfer from the Trust ("Released Shares") in the manner set forth in Section 3.2. The number of such Released Shares shall equal the number of shares of Company Stock held in the Trust immediately prior to such payment, prepayment or forgiveness that have not already been deemed Released Shares pursuant to a previous payment, prepayment or forgiveness of principal of the Loan, multiplied by a fraction, the numerator of which shall be the amount of principal paid or prepaid or deemed forgiven upon such payment or prepayment date or date of forgiveness and the denominator of which shall be the sum of the numerator plus the principal amount of the Loan remaining after such payment, prepayment or forgiveness. No fractional shares shall be released. If the preceding computation results in fractional shares, the number of Released Shares shall be computed by rounding down to the next whole

number. The number of Released Shares, determined as aforesaid, shall be certified to the Trustee by the Committee.

3.2 TRANSFER FROM TRUST OF RELEASED SHARES AND CASH PROCEEDS.

Released Shares shall be transferred by the Trustee, and/or sold by the Trustee to obtain cash for transfer, to such Plans as the Committee shall direct and as shall be required to provide Company Stock and/or cash to such Plans in accordance with the current requirements of such Plans for Company Stock and/or cash. To facilitate any such sales of Released Shares, the Company shall register under the Securities Act of 1933, as amended (the "1933 Act"), such number of Released Shares as the Committee may direct. The Trustee shall have no obligation to sell the Company stock until such registration is complete.

If Released Shares remain in the Trust after the transfers or sales described above, the Committee will provide directions so as to assure that no such remaining Released Shares will be held for more than four (4) years after they become "Released Shares", and such remaining Released Shares may, as the Committee shall direct, (i) be transferred to, or used by the Trustee for the benefit of, the Plans or such other employee benefit plans (or their participants and beneficiaries) covering a broad cross section of non-collectively bargained employees of the Company or its subsidiaries as the Committee shall direct, or (ii) be retained in the Trust for a sufficient period of time after the release of such shares so that such Released Shares may be sold by the Trustee in accordance with Rule 144 under the 1933 Act, if such exemption from registration requirements is available, at such times as the Committee may direct.

The Committee may direct the Trustee as to the timing and manner of sales of Released Shares pursuant to this Section 3.2 in order to comply with applicable law and to avoid, if possible, adverse effects on the publicly traded market price of Company Stock. If the Trustee is required to sell Company Stock, the Trustee may engage agents to effect such sales and shall be reimbursed for the reasonable fees and expenses of such agents in accordance with Section 4.1. Released Shares and cash proceeds from the sale of Released Shares to be transferred to Plans with respect to which trusts have been established shall be delivered to the trustee thereof; and if there is no such trust with respect to a Plan, the shares or cash to be transferred to such Plan shall be delivered to the plan administrator of such Plan, to third party service providers for such Plan or to such other person as the Committee shall direct.

The references to the Plans in this Agreement shall not cause the Plans to become irrevocable and the Company retains sole discretion to modify or amend any of the provisions of the Plans or to terminate any or all of them to the extent provided therein and/or as permitted by applicable law.

ARTICLE 4

COMPENSATION, EXPENSES AND TAX WITHHOLDING

4.1 COMPENSATION AND EXPENSES. The Trustee shall be entitled to such reasonable compensation for its services and to be reimbursed for its reasonable legal, accounting and appraisal fees, expenses and other charges reasonably incurred in connection with the administration, management, investment and distribution of the Trust Fund, all as may be agreed upon from time to time by the Company and the Trustee. Such compensation shall be paid, and such reimbursement shall be made, out of the Trust Fund. The Company agrees to make sufficient contributions to the Trust to pay such amounts owing the Trustee in addition to those contributions required by Section 2.1. In the event the Company fails to make the contributions necessary to pay compensation and expenses owing to the Trustee, as contemplated by this Section 4.1, the Trustee shall be entitled to seek payment of such compensation and expenses directly from the Company.

4.2 WITHHOLDING OF TAXES. The Trustee shall report and withhold any federal, state or local taxes that it is required by law or is instructed by the Committee to withhold from any payments, transfers, or distributions it makes pursuant to this Agreement and shall pay over amounts withheld to the appropriate taxing authorities.

