Item 4.01 Change in Registrant’s Certifying Accountant

The Audit and Finance Committee of the Board of Directors of Air Products and Chemicals, Inc. (the “Company”) conducted a competitive process to determine the Company’s independent registered public accounting firm for the Company’s fiscal year ending 30 September 2019. Following review and evaluation of proposals from the firms participating in that process, on 24 July 2018, the Audit and Finance Committee engaged Deloitte & Touche LLP (“Deloitte”) as the Company’s independent registered public accounting firm for the Company’s fiscal year ending 30 September 2019. KPMG LLP (“KPMG”), the Company’s current independent registered public accounting firm, was informed of this decision on the same date and will continue as the Company’s independent registered public accounting firm for the Company’s fiscal year ending 30 September 2018. KPMG’s dismissal will take effect following the completion of its audit and the issuance of its report on the Company’s consolidated financial statements and internal control over financial reporting for the Company’s fiscal year ending 30 September 2018, which will be included in the Company’s Annual Report on Form 10-K for that year.

KPMG’s audit reports on the Company’s consolidated financial statements as of and for the fiscal years ended 30 September 2017 and 2016 did not contain an adverse opinion or a disclaimer of opinion, nor were they qualified or modified as to uncertainty, audit scope or accounting principles. The audit reports of KPMG on the effectiveness of internal control over financial reporting as of 30 September 2017 and 2016 did not contain an adverse opinion or disclaimer of opinion, nor were they qualified or modified as to uncertainty, audit scope or accounting principles.

During the fiscal years ended 30 September 2017 and 2016, and the subsequent interim periods through 24 July 2018, there were (i) no disagreements between the Company and KPMG on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, any of which, if not resolved to KPMG’s satisfaction, would have caused KPMG to make reference thereto in their reports, and (ii) no “reportable events” within the meaning of Item 304(a)(1)(v) of Regulation S-K.

The Company provided KPMG with a copy of the disclosures it is making in this Current Report on Form 8-K and requested that KPMG furnish a letter addressed to the Securities and Exchange Commission stating whether or not it agrees with the statements made herein. A copy of KPMG’s letter, dated 26 July 2018, is filed as Exhibit 16.1 hereto.

During the fiscal years ended 30 September 2017 and 2016, and the subsequent interim periods through 24 July 2018, neither the Company nor anyone on its behalf consulted with Deloitte regarding (i) the application of accounting principles to a specific transaction, either completed or proposed, or the type of audit opinion that might be rendered on the Company’s financial statements, and neither a written report nor oral advice was provided to the Company that Deloitte concluded was an important factor considered by the Company in reaching a decision as to any accounting, auditing, or financial reporting issue, (ii) any matter that was the subject of a disagreement within the meaning of Item 304(a)(1)(iv) of Regulation S-K, or (iii) any reportable event within the meaning of Item 304(a)(1)(v) of Regulation S-K.

Ladies and Gentlemen:

We are currently principal accountants for Air Products and Chemicals, Inc. and, under the date of November 16, 2017, we reported on the consolidated financial statements and financial statement schedule of Air Products and Chemicals, Inc. (the "Company") as of and for the years ended September 30, 2017 and 2016 and the effectiveness of internal control over financial reporting as of September 30, 2017. On July 24, 2018, we were notified that the Company engaged Deloitte & Touche LLP ("Deloitte") as its principal accountant for the Company's fiscal year ending September 30, 2019 and that the auditor-client relationship with KPMG LLP will cease upon completion of the audits of the Company's consolidated financial statements as of and for the year ending September 30, 2018 and the effectiveness of internal control over financial reporting as of September 30, 2018, and the issuance of our report thereon. We have read the Company's statements included under Item 4.01 of its Current Report on Form 8-K as filed on July 26, 2018, and we agree with such statements, except that we are not in a position to agree or disagree with the Company's statement that, following review and evaluation of proposals from the firms participating in that process, on 24 July 2018, the Audit and Finance Committee engaged Deloitte as the Company's independent registered public accounting firm for the Company's fiscal year ending 30 September 2019, and we are not in a position to agree or disagree with the Company's statement that neither the Company nor anyone acting on its behalf consulted with Deloitte regarding the matters referenced in the final paragraph under Item 4.01.

Very truly yours,

/s/ KPMG LLP