ARTICLE 5

ADMINISTRATION OF TRUST FUND

5.1 MANAGEMENT AND CONTROL OF TRUST FUND. Subject to the terms of this Agreement, the Trustee shall have exclusive authority, discretion and responsibility to manage and control the assets of the Trust Fund; provided, however, that the situs of the Trust Fund shall at all times remain in the State of Delaware and the Trustee shall maintain all records pertaining to the Trust and all indicia of ownership of Trust Fund assets at its office(s) in Delaware.

5.2 INVESTMENT OF FUNDS. Except as otherwise provided in Section 2.3 and in this Section 5.2, the Trustee shall invest and reinvest the Trust Fund exclusively in Company Stock, including any accretions thereto resulting from the proceeds of a tender offer, recapitalization or similar transaction which, if not in Company Stock, shall be reduced to cash as soon as practicable. Unless directed otherwise by the Committee, the Trustee may invest any portion of the Trust Fund temporarily pending investment in Company Stock, distribution or payment of expenses in (i) investments in United States Government obligations with maturities of less than one year, (ii) interest-bearing accounts including but not limited to certificates of deposit, time

deposits, saving accounts and money market accounts with maturities of less than one year in any bank, including the Trustee's, with aggregate capital in excess of \$1,000,000,000 and a Moody's Investors Service rating of at least P1, or an equivalent rating from a nationally recognized ratings agency, which accounts are insured by the Federal Deposit Insurance Corporation or other similar federal agency, (iii) obligations issued or guaranteed by any agency or instrumentality of the United States of America with maturities of less than one year, (iv) short-term discount obligations of the Federal National Mortgage Association, or (v) open-end and closed-end investment companies or a common, collective, or pooled trust fund maintained by any corporate Trustee hereunder whose investments are substantially similar to those described in (i), (ii), (iii) and/or (iv) of this paragraph, in which event such part of the Trust Fund so transferred shall be subject to all the terms and provisions of the common, collective, or pooled trust fund which contemplate the commingling for investment purposes of such trust assets with trust assets of other trusts. The Company expressly understands and agrees that any such collective fund may provide for the lending of its securities by the collective fund trustee and that such collective fund's trustee will receive compensation from the fund for the lending of securities that is separate from compensation it may receive as Trustee under this Agreement.

5.3 TRUSTEE'S ADMINISTRATIVE POWERS. Except as otherwise provided herein, and subject to the Trustee's duties hereunder, the Trustee shall have the following powers and rights, in addition to those provided elsewhere in this Agreement or by law:

(a) to retain any asset of the Trust Fund for the purposes set forth herein;

(b) subject to Section 2.3, Article 3, Section 5.2, Section 5.4 and Section 8.3, to sell, transfer, mortgage, pledge, lease or otherwise dispose of, or grant options with respect to, any Trust Fund assets at public or private sale;

(c) upon direction from the Committee, to borrow from any lender (including the Company pursuant to the Loan), to acquire Company Stock as authorized by this Agreement, to enter into loan agreements upon such terms (including reasonable interest and security for the loan and rights to renegotiate and prepay such loan) as may be determined by the Committee; provided, however, that any collateral given by the Trustee for the Loan shall be limited to cash and property contributed by the Company to the Trust and dividends paid on Company Stock held in the Trust Fund and shall not include Company Stock acquired with the proceeds of the Loan;

(d) with the consent of the Committee, to settle, submit to arbitration, compromise, contest, prosecute or abandon claims and demands in favor of or against

the Trust Fund; provided, however, that, subject in particular to the provisions of Section 2.1 above, the Trustee shall be entitled to act in its own discretion in such matters should it deem it necessary to protect the Trust Fund from default or immediate loss;

(e) to vote or to give any consent with respect to any securities, including any Company Stock, held by the Trust either in person or by proxy for any purpose, provided that the Trustee shall vote, tender or exchange all shares of Company Stock only as provided in Section 5.4;

(f) to exercise any of the powers and rights of an individual owner with respect to any asset of the Trust Fund and to perform any and all other acts that in its judgment are necessary or appropriate for the proper administration of the Trust Fund, even though such powers, rights and acts are not specifically enumerated in this Agreement;

(g) to cause any asset of the Trust Fund to be issued, held or registered in the Trustee's name or in the name of its nominee, or in such form that title will pass by delivery, provided that the records of the Trustee shall indicate the true ownership of such asset;

(h) to utilize another entity as custodian to hold, but not invest or otherwise manage or control, some or all of the assets of the Trust Fund; and

(i) to consult with legal counsel (who may also be counsel for the Trustee or the Company generally) with respect to any of its duties or obligations hereunder; and to pay the reasonable fees and expenses of such counsel, which shall be deemed to be expenses of the Trust and for which the Trustee shall be reimbursed in accordance with Section 4.1.

Notwithstanding any power granted to the Trustee pursuant to the foregoing or under applicable law, neither the Trust nor the Trustee shall have any power to, and shall not, engage in any trade or business, and, in particular, the Trustee shall not have any power that could give the Trust the objective of carrying on a business and dividing the gains therefrom, within the meaning of Section 301.7701-2 of the Procedures and Administrative Regulations promulgated pursuant to the Code.

5.4 RIGHTS REGARDING COMPANY STOCK.

(a) Voting Rights. The Trustee shall follow the directions of the Savings Plan participants with respect to the manner of voting of Company Stock held by the Trust on each matter pending before an annual or special meeting of stockholders of the Company or any action by written consent of such stockholders

in lieu of a meeting. In connection with any such meeting of stockholders or action by written consent in lieu of a meeting, the Trustee shall obtain from the Savings Plan Trustee certification of the directions received from the Savings Plan participants (in the aggregate and not identifying any individual direction) directing the Saving Plan Trustee whether and how to vote, abstain or act by written consent with respect to, the Company Stock held by the Savings Plan. Upon receipt by the Trustee of such certification, the Trustee shall, on each such matter, vote, abstain or act by written consent with respect to the shares of Company Stock held by the Trust in the same proportion and manner as the Savings Plan participants directed the Savings Plan Trustee with respect to the Company Stock held by the Savings Plan.

(b) Tender or Exchange Offer. If a tender or exchange offer is commenced for Company Stock, the Trustee shall obtain from the Savings Plan Trustee certification of the directions received from the Savings Plan participants directing the Savings Plan Trustee whether to tender or exchange the Company Stock held by the Savings Plan. Upon receipt by the Trustee of such certification, the Company Stock held by the Trust shall be tendered or exchanged, or not tendered or exchanged, by the Trustee in the same proportion and manner as the Savings Plan participants directed the Savings Plan Trustee with respect to the Company Stock held by the Savings Plan.

(c) Confidentiality. All voting and other actions taken pursuant to the foregoing paragraphs 5.4(a) and 5.4(b), and the contents of any certification of directions received by the Savings Plan Trustee as contemplated by such paragraphs 5.4(a) and 5.4(b), shall be held confidential by the Trustee and shall not be divulged or released to any person, including officers and employees of the Company and its affiliates (other than (i) agents of the Trustee who are not affiliated with the Company or its affiliates or (ii) by virtue of the execution by the Trustee of any proxy, consent or letter of transmittal for the shares of Company Stock held in the Trust).

(d) Trustee Action. The Trustee shall not make any recommendations regarding the manner of exercising any rights under this Section 5.4, including whether or not any rights should be exercised.

5.5 INDEMNIFICATION.

(a) To the extent lawfully allowable, the Company hereby indemnifies the Trustee against, and agrees to hold the Trustee harmless from, all losses, claims, damages and liabilities ("Losses"), including reasonable attorneys' fees and expenses in defending against same, asserted against the Trustee as a result of (i) the performance by the Trustee of its duties hereunder, (ii) any action taken or failure to act by the Trustee pursuant to written direction (or lack of direction where one is required) of the Company or Committee, or (iii) any action, proceeding or claim by any

regulatory agency or other person with respect to the establishment or operation of this Trust, except for any Loss which is a result of negligence or willful misconduct by the Trustee or the Trustee's failure to abide by the terms of this Agreement or applicable trust law. The Trustee shall be fully protected in acting upon any instrument, certificate or paper delivered by the Committee or the trustee or administrator of any Plan and believed in good faith by the Trustee to be genuine and to be signed or presented by the proper person or persons, and the Trustee shall be under no duty to make any investigation or inquiry as to any statement contained in any such writing, but may accept the same as conclusive evidence of the truth and accuracy of the statements therein contained.

(b) The Company shall have the right to elect to defend any action, claim or proceeding in respect of Losses for which the Trustee is entitled to be indemnified under paragraph 5.5(a) ("Action"). If the Company so elects or is requested by the Trustee, the Company will (and shall be entitled to) assume the defense of the Trustee in any Action, including the selection of counsel (reasonably satisfactory to the Trustee), and assume the payment of all counsel fees and all other expenses relating to such defense, including any legal or other expenses reasonably incurred by the Trustee in connection with investigating any such Losses prior to the assumption of the defense by the Company; provided, however, that (i) if the Company fails to assume the defense of any Action in a timely manner, or if common counsel reasonably determines that its representation of the Trustee and the Company would present such counsel with any conflict of interest, then the Trustee may employ separate counsel to represent or defend it in any such Action and the Company will pay the fees and disbursements of such counsel and (ii) the Trustee may retain separate counsel in any Action, including any Action as to which the Company has assumed the defense, and participate in the defense thereof at the Trustee's expense unless such retention of separate counsel has been specifically authorized by Company. The Company shall not be liable for any settlement of any action or proceeding effected without its consent (such consent not to be unreasonably withheld) prior to final adjudication thereof, and the Company shall not agree to the settlement of any Action against the Trustee without the consent of the Trustee, which consent shall not be unreasonably withheld.

(c) The Company may, but shall not be required to, maintain liability insurance to insure its obligations hereunder. If any payments made by the Company or the Trust pursuant to this indemnity are covered by insurance, the Company or the Trust (as applicable) shall be subrogated to the rights of the indemnified party against the insurance company.

5.6 GENERAL DUTY TO COMMUNICATE TO COMMITTEE. The Trustee shall promptly notify the Committee of all communications with or from any government agency or with respect to any legal proceeding with regard to the Trust and with or

from any Plan Participants concerning their alleged entitlements under the Plans or the Trust.

ARTICLE 6

ACCOUNTS AND REPORTS OF TRUSTEE

6.1 RECORDS AND ACCOUNTS OF TRUSTEE. The Trustee shall maintain accurate and detailed records and accounts of all transactions of the Trust, which shall be available at all reasonable times for inspection or audit by any person designated by the Company and which shall be retained as required by applicable law.

6.2 FISCAL YEAR. The fiscal year of the Trust shall be the twelve month period beginning on October 1 and ending on September 30.

6.3 REPORTS OF TRUSTEE. Within thirty (30) days following the close of each fiscal year of the Trust and each quarter of each fiscal year of the Trust, the Trustee shall prepare and present to the Committee a report for the period ending on the last day of such fiscal year and/or quarter of such fiscal year, as the case may be, listing all securities and other property acquired or disposed of and all receipts, disbursements and other transactions effected by the Trust during such period and further listing all cash, securities, and other property held by the Trust, together with the fair market value thereof, as of the end of such period. In addition to the foregoing, the report shall contain such information regarding the Trust Fund's assets and transactions as the Committee in its discretion may reasonably request. The Trustee shall also prepare and present to the Committee such reports for other periods as the Committee may reasonably request. Except as otherwise provided in the next sentence, all tax returns and other regulatory filings required by the Trust shall be prepared by the Trustee and submitted to the Committee for the Company's review at least thirty (30) days before the due date (including any extension thereof) for filing such tax return or other regulatory filing. The Company may, upon written notice to the Trustee, assume the responsibility for preparing any tax return or other regulatory filing required by the Trust. The Trustee shall timely file all such tax returns and other regulatory filings as shall be directed by the Company and shall promptly provide copies of such filings to the Committee.

6.4 FINAL REPORT. In the event of the resignation or removal of a Trustee hereunder, the Trustee shall with reasonable promptness submit, for the period ending on the effective date of such resignation or removal, a report similar in form and purpose to that described in Section 6.3. The Committee shall review such final report and its written approval thereof will discharge the Trustee for all transactions reflected in such report.

6.5 VALUATION OF COMPANY STOCK FOR PURPOSES OF REPORTS, TAX RETURNS AND FILINGS. The Trustee shall value shares of Company Stock at its fair market value for purposes of preparing the reports, tax returns and filings contemplated by this Article 6. Fair market value shall mean for this purpose the closing price of a share of Company Stock on the trading day immediately preceding the date as of which said value is to be presented in such report, tax return or filing, as reported in the Wall Street Journal on the composite tape for issues listed on the New York Stock Exchange.

ARTICLE 7

SUCCESSION OF TRUSTEE

7.1 RESIGNATION OF TRUSTEE. The Trustee or any successor thereto may resign as Trustee hereunder at any time upon delivering a written notice of such resignation, to take effect 60 days after the delivery thereof to the Committee, unless the Committee accepts shorter notice; provided, however, that no such resignation shall be effective until a successor Trustee has assumed the office of Trustee hereunder.

7.2 REMOVAL OF TRUSTEE. The Trustee or any successor thereto may be removed by the Company by delivering to the Trustee so removed an instrument executed by the Committee. Such removal shall take effect at the date specified in such instrument, which shall not be less than 60 days after delivery of the instrument, unless the Trustee accepts shorter notice; provided, however, that no such removal shall be effective until a successor Trustee has assumed the office of Trustee hereunder.

7.3 APPOINTMENT OF SUCCESSOR TRUSTEE. Whenever the Trustee or any successor thereto shall resign or be removed or a vacancy in the position shall otherwise occur, the Committee shall use its best efforts to appoint a successor Trustee as soon as practicable after receipt by the Committee of a notice described in Section 7.1, or the delivery to the Trustee of a notice described in Section 7.2, as the case may be, but in no event more than 60 days after receipt or delivery, as the case may be, of such notice. A successor Trustee's appointment shall not become effective until such successor shall accept such appointment by delivering its acceptance in writing to the Company. If a successor is not appointed within such 60 day period, the Trustee, at the Company's expense, may petition a court of competent jurisdiction for appointment of a successor. In any event only a corporation with trust powers under applicable law, which is not an affiliate of the Company, may be a successor trustee hereunder.

7.4 SUCCESSION TO TRUST FUND ASSETS. The title to all property held hereunder shall vest in any successor Trustee acting pursuant to the provisions hereof without the execution or filing of any further instrument, but a resigning or removed Trustee shall execute all instruments and do all acts necessary to vest title in the successor Trustee. Each successor Trustee shall have, exercise and enjoy all of the powers, both discretionary and ministerial, herein conferred upon its predecessors. A successor Trustee shall not be obliged to examine or review the accounts, records, or acts of, or property delivered by, any previous Trustee and shall not be responsible for any action or any failure to act on the part of any previous Trustee.

7.5 CONTINUATION OF TRUST. In no event shall the legal disability, resignation or removal of a Trustee terminate the Trust, but the Committee shall forthwith appoint a successor Trustee in accordance with Section 7.3 to carry out the terms of the Trust.

7.6 CHANGES IN ORGANIZATION OF TRUSTEE. In the event that any corporate Trustee hereunder shall be converted into, shall merge or consolidate with, or shall sell or transfer substantially all of its assets and business to, another corporation, state or federal, the corporation resulting from such conversion, merger or consolidation, or the corporation to which such sale or transfer shall be made, shall thereafter become and be the Trustee under the Trust with the same effect as though originally so named but only if such corporation is qualified to be a successor trustee hereunder.

7.7 CONTINUANCE OF TRUSTEE'S POWERS IN EVENT OF TERMINATION OF THE TRUST. In the event of the termination of the Trust, as provided herein, the Trustee shall dispose of the Trust Fund in accordance with the provisions hereof. Until the final distribution of the Trust Fund, the Trustee shall continue to have all powers provided hereunder as necessary or expedient for the orderly liquidation and distribution of the Trust Fund.

ARTICLE 8

AMENDMENT OR TERMINATION

8.1 AMENDMENTS. Except as otherwise provided herein, the Company may amend the Trust at any time and from time to time in any manner which it deems desirable, provided, however:

- (a) no amendment that would adversely affect the contingent rights of beneficiaries of the Trust may change:

(i) the formula for computing the number of Released Shares contained in Section 3.1 so as to change the number of Released Shares in any Trust Year;

(ii) the terms of Sections 2.1, 2.3, 3.2, 5.4, 8.1, 8.2 or 8.3; and

(b) no amendment may change the duties of the Trustee without the Trustee's consent, which consent shall not be unreasonably withheld.

Notwithstanding the foregoing, the Company, acting in good faith taking into account the best interests of a broadly based population of individuals employed by the Company or broadly based employee benefit plans in which such persons participate, shall retain the power under all circumstances to amend the Trust to add employee benefit plans to, or delete Plans from, Schedule A and to clarify any ambiguities or similar issues of interpretation in this Agreement.

8.2 TERMINATION. The Trust shall terminate upon the earlier of (i) September 30, 2023 or (ii) the date on which the Trust no longer holds any assets. The Company, acting through a duly-authorized officer, may terminate the Trust at any time prior to the date the Trust terminates pursuant to the preceding sentence.

8.3 EFFECT OF TERMINATION. Upon termination of the Trust, the Trustee shall sell sufficient remaining assets of the Trust so that the proceeds of such sale, together with any other available cash, can be applied to pay in full the remaining principal of the Loan and any accrued but unpaid interest thereon and any expenses of the Trust. The Committee may direct the Trustee as to the timing and manner of such sale in order to comply with applicable law and to avoid, if possible, adverse effects on the publicly traded market price of Company Stock. If the Trustee is required to sell Company Stock the Trustee may engage agents to effect such sales and shall be reimbursed for the reasonable fees and expenses such agents in accordance with Section 4.1. In the event the proceeds of the sale shall be insufficient to discharge the Loan in its entirety, the Company shall be deemed to have forgiven all amounts which shall remain due and owing thereon. Any assets or Company Stock remaining in the Trust after such payment in full of the Loan shall be distributed to or for the benefit of any employee benefit plan (including one or more of the Plans) in which a broad cross section of non-collectively bargained employees of the Company participate, as the Committee shall, in its sole discretion, determine.

8.4 MERGER. If the Company is merged into another corporation or another corporation is merged into the Company then (a) the surviving corporation shall become the grantor of the Trust, (b) the assets of the Trust shall be subject to the claims of the creditors of the surviving corporation in accordance with Article 1, above and (c) the provisions of this Agreement which apply to Company Stock (including

without limitation the provisions of Article 3, above) shall apply to the stock of the surviving corporation held hereunder or transferred to the Trust.

8.5 FORM OF AMENDMENT OR TERMINATION. Any amendment or termination of the Trust shall be evidenced by an instrument in writing signed by an authorized officer of the Company, certifying that said amendment or termination has been authorized and directed by the Company or the Board of Directors, as applicable.

THIS COMMON STOCK PURCHASE AGREEMENT (the "Agreement") is made this 29th day of December 1993, between Air Products and Chemicals, Inc., a Delaware corporation (the "Seller" or the "Company") and Mellon Bank (DE) National Association, a national banking association having corporate trust powers under the laws of the State of Delaware, not in its individual or corporate capacity, but solely in its capacity as trustee (the "Trustee") of the Air Products and Chemicals, Inc. Flexible Employee Benefits Trust (the "Trust", which is hereinafter sometimes referred to as the "Purchaser") under a trust agreement between the Seller and the Trustee dated as of December 29, 1993 (the "Trust Agreement").

W I T N E S S E T H

WHEREAS, as contemplated by the Trust Agreement, the Purchaser is to purchase from the Seller, and the Seller is to sell to the Purchaser, ten million (10,000,000) shares of the Seller's Common Stock, par value \$1.00 per share (the "Common Shares"), all as more specifically provided herein;

NOW, THEREFORE, in consideration of the mutual covenants and undertakings contained herein, and subject to and on the terms and conditions herein set forth, the parties hereto agree as follows:

ARTICLE 1
PURCHASE AND SALE OF SHARES

1.1 PURCHASE AND SALE. Subject to the terms and conditions set forth herein, the Seller will sell to the Purchaser, and the Purchaser will purchase from the Seller, at the Closing (as hereinafter defined), the Common Shares, and, in consideration for the Common Shares, the Purchaser will deliver to the Seller the note in the form of Appendix 1 to this Agreement in the principal amount of \$457,500,000.00 (the "Note") which is the market value of the Common Shares determined on the basis of the closing price of the Common Shares on the trading day immediately preceding the Closing, as reported in the Wall Street Journal on the composite tape for issues listed on the New York Stock Exchange.

1.2 CLOSING. The closing of the sale and purchase of the Common Shares hereunder (the "Closing") will be held at the offices of the Trustee at Mellon Bank Center, 10th and Market Streets, 2nd Floor, Wilmington, Delaware 19801 at 10:00 a.m., on the date of execution and delivery of this Agreement by the Seller and the Purchaser, or at such other time, date and place as may be mutually agreed upon by the Seller and the Purchaser.

1.3 DELIVERY AND PAYMENT. At the Closing, the Seller will deliver to the Purchaser a certificate representing the Common Shares, which certificate shall be registered in the name of the Trustee, or the name of its nominee, against payment by the Purchaser to the Seller of the aggregate consideration set forth in Section 1.1 therefor. The Seller will pay all stamp and other transfer taxes, if any, that may be payable in respect of the sale and delivery of the Common Shares.

ARTICLE 2

REPRESENTATIONS AND WARRANTIES OF THE SELLER

The Seller represents and warrants to the Purchaser as follows:

2.1 CORPORATE EXISTENCE AND AUTHORITY. The Seller (a) is a corporation duly organized, validly existing and in good standing under the laws of the State of Delaware, (b) has all requisite corporate power to execute, deliver and perform this Agreement, and (c) has taken all necessary corporate action to authorize the execution, delivery and performance of this Agreement.

2.2 NO CONFLICT. The execution and delivery of this Agreement does not, and the consummation of the transactions contemplated hereby will not violate, conflict with or constitute a default under (a) the Seller's certificate of incorporation or bylaws, (b) any agreement, indenture or other instrument to which the Seller is a party or by which the Seller or its assets are bound or (c) to the best of its knowledge, any law, regulation, order, arbitration, award, judgment or decree applicable to the Seller.

2.3 VALIDITY. This Agreement has been duly executed and delivered by the Seller and is a valid and binding agreement of the Seller enforceable against the Seller in accordance with its terms, except as the enforceability thereof may be limited by an applicable bankruptcy, insolvency, reorganization, moratorium, fraudulent conveyance or other laws affecting the enforcement of creditors' rights generally, and by general principles of equity.

2.4 THE COMMON SHARES. The Common Shares have been duly authorized and, when sold as contemplated hereby, will be validly issued, fully-paid and non-assessable shares of the Seller. No stockholder of the Seller has any preemptive or other subscription right to acquire any shares of Common Stock. The Seller will convey to the Purchaser, on the date of Closing, good and valid title to the Common Shares free and clear of any liens, claims, security interests and encumbrances.

2.5 LITIGATION. There are no actions, suits, proceedings, arbitrations or investigations pending or, to the Seller's best knowledge, threatened in any court or before any governmental agency or instrumentality or arbitration panel or otherwise against or by the Seller which seek to or could restrain, prohibit, rescind or declare unlawful, or result

in substantial damages in respect of, this Agreement or the performance hereof by the Seller (including, without limitation, the delivery of the Common Shares).

ARTICLE 3

REPRESENTATIONS AND WARRANTIES OF THE PURCHASER

The Purchaser represents and warrants to the Seller as follows:

3.1 **AUTHORITY; VALIDITY.** The Purchaser has full power and authority under the Trust to execute and deliver this Agreement and the Note and to consummate the transactions contemplated hereby. This Agreement has been duly authorized, executed and delivered by the Trustee on behalf of the Trust and is a valid and binding agreement of the Purchaser enforceable in accordance with its terms, except as the enforceability thereof may be limited by any applicable bankruptcy, insolvency, reorganization, moratorium, fraudulent conveyance or other laws affecting the enforcement of creditors' rights generally, and by general principles of equity. The Note has been duly authorized by the Trustee on behalf of the Trust and, upon execution and delivery by the Trustee on behalf of the Trust, the Note will be a valid and binding agreement of the Purchaser enforceable in accordance with its terms, except as the enforceability thereof may be limited by any applicable bankruptcy, insolvency, reorganization, moratorium, fraudulent conveyance or other laws affecting the enforcement of creditors' rights generally, and by general principles of equity.

3.2 **NO CONFLICT.** The execution and delivery of this Agreement do not, and the execution and delivery of the Note, and the consummation of the transactions contemplated hereby and thereby will not, violate, conflict with or constitute a default under (a) the terms of the Trust, (b) any agreement, indenture or other instrument to which the Trust is a party or by which the Trust or its assets may be bound or subject or (c) to the best of its knowledge, any law, regulation, order, arbitration award, judgment or decree applicable to the Trust.

ARTICLE 4

RESTRICTION ON DISPOSITION OF THE COMMON SHARES

4.1 **RESTRICTED SECURITIES.** The Purchaser acknowledges that the Purchaser is acquiring the Common Shares pursuant to a transaction except from registration under the Securities Act of 1933, as amended (the "1933 Act"). The Purchaser represents, warrants and agrees that all Common Shares acquired by the Purchaser pursuant to this Agreement are being acquired for investment without any intention of making a distribution thereof, or of making any sale or other disposition thereof which would be in violation of the 1933 Act or any applicable state securities law, and that the Purchaser will not dispose of any of the Common Shares, except that the Trustee will, from time to time, convey to certain Plans

(as defined and provided in the Trust Agreement) or sell pursuant to an effective Registration Statement under the 1933 Act or an exemption therefrom, a portion of the Common Shares to satisfy the obligations of the Company or affiliate of the Company under such Plans, and except upon termination of the Trust to the extent that the Trust then holds any Common Shares, all in compliance with all provisions of applicable federal and state law regulating the issuance, sale and distribution of securities and then only in compliance with the Trust Agreement.

4.2 LEGEND. COVENANTS OF SELLER

The Seller agrees that:

5.1 COMPLIANCE AND FILINGS. The Seller will comply with all rules of any stock exchange or similar entity which are applicable to it or to the conduct of its business, and, without limiting the generality of the foregoing, shall make such filings, distributions and disclosures as are required by the 1933 Act, the 1934 Act or any of the regulations, rules or orders promulgated thereunder, insofar as the failure to comply would materially and adversely affect the Company and its subsidiaries taken as a whole. The Seller will maintain complete and accurate books, records and accounts in accordance with the requirements of Section 13(b)(2) under the 1934 Act.

5.2 REGISTRATION. The Seller will, after a written request by the Committee (as such term is defined in the Trust Agreement) to register under the 1933 Act such number of Common Shares as the Committee may from time to time direct, prepare for filing at the Seller's expense a registration statement with the Securities and Exchange Commission sufficient to permit the public offering of such Common Shares in accordance with the

The Seller shall also use its best efforts to register or qualify the Common Shares so registered under the securities and blue sky laws of such jurisdictions within the United States as the Trustee may request pursuant to the written request of the Committee, provided, however, that the Seller shall not be required to (i) consent to general service of process for all purposes in any jurisdiction where it is not then qualified; or (ii) qualify generally or use efforts which could cause it to qualify generally to do business as a foreign corporation in any jurisdiction wherein it would not otherwise be required to qualify.

FOR VALUE RECEIVED, the undersigned, Mellon Bank (DE) National Association, a national banking association with corporate trust powers under the laws of the State of Delaware, not in its individual or corporate capacity but solely in its capacity as Trustee of the Air Products and Chemicals, Inc. Flexible Employee Benefits Trust (the "Trust") hereby promises on behalf of the Trust to pay to the order of Air Products and Chemicals, Inc., a Delaware corporation (the "Company"), at the principal offices of the Company in Allentown, Pennsylvania or at such other place as the Company shall designate in writing, the aggregate principal amount of Four Hundred Fifty-Seven Million Five Hundred Thousand Dollars (\$457,500,000.00), as shown on Schedule A attached hereto as such may be amended from time to time, with interest in arrears thereon, as hereinafter provided.

Principal shall be paid in installments in the amounts and on the dates set forth on the Maturity Schedule attached hereto as Schedule A, the last such installment due on September 30, 2023; provided, however, that this Note may be prepaid in whole or in part at any time without penalty in accordance with Section 2.2 of the Trust Agreement creating the Trust effective as of December 29, 1993 (the "Trust Agreement"); and provided further, in accordance with Section 2.1 and Section 2.2 of the Trust Agreement, all or any portion of principal of this Note then outstanding, together with any accrued but unpaid interest on this Note, may be deemed forgiven; and provided further, in the event that the Trust shall have been terminated in accordance with Section 8.2 of the Trust Agreement and the Trustee shall have complied with the requirements of Section 8.3 of the Trust Agreement, any remaining principal of this Note then outstanding, together with any accrued but unpaid interest on this Note, shall be deemed forgiven. Interest on the unpaid principal balance, at an annual interest rate (the "Interest Rate") equal to seven and one-half percent (7.5%), shall be paid annually, in arrears, on each September 30, commencing September 30, 1994, and shall be

calculated on the basis of a 360-day year of twelve (12) 30-day months. Whenever any payment falls due on a Saturday, Sunday or public holiday, such payment shall be made on the next succeeding business day. Upon termination of the Trust, the entire unpaid balance of principal and interest shall be immediately payable.

This Note shall be construed under the laws of the State of Delaware.

The undersigned represents and warrants that the indebtedness represented by this Note was incurred for the purpose of purchasing shares of Common Stock, par value \$1.00 per share, of the Company.

The Note may not be assigned by the Company, other than by operation of law, without the prior express written consent of the undersigned.

The Company shall have no recourse whatsoever to any assets of the Trustee in its individual or corporate capacity for repayment. The Trustee is entering into this Agreement not in its individual or corporate capacity but solely as Trustee, and no personal or corporate liability or personal or corporate responsibilities are assumed by, or shall at any time be asserted or enforceable against, the Trustee in its individual or corporate capacity under, or with respect to, this Agreement.
